**MEDI-CAL ADMINISTRATIVE ACTIVITIES
MEMORANDUM OF UNDERSTANDING**

Between the

ALAMEDA COUNTY HEALTH CARE SERVICES AGENCY

and

Oakland Unified School District

FOR FISCAL YEAR 2011-2012

ARTICLE I - PURPOSE OF AGREEMENT

- A. The Alameda County Health Care Services Agency hereinafter referred to as the HCSA has entered into a contract with the State Department of Health Care Services hereinafter referred to as the State to establish a means of claiming Title XIX federal financial participation (FFP) for administrative costs necessary for the proper and efficient administration of the Medi-Cal program as set forth in W&I Code Section 14132.47.
- B. The purpose of the State-HCSA contract is to assist the State in the proper and efficient administration of the Medi-Cal Program. Assistance by the HCSA in providing Medi-Cal administration has been determined to be an effective method of assuring the availability and accessibility of Medi-Cal services to Medi-Cal eligible individuals served by the LGA and their subcontractors.
- C. The State recognizes the unique relationship that the HCSA has with Medi-Cal eligible individuals. It further recognizes the expertise of the Centers for Medicare and Medicaid Services (CMS) in identifying and assessing the health care needs of Medi-Cal eligible individuals it serves. The State, in order to take advantage of this expertise and relationship, has, by contract, designated the HCSA as the Local Government Agency (LGA) for purposes of submitting Medi-Cal Administrative Activity (MAA) claims to the State.
- D. HCSA, as LGA, recognizes the unique relationship that certain other departments and entities in the County have with Medi-Cal eligible individuals. It further recognizes their expertise in identifying and assessing the health care needs of the Medi-Cal eligible individuals they serve. As the LGA, the HCSA is authorized to enter into agreements with a department/entity performing MAA, hereinafter referred to as the Contractor, in support of HCSA, as the LGA claiming administrative reimbursement. The HCSA, in order to take advantage of the Contractor's expertise and relationship, enters into this agreement herewith.

ARTICLE II - MUTUAL OBJECTIVES

Both parties to the Agreement agree:

- A. To ensure that Medi-Cal potentially eligible individuals, and their families where appropriate, served by the Contractor are informed of the Medi-Cal Program, how to access it, and assisted in accessing the Medi-Cal program, if needed.
- B. To ensure that assistance is provided to Medi-Cal eligible individuals and their families where appropriate, in facilitating their receipt of services and activities in the Medi-Cal program.

- C. That this Agreement is governed by 42 USC, Section 1396 et seq., 42 Code of Federal Regulations (CFR) Part 400 et seq., and 45 CFR Part 95, California Welfare and Institutions Code, Division 9, Part 3, Chapter 7 (commencing with Section 14000) and Chapter 8 (commencing with Section 14200), and Title 22 California Code of Regulations (CCR), Division 3 (commencing with Section 50000), all as periodically amended; State issued policy directives; and by federal Office of Management and Budget (OMB) circular A-87, as periodically amended.

ARTICLE III - CONTRACTOR RESPONSIBILITIES

- A. Perform Medi-Cal administrative activities (MAA) on behalf of the HCSA to assist in the proper and efficient administration of the Medi-Cal Program by improving the availability and accessibility of Medi-Cal services to Medi-Cal eligible and potentially eligible individuals, and their families (where appropriate) served by the Contractor.

MAA performed by Contractor will be eligible for FFP only when they are identified in a MAA claiming plan approved by the State and the federal CMS:

1. **MEDI-CAL OUTREACH:** The only allowable Medi-Cal outreach for purposes of Medi-Cal administrative claiming is to groups or individuals targeted to two goals:
 - a. Bringing potential eligibles into the Medi-Cal system for the purpose of determining Medi-Cal eligibility; and
 - b. Bringing Medi-Cal eligible people into Medi-Cal services (information and referral).

Outreach may consist of discrete campaigns or may be an ongoing activity, such as: sending teams of employees into the community to contact homeless alcoholics or drug abusers; establishing a telephone or walk-in service for referring persons to Medi-Cal services or eligibility offices; operating a drop-in community center for underserved populations, such as minority teenagers where Medi-Cal eligibility and service information is disseminated. Local education agencies (LEAs) may only conduct outreach to the populations served by their school districts, i.e., students and their parents or guardians. LEA staff providing Medi-Cal targeted case management (TCM) services pursuant to W&I Code Section 14132.06, shall not be permitted to claim for MAA.

NOTE: Public health outreach conducted by Contractors shall not duplicate the requirements of Medi-Cal managed care providers to pursue the enrollment of Medi-Cal eligibles in their service areas.

NON ALLOWABLE: Some activities are not considered Medi-Cal outreach under any circumstances, as follows:

- a. General preventive health education programs or campaigns addressed to lifestyle changes in the general population (e.g., SANE, DARE, dental prevention, anti-smoking, alcohol reduction, etc.) are not allowable MAA.
- b. Outreach campaigns directed toward encouraging persons to access social, educational, legal or other services not covered by Medi-Cal are not allowable.

ALLOWABLE: Allowable outreach activities shall be discounted by the Medi-Cal percentage or not discounted as follows:

- a. **NOT DISCOUNTED:** Outreach campaigns directed to the entire population to encourage potential Medi-Cal eligibles to apply for Medi-Cal are allowable, and

the costs do not have to be discounted by the Medi-Cal percentage. These campaigns are Medi-Cal only eligibility outreach campaigns.

