**Memorandum of Understanding 2014-2015
Between Oakland Unified School District and
Alternatives in Action**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Alternatives in Action ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 302/Fremont High School under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")

2. **Term of MOU.** The term of this MOU shall be July 1, 2014 to August 21, 2015 and may be extended by written agreement of both parties.

3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

4. **Compensation.** The 21st Century ASSETS Core Grant, Family Literacy, and Direct Access grant award amount for 302/Fremont High School is \$235,949.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2014-2015**).
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining

balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

- 4.2.2. Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. Program Budget.** Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2014-2015 and will not exceed \$235,949.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 302/Fremont High School, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2014-2015. This shall include the following required activities:
- 5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. AGENCY agrees to develop school specific outcomes, as defined in partnership with the principal. AGENCY recognizes that the principal is the chief decision maker for after school and summer programs, and ensures that school site objectives are met.
- 5.1.1. **Alignment with Community School Strategic Site Plan ("CSSSP").** AGENCY will ensure the after school program aligns with OUSD and 302/Fremont High School and objectives to ensure the success of students as articulated in the Community School Strategic Site Plan (CSSSP). AGENCY will work in partnership with the school principal to ensure that the program components are aligned with and complement OUSD standards and school site curriculum.
- 5.2. **Oversight.** AGENCY will provide oversight, fiscal management, payroll services, technical assistance, and facilitation of collaboration with other service providers. Agency must ensure compliance with 21st Century ASSETS Core, Family Literacy, and Direct Access funding guideline requirements and follow OUSD after school policies and procedures. This includes compliance with OUSD staffing requirements and policies including No Child Left Behind and other legislative mandates.
- 5.3. **Enrollment.** AGENCY will enroll 9th through 12th grade students at 302/Fremont High School, to serve sufficient number of students and run services for a sufficient number of days to earn the full core grant allocation of funding.

SECTION 2: After School Alignment with Community School Strategic Site Plan (CSSSP)
 Mark the following Strategic Priority areas of the school's CSSSP where this after school program is identified as a high leverage strategy.

- Balanced Literacy and Literacy Across the Curriculum
- Science, Technology, Engineering, and Mathematics (STEM)
- Transitions and Pathways Pre-K to 12
- College, Career and Workforce
- Accelerating Students through Targeted Approaches
- Extended Learning Time
- School Culture (including Meaningful Student Engagement)
- Health and Wellness
- Interrupting Chronic Absence (Attendance)
- Building Capacity and Leadership
- Family and Student Engagement
- Strategic Operational Practices

State 3 – 4 primary goals of the After School Program and intended impacts for participating students.

1. Every program is responsible for holding and implementing a Community Impact Project by the end of the school year. Through event planning, every participant will learn leadership skills which can be transferred over into different disciplines.
2. The After School Programs will work primarily with the 9th grade team in efforts of transitioning freshman into Fremont. With this partnership students will be knowledgeable of Fremont expectations, graduation requirements, partner organizations, health access and opportunities for Family Engagement.
3. Participants will have at least one adult ally on campus to promote their feeling of safety on campus.

SECTION 3: OUSD Strategic Questions
 Complete the matrix for *at least two* of the following four OUSD Strategic questions.

SECTION 4: Program Model and Lead Agency Selection

For 2014-2015, my site will operate the following program model:

Traditional After School: *voluntary program open to all students, with enrollment priorities targeting certain students*

Extended School Day: *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*

Blended/Hybrid: *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

Blended/Hybrid

Because Fremont is a transitions program, additional classes will be attached to Freshmen's schedule. This is to better serve students and support them during their first year. Sophomores and upper classmen will be able to drop into programs voluntarily. Juniors, however, will primarily be participating in Internships and internship prep which EDP will be supporting. Seniors will work with the CCIC for college applications, FAFSA, etc.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2014-2015:	180 days required*

Projected Daily Attendance during School Year 2014-2015:	110

Program Schedule

Submit program schedule as an attachment, using the standard program schedule template.

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

SECTION 6: Academics

Your site should plan to offer a range of academic supports and **MUST** include:

1) CAHSEE Prep 2) Credit Recovery 3) Tutoring

Other possible supports may include computer lab, STEM Programs, Academic Intervention, and project-based learning.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school.

Activities should be based on sound instructional strategies aligned with the regular school day program.

SECTION 7: CAREER-RELATED ACADEMIC ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Career-related enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to develop 21st Century Skills, explore career-related fields, and apply learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support Career Pathways, school goals for health and wellness, positive school climate, arts learning, and student engagement.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs: After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. All high school programs will fund a Parent Liaison position to support family literacy programming. *The activities listed below must align to your 21st Century Family Literacy budget plan.*

Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Family Workshops		-Workshops will cover a range of topics based on the needs of the families including graduation requirements, gang awareness, resource guide.	-Families will be connected to an adult on campus -20% increase of family engagement	
Coffee with the Principal		-Held once a month with families and the principal. It is open forum for parents	-20% increase of family engagement	

		discuss issues of concern.		
Parent Leadership Workshops	Increase parent knowledge of school requirements and need through training so they can become agents for their students.	Parents will participate in a series of workshops to increase their knowledge of school jargon. Workshops will be held to discuss transcript analysis, marking period, transition from 8 th to 9 th and 12 th to post high school.	We will see a 10% increase in parents being active in student education, parent/teacher conferences, and attendance in EDP activities.	Standard 1: Parent/Caregiver Education Program— Families are supported with parenting and child rearing skills, understanding child and adolescent development, and setting home conditions that support children as students at each age and grade level. Assist schools in understanding families.
Family Center	Create a space for parents to access school information and get incorporated into school activities.	A Family Center will be open from Monday to Friday to offer information, access to support, and parent opportunities for all Fremont Families.	Increase family participation on campus by %10.	Standard 3: Parent Volunteering Program— Families are actively involved as volunteers and audiences at the school or in other locations to support students and school programs.

PARENT LIAISON: TBD

Describe the anticipated duties of the Parent Liaison in your program. Also identify what supports your school site will provide the Parent Liaison, including training and materials.

The Parent Liaison at Fremont will be responsible for the Family Center and for ensuring that parents and families are aware of the services the school can provide. The Parent Liaison will coordinate the monthly coffee with the principal and monthly parent

meetings with EDP participants.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the “grey zone” between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	All EDP instructors will make bi-weekly phone calls to participant parents. Each round of calls will be to a student who needs to improve attendance to school as well as a positive phone call for the student that has increased their attendance. These calls will also deal with the students’ academic progress and will give parents an opportunity to answer any questions they might have.

2014-15 After School Enrollment Policy for Fremont High School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Freshmen	50% of freshmen transfer out of Fremont by Sophomore year. They are targeted to support their needs as they transition into high school and to help retain them into their Sophomore year.	Mandatory
African American Males	50% of African American Males will not reach graduation	Optional
English Language Learners	ELLs make up 20% of our student population	Optional

Grade levels prioritized for programming: 9th

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students.

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.

- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Quality Support Coach (formerly called “Academic Liaison”)

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.

- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.).
