

Student Directors' Report  
Board of Education Meeting  
August 24, 2011

### **All City Council Middle School Update**

We're having our ACC Middle School Student Leadership Retreat, September 20, 2011, 9am to noon, at Hunter Hall. This meeting will introduce middle school students to leadership and ACC.

### **ACC High School Update**

#### **1. ACC Leadership & Organizing Boot Camp July 21-22 & 25-28**

Old governing board members planned to lead workshops for new officers on 1) introduction to ACC, 2) 500 Years of Mis-Education, 3) base building, 4) the OUSD Strategic Plan, and 5) Healing. Due to new officers stepping down from their positions, we were only able to do the first three workshops. We will schedule another boot camp and invite all students interested, once we get our full team together. Currently, all positions on the Governing Board are open.

#### **2. MSE Youth Retreat August 8-10**

25 students representing 6 schools (Skyline, MetWest, Arise, Fremont, Oakland High, and Oakland Tech) and 8 organizations (AYPAL, Town Researchers, LIBRE, XMC, ACC, YT, PASS2, and RealHARD) attended our annual retreat. Our collective goal is to help implement the strategic plan. Some of the projects we will be leading: "a-g" education campaign, student-teacher feedback projects, ethnic studies as an "a-g" requirement, positive peer culture events, and the youth truth survey.

#### **3. ACC High School Meeting September 15, 12pm-3pm, in Hunter Hall**

We will be nominating students for our October 20<sup>th</sup> election. Open positions: 2<sup>nd</sup> Student Director, President, Vice President, Secretary, Treasurer, Parliamentarian, Media Director, and Historian.

At this meeting we will also be orienting new students to ACC and our 11-12 campaigns.