Outreach campaigns directed toward bringing Medi-Cal eligibles into Medi-Cal covered services are allowable and the costs also do not have to be discounted by the Medi-Cal percentage. In such campaigns, the language should clearly indicate that the message is directed to only persons eligible for Medi-Cal, and not the general public. These campaigns are service campaigns, targeted on specific Medi-Cal services, such as Early and Periodic Screening, Diagnosis and Treatment (EPSDT).

A health education program or campaign may be allowable as a Medi-Cal administrative cost if it is targeted specifically to Medi-Cal services and for Medi-Cal eligible individuals, such as an educational campaign on immunization addressed to parents of Medi-Cal children. If the entire campaign is focused on Medi-Cal, the costs need not be discounted.

- b. DISCOUNTED: Outreach campaigns directed towards bringing specific high risk populations (including both Medi-Cal and non-Medi-Cal persons), for example, low income pregnant women or substance abusers, into health care services, are only allowable to the extent they bring Medi-Cal eligibles into Medi-Cal services. The costs of these activities are claimable as Medi-Cal administration, but discounted by the Medi-Cal percentage.

If a specific Medi-Cal health education program is included as part of a broader general health education program, the Medi-Cal portion may be allowable if the cost of the general health education program is discounted according to the Medi-Cal percentage.

Telephone, walk-in, or drop-in services for referring persons to Medi-Cal services, sometimes called "Information and Referral" are also allowable and discounted by the Medi-Cal percentage.

County-wide averages or other methods approved by the State and CMS for calculating the Medi-Cal percentage discount may be utilized.

The Contractor may contract with non-governmental agencies or programs to conduct outreach activities. The subcontracted providers of TCM services, except in local education agencies, may conduct outreach activities, so long as the TCM service(s) and outreach activities are not performed by the same subcontractor employee. The subcontracted providers shall maintain an accurate accounting and reporting of the time spent on providing TCM services and performing allowable MAA outreach activities. Subcontracts must specify that MAA shall be subject to the limitations set forth with respect to MAA in the Agreement.

2. FACILITATING MEDI-CAL APPLICATION (Eligibility Intake): This activity includes explaining Medi-Cal eligibility rules and the Medi-Cal eligibility process to prospective applicants; assisting an applicant to fill out a Medi-Cal eligibility application; gathering information related to the application and eligibility determination or redetermination from a client, including resource information and third party liability information, as a prelude to submitting a formal Medi-Cal application to the county social services department; and/or providing necessary forms and packaging all forms in preparation for the Medi-Cal eligibility determination. This activity does not include the eligibility determination itself. These costs do not have to be discounted by the Medi-Cal percentage.

The Contractor may subcontract with non-governmental agencies or programs to conduct

eligibility intake activities. Providers of TCM services may conduct eligibility intake, so long as the TCM service(s) and eligibility intake are not performed by the same employee. The non-governmental agencies or programs shall maintain an accurate accounting and reporting of the time spent on providing TCM services and performing Medi-Cal eligibility intake activities.

3. **MEDI-CAL NON-EMERGENCY TRANSPORTATION:** The actual costs of arranging and providing non-emergency transportation, and accompaniment, when medically necessary, by an attendant (not a TCM case manager) of Medi-Cal eligibles to Medi-Cal services are allowable as a Medi-Cal administrative cost to the extent that such costs are actually borne by the Contractor in accordance with 42 Code of Federal Regulations, Section 440.170. Examples of allowable non-emergency transportation costs include: taxi vouchers, bus tokens, mileage, etc. The cost of providing non-emergency transportation for which no actual cost is borne by the HCSA or Contractor is not an allowable MAA cost.

SEPARATE TRANSPORTATION UNIT OR SERVICE: In situations where a Contractor operates a separate transportation unit or contracts for the provision of transportation services, the costs of the unit or the contractor of actually providing the Medi-Cal non-emergency transportation services for Medi-Cal eligibles to Medi-Cal covered services is an allowable Medi-Cal administrative cost. Costs may be calculated on a per mile or per trip basis for each Medi-Cal client transported, or by any other method allowed by federal law and regulation.

TRANSPORTATION COSTS AND TCM: The costs of arranging for transportation of Medi-Cal eligibles to Medi-Cal services are part of the TCM rate. Therefore, the costs incurred by TCM case managers in arranging transportation for Medi-Cal eligibles to Medi-Cal services are not claimable as Medi-Cal administration. The TCM rate includes the travel costs incurred by the TCM case manager in providing the TCM services. A TCM case manager may transport or accompany a Medi-Cal eligible to a Medi-Cal service appointment only if the case manager is performing case management functions while actually accompanying the client. In such situations, the costs of the accompanying and transportation will be in the TCM rate and should not be claimed separately as an administrative activity.

4. **CONTRACTING FOR MEDI-CAL SERVICES:** This activity involves entering into contracts with community-based organizations (CBO) or other provider agencies for the provision of Medi-Cal services and/or MAA, other than TCM. The costs of TCM subcontract administration should be included in the TCM rate. Subcontracts must specify that MAA shall be subject to the limitations set forth with respect to MAA in this Agreement. This activity is not claimable by CBO (501-C-3) designated agencies.

