Measure N Implementation Process: 2018-19 Measure N Plan

File Id. No. 18-0866

Coliseum College Preparatory Academy

Checklist of Required Elements:

- ✓ Submitted Measure N Education Improvement Plan (SPSA)
- ✓ Submitted Measure N Budget for 2018-19
- ✓ Completed Measure N Self Assessment
- ✓ Submitted Measure N Data Slides
- ✓ Answered Measure N Commission Questions

Criteria 1: Measure N Overall Pathway Assessment: Has the School Developed the 4 Essential Elements of a Linked Learning Pathway?
 (NOTE: If you do not receive a 4 in this category, the highest final recommendation you can receive is “Developing” and the final recommendation will reflect quality of the plan and the alignment of expenditures to build out Linked Learning Pathways.)

- Expenditures must be clearly in support of and come from the logical through line that is evident in the Education Improvement Plan (SPSA)
- Expenditures provide proper justification that demonstrates the alignment to build out and integration of the four pillars of Linked Learning
- Expenditures should support the Theory of Action, should address the Root Cause Analysis, and should ensure the implementation of the Strategies in order to meet the Goals of your SPSA and the purpose of Measure N
- Expenditures are in addition to, and not in place of, services that would otherwise be provided to participating students with state and local funds if Measure N funds were not available
- Expenditures are not being used to cover the expenses of programmatic elements, staff salary, and costs that were previously being funded by the school
- Plan includes adequate and sustainable resources to support key goals and strategies that align to pathway development work and coherence

- Full projected allocation is reflected in the budget

Final Recommendation

Fully Approved

*School is actively implementing Linked Learning as is evidenced by the establishment all four pillars of Linked Learning
School is focused on the continuous improvement of the Linked Learning career academy and addressing the root causes of current student outcomes*

Strengths:

- Pathway is able to maximize school resources to create authentic supports in for students aligned to the pathway theme.
- It is evident as well the leadership of the pathway has engaged deeply with their staff to develop the pathway and every staff member has contributed in a meaningful way to the pathway.
- Strong improvement in academic and college going data.

Key Questions:

- How will the building computer science pathway be incorporated into the Community Leadership Pathway and the BUILD curriculum?

Budget Feedback:

- None
