OAKLAND UNIFIED SCHOOL DISTRICT GENERAL SERVICES AGREEMENT

This general services agreement (“Agreement”) is made and entered into effective **April 24, 2025** (the “Effective Date”), by and between the Oakland Unified School District (“District”) and **Ninyo & Moore Geotechnical & Environmental Sciences Consultants** (“Contractor” and together with District, the “Parties”).

1. **Contractor Services.** Contractor agrees to provide the following services to District (collectively, the “Basic Services”): **to provide environmental services for the proposed redevelopment of the Coliseum College Preparatory Academy Site Expansion Project.** (“Project”), (as further described in *Exhibit A* to this Agreement). Contractor shall provide services related to the Project other than Basic Services (i.e., “Additional Services”) if directed in writing by District to perform specific Additional Services and if sufficient contract funds for Additional Services remain to pay for the directed Additional Services (see Section 5, below). “Services” shall mean Basic and Additional Services. Contractor agrees to perform such Services as expeditiously as is consistent with professional skill and care and the orderly progress of the Services and the Project. All services performed by the Contractor under this Agreement shall be conducted in a manner consistent with the level of care and skill ordinarily exercised by Ninyo & Moore consultants specially qualified to provide the services required by the District.

2. **Contractor Qualifications.** Contractor represents and warrants to District that Contractor, and all of Contractor’s employees, agents or volunteers (the “Contractor Parties”), have in effect and shall maintain in full force throughout the Term of this Agreement all licenses, credentials, permits and any other qualifications required by law to perform the Services and to fully and faithfully satisfy all of the terms set forth in this Agreement. Contractor and any Contractor Parties performing Services shall be competent to perform those Services.

3. **Term.** The term for performance of the Services shall be the duration of the Project (“Term”), except as otherwise stated in Section 4 below, and Contractor shall complete the Services within the Term. There shall be no extension of the Term without an amendment signed by all Parties and approved by the District’s governing board. Written notice by the District Superintendent or designee shall be sufficient to stop further performance of the Services by Contractor or the Contractor Parties. In the event of early termination, Contractor shall be paid for satisfactory Services performed to the date of termination. Upon payment by District, District shall be under no further obligation to Contractor, monetarily or otherwise, and District may proceed with the work in any manner District deems proper. The term for performance of the Services shall begin on **April 24, 2025, and shall end on June 30, 2026** (“Term”), except as otherwise stated in Section 4 below, and Contractor shall complete the Services within the Term. There shall be no extension of the Term without an amendment signed by all Parties and approved by the District’s governing board. Written notice by the District Superintendent or designee shall be sufficient to stop further performance of the Services by Contractor or the Contractor Parties. In the event of early termination, Contractor shall be paid for satisfactory Services performed to the date of termination. Upon payment by District, District shall be under no further obligation to Contractor, monetarily or otherwise, and District may proceed with the work in any manner District deems proper.

4. **Termination.** Either Party may terminate this Agreement at any time by giving thirty (30) days advance written notice to the other Party. Notwithstanding the foregoing, District may terminate this Agreement at any time by giving written notice to Contractor if (1) Contractor materially breaches any of the terms of this Agreement; (2) any act or omission of Contractor or the Contractor Parties exposes District to potential liability or may cause an increase in District's insurance premiums; (3) Contractor is adjudged a bankrupt; (4) Contractor makes a general assignment for the benefit of creditors; (5) a receiver is appointed because of Contractor's insolvency; or (6) Contractor or Contractor Parties fail to comply with or make material representations as to the fingerprinting, criminal background check, and/or tuberculosis certification sections of this Agreement. Such termination shall be effective immediately upon Contractor's receipt of the notice.