NOTE: Contractors have the option of claiming the costs of contract administration for allowable MAA, such as Outreach, under that activity or the costs may be claimed under Contract administration. Under no circumstances are the costs of contract administration for allowable MAA to be claimed under both Contract administration and the activity, such as Outreach. Contracting for Medi-Cal services may only be claimed under Contract administration.

Contracting for Medi-Cal services and/or MAA is claimable as an administrative activity when the administration of those contracts meets all of the following criteria:

- a. The contract administration is performed by an identifiable unit of one or more employees, whose tasks officially involve contract administration, according to the duty statements or job descriptions of the employees being claimed.
- b. The contract administration involves contractors that provide Medi-Cal services

and/or MAA. The costs of contracting for TCM services with non-Contractor providers should be claimed as part of the TCM rate. These costs cannot be separately claimed as MAA.

- c. TCM case managers and contractor's subcontractors, except for school district staff, cannot claim for contract management. It is claimable only when performed by a Contractor. Schools may contract for Medi-Cal services in connection with the LEA billing option.
- d. The administrative costs of contracting by contractors as service providers under managed care arrangements may not be claimed administratively and are considered to be in the managed care capitation payment to the Contractor.
- e. The contract administration must be directed to one or more of the following goals:
 - (1) Identifying, recruiting, and contracting with community agencies as Medi-Cal service contract providers;
 - (2) Providing technical assistance to Medi-Cal subcontractors regarding County, State and Federal regulations;
 - (3) Monitoring provider agency capacity and availability; and
 - (4) Ensuring compliance with the terms of the contract.

The contracts being administered must be for Medi-Cal services and/or MAA and may involve Medi-Cal populations only or may be general medical service contracts involving Medi-Cal and other indigent, non-Medi-Cal populations. When the contract involves a Medi-Cal and non-Medi-Cal population, the costs of contract administration shall be **discounted** by the Medi-Cal percentage.

- 5. **PROGRAM PLANNING AND POLICY DEVELOPMENT:** This activity may be **ENHANCED** (at 75 percent FFP) if performed by an SPMP, or **NON-ENHANCED** (at 50 percent FFP) if performed by a non-SPMP.

NOT ALLOWABLE: This activity is not allowable if staff performing this function are employed full-time by LGA service providers, such as clinics. The full costs of the employee's salary are assumed to be included in the billable fee-for-service rate and separate MAA claiming is not allowed.

This activity is not allowable if staff who deliver services part-time in a LGA service provider setting, such as a clinic, are performing PP&PD activities relating to the service provider setting in which they deliver services.

This activity is not allowable when performed by a Targeted Case Management case manager.

ALLOWABLE: This activity is claimable when performed, either part-time or full-time, by one or more Contractor/LEA employees and subcontractors whose tasks officially involved PP&PD. Contractor/LEA employees performing program and planning and policy development must have those tasks identified in the employees' position description/duty statements. If the programs serve both Medi-Cal and non-Medi-Cal clients, the costs of program planning and policy development activities must be allocated according to the Medi-Cal percentages being served by the programs.

This activity is claimable as a direct charge for Medi-Cal administration only when PP&PD is performed by a unit of one or more Contractor/LEA employees who spend 100 percent of their paid working time performing this activity. The activity is claimable only if the administrative amounts being claimed for program planning and policy development persons and activities are not otherwise included in other claimable cost pools; and the amounts being claimed are such persons employed (and activities taking place in) a service provider setting are not otherwise being reimbursed through the billable service rate of that provider. Costs for persons performing PP&PD activities less than 100 percent of their paid working time will be based on a time study.

In contractors with county-wide managed care arrangements, PP&PD activities are claimable as Medi-Cal administration only for those services that are excluded from the managed care contracts.

Under the conditions specified above, the following tasks are allowable as MAA:

- a. Developing strategies to increase Medi-Cal system capacity and close Medi-Cal service gaps. This includes analyzing Medi-Cal data related to a specific program or specific group.
- b. Interagency coordination to improve delivery of Medi-Cal services.
- c. Developing resource directories of Medi-Cal service providers.
- d. For subcontractors, some PP&PD support services are allowable, such as developing resources directors, preparing Medi-Cal data reports, conducting needs assessments, or preparing proposals for the expansion of Medi-Cal services.

6. **MAA/TCM COORDINATION AND LGA CLAIMS ADMINISTRATION:** LGA employees whose position description/duty statement includes the administration of MAA and TCM on an LGA-wide basis, may claim for the costs of these activities on the MAA invoice as a direct charge. Costs incurred in the preparation and submission of MAA claims at any level, including staff time, supplies, and computer time, may be direct charged.

If the MAA/TCM Coordinator and/or claims administration staff are performing this function part-time, along with other duties, they must certify the percentage of total time spent performing the duties of MAA/TCM coordination and/or claims administration. The percentage certified for the MAA/TCM Coordinator and/or claims administration staff activities must be used as the basis for federal claiming.

The LGA (HCSA) MAA/TCM Coordinator and claims administration staff may claim the costs of the following activities, as well as any other reasonable activities directly related to the HCSA administration of MAA and TCM services at the HCSA-wide level:

- a. Drafting, revising, and submitting MAA claiming plans, and TCM performance monitoring plans.
- b. Serving as liaison with and monitoring the performance of claiming programs within the LGA and with the state and federal governments on MAA and TCM.

- e. Training LGA program and subcontractor staff on State, Federal, and local requirements for MAA and/or TCM claiming.
- f. Ensuring that MAA and/or TCM invoices do not duplicate Medi-Cal invoices for the same services or activities from other providers. This includes ensuring that services are not duplicated when a Medi-Cal beneficiary receives TCM services from more than one case manager.

