

**OAKLAND UNIFIED SCHOOL DISTRICT**  
**Office of the Superintendent**

June 26, 2013

**To:** Board of Education

**From:** Tony Smith, Superintendent  
Maria Santos, Deputy Superintendent Instruction, Leadership & Equity in Action  
Vernon Hal, Deputy Superintendent Business & Operations  
Susana Ramirez Director, State and Federal Compliance

**Re:** 2013 - 2014 Community Schools Strategic Site Plan (CSSSP)

**Action Requested:**

The Board of Education is requested to approve the 2013-2014 Community Schools Strategic Site Plan for Student Achievement for Montera Middle School.

**Background:**

In accordance with Education Code 64001, the Single Plan for Student Achievement (Community Schools Strategic Site Plan CSSSP) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application, by the School Site Council. The plans shall also be annually reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the Single Plan for Student Achievement is to coordinate all educational services at the school. The site plan shall address how funds provided to the school will be used to improve the academic performance of all pupils to the level of the performance goals, as established by the Academic Performance Index. (API).

**Discussion:**

The Community Schools Strategic Site Plan builds on a premise that students are capable of learning with effective instruction, includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school improvement actions, directs resources where they will most directly improve student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated to student success.

**Fiscal Impact:**

The Programs listed below are reported in the Consolidated Application and allocated to school sites through the Community Schools Strategic Site Plan.

**State Programs**

- Economic Impact Aid/School Compensatory Education
- Economic Impact Aid/Limited English Proficient
- Quality Education Improvement Act (QEIA)
- School Improvement Grant (SIG)

**Federal Programs**

- Title I, Part A

**Recommendation:**

The Board of Education is requested to approve the 2013-2014 Community Strategic Site Plan for Montera Middle School.

<b>2. Instructional Time</b>	2.5 The school/district provides adequate instructional time as recommended on page 10 of the California Mathematics Framework at <a href="http://www.cde.ca.gov/ci/cr/cf/documents/mathfrwk.pdf">http://www.cde.ca.gov/ci/cr/cf/documents/mathfrwk.pdf</a> for the locally-adopted, standards-aligned, basic core programs for mathematics and may include CCSS-aligned instructional materials. This time is given priority and is protected from interruptions.	Full implementation means that the school’s master schedule provides adequate instructional time for all mathematics classrooms in the locally-adopted, standards-aligned mathematics basic core materials which may include CCSS-aligned instructional materials. This schedule provides all students, including ELs, SWDs, students with learning difficulties, and advanced learners, sufficient instruction and practice to meet their instructional needs. <ul style="list-style-type: none"> <li>This time is given priority and protected from interruptions.</li> </ul>	Objective	Fully	Substantially	Partially	Minimally

<b>2. Instructional Time</b>	2.7 The school/district provides adequate instructional time in the locally-adopted mathematics intervention materials for identified intensive intervention students needing specialized instruction to acquire the mathematics skills and concepts necessary to meet grade-level mathematics standards.	Full implementation means that the school's master schedule allocates adequate instructional time or periods for identified intervention students needing specialized instruction to acquire the grade-level or pre-algebraic skills and concepts necessary to succeed in Algebra I. The district/ school uses assessments and placement criteria to determine the instructional needs of intensive intervention students. <ul style="list-style-type: none"> <li>For grades six and seven, students needing intensive intervention are defined as demonstrating proficiency of mathematics standards below two grade levels and are unable to master grade-level standards.</li> <li>For grade eight, mathematics intensive intervention students are defined as those students who are achieving below seventh grade mathematics standards.</li> </ul> <b>For districts using the 2007 SBE adoptions:</b> <ul style="list-style-type: none"> <li>For grade four through seven intensive intervention materials are not designed as a curriculum to replace basic core mathematics instruction. The intensive intervention materials are to be used when additional intervention support is needed.</li> </ul> <b>For districts using the 2001 and 2005 SBE adoptions:</b> <ul style="list-style-type: none"> <li>Students who have been assessed and identified as needing intensive mathematics intervention should be provided additional instructional time and support using the ancillary materials from the adopted program.</li> </ul>	Objective	Fully	Substantially	Partially	Minimally

