Playworks Statement of Qualifications

Who We Are

Playworks' mission is to improve the health and well-being of children by increasing opportunities for safe, meaningful play. Playworks significantly reduces bullying and exclusionary behavior at our partner schools, allowing educators to reclaim valuable teaching time. Our programming provides as much as 30-45 minutes of daily physical activity to children throughout the school day by engaging all children in recess and extracurricular activities that focus on healthy and inclusive play. Playworks serves 170,000 students at over 380 low-income schools in 23 cities across the country.

Founded in 1996 at two schools in Berkeley, California, Playworks has grown into a \$30.8 million organization. We have a 17-year track record of success in implementing our model physical activity and play program in low-income elementary schools across the country. In 2008, the Robert Wood Johnson Foundation (RWJF), the nation's leading public health foundation, invested \$18.7 million in Playworks because it believes that Playworks' program improves children's health. In the last two years, Playworks has been featured on Nightline, Good Morning America and in the New York Times (<http://tinyurl.com/Hard-Times-for-Recess>), where it was touted as a program that turns recess into an opportunity to make the school a happier, healthier place where academic performance can improve for all students. In 2011, Forbes chose Playworks Founder and CEO Jill Violet as one of its top 30 social entrepreneurs, those who are tackling the world's most intractable problems.

Playworks now operates in 23 cities across the country serving 900 schools and 425,000 children daily. We have a robust training department that helps support our mission.

2014-15 MEMORANDUM OF UNDERSTANDING

This memorandum of understanding is entered into between Playworks and **Lincoln Elementary School** located in **Oakland, CA.** (the "School").

Playworks is a non-profit, public benefit corporation organized and operated exclusively for charitable purposes within the meaning of section 501(c)(3) of the Internal Revenue Code. The mission of Playworks is to improve the health and well-being of children by increasing opportunities for physical activity and safe, meaningful play. Playworks contracts with schools to provide a high quality, multi-faceted program to accomplish this mission during the school day and after school. This memorandum of understanding is entered into for the purpose of establishing an effective partnership between the School and Playworks.

Logistics

Playworks and the School understand that:

1. The Playworks Program Coordinator will be an employee of Playworks, or an AmeriCorps member contracted by Playworks, and will be an active member of the School community.
2. The Playworks Program Coordinator is trained by Playworks prior to the first day of programming and receives regular training and supervision throughout the school year. The program coordinator receives training in youth development, group management, safety and leading healthy play and physical activities for elementary-aged students. Program coordinators are CPR/first aid certified, fingerprinted through the Department of Justice and tested negative for tuberculosis. Program coordinators also attend a mandated reporting workshop and are required by law to report suspected child abuse.
3. AmeriCorps: In the event that the Playworks Program Coordinator is an AmeriCorps member, the member:
 - a. may not engage in religious or politically affiliated activities including: attempting to influence legislation, protesting, union organizing, engaging in partisan political activities, engaging in religious instruction and participating in voter registration drives.
 - b. may choose to do AmeriCorps paperwork or planning on site before or after their regularly scheduled day. No direct service at the school site is required of the program coordinator outside of the scheduled timeframe.
4. A Playworks Program Manager is responsible for supervision of the program coordinator and will provide the program coordinator with support in the initial program implementation at the school. **School administrators will meet the Playworks Program Manager within the first month of the school year.** The program manager should be contacted regarding any program problems or questions.
5. Playworks programming is not a substitute for physical education (PE). Playworks Program Coordinators may coordinate with an existing PE program, but are in no way a substitute for credentialed PE teachers. Playworks staff may not support the process for grading students related to PE.

6. Playworks offers a teacher training for all teachers and school staff at the School. This teacher training provides teachers and school staff with best practices and examples to implement opportunities for play and physical activities for their students. **The School must provide the Playworks with a block of staff development time, ideally two to three hours, for this teacher training within the first six weeks of the school year.**
7. Program coordinators will make every effort to stay healthy and not miss any school days. However, there will be days when the program coordinator is ill and there will be no one available to substitute for them. Program coordinators are required to call the school, their program manager and the Playworks administrative office in the event of illness or injury. Concerns about the number of absences of the program coordinator at your school should be directed toward the program manager for your region.
8. In the event that the Playworks Program Coordinator is absent from the School for more than five consecutive days, your school may apply for a prorated credit from the sixth day of absence through the remaining consecutive days of absence. Only regular school days will be counted in this credit calculation. Approved credits may be taken against future invoices. In the event that the credit is for the final billing period of the school year, the credit will be applied to the following school year.