NOTE: The costs of the LGA (HCSA) MAA/TCM Coordinators' time and claims administration staff time must not be included in the TCM rate or in MAA claiming, since the costs associated with the time are to be direct charged. Charges for supervisors, clerical, and support staff for these employees may be allocated based upon the percentage of certified time of the MAA/TCM Coordinator and claims administration staff. The costs of TCM claiming activity at the TCM provider level are to be included in the TCM rate.

- 7. **GENERAL ADMINISTRATION:** This includes activities that are eligible for cost distribution on an OMB Circular A-87 approved cost allocation basis. These costs are to be distributed proportionately to all of the activities performed:

This does not include lunch or meal breaks, off payroll time, or CTO which shall be allocated as prescribed by the State.

The following certification statement shall be made on each invoice submitted to the HCSA for payment for the performance of Medi-Cal administrative activities:

- D. The Agreement will automatically terminate, without penalty by operation of law, at the end of the term for which funds are appropriated by the U.S. Congress.
- E. Transfer of funds is contingent upon the availability of Federal Financial Participation.
- F. This Agreement is valid and enforceable only if Contractor certifies that sufficient matching funds are available for the purpose of this program. Agreement is also subject to any additional restrictions, limitations or conditions enacted by the appropriate governing body, which may affect the provisions, term, or funding of this Agreement in any manner.
- G. This Agreement will terminate without penalty at the end of any fiscal year in the event funds are not appropriated by the US Congress for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, at the end of the term for which funds are appropriated.
- H. The Contractor shall reply in a timely manner, to any request for information by HCSA, or by the State, or to any audit exceptions by state and federal audit agencies that directly relate to the Medi-Cal administrative activities to be performed under this Agreement.

Both parties to this Agreement recognize that the HCSA is liable only for an audit exception which relates to administrative activities under this Agreement, and has no liability for any other Contractor which may enter into a similar Agreement with the HCSA for the performance of MAA.

- I. After the HCSA has received reimbursement from the State for a quarterly MAA claim, the HCSA agrees to pay Contractor an amount equal to the Federal reimbursement of Contractor's expenditures, subject to the other provisions in this section of the Agreement. Payment shall be made based on Contractor supplying the foregoing information to the HCSA.
- J. The HCSA will withhold from all MAA reimbursement received for Contractor an administrative fee in the amount of **two and one half (2.5) percent** of the total reimbursement received. The administrative fee covers the following: payment of the State participation fee, provision of training, materials and technical assistance, processing and submission of the Contractor portions of the County MAA Claiming Plan, processing/submission of Contractor's quarterly claim, audit review and support.

VIII - LIMITATION OF HCSA LIABILITY

- A. Notwithstanding any other provision of this Agreement, the HCSA shall be held harmless by Contractor, in accordance with paragraphs B and C below, from any federal audit disallowance and interest resulting from payments made to the Contractor pursuant to W&I Code Section 14132.47, and this Agreement, less the amounts already submitted to the HCSA pursuant to W&I Code Section 14132.47(m) for the disallowed claim and from any and all liabilities, claims, actions or judgments arising out of Contractor's performance under this Agreement.
- B. To the extent that a federal audit disallowance and interest results from a claim or claims for which the Contractor has received reimbursement for Medi-Cal administrative activities, the HCSA shall recoup from the Contractor which submitted the disallowed claim, through offsets or by direct billing, amounts equal to the amount of the disallowance plus interest in that fiscal year, less the amounts already remitted to the HCSA pursuant to W&I Code Section 14132.47(m) for the disallowed claim. All subsequent claims submitted to the HCSA applicable to any previously disallowed Medi-Cal administrative activity or claim, may be held in abeyance, with no payment made, until the federal disallowance issue is resolved.
- C. To the extent that a federal audit disallowance and interest results from a claim or claims for

which the Contractor has received reimbursement for Medi-Cal administrative activities performed by a non-governmental entity under Agreement with, and on behalf of, the Contractor, the HCSA shall be held harmless by that particular Contractor for 100 percent of the amount of any such final federal audit disallowance and interest, less the amounts already remitted to the HCSA pursuant to W&I Code Section 14132.47(m) for the disallowed claim.

- D. Both parties to this Agreement recognize that the Contractor is liable only for an audit exception which relates to administrative activities under this Agreement, and has no liability for any other Contractor which may enter into a similar Agreement with the HCSA for the performance of Medi-Cal administrative activities.