5. **Payment of Fees for Services.** District agrees to pay Contractor based on a lump sum price for Basic Services satisfactorily performed, and based on the hourly rates listed in Exhibit B for any Additional Services satisfactorily performed. Contractor shall not increase these hourly rates over the course of this Agreement. Total fees paid by District to Contractor for Services under the Agreement shall not exceed **Fourteen Thousand Four Hundred Ninety Dollars (\$14,490.00)**, which consists of a lump sum of **Fourteen Thousand Four Hundred Ninety Dollars (\$14,490.00)** for performance of the Basic Services, and a not-to-exceed amount of **Zero Dollars (\$0.00)** for performance of any Additional Services. District agrees to make payment for Basic Services within sixty (60) days of receipt of a detailed invoice from Contractor based on percentage of work completed, including any additional supporting documentation that District reasonably requests. District agrees to make payment for Additional Services within sixty (60) days of receipt of a detailed invoice from Contractor based on hours worked and hourly rates, including any additional supporting documentation that District reasonably requests. Contractor shall not submit its invoices to District more frequently than monthly.

5.1 **Reimbursement for Certain Expenses.** Contractor shall not be reimbursed directly for any of its expenses, as the fees to be paid under this Agreement include compensation for any and all of Contractor's expenses.

6. **Indemnity.** Contractor shall defend, indemnify, and hold harmless District and its agents, representatives, officers, consultants, employees, Board of Trustees, members of the Board of Trustees (collectively, the "District Parties"), from and against any and all claims, demands, liabilities, damages, losses, suits and actions, and expenses (including, but not limited to attorney fees and costs including fees of consultants) of any kind, nature and description (collectively, the "Claims") directly or indirectly arising out of, connected with, or resulting from any act, error, omission, negligence, or willful misconduct of Contractor, the Contractor Parties or their respective agents, subcontractors, employees, material or equipment suppliers, invitees, or licensees in the performance of or failure to perform Contractor's obligations under this Agreement, including, but not limited to Contractor's or the Contractor Parties' use of the site, Contractor's or the Contractor Parties' performance of the Services, Contractor's or the Contractor Parties' breach of any of the representations or warranties contained in this Agreement, or for injury to or death of persons or damage to property or delay or damage to the District or the District Parties. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party, person, or entity described in this paragraph. The indemnification provided for in this Section 6 includes, without limitation to the foregoing, claims that may be made against District by any taxing authority asserting that an employer-

employee relationship exists by reason of this Agreement, and any claims made against District alleging civil rights violations by Contractor or Contractor Parties under the California Fair Employment and Housing Act ("FEHA").

Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor Parties, even if such Equipment is furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to District's reasonable satisfaction.

8. **Insurance.** Without in any way limiting Contractor's liability, or indemnification obligations set forth in Section 6 above, Contractor shall secure and maintain throughout the Term of this Agreement the following insurance: (i) comprehensive general liability insurance with limits of not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (ii) commercial automobile liability insurance with a combined single limit not less than \$1,000,000 each occurrence; (iii) worker's compensation insurance as required by Labor Code section 3200, et seq.; and (iv) professional liability insurance covering errors and omissions. Neither Contractor nor any of the Contractor Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance or self-insurance maintained by District and shall waive all rights of subrogation against District and/or the District Parties. A copy of the declarations page of Contractor's insurance policies shall be attached to this Agreement as proof of insurance.

9. **Independent Contractor Status.** The Parties agree that Contractor is free from the control and direction of District in connection with Contractor's performance of the Services. Contractor is hereby retained to provide the specified Services for District, which are outside the usual course of District's business. Contractor certifies that it is customarily engaged in an independently established trade, occupation, or business to provide the Services required by this Agreement. Contractor understands and agrees that Contractor and the Contractor Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District's employees are normally entitled.

