Director Williams moved, following presentation by the sponsors of their request that the Board keep the public and community up to date on Collective Bargaining Negotiations and debate by Board members, seconded by Vice President Benjamin "Sam" Davis, to postpone further consideration of Legislative File 22-2501 until the next Regular Meeting, November 30, 2022. Director Williams, in making the motion to Postpone, noted that later tonight that there will be an Introduction of New Legislative Matter, in which the LCAP, the formally recognized parent-student group in District, is asking the Board to give it a standing space on each Regular Meeting Agenda to voice the views of its constituency on education matters. Williams stated that he believes that the LCAP is the voice of parent/community constituents; that they should have priority. He suggested that the two groups - LCAP and the collective bargaining Resolution proponents get together and find a common approach for the Board to honor the requests of each group. Following additional short debate on Postponement, the Board voted to postpone further consideration of Agenda Item 22-2501 until next Regular Meeting.

A motion was made by Director Williams, seconded by Vice President Davis, that - Legislative File No. 22-2501 - Postponement To A Date Certain, Next Regular Board Meeting, November 30, 2022, be Adopted. The motion carried by the following vote:

S. Adoption of the General Consent Report

All items appearing on the agenda under "Adoption of the General Consent

Report(s)" means that all items appearing on the agenda under this topic are approved in one motion per consent report unless a Board member requests that an item be removed and voted on separately or otherwise acted upon. Items so removed from a General Consent Report shall be considered separately in the agenda immediately after that General Consent Report (unless otherwise moved with other items by a Board member) and there shall be no additional or separate public comment on those items. Generally, these items are routine in nature, and are acted upon in one motion to conserve time and permit focus on other than routine items on the agenda. An item on a General Consent Report which a member has requested be removed, shall be removed, without debate for separate consideration and vote or other disposition. All items remaining on the General Consent Report(s), thereafter, shall be adopted in a single motion per consent report.

T. Adoption of General Consent Report - General Obligation Bonds Measures B, J and Y

All items appearing on the agenda under "Adoption of the General Consent Report(s)" means that all items appearing on the agenda under this topic are approved in one motion per consent report unless a Board member requests that an item be removed and voted on separately or otherwise acted upon. Items so removed from a General Consent Report shall be considered separately in the agenda immediately after that General Consent Report (unless otherwise moved with other items by a Board member) and there shall be no additional or separate public comment on those items. Generally, these items are routine in nature, and are acted upon in one motion to conserve time and permit focus on other than routine items on the agenda. An item on a General Consent Report which a member has requested be removed, shall be removed, without debate for separate consideration and vote or other disposition. All items remaining on the General Consent Report(s), thereafter, shall be adopted in a single motion per consent report.