**ASSURANCES  
2013-2014**

**School Site:** Montera Middle School  
**Site Number:** 211

The following state and federal categorical funding source(s) will be a part of the School-Based Coordinated Program at the school:

- Title I School-Wide Program
- Title I Targeted Assistance Program
- EIA/State Compensatory Education
- EIA/Limited English Proficient
- QEIA
- SIG

1. The council/committees have been formed and correctly constituted in accordance with the procedures established by the district governing board, federal or state law or regulations.
2. The school plan is based upon a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
3. It is the responsibility of the School Site Council to monitor the implementation and effectiveness of the actions outlined in the site plan throughout the 2013-2014 School Year.
4. The English Language Advisory Council (ELAC) reviewed English Learner data, priority needs, and suggested improvement strategies on
5. The School Site Council adopted the Single Plan for Student Achievement at a public meeting(s) on 4/10/2013
6. The signatures below verify that the chairpersons, teachers, students, and parents on behalf of their respective councils/committees, have participated in the planning process, reviewed the school plan for the appropriate special programs, and recommend the school plan and budget to the district governing board.

## COMMUNITY SCHOOLS STRATEGIC SITE PLAN

### Superintendent's Letter

Dear OUSD Staff, Parents, and Community Members:

On behalf of the OUSD leadership, thank you! In our second year of the Community School Strategic Site Plan (CSSSP or C3SP) process, let's celebrate our collaborative efforts in serving all children in every neighborhood by providing high quality community schools where children, adults, and community thrive. We are committed to creating and sustaining a district of community schools capable of supporting the unique needs of each child and to link caring school communities with Oakland neighborhoods across our city. We believe that each child in Oakland must be ready to succeed in college, community, and careers that lead them to healthy and happy lives. With these beliefs, we engage in creating a Full Service Community School District filled with Full Service Community Schools. Every school will act as a resource and service hub that connects with local partners to help build healthy and vibrant schools and communities.

Learning lessons from and building upon the first year's experiences, we continue to strive for alignment, effectiveness, and efficiency. The CSSSP is closely aligned with the larger organizational strategic plan, Community Schools, Thriving Students; but we must also synchronize with other school-based instruments such as the Western Association of Schools & Colleges (WASC) accreditation and our district's pioneering School Quality Review (SQR) process. In addition to satisfying compliance requirements and guiding the allocation of categorical funds, the CSSSP is a multi-year road map for each school to become actualized as a Full Service Community School. This new school site plan has been developed by a team of cross-departmental leaders in OUSD under the advisement of principals and community leaders. The 2011-2012 Community Schools Strategic Site Plans represented our first steps in the development of each site's priorities for the 2012-2015 school years. This next step for 2012-13 will represent the deepening, enhancing, and refinement of each school's groundwork.

Last year, each site created a Community School Leadership Team, incorporating members of the School Site Council (including English Language Advisory Council (ELAC), the principal, parents, teachers, staff), and in secondary schools, student member(s). Additionally, each school recruited their afterschool partner, as well as another key community partner, to become members of the Community School Leadership Team. This leadership team will continue to analyze data, enhance strategies, and drive the development of the CSSSP for their school and supported through a collaborative engagement process that utilizes the recently adopted Meaningful Family Engagement Standards (adopted by OUSD in Spring 2012). In our second year of implementation, we are excited about supporting every school community to collaborate in service of building Full Service Community Schools across Oakland. As leaders of a Full Service Community District, we are committed to providing the conditions for this critical work to happen. I thank you for your engagement, leadership, and commitment to supporting the development of community schools and thriving students across Oakland. Thank you!

# COMMUNITY SCHOOLS STRATEGIC SITE PLAN

## Context & Vision

### OUSD

**VISION:** All students will graduate from high school. As a result, they are caring, competent and critical thinkers, fully-informed, engaged and contributing citizens and prepare to succeed in college and career.

**MISSION:** Oakland Unified School District is becoming a Full Service Community District that serves the whole child, eliminates inequity, and provides each child with excellent teachers for every day.

