1. **Contractor Services.** Contractor agrees to provide the following services to District (collectively, the “Basic Services”): For the Lockwood STEAM Elementary School Site Improvements Project, (“Project”) to provide environmental services which consist of conducting a situ Soil Sampling, assessing shallow soils for lead and arsenic, and soil waste characterization prior to the proposed asphalt replacement, and other consulting services as further described in the May 15, 2023 proposal, which is attached as *Exhibit A* to this Agreement. Contractor shall provide services related to the Project other than Basic Services (i.e., “Additional Services”) if directed in writing by District to perform specific Additional Services and if sufficient contract funds for Additional Services remain to pay for the directed Additional Services (see Section 5, below). “Services” shall mean Basic and Additional Services. Contractor agrees to perform such Services as expeditiously as is consistent with professional skill and care and the orderly progress of the Services and the Project. All services performed by the Contractor under this Agreement shall be conducted in a manner consistent with the level of care and skill ordinarily exercised by this type of consultants specially qualified to provide the services required by the District.

2. **Contractor Qualifications.** Contractor represents and warrants to District that Contractor, and all of Contractor’s employees, agents or volunteers (the “Contractor Parties”), have in effect and shall maintain in full force throughout the Term of this Agreement all licenses, credentials, permits and any other qualifications required by law to perform the Services and to fully and faithfully satisfy all of the terms set forth in this Agreement. Contractor and any Contractor Parties performing Services shall be competent to perform those Services.

3. **Term.** The term for performance of the Services shall be the duration of the Project (“Term”), except as otherwise stated in Section 4 below, and Contractor shall complete the Services within the Term. There shall be no extension of the Term without an amendment signed by all Parties and approved by the District’s governing board. Written notice by the District Superintendent or designee shall be sufficient to stop further performance of the Services by Contractor or the Contractor Parties. In the event of early termination, Contractor shall be paid for satisfactory Services performed to the date of termination. Upon payment by District, District shall be under no further obligation to Contractor, monetarily or otherwise, and District may proceed with the work in any manner District deems proper.

4. **Termination.** Either Party may terminate this Agreement at any time by giving thirty (30) days advance written notice to the other Party. Notwithstanding the foregoing, District may terminate this Agreement at any time by giving written notice to Contractor if (1) Contractor materially breaches any of the terms of this Agreement; (2) any act or omission of Contractor or the Contractor Parties exposes District to potential liability or may cause an increase in District’s insurance premiums; (3) Contractor is adjudged a bankrupt; (4) Contractor makes a general assignment for the benefit of creditors; (5) a receiver is appointed because of Contractor’s insolvency; or (6) Contractor or Contractor Parties fail to comply with or make material representations as to the fingerprinting, criminal background check, and/or

tuberculosis certification sections of this Agreement. Such termination shall be effective immediately upon Contractor's receipt of the notice.

5. **Payment of Fees for Services.** District agrees to pay Contractor based on the hourly and unit rates listed in *Exhibit B* for Services satisfactorily performed. Contractor shall not increase these hourly or unit rates over the course of this Agreement. Total fees paid by District to Contractor for Services under the Agreement shall not exceed **ELEVEN THOUSAND FIVE HUNDRED SEVENTY-SEVEN DOLLARS AND FIFTY CENTS (\$11,577.50)**, which consists of a not-to-exceed amount of **TEN THOUSAND FIVE HUNDRED TWENTY-FIVE DOLLARS NO/100(\$10,525.00)** for performance of the Basic Services, and a not-to-exceed contingency amount of **ONE THOUSAND FIFTY-TWO DOLLARS 50/100 (\$1,052.50)** for performance of any Additional Services. Contractor acknowledges that the not-to-exceed fee for Basic Services, above, includes contingency compensation in the foreseeable event that more time and costs may be necessary to complete the Basic Services. Contractor shall perform all Basic Services required by the Agreement even if the not-to-exceed amount for performance of the Services has already been paid and no more payments will be forthcoming. Contractor shall not submit its invoices to District more frequently than monthly. Contractor will not be compensated for any Basic or Additional Services required as a result of wrongful acts or omissions.

5.1 **Reimbursement for Certain Expenses.** Contractor shall not be reimbursed directly for any of its expenses, as the fees to be paid under this Agreement include compensation for any and all of Contractor's expenses.

The indemnification provided for in this Section 6 includes, without limitation to the foregoing, claims that may be made against District by any taxing authority asserting that an employer-employee relationship exists by reason of this Agreement, and any claims made against District alleging civil rights violations by Contractor or Contractor Parties under the California Fair Employment and Housing Act ("FEHA").

Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor Parties, even if such Equipment is furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to District’s reasonable satisfaction.

