## Music Inspires Education

We reached more children with the greatest need, while demonstrating music education's role in learning. We served over 21,000 at-risk children with programs resistant to budget cuts.

**OUR CORE MUSIC PLUS MUSIC INTEGRATION PROGRAM**, based in three districts, integrated music into language arts, math and science. Results include increased student GPA, attendance, avoidance of disciplinary measures and improved classroom management, thus helping improve school culture. These three districts serve as resource centers for other schools:

- **SAN FRANCISCO:** Our biggest success this year was teaming with the San Francisco Unified School District and other community organizations on a professional development program, integrating music into science for 40 teachers at 12 schools. At El Dorado, our artists focused on social-emotional development as we built a Glee Club.
- **OAKLAND:** Building on a \$1.2 million grant to Oakland Unified School District, Thornhill Elementary School scaled out to three satellite schools. We improved a Music Skills Literacy Test

that we hope will become the standard for the field.

- **LOS ANGELES:** Norwalk-La Mirada Unified School District continued to train teachers at twenty elementary sites in Rhythm Enhances Academic Learning (REAL). Participating classrooms continued to see improved test scores.

### RELATED PROGRAMS AROUND THE BAY:

- Another huge success has been partnering with Hillside Elementary School in San Leandro to create their dream of an arts magnet school. We design classes, hire musicians and develop assessment for them.
- Exploring Through Music classes continued at Lycée Francais, Starr King Elementary, Oakland Hebrew Day School, Jose Ortega Elementary School, and the Laurel School. We began programs at St. Finn Barr Catholic School and Argonne Elementary.
- Adopt an Instrument received and distributed numerous donations.