ARTICLE IX- GENERAL PROVISIONS

- A. This Contract constitutes the entire contract between the parties. Any condition, provision, agreement or understanding not stated in this Agreement shall not affect any rights, duties or privileges in connection with this Agreement.
- B. The HCSA shall have the right to access, examine, monitor and audit all records, documents, conditions and activities of the Contractor and their subcontractors related to the programs funded by this Agreement.
- C. The term "days" as used in this Agreement shall mean calendar days unless specified otherwise.
- D. Should any disagreement arise between the HCSA and the Contractor on any provisions of this Agreement, the parties agree that the same shall be submitted in writing to each other and be the subject of discussion between the HCSA liaison and Contractor liaison herewith designated, and in a good faith effort to achieve resolution. If mutual agreement cannot be reached within 30 days after receipt of the written issue of dispute, the Contractor may request a meeting with the Director, or his or her designee, to present its concerns. If the Director or his or her designee cannot meet, the HCSA shall respond in writing to the Contractor, with the HCSA's position. Thereafter, the decision of the Director shall be final. The date of "receipt" shall be the date the written disagreement is postmarked.
- E. None of the provisions of this Agreement are or shall be construed as for the benefit of, or enforceable by, any person not a party to this Agreement.
- F. No covenant, condition, duty, obligation, or undertaking continued or made a part of this Agreement shall be waived except by Agreement amendment by the parties hereto, and forbearance or indulgence in any other form or manner by either party in any regard whatsoever shall not constitute a waiver of the covenant, condition, duty, obligation, or undertaking to be kept, performed or discharged by the party to which the same may apply; and, until performance or satisfaction of all covenants, conditions, duties, obligations, or undertakings is complete, the other party shall have the right to invoke any remedy available under this Agreement, or under law, notwithstanding such forbearance or indulgence.
- G. The Contractor is responsible for the acts or omissions of its employees and/or subcontractors.

Submission of a falsified Summary Invoice or Detailed Invoice by a Contractor shall constitute a breach of Agreement. Submission of a Summary Invoice or Detailed Invoice for which there is no supporting documentation by a Contractor may constitute a material breach of Agreement and ground for immediate termination of this Agreement.

The conviction of an employee or subcontractor of the Contractor, or of an employee of a subcontractor, of any felony or of a misdemeanor involving fraud, abuse of any Medi-Cal applicant or beneficiary, or abuse of the Medi-Cal Program, shall result in the exclusion of that employee or

subcontractor, or employee of a subcontractor, from participation in the Medi-Cal administrative claiming process. Failure of a Contractor to exclude a convicted individual from participation in the Medi-Cal administrative claiming process, shall constitute a material breach of Agreement and ground for immediate termination of this Agreement.

Exclusion after conviction shall result regardless of any subsequent order under Section 1203.4 of the Penal Code allowing a person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment.

Suspension or exclusion of an employee or subcontractor, or of an employee of a subcontractor, from participation in the Medi-Cal Program, the Medicaid Program, or the Medicare Program, shall result in the exclusion of that employee or subcontractor, or employee of a subcontractor, from participation in the Medi-Cal administrative claiming process. Failure of a Contractor to exclude a suspended or excluded individual from participation in the Medi-Cal administrative claiming process shall constitute a material breach of Agreement and ground for immediate termination of this Agreement.

Revocation, suspension, or restriction of the license, certificate, or registration of any employee, subcontractor, or employee of a subcontractor, shall result in exclusion from the Medi-Cal Administrative Claiming process, when such license, certificate, or registration is required for the performance of Medi-Cal administrative activities. Failure of a Contractor to exclude an individual whose license, certificate, or registration has been revoked, suspended, or restricted, from participation in the Medi-Cal Administrative Claiming process, may constitute a material breach of Agreement and ground for immediate termination of this Agreement.

H. **Child Support Compliance Act Acknowledgement**

Effective January 1, 1999, by signing an MOU that exceeds \$100,000.00, the Contractor acknowledges that:

1. The contractor recognizes the importance of child and family support obligations and shall fully comply with all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and
2. The Contractor, to the best of its knowledge is fully complying with the earnings assignment orders of all employees and providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.
3. Questions about the New Employee Registry and reporting requirements are to be directed to the California Employment Development Department.

I. **Year 2000 Compliance Requirements**

The Contractor represents and warrants fault-free performance in processing of date and date related data (including, but not limited to, calculating, comparing, and sequencing) by all hardware, software, and firmware products delivered and used under this contract individually and in combination, upon installation. Fault-free includes the manipulation of this data with dates prior to, through and beyond January 1, 2000, and shall be transparent to the used.

J. **Timely Submission of Final Invoice**

1. A final undisputed invoice shall be submitted for final payment as soon as practical,

following the contract expiration or termination date and, in no case, later than twelve (12) calendar months following the expiration or termination date of this contract, unless a later or alternate deadline is negotiated and agreed upon in writing by the HCSA. Said invoice should be clearly marked "Final Invoice", to indicate that all payment obligations of the HCSA under this contract have ceased and that no further payments are due or outstanding.

2. HCSA, at its discretion, may elect not to honor any delinquent final invoice; if the Contractor fails to obtain prior written HCSA approval of an alternate final invoice submission deadline. Written HCSA approval to extend the final invoice submission deadline shall be sought prior to the expiration or termination date of this contract.
3. The Contractor is hereby advised of its obligation to submit, with the final invoice, a "Contractor's Release (Exhibit D)" acknowledging submission of the final invoice to the County and certifying the approximate percentage amount, if any, of recycled products used in performance of this contract.

K. Prohibited Use of State Funds for Software

Contractor certified that it has appropriate systems and controls in place to ensure that State funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

L. Claiming Overhead Costs

If one of the components of cost to be claimed as part of MAA is Contractor's overhead costs, then there are certain federal requirements that must be met. In order to claim administrative overhead, also referred to as "External Administrative Overhead" costs, County and City governments must have a State Controller's Office approved LGA administrative overhead cost allocation plan for the applicable period and these costs must be claimed in accordance with the plan. A local governmental agency's plan is submitted to the California State Controller's Office, which was delegated authority from the Federal Government to approve it.