Program

9. Schedule: Playworks will provide the School with **one** program coordinator Monday through Thursday for a total of 7 hours for in school and out of-school programming (within an 8 hour timeframe) and a total of 4 hours of in-school programming on Fridays as described in this memo of understanding. Appropriate lunch and break times will be designated as an eighth hour of the daily schedule. Additionally, a minimum of 2 hours per week will be assigned as planning and prep time for the program coordinator to complete Playworks administrative tasks. **Please see sample school schedules in the Playworks additional resources provided to determine the hours of program service at School.**
10. Playworks program end date with the School will be based on the last day of the school year stated on the original school calendar provided to Playworks by August 1, 2014. If the School has a full year schedule or alternative calendar, Playworks and the School will determine the end date of programming prior to the start of the school year.
11. The Playworks program has interrelated components. Our training and curriculum is geared towards students in kindergarten through sixth grade. The grade preferences listed by each component below reflect the range to which our curriculum is designed and taught to the Playworks Program Coordinators:
 - a. **Recess** (grade levels: all grades) – starts on the first day of Playworks programming
Playworks will use the recess times to coordinate the playing of core playground games and sports as well as to introduce skills-building activities and cooperative games. The program coordinator is required to be at all regularly scheduled recess periods. Program coordinators are focused during recess on facilitating recess and are not available for yard supervision. Playworks and the School will work together to create an indoor recess plan in case of inclement weather. **School agrees to provide adult yard supervision during all recess periods. Playworks does not support the removal of recess privileges for extended periods of time, as a method of discipline.**
 - b. **Class Game Time** (grade levels: all grades) – Starts by third week of Playworks programming
Playworks Program Coordinators provide classroom teachers Class Game Time, the purpose of which is to teach students and teachers the rules, expectations and skills of the games and activities provided during recess in a safe and organized setting. The Playworks Program Manager and the program coordinator will work with the School to create the best possible Class Game Time schedule. Depending on the number of classrooms being served. Class Game Times will range from 30 to 40 minutes on a rotating schedule. Class Game Time can be delivered to middle school students as long as the schedule and structure is consistent with lower grades Class Game Times. **The School agrees to provide the presence of a credentialed adult, preferably the classroom teacher, during the Class Game Time session. Playworks requires the program manager's approval on all Class Game Time schedules before distribution to School and teachers.** Program Coordinators cannot schedule Class Game Times during any regularly scheduled recess period.

c. **Leagues (grade levels: 4-6) - Start dates vary.**

Based on available resources and the proximity of neighboring schools, Playworks will organize two non-competitive, skills-building leagues for fourth and fifth grade students. The program coordinator will be responsible for recruiting for the Playworks Girls Basketball and Co-ed Volleyball leagues as well as coaching at least one practice per week, generally at the school site, and one evening game held off site. Playworks leagues take place over a period of approximately 6-12 weeks during the school year. **No transportation will be provided by Playworks to or from any game or practice.**

d. **Junior Coach Leadership Program (grade levels: 4-6) - Starts by the fourth week of Playworks programming**

Playworks will provide a Junior Coach leadership program to establish student leadership within the school and to build student ownership of some key school functions. Junior Coaches are selected in the fourth week of Playworks programming through a process that includes student application, teacher recommendation and parent permission. These students serve as role models on the playground during recess.

- **During the School Day:**

Junior Coaches are required to participate as leaders at recess 1-3 times a week. Junior Coaches are expected to make up missed work and maintain good grades to participate in the program. Junior Coaches will lead games and activities during the recess time as well as help students manage conflicts if they arise.

- **Out of School Time:**

The JCLP supports the development of self-awareness, self-advocacy and community leadership in students by providing 2-4 hours of engaging skill development trainings, team-building games, and fun Playworks activities each week during OST. The trainings may be held before school, after school or during enrichment or elective blocks during the school day. Trainings are based on Playworks JCLP curriculum that includes, but is not limited to, thematic units on Junior Coach job training, conflict resolution strategies, leadership development, inclusion practices and community service and action. Playworks Program Coordinators lead trainings and skills practice activities in order to prepare Junior Coaches for their leadership role on the playground. Junior Coach Teams are limited to 15 students per training. Junior Coach attendance is required for all trainings in order for Junior Coaches to participate in their leadership role at recess.

e. **Out of School Time Programming**

The school and Playworks will determine if a model of Before School Recess is viable option based on school schedule and implementation of other components.
