**After School Template for High School
Memorandum of Understanding 2019-2020
Between Oakland Unified School District and
Bay Area Community Resources**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Bay Area Community Resources ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 335/Life Academy under the following grants:
- California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Equitable Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
- a) No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
- b) Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of** The 21st Century ASSETS Core Grant, and Direct Access grant award amount for Bay Area Community Resources is \$ 217,392.00. Contingent on 21st CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and **subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2019-2020**).
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 217,392.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

5. **Scope of Work.** AGENCY will serve as lead agency at 335/Life Academy, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2019-2020. This shall include the following required activities:

5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. Agency staff (Site Coordinators and Agency Directors) are also required to participate in any OUSD sponsored CQI training provided by the OUSD After School Programs Office.

5.2. **Oversight.** AGENCY will provide oversight, fiscal management, payroll services, technical assistance, and facilitation of collaboration with other service providers. Agency must ensure compliance with 21st Century ASSETS Core, Family Literacy, and Direct Access funding guideline requirements and follow OUSD after school policies and procedures. This includes compliance with OUSD staffing requirements and policies including No Child Left Behind and other legislative mandates.

5.4.2. **Program Days.** AGENCY shall offer a program for a minimum of 177-180 days during the 2019 – 2020 school year.

5.4.2.1. **Attendance Targets.** AGENCY will operate the program for a sufficient number of days during the 2019 – 2020 school year to ensure that student attendance targets are met. This can include Summer Session.

5.4.3.1. AGENCY shall provide programming that supports the guidelines as outlined in the ASSETS Core Grant for students at 335/Life Academy. AGENCY understands that the ASSETS program has three required elements that must be offered in every funded program: academic assistance, enrichment, and family literacy services. AGENCY understands that the academic and enrichment elements must provide additional support for pupils and be coordinated with the regular academic program requirements, standards-aligned curriculum and instructional materials, and assessments of pupil progress. AGENCY agrees to provide programming consistent with grant guidelines understanding that:

5.4.3.1.1. **Academic Assistance.** ASSETS programs will include tutoring, homework assistance, and Credit Recovery in their academic assistance element. The assistance will be aligned with the regular academic programs of the students and will assist them in meeting state and local academic achievement standards in core academic subjects, such as reading, mathematics, and science.

Services will be actively coordinated with the students' regular high school day program. It is strongly encouraged that programs include an Internship Program to develop Career Skills. In particular, the enrichment element activities must be developed in alignment with appropriate California content standards and standards-aligned instructional materials, related California curriculum frameworks, and other research-based practices.

- 5.4.3.1.3. **Family Literacy Services.** AGENCY shall assess the need for family literacy services among adult family members of the high school students to be served by the program. A broad range of activities may be implemented based on local student needs and interests, and district guidelines for summer programming. SECTION 2: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

--	-----

Program Operations for the 2019-2020 school year.
First Day: **August 12, 2019** Last Day: **May 28, 2020**

CDE allows programs to close for a **maximum of 3 days** during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.

Date: 9/27/19	Date: 11/15/19	Date: 1/31/20
------------------	-------------------	------------------

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2019-2020: 38
**School should provide lead agency with a calendar of minimum days for the 1st day of school.*
X School-day bell schedule attached

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?

Some of our after school program staff also provide some services during school day and will be available in the event of an unexpected min day. Our assigned QSC (Quality Support Coach) will also support.

SECTION 3a: PROGRAM MODEL.
Average Daily Attendance, Program Dates, Minimum Days & Enrollment

For 2019-2020, your site will operate the following program model:

- Traditional After-School:** *voluntary program, open to all students, with enrollment priorities targeting certain students*
- Extended Day Program:** *additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)*
- Blended/Hybrid:** *a combination of some extended day and some traditional after-school programming (If you are conducting a blended/hybrid program, please use the section below to explain your program model type.)*

Which grade levels will be served in this program? (check all that apply.)

ENROLLMENT PROCESS & TIMELINE **Attach your enrollment timeline to this document**

Important dates to include in your timeline:

- **April - June:** *Spring enrollment for 2019-20 programs.*
- *Families will be notified of 2019-20 after school enrollment before the **last day of school, May 30, 2019.***
- *After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.*
- **August - September:** *new school year enrollment of families for remaining program slots.*
- *Remaining program slots will be filled by **September 30, 2019**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year*
- *All programs must maintain **waitlists** after program slots are filled.*

****This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to you schedule and recruitment process.**

Describe how your school will identify and recruit students beginning of Spring 2019. Indicate how families will be notified of 2019-2020 enrollment before the last day of school.