Internal (departmental) administrative overhead costs are allowable for FFP only if there is a departmental overhead indirect cost allocation plan prepared and on file for audit purposes for the applicable period and costs are claimed in accordance with it following Federal Office of Management and Budget (OMB) Circular A-87 guidelines.

Contractor administrative overhead costs are allowable for FFP only if there is an overhead indirect cost allocation plan prepared and on file for audit purposes for the applicable period and costs are claimed in accordance with it following Federal Office of Management and Budget (OMB) Circular A-87 guidelines.

NOTE: Both external and internal administrative cost allocation plans for all agencies must comply with provisions of the federal OMB Circular A-87, entitled "Cost principles applicable to grants and contracts with State and local governments" and Federal Publication OASC-10, entitled "A Guide for State and Local Governments/Cost Principles and Procedures for Establishing Cost Allocation Plans and Indirect Cost Rates for Grants and Contracts with the Federal Government."

M. Requirements of Enhanced Federal Financial Participation

Stipulation for enhanced funding: Per 42CFR, Section 432.2 et seq., and Section 433.1 et seq., Skilled Professional Medical Personnel (SPMP), and directly supporting staff, eligible for enhanced funding are defined as physicians, dentists, nurses, and other specialized personnel who have professional education and training in the field of medical care or appropriate medical

practice and who are in an employer-employee relationship with the LGA. SPMP's do not include other non-medical health professionals such as public administrators, medical analysts, lobbyists, senior managers or administrators of public assistance programs or of the Medi-Cal program.

The seventy-five percent (enhanced) federal matching rate is only available for an LGA that is contractually linked to the Department of Health Care Services to perform MAA. The enhanced federal matching rate can be claimed for salaries, benefits, travel and training of SPMP and their directly supporting clerical staff who are in an employee-employer relationship with the LGA and are involved in activities that are necessary for the proper and efficient administration of the Medi-Cal Program.

Fifty percent (non-enhanced) federal matching rate can be claimed for any of the LGA's other staff, or subcontractors, involved in the performance of activities that are necessary for the proper and efficient administration of the Medi-Cal Program. This includes claiming for SPMP and directly supporting clerical staff performing related activities that are non-enhanced. Additionally, the ability to claim SPMP under the MAA Program is activity driven, not education based. Expenditures for the actual furnishing of medical services by SPMP do not qualify for reimbursement via Medi-Cal Administrative Claiming, as medical services are paid for in the fee-for-services system.

Qualifying SPMP costs may be matched at the 75 percent rate in proportion to the time worked by SPMP in performing those duties that require professional medical knowledge and skills, as evidenced by position descriptions, job announcements, or job classifications.

- N. None of the provisions of this Agreement are or shall be construed as for the benefit of, or enforceable by, any person not a party to this Agreement.

ARTICLE X - EXECUTION

Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, Contractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. 6. DISPUTES: Contractor shall continue with the responsibilities under this Agreement during any dispute.
7. TERMINATION FOR CAUSE: The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

8. INDEPENDENT CONTRACTOR: Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.

9. RECYCLING CERTIFICATION: The Contractor shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post consumer material as defined in the Public Contract Code Section 12200, in products, materials, goods, or supplies offered or sold to the State regardless of whether the product meets the requirements of Public Contract Code Section 12209. With respect to printer or duplication cartridges that comply with the requirements of Section 12156(e), the certification required by this subdivision shall specify that the cartridges so comply (Pub. Contract Code §12205).

10. NON-DISCRIMINATION CLAUSE: During the performance of this Agreement, Contractor and its subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, and denial of family care leave. Contractor and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

11. CERTIFICATION CLAUSES: The CONTRACTOR CERTIFICATION CLAUSES contained in the document CCC 307 are hereby incorporated by reference and made a part of this Agreement by this reference as if attached hereto.

12. TIMELINESS: Time is of the essence in this Agreement.

13. COMPENSATION: The consideration to be paid Contractor, as provided herein, shall be in compensation for all of Contractor's expenses incurred in the performance hereof, including travel, per diem, and taxes, unless otherwise expressly so provided.

14. GOVERNING LAW: This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

15. ANTITRUST CLAIMS: The Contractor by signing this agreement hereby certifies that if these services or goods are obtained by means of a competitive bid, the Contractor shall comply with the requirements of the Government Codes Sections set out below.

a. The Government Code Chapter on Antitrust claims contains the following definitions:

1). "Public purchase" means a purchase by means of competitive bids of goods, services, or materials by the State or any of its political subdivisions or public agencies on whose behalf the Attorney General may bring an action pursuant to subdivision (c) of Section 16750 of the Business and Professions Code.

2). "Public purchasing body" means the State or the subdivision or agency making a public purchase. Government Code Section 4550.

b. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the bidder for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the bidder. Government Code Section 4552.

c. If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the public body as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Government Code Section 4553.

d. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action. See Government Code Section 4554.

b) The contractor, to the best of its knowledge is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department."

17. UNENFORCEABLE PROVISION: In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.

18. PRIORITY HIRING CONSIDERATIONS: If this Contract includes services in excess of \$200,000, the Contractor shall give priority consideration in filling vacancies in positions funded by the Contract to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with Pub. Contract Code §10353.

(Applicable to all federally funded agreements entered into by the Department of Health Care Services (DHCS) formerly known as California Department of Health Services (CDHS).)

