## SERVICES AGREEMENT 2021-2022 – NO COST

This Services Agreement (“Agreement”) is a legally binding contract entered into between the Oakland Unified School District (“OUSD”) and the below named entity or individual (“VENDOR,” together with OUSD, “PARTIES”):

**Sierra Club**

The PARTIES hereby agree as follows:

1. **Term.**

a. This Agreement shall start on the below date (“Start Date”):

**November 1, 2021**

If no Start Date is entered, then the Start Date shall be the latest of the dates on which each of the PARTIES signed this Agreement.

b. The work shall be completed no later than the below date (“End Date”):

**October 31, 2024**

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment.** VENDOR agrees to work and communicate with OUSD staff, both formally and informally, to ensure that the Services are aligned with OUSD’s mission and are meeting the needs of students as determined by OUSD.

4. **Inspection and Approval.** VENDOR agrees that OUSD has the right and agrees to provide OUSD with the opportunity to inspect any and all aspects of the Services performed including, but not limited to, any records or other materials (physical or electronic) produced, created, edited, modified, reviewed, or otherwise used in the preparation, performance, or evaluation of the Services. One example of such records or other materials is proof of VENDOR compliance with Section 16.b (Fingerprinting/Criminal Background Investigation). 5. **Data and Information Requests.** VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. ## EXHIBIT A

**1A. General Description of Services to be Provided:** *This includes the intended outcomes, relevant information on all programs, projects, and services, and the specific the site(s) for each program, project, or service.*

Sierra Club's Inspiring Connections Outdoors (ICO) is a program in which ICO volunteers' partner with individual OUSD teachers to provide students with experiences in nature that engender a connection with the natural world. There are 50 ICO groups nationwide whose volunteer leaders conduct more than 800 outings for approximately 14,000 youth each year. Outings range from environmental education and day hikes to overnight camping, snow trips and backpacking. Each trip is planned by a trained ICO leader and an OUSD teacher. ICO provides additional volunteers, transportation, and funding for the outing. Once an ICO group successfully establishes its relationship with a teacher, it develops a schedule of outings based on the ages and abilities of the participating youth and on the number of available volunteers. Outings usually begin as small trips, such as day hikes to nearby parks, beaches, or lakes. After leaders have had time to develop rapport with participants they encourage longer or more challenging outings, such as overnight camping trips and backpacking trips, that allow participants to further build their confidence by testing the new skills they have acquired. When ICO works with a school, the teacher often coordinates the outing with the class curriculum, using the outing as an experiential teaching tool. Every trip is different, but each is a vital opportunity for our participants to discover themselves in a new environment, learning about their own interests and abilities in the process. Once a trip destination is agreed upon, preparations begin with the ICO leader lining up qualified drivers or public transportation and ICO volunteers to provide trip oversight and outdoor education. ICO also provides the outdoor, camping and/or backpacking equipment needed, as well as food for the trip. Each trip is preceded by a pre-trip meeting where the ICO leader meets with the students to describe the outing, review what to bring on the trip (often with a show and tell for camping/backpacking trips), and to review time/date and expectations for the trip. Tents, sleeping bags, backpacks, warm clothing when needed, and other gear are provided by ICO. At the trailhead or campsite, what lies ahead, safety, and rules for the trail are discussed. On a longer trip, these are reviewed and expanded upon as activities change during the outing. Throughout the outing ICO volunteers engage the students in discussions of nature and the environment and provide skills training relevant to the trip. For overnight trips this includes for example campsite selection, setting up tents, care of equipment, hydration and nutrition, food preparation and clean up. Days trips for OUSD are often local hikes in the East Bay Regional Parks (EBRPD), but can also be farther afield trips, for example to the Marin Headlands, Angel Island, the elephant seals at Ano Nuevo or kayaking with EBRPD at Big Break. Local camping destinations include EBRPD, San Mateo County regional parks, local State Parks (i.e. Portola Redwood State Park and Francis State Beach), Yosemite or the snow with an overnight stay at the Sierra Club's Hutchinson Lodge. For older students the ultimate challenge is to put on a backpack to really get immersed in the outdoors, whether at our largest state park, Henry Coe, or on trips to the Sierras. While engaging students in the wonder, beauty, and interconnectedness of the natural world, students receive not only outdoor education but are also immersed in the healing power of nature. The ICO program promotes development of interpersonal skills and self-esteem by involving participants in teamwork, teaching them self-reliance outside an urban setting, and encouraging them to take an active role in protecting the environment. We create opportunities for personal development of participants from different backgrounds and cultures by fostering respect of nature, self and others, and providing urban youth with outdoor skills training and leadership opportunities.