### GOAL AREAS:

Every student in the Oakland Unified School District will:

- Attend a SAFE, HEALTHY, and SUPPORTIVE SCHOOL - Oakland will become a full-service community district that will collaborate with civic and community partners to reduce violence in the community and schools thereby creating secure campuses where a culture of calm prevails.
- Learn the knowledge, skills, and abilities to be PREPARED for SUCCESS in COLLEGE and CAREERS when they graduate from high school, to ensure that they can read, write, speak, think critically and reason mathematically for post-secondary success.
- Have HIGH QUALITY and EFFECTIVE INSTRUCTION with excellent teachers for every day of the school year.

The Oakland Unified School District will:

- Become a FULL SERVICE COMMUNITY DISTRICT that is in service of and fully supporting the success of community schools and thriving students.
- Be ACCOUNTABLE for HIGH QUALITY for its schools and in its work across the organization.

### SCHOOL SITE CONTEXT

Montera Middle School is a 6th to 8th grade middle school serving all of Oakland's community since 19\_\_\_\_. Our school colors are black and gold and our mascot is the Toro whose strength and determination is symbolic of our school spirit and community. Montera is a place where students are challenged to reach their full potential through rigorous and engaging instruction within a safe and caring community. Montera graduates are prepared to excel in high school, college and beyond. We embrace and cultivate the diversity of our school community. According to the SARC, Montera is comprised of African American 42% Asian 12% Caucasian 25% Hispanic 16% Multi-Ethnicity 2% Native American 1% Pacific Islander 1% All students and their families are welcomed at Montera and the cultural impact and diversity of our community is significant to Montera. Students, staff and community have helped to create a secure, safe, lively and nurturing environment with promotes mutual respect and self-esteem. Montera prides itself on educating the whole child, both academically and socially and we understand that the middle school years are a time for young adults to explore choices, build trust, and develop relationships with peers and adults. It is a tradition at Montera to offer programs that stress excellence and diversity in scope and depth of content. The intense level of parent involvement and support, a consistent and dedicated teaching faculty, and a student body willing to meet the challenge of Montera's high expectations ensures that Montera thrives in all areas. We offer courses in woodshop, music, art, foreign languages, restorative justice peer mediation student leadership and computers. Montera also supports special needs students through a wide range of programs that reach a third of our student population. Our Special Education programs are full inclusion with an emphasis on moving our students towards independence. As additional support, we are proud of our intervention programs at Montera. We offer strategies classes in English Language Arts and in Mathematics. We use Achieve3000 and PLATO as supplemental online computer programs to encourage a blended learning model. Our goal is to ensure that every student reaches their full potential as young adolescents while at Montera Middle School. Montera believes that in order for all students to reach their full potential we must cultivate a safe community and climate. We are committed to

implementing our specifically designed Positive Behavior Intervention Strategies model and using Restorative Justice Practices to guide our vision. We are committed to growth in achievement. Throughout the year the faculty and parents will examine the school achievement data, interpret the data and use the data to evaluate our progress, set goals and revise programs.

## **VISION**

Montera Middle School is a diverse school community where students are challenged to reach their full potential through rigorous and engaging instruction within a safe and caring community. Montera graduates are prepared to excel in high school, college and beyond. We embrace and cultivate the diversity of our school community.

## Accountable for Quality: Ensuring Thriving Students and Healthy Communities

### Strategic Priority: The Accountability Plan

In June 2011, the OUSD Board of Education adopted our School Quality Standards. These standards include outcome standards that define for OUSD what "good" performance is. These are the standards we use to measure the extent to which our schools are ensuring that all of our students are thriving and likely to contribute to the health of our communities.