SECTION 3b: PROGRAM MODEL. (Continued)

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

How does your program support students and their families who submit a “Golden Ticket?”

Our program has the capacity to enroll and serve our entire student body and therefore we never turn any child away. During our orientation/intake process, we screen each applicant, assessing each family’s needs, and determine what resources they will need and direct them accordingly.

How will you modify your enrollment and attendance policies to ensure compliance with the “Golden Ticket” policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?

As mentioned above, our program has the capacity to enroll and serve our entire student body and therefore we never turn any child away. During our orientation/intake process, we screen each applicant, assessing each family's needs, and determine what resources they will need and direct them accordingly.

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

List 2-3 program goals which will support meeting these CDE program requirements.

1. 9th grade Academic Interventions and School Climate and acclimation
2. All enrichment programs will implement OUSD's 3 SEL signature practices (Warm Welcomes, Engaging practices and Optimistic Closures) as well as mindfulness and stretching.

Educational and literacy Component that includes tutoring/ homework assistance in the core subjects (language arts, math, history /social science, etc.)

Describe how your after-school program will provide the educational & literacy component.

How are students building academic skills? How are you integrating social-emotional academic development? *(Include specific strategies for creating a Safe & supporting environment through encouragement and Active engaged learning.)*

Through our program, we will provide individualized academic support and mentoring (0 Period) by creating a healthy, safe and diverse program. Our Program will assist students in developing a love for learning and support their efforts in achieving their academic and career goals. In addition, we will provide APEX credit recovery class that will allow student to earn credits they may be lacking in any subject through this Computerized Learning Program.

- We will work in partnership with administration and OUSD to create a school-

Our Bilingual (Spanish speaking) F.L. will connect students and families to services, organizations and other resources that provide support beyond after-school and summer programming. (e.g food security, health and mental health services, parent education and other identified needs). The F.L. will also host weekly morning breakfast clubs that support families feeling connected to the school community and each other. The "morning coffee club" will also include SEL practices like Warm Welcomes, Engaging Practices and Optimistic Closures.

Academic Alignment with School Day and District Priorities

Please provide a short narrative that identifies how you will support school goals aligned with district priorities.

- Collaborate with your school administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

Elementary OUSD Strategic Strategies

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to make sure **students are reading at or above grade level and English learners are reaching English fluency.***

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

MIDDLE_ OUSD Strategic Targets

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to **prepare all students to be college, career, and community ready.** To meet this strategic goal, middle schools must prepare their students to be high school ready by the time they graduate from the 8th grade.*

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

High School OUSD Strategic Strategies

Academic activities should be aligned with school goals. Your after-school program should plan to offer a

range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.

Please include the following OUSD High School After-School requirements:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th–12th grade students taking credit recovery

For Alternative Ed, high schools:

- College and career readiness activities

SECTION 5a: CONTINUOUS QUALITY ASSESSMENT (Alignment with CDE and OUSD)

An effective program improvement process is ongoing and involves a continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California—which were developed in partnership between the California Department of Education’s (CDE) After School Division and the California After School Network (CAN) Quality Committee.

See attached CQI/QAP from Former Lead Agency

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis: (This process is in review and tools will be updated throughout the year.)

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement
QAP: Quality action plan
SAPQA: School Age Program Quality Assessment
YPQA: Youth Program Quality Assessment

BACR TODAY

MISSION

The mission of Bay Area Community Resources (BACR) is to promote the healthy development of individuals, families and communities. There are three core components to our mission:

- I. Provide direct services to promote healthy development;
- II. Encourage volunteers to provide service to their community; and
- III. Build and strengthen all of the communities we serve, so that community members and institutions can effect change.

I. DIRECT SERVICES

BACR direct services are organized into program industry groups, which have a similar focus and common participant outcomes. These programs serve youth and adults in six Bay Area counties and numerous communities and (K-12) schools. Direct services are delivered in each of the following program groups:

AFTER-SCHOOL

Our after school programs offer safe and enriching after school opportunities to young people where they can learn to be productive, build positive adult and peer relationships, and participate in meaningful academic and enrichment activities. BACR provides these programs at approximately 100 schools in the Bay Area.