- a. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. The Contractor will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or DHCS, setting forth the provisions of the Equal Opportunity clause, Section 503 of the Rehabilitation Act of 1973 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212). Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.
- b. The Contractor will, in all solicitations or advancements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era.
- c. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Contractor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The Contractor will comply with all provisions of and furnish all information and reports required by Section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212) and of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and of the rules, regulations, and relevant orders of the Secretary of Labor.
- e. The Contractor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of the Contractor's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal

Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

- g. The Contractor will include the provisions of Paragraphs a through g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or Section 503 of the Rehabilitation Act of 1973 or (38 U.S.C. 4212) of the Vietnam Era Veteran's Readjustment Assistance Act, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or DHCS may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Contractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by DHCS, the Contractor may request in writing to DHCS, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

2. Travel and Per Diem Reimbursement

(Applicable if travel and/or per diem expenses are reimbursed with agreement funds.)

Reimbursement for travel and per diem expenses from DHCS under this Agreement shall, unless otherwise specified in this Agreement, be at the rates currently in effect, as established by the California Department of Personnel Administration (DPA), for nonrepresented state employees as stipulated in DHCS' Travel Reimbursement Information Exhibit. If the DPA rates change during the term of the Agreement, the new rates shall apply upon their effective date and no amendment to this Agreement shall be necessary. Exceptions to DPA rates may be approved by DHCS upon the submission of a statement by the Contractor indicating that such rates are not available to the Contractor. No travel outside the State of California shall be reimbursed without prior authorization from DHCS. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

3. Procurement Rules

(Applicable to all agreements in which equipment, miscellaneous property, commodities and/or supplies are furnished by DHCS or expenses for said items are reimbursed with state or federal funds.)

a. Equipment definitions

Wherever the term equipment and/or miscellaneous property is used, the following definitions shall apply:

- (1) **Major equipment:** A tangible or intangible item having a base unit cost of **\$5,000 or more** with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement. - (2) **Minor equipment:** A tangible item having a base unit cost of **less than \$5,000** with a life expectancy of one (1) year or more that is listed on the DHCS Asset Management Unit's Minor Equipment List and is either furnished by DHCS or the cost is reimbursed through this Agreement. Contractors may obtain a copy of the Minor Equipment List by making a request through the DHCS Program Contract Manager.

This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.
- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-

If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

i. Survival

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

Any federally funded agreement and/or subcontract in excess of \$100,000 must comply with the following provisions unless said agreement is exempt under 40 CFR 15.5.

12. Prior Approval of Training Seminars, Workshops or Conferences

Contractor shall obtain prior DHCS approval of the location, costs, dates, agenda, instructors, instructional materials, and attendees at any reimbursable training seminar, workshop, or conference conducted pursuant to this Agreement and of any reimbursable publicity or educational materials to be made available for distribution. The Contractor shall acknowledge the support of the State whenever publicizing the work under this Agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

13. Confidentiality of Information

- a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to the Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.

- b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.
- c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the DHCS Program Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.
- d. The Contractor shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than DHCS without prior written authorization from the DHCS Program Contract Manager, except if disclosure is required by State or Federal law.
- e. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.
- f. As deemed applicable by DHCS, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

14. Documents, Publications and Written Reports

(Applicable to agreements over \$5,000 under which publications, written reports and documents are developed or produced. Government Code Section 7550.)

Any document, publication or written report (excluding progress reports, financial reports and normal contractual communications) prepared as a requirement of this Agreement shall contain, in a separate section preceding the main body of the document, the number and dollar amounts of all contracts or agreements and subcontracts relating to the preparation of such document or report, if the total cost for work by nonemployees of the State exceeds \$5,000.

15. Dispute Resolution Process

- a. A Contractor grievance exists whenever there is a dispute arising from DHCS' action in the administration of an agreement. If there is a dispute or grievance between the Contractor and DHCS, the Contractor must seek resolution using the procedure outlined below.
 - (1) The Contractor should first informally discuss the problem with the DHCS Program Contract Manager. If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.
 - (2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Contractor shall include with the appeal a copy of the Contractor's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal.

- b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Division 25.1 (commencing with Section 38050) of the Health and Safety Code and the regulations adopted thereunder. (Title 1, Subchapter 2.5, commencing with Section 251, California Code of Regulations.)
- c. Disputes arising out of an audit, examination of an agreement or other action not covered by subdivision (a) of Section 20204, of Chapter 2.1, Title 22, of the California Code of Regulations, and for which no procedures for appeal are provided in statute, regulation or the Agreement, shall be handled in accordance with the procedures identified in Sections 51016 through 51047, Title 22, California Code of Regulations.
- d. Unless otherwise stipulated in writing by DHCS, all dispute, grievance and/or appeal correspondence shall be directed to the DHCS Program Contract Manager.
- e. There are organizational differences within DHCS' funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the DHCS Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

16. Financial and Compliance Audit Requirements

- a. The definitions used in this provision are contained in Section 38040 of the Health and Safety Code, which by this reference is made a part hereof.
- b. Direct service contract means a contract or agreement for services contained in local assistance or subvention programs or both (see Health and Safety [H&S] Code Section 38020). Direct service contracts shall not include contracts, agreements, grants, or subventions to other governmental agencies or units of government nor contracts or agreements with regional centers or area agencies on aging (H&S Code Section 38030).
- c. The Contractor, as indicated below, agrees to obtain one of the following audits:
 - (1) ***If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives \$25,000 or more from any State agency under a direct service contract or agreement;*** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, and/or
 - (2) ***If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement,*** the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, and/or
 - (3) ***If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends \$500,000 or more in Federal awards,*** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in OMB Circular A-133 entitled "Audits of States, Local Governments, and Non-Profit Organizations". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:
 - (a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or