All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days’ prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance or self-insurance maintained by District and shall waive all rights of subrogation against District and/or the District Parties. ACC Project No.: 81027

Date Prepared: Monday, May 15, 2023

ACC is proposing to conduct in situ Soil Sampling at Lockwood Steam Academy Elementary School in Oakland, California. Proposed scope of work includes assessing shallow soils for lead and arsenic, and soil waste characterization prior to the proposed asphalt replacement.

ACC proposes advancement of up to ten (10) soil borings to approximately 1.0 ft bgs, or refusal, via a hand auger. Two (2) soil samples will be collected in the lower yard and eight (8) soil samples will be collected in the upper yard. ACC will subcontract a concrete corer to core 6"-8" diameter holes through the existing asphalt pavement at 10 locations. Samples will be collected from the barrel of the hand auger using stainless steel sleeves subsequently capped with plastic sheeting and tight-fitting plastic caps. Samples will be stored on ice and delivered to a state-certified laboratory following standard chain-of-custody protocol. Sampling equipment will be decontaminated between sampling locations. Soil borings will be back filled with soil cuttings and fast-setting cement. ACC assumes the soil sampling can be completed during normal business hours.

Samples will be analyzed discretely for lead and arsenic by EPA analytical method 6010. Soil samples will additionally be composited by the laboratory and analyzed as three single samples for analyses typical of landfill disposal requirements. Additional analytical methods include CAM 17 Metals by method 6010; total petroleum hydrocarbons as gasoline, diesel, and motor oil by method 8015; VOCs by 8260; SVOCs by 8270; PCBs by 8082; Organochlorine pesticides by 8081, asbestos by CARB 435; and additional waste criteria (STLC/TCLP), as needed. Samples will be analyzed on a standard turn around time (7 business days). Laboratory turnaround times cannot be guaranteed by ACC.

ACC will prepare a written report signed by a Professional Geologist that discusses soil sampling procedures, analytical results, and recommendations and includes a sample location map and analytical results tables.

ACC's understanding is soil may be off-hauled to a landfill pending characterization. Proposed costs do not include assessment of baserock. Proposed work does not include costs for reviewing/signing waste profiles; interaction with the landfills/haulers; or additional hours for consulting beyond the scope of this proposal.

The base fee to conduct the work described above is **\$10,525**. A 10% lump sum contingency amount is included in this proposal as a line item and is included in the total cost.

Work will commence upon receipt of an executed copy of this agreement. If you have questions regarding this proposal please contact Kim Bunting at 707.481.0795. We appreciate the opportunity to provide this proposal.

FINGERPRINTING NOTICE AND ACKNOWLEDGEMENT
FOR CONTRACTS OTHER THAN CONSTRUCTION CONTRACTS

(Education Code Section 45125.1)

Other than business entities performing construction, reconstruction, rehabilitation, or repair who have complied with Education Code section 45125.2, business entities entering into contracts with the District must comply with Education Code sections 45125.1. Such entities are responsible for ensuring full compliance with the law and should therefore review all applicable statutes and regulations. The following information is provided simply to assist such entities with compliance with the law:

1. You (as a business entity) shall ensure that each of your employees who interacts with pupils outside of the immediate supervision and control of the pupil's parent or guardian or a school employee has a valid criminal records summary as described in Education Code section 44237. (Education Code §45125.1(a).) You shall do the same for any other employees as directed by the District. (Education Code §45125.1(c).) When you perform the criminal background check, you shall immediately provide any subsequent arrest and conviction information it receives to the District pursuant to the subsequent arrest service. (Education Code §45125.1(a).)
2. You shall not permit an employee to interact with pupils until the Department of Justice has ascertained that the employee has not been convicted of a felony as defined in Education Code section 45122.1. (Education Code §45125.1(e).) See the lists of violent and serious felonies in *Attachment A* to this Notice.
3. Prior to performing any work or services under your contract with the District, and prior to being present on District property or being within the vicinity of District pupils, you shall certify in writing to the District under the penalty of perjury that neither the employer nor any of its employees who are required to submit fingerprints, and who may interact with pupils, have been convicted of a felony as defined in Education Code section 45122.1, and that you are in full compliance with Education Code section 45125.1. (Education Code §45125.1(f).) For this certification, you shall use the form in *Attachment B* to this Notice.
4. If you are providing the above services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.1, above. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. The District shall determine whether an emergency or exceptional situation exists. (Education Code §45125.1(b).)
5. If you are an individual operating as a sole proprietor of a business entity, you are considered an employee of that entity for purposes of Education Code section 45125.1, and the District shall prepare and submit your fingerprints to the Department of Justice as described in Education Code section 45125.1(a).
