If no Start Date is entered, then the Start Date shall be the latest of the dates on which each of the PARTIES signed this Agreement.

- b. The work shall be completed no later than the below date (“End Date”):

June 30, 2022

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment and Evaluation.**

- a. VENDOR agrees to work and communicate with OUSD staff, both formally and informally, to ensure that the Services are aligned with OUSD’s mission and are meeting the needs of students as determined by OUSD.

- b. OUSD may evaluate VENDOR in any manner which is permissible under the law. In accordance with Paragraph 8 (Compensation), the Services performed by VENDOR must meet the approval of OUSD, and OUSD reserves the right to direct VENDOR to redo the Services, in whole or in part, if OUSD, in its sole discretion, determines that the Services were not performed in accordance with this Agreement.
5. **Data and Information Requests.** VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
6. **Confidentiality and Data Privacy.**
  - a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof. ## Cross-Age Mentoring Program Curriculum Development

### Scope of Work

#### OVERVIEW

Cross-Age Mentoring Program (CAMP) is a school-based peer mentoring model through which high school students provide one-on-one mentoring to middle school students. The program is designed to foster high school students' leadership and relational skills, interest in serving their communities, and academic connectedness while simultaneously promoting middle school mentees' self-esteem, academic achievement, and connectedness to school, family, and the future. For both groups of students, we expect to see improvements in attendance, academic performance, and behavior at school as a result of the program.

#### IMPLEMENTATION IN THE OAKLAND UNIFIED SCHOOL DISTRICT (OUSD)

Implementation of CAMP in OUSD during the 2020-2021 school year will involve three schools: Oakland High School, Westlake Middle School, and Roosevelt Middle School. Forty students from Oakland High School will be enrolled in one of two regular period classes (20 students each) that is designed to train students to be mentors to middle school students. From August through December 2020, high school mentors will receive classroom instruction in mentoring and leadership skills delivered by two CAMP instructors. In January 2021, high school students will be matched with middle school mentees from Westlake Middle School and Roosevelt Middle School (1:1 ratio) and begin meeting once a week. In April, mentoring sessions will increase to twice a week through the end of the school year. All mentoring sessions will take place during the school day, during the typical CAMP class period. High school students will be transported to their respective middle schools for mentoring sessions. The program will involve occasional excursions and service projects that are designed to expand youths' view of the world and expectations of self, as well as foster connectedness between mentors and mentees.

All CAMP students (mentors and mentees) will be identified for participation in CAMP based on several indicators of disengagement from school, including total number of F grades, disciplinary actions, and absences during the 2019-2020 school year. High school students who participate in CAMP will receive up to \$1,000 over the course of the school year based on their completion of program milestones. Furthermore, students who successfully complete the program will receive a Chromebook in May 2021 to support their continued education. Middle school students will receive up to \$100 in monetary incentives for their participation in the program.