- (b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.
- (4) If the Contractor submits to DHCS a report of an audit other than an OMB A-133 audit, the Contractor must also submit a certification indicating the Contractor has not expended \$500,000 or more in federal funds for the year covered by the audit report.
- d. Two copies of the audit report shall be delivered to the DHCS program funding this Agreement. The audit report must identify the Contractor's legal name and the number assigned to this Agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the DHCS Program Contract Manager shall forward the audit report to DHCS' Audits and Investigations Unit if the audit report was submitted under Section 16.c(3), unless the audit report is from a City, County, or Special District within the State of California whereby the report will be retained by the funding program.
- e. The cost of the audits described herein may be included in the funding for this Agreement up to the proportionate amount this Agreement represents of the Contractor's total revenue. The DHCS program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
- f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
- g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
- h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
- i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
- j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
- k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

17. Human Subjects Use Requirements

(Applicable only to federally funded agreements/grants in which performance, directly or through a subcontract/subaward, includes any tests or examination of materials derived from the human body.)

By signing this Agreement, Contractor agrees that if any performance under this Agreement or any subcontract or subagreement includes any tests or examination of materials derived from the human body for the purpose of providing information, diagnosis, prevention, treatment or assessment of disease, impairment, or health of a human being, all locations at which such examinations are performed shall meet the requirements of 42 U.S.C. Section 263a (CLIA) and the regulations thereunder.

18. Novation Requirements

If the Contractor proposes any novation agreement, DHCS shall act upon the proposal within 60 days after receipt of the written proposal. DHCS may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection of the proposal may be made orally within the 60-day period and confirmed in writing within five days of said decision. Upon written acceptance of the proposal, DHCS will initiate an amendment to this Agreement to formally implement the approved proposal.

19. Debarment and Suspension Certification

(Applicable to all agreements funded in part or whole with federal funds.)

- a. By signing this Agreement, the Contractor/Grantee agrees to comply with applicable federal suspension and debarment regulations including, but not limited to 7 CFR Part 3017, 45 CFR 76, 40 CFR 32 or 34 CFR 85.
- b. By signing this Agreement, the Contractor certifies to the best of its knowledge and belief, that it and its principals:
 - (1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;
 - (2) Have not within a three-year period preceding this application/proposal/agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - (3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in Paragraph b(2) herein; and
 - (4) Have not within a three-year period preceding this application/proposal/agreement had one or more public transactions (Federal, State or local) terminated for cause or default.
 - (5) Shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under federal regulations (i.e., 48 CFR part 9, subpart 9.4), debarred, suspended, declared ineligible, or voluntarily excluded from participation in such transaction, unless authorized by the State.
 - (6) Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- c. If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation to the DHCS Program Contract Manager.

- d. The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549.
- e. If the Contractor knowingly violates this certification, in addition to other remedies available to the Federal Government, the DHCS may terminate this Agreement for cause or default.

20. Smoke-Free Workplace Certification

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.
- b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.
- c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

21. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, DHCS shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

22. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, DHCS may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHCS receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

23. Performance Evaluation

(Not applicable to grant agreements.)

DHCS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with DHCS. Negative performance evaluations may be considered by DHCS prior to making future contract awards.

24. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

25. Four-Digit Date Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to DHCS or if IT equipment is procured.)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

26. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

27. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- (1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- (2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- (3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- (4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

28. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

By signing this Agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

29. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

30. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.

- d. To be an allowable fringe benefit, the cost must meet the following criteria:
- (1) Be necessary and reasonable for the performance of the Agreement.
 - (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.
- f. Earned/Accrued Compensation
- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
 - (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
 - (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

31. Lobbying Restrictions and Disclosure Certification

(Applicable to federally funded agreements in excess of \$100,000 per Section 1352 of the 31, U.S.C.)

a. Certification and Disclosure Requirements

- (1) Each person (or recipient) who requests or receives a contract or agreement, subcontract, grant, or subgrant, which is subject to Section 1352 of the 31, U.S.C., and which exceeds \$100,000 at any tier, shall file a certification (in the form set forth in Attachment 1, consisting of one page, entitled "Certification Regarding Lobbying") that the recipient has not made, and will not make, any payment prohibited by Paragraph b of this provision.

- (3) Each recipient shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affect the accuracy of the information contained in any disclosure form previously filed by such person under Paragraph a(2) herein. An event that materially affects the accuracy of the information reported includes:
 - (a) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered federal action;
 - (b) A change in the person(s) or individual(s) influencing or attempting to influence a covered federal action; or
 - (c) A change in the officer(s), employee(s), or member(s) contacted for the purpose of influencing or attempting to influence a covered federal action.
- (4) Each person (or recipient) who requests or receives from a person referred to in Paragraph a(1) of this provision a contract or agreement, subcontract, grant or subgrant exceeding \$100,000 at any tier under a contract or agreement, or grant shall file a certification, and a disclosure form, if required, to the next tier above.
- (5) All disclosure forms (but not certifications) shall be forwarded from tier to tier until received by the person referred to in Paragraph a(1) of this provision. That person shall forward all disclosure forms to DHCS Program Contract Manager.

b. Prohibition