10. **Taxes.** All payments made by District to Contractor pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. Unless required by law, District will not withhold any money from fees payable to Contractor, including FICA (social security), state or federal unemployment insurance contributions, or state or federal income tax or disability insurance. If applicable, Contractor shall assume full responsibility for payment of all federal, state and local taxes or

Scope of Services

March 5, 2025
Proposal Number: 09OAK03-01870

Mr. Brijan Patel
Project Engineer
Oakland Unified School District
955 High Street
Oakland, California 94601

Subject: Proposal for Environmental Services
Coliseum College Preparatory Academy
1390 66th Avenue
Oakland, California 94621

Dear Mr. Patel:

Ninyo & Moore is pleased to present this proposal to Oakland Unified School District (District) to provide Environmental Services for the proposed redevelopment at the Coliseum College Preparatory Academy (CCPA) located at 1390 66th Avenue in Oakland, California (site). Intertek PSI completed a Phase I environmental site assessment (ESA) on November 1, 2024 for the CCPA campus. The Phase I ESA indicated the following RECs for the site: lead in soil from the potential weathering of lead-based paint; organochlorine pesticides (OCPs) in soil from potential termiticide applications around historic structures; polychlorinated biphenyls (PCBs) in soils from electrical transformers and/or the weathering of window caulking materials from historical buildings; the potential presence of volatile organic compounds (VOCs) and semi-volatile organic compounds (SVOCs) from off-site and on-site sources; and the presence of ultramafic rock outcrops within 10-miles that may potentially contain natural occurring asbestos (NOA). The Phase I ESA was submitted to the DTSC for their comment and approval. The DTSC concluded that a Preliminary Endangerment Assessment (PEA) was necessary for the site.

The next step for the project consists of initiating the PEA including the following:

- Environmental Oversight Agreement (EOA) between the DTSC and District, which Ninyo & Moore assumes has been finalized;
- PEA scoping meeting with DTSC to determine a proposed scope of work for the environmental investigation; and
- Preparation of a PEA Work Plan detailing the proposed PEA scope of work.

PROPOSED SCOPE OF WORK

Ninyo & Moore proposes the following environmental scope of services to support the redevelopment work at the site.

Task 1: Preliminary Endangerment Assessment Scoping Meeting

Ninyo & Moore will arrange and attend a scoping meeting with the District and DTSC in order to discuss the results of the Phase I ESA and develop a scope of work for the PEA Work Plan. Ninyo & Moore will develop a proposed scope and presentation materials prior to the meeting. If the DTSC recommends additional site assessment, Ninyo & Moore will recommend the appropriate scope of work that will provide enough information to remove any data gaps that might be identified in a timely and cost-efficient manner. If additional meetings with DTSC are needed, Ninyo & Moore will discuss with the District prior to proceeding and prepare a change order for District approval.

Task 2: Preliminary Environmental Assessment Work Plan

After the scoping meeting with DTSC, Ninyo & Moore will prepare a PEA Work Plan based on the proposed PEA scope agreed to with DTSC. The PEA Work Plan will be prepared per DTSC guidelines. A draft PEA Work Plan will be submitted to the District for review prior to submitting a final PEA Work Plan to DTSC for review. Task 2 assumes minor comments from the District and one round of edits based on DTSC comments.

SCHEDULE AND COMPENSATION

Ninyo & Moore will have a draft PEA work plan available for client review within 45-days of the PEA scoping meeting. This work will be conducted on a time-and-materials basis following Ninyo & Moore's attached schedule of fees. The fee for our services discussed above is **\$14,490 (Fourteen Thousand Four Hundred Ninety Dollars)** and the breakdown of the fee is attached.

If our proposal is acceptable, please provide contracting documentation for Ninyo & Moore's review and approval. We look forward to continue supporting and working with you on this project.

If you have questions or comments, please contact us at (510) 343-3000.

Respectfully submitted,

All informal construction contracts below \$45,000 and all informal construction related professional services contracts below \$84,100.00 will include outreach to certified local firms such that a minimum of three local certified firms are included in the solicitation.

The LBU Compliance Team has conducted a review of the Local Business Participation guidelines in conjunction with the following project slated for contract extension via amendment:

Project: 21113 | **Project Site:** Coliseum College Preparatory Academy

Project Name: Environmental Services

Company: Ninyo & Moore

It has been determined that the projected dollar amount for the above identified contract falls below the Local Business Policy determined threshold of \$84,100 for professional service contracts.