BEHAVIORAL HEALTH ADVOCACY PREVENTION TREATMENT

BACR provides direct services to individuals and families needing support to overcome mental health or substance use problems. Alcohol and Drug, Tobacco and Mental Health programs deliver prevention and treatment services to youth and adults having a broad spectrum of needs, ranging from the need for basic information to treatment for chronic alcoholism and drug recovery. Specifically BACR offers school-based counseling and education, community-based centralized assessment and referral to treatment, family therapy, DUI programs, and tobacco education and cessation. Our environmental prevention services aim to change community norms about alcohol, drugs, and tobacco use by advocating for private or public policy adoption.

HEALTHY COMMUNITIES

In this industry, school- and community-based health centers serve as hubs of integrated, coordinated services and programs where youth and families can find support, resources, and community. In addition to the two Healthy Start programs, examples of our hubs include high school health centers, community schools, a First 5 Center, and other family resources and early childhood programs. BACR strives to create vibrant, accessible, inclusive hubs that are safe, open, and nurturing places for participants to belong and call home.

NATIONAL SERVICE

Giving back is vital to healthy development. Through BACR's National Service program, participants achieve personal benefits by having opportunities to contribute to community improvement. Youth benefit as well through a variety of academic and youth development services delivered by BACR's AmeriCorps and VISTA members. AmeriCorps members are placed at over 70 local schools and programs where these services are provided.

YOUTH WORKFORCE (formerly Youth Leadership)

Our workforce model ensures that youth have access to five interventions, which are 1.) Academic support, 2.) Workforce skill building and employment, 3.) Civic engagement, 4.) Connection to support services, and 5.) Meaningful participation in youth development activities. Our participants are resilient, facing multiple barriers that prevent them from accessing opportunities that would allow them to transition into adulthood successfully; healthy, self-sufficient, and free from the justice system. To ensure that services are accessible, our projects and outreach activities are delivered in a range of school- and community-based settings.

II. ENCOURAGE VOLUNTEERS TO PROVIDE SERVICE TO THEIR COMMUNITY.

All programs in the BACR family encourage “giving back” to the local communities. We organize community service projects conducted by volunteers, many of whom have been service recipients, who commit to a weekend – or sometimes commit to a year – to mentor or tutor a young person. These projects result in a positive and meaningful experience for thousands of volunteers, as well as build on their skills and commitment to civic responsibility. At the same time, they are making a positive difference in the lives of individuals and in their community.

III. BUILD AND STRENGTHEN ALL OF THE COMMUNITIES WE SERVE SO THAT COMMUNITY MEMBERS AND INSTITUTIONS CAN AFFECT CHANGE.

Building community in all we do is part of the BACR way. Each program sees itself as part of the community and seeks out community partners with whom to collaborate. Our staff represents the agency on numerous coalitions sharing a common vision of community empowerment and capacity building.

IV. FISCAL INTERMEDIARY SERVICE

Our purpose is to provide financial service, human resources, and other management support to school districts and other large organizations. In addition, we serve as fiscal sponsor for community-based groups so they can develop and add value to the community. Fiscal sponsorship activities are tailor-made to fit the needs of each sponsored program.

ORGANIZATIONAL STRUCTURE AND STAFFING

The Board of Directors is the legal entity responsible for the operation of the agency. It develops agency policy, and the mission and goals of the agency, and ensures that adequate resources are available to carry out such goals.

BACR is led by a Chief Executive Officer, Chief Operating Officer, Chief Financial Officer, and a program-based team of Project Directors. BACR has approximately 1,300 employees including full- and part-time staff members and AmeriCorps members.

The agency’s FY 17-18 budget is approximately \$38M including in-kind services. Major funding sources include government, corporate and foundation grants, and school contracts.

SUMMARY OF FY 17-18 PROJECT SERVICES

We will deliver nearly 811,670 staff hours and 418,824 volunteer hours directly serving 28,426 students/ individuals and their families. Thirty-four percent (34%) of all services will be supported by volunteers, interns or AmeriCorps members. The service distribution is as follows:

To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students in OUSD.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

Marisa Ramirez