1. A quality school sets and achieves clear and measurable program goals and student learning objectives.
2. All students demonstrate progress on academic and social goals each year and across years.
3. All students achieve at similarly high rates and any gaps in achievement are substantially narrowing.
4. All students achieve at levels that compare positively with state and national averages and with similar schools.
5. All students demonstrate critical thinking skills and apply those skills towards solving complex tasks.
6. All students demonstrate skills in and knowledge of the arts and literature.
7. All students demonstrate an ability to understand and interact with people from different backgrounds.
8. All students achieve and maintain satisfactory physical health including diet, nutrition, exercise, and rest.
9. All students demonstrate the attributes and skills of emotional health and well-being.
10. All students demonstrate the skills, knowledge, and dispositions needed in the world of work.
11. All students demonstrate the skills, knowledge, and dispositions of engaged citizens.

OUSD schools will use these outcome standards to define and assess how they are developing toward quality Full Service Community Schools. School-level goals and metrics in the following sections should explicitly refer to these outcomes standards.

#### The School Accountability Plan

Montera's Administrative Team will monitor our progress toward the goals outlined in this plan. The SSC will also monitor and support our achievement of these goals. Our collaboration with our PTO will support our achievement of these goals. The C.O.S.T team will monitor and support our achievement of these goals. Through PLC work, our faculty and staff will monitor our progress and support our achievement of these goals outlined in this plan. Administrative Team: At weekly Administrative Team Meetings, the principal, assistant principals, and TSA's, will analyze progress towards reaching school quality standards, based on collection of data from a variety of sources. Plans will be adjusted and made to better meet the needs of students. SSC: At monthly meetings the School Site Council will analyze our progress towards reaching school quality standards as it pertains to categorical funds and students needs. PTO: At the monthly PTO Board meetings, and PTO General meetings, the Principal will provide a report. The principal's report is part of the agenda for each PTO meeting. Updates will be given on the progress of the school towards reaching the school quality standards. Parent feedback on progress towards reaching the goals will be collected and used to help support our achievement of these goals. C.O.S.T. and Attendance committee members: At biweekly team meetings the team will analyze data from a variety of sources to monitor all site student support interventions and programs including truant students. PLC: Using PLC standards, faculty and staff, the principal and assistant principals will assess the progress that the school is making towards the achievement of the goals outlined in this plan.

## School Quality Indicator 1: Quality Learning Experiences for All Students

### Strategic Priority A. Balanced Literacy & Literacy Across the Curriculum

**School:** Montera Middle School

**Principal:** TINA TRANZOR

#### From OUSD Strategic Plan:

We want OUSD students to read, write, speak, and think critically for success in college and careers. We want Oakland students to relish reading, writing, and speaking and to become joyful, as well as competent, around literacy. To reach that goal, we need to develop a clear and common OUSD Literacy Framework. The beginning of our work will ensure that we assess reading levels of all students across the system. Additionally, we will approach literacy from a Response to Intervention Framework, ensuring that students have access to high-quality instruction and that higher tiers of support are provided when needed. OUSD must develop a PreK-12 core curriculum aligned to college and career ready standards and to the Common Core State Standards as they develop.

#### District-level Goals

1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
2. Move CST FBB students to Basic in one year (in two years for MS and HS)
3. Move/maintain CST Proficient and Advanced students
4. Accelerate reading by 1.5 additional grade levels for 3rd through 5th graders as measure by SRI to reach grade level standard (2 additional grade levels starting with 6th graders for MS, 3 additional grade levels starting with 9th graders for HS)
5. Student use of academic language and engagement with grade level content aligned to the Common Core Sate Standard will be increased from fall to spring as evidenced by principal observations.

#### School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- uses instructional strategies that make learning active for students and provide them with different ways to learn
- provides and ensures equitable access to curriculum and courses that prepare all students for college

#### Benchmark

**ELA MidYear % At/Above BMark in Reading Comprehension**

**CELDT**

**% Growth in CELDT 2 Year Cohort Growth Report**

**CST**

**% Growth in CST/CMA ELA 2 Year Cohort Growth Report**

**CST/CMA ELA % BB/FBB**

**CST/CMA ELA % Prof/Adv**

- Montera has 80% of students reading at or above grade level.
- Montera has shown an increase in the number of Latino FBB & BB and there has been a marked upward movement from prof. to adv. in this subgroup.
- Montera had a slip in growth in our AA and Latino sub-groups in ELA. Montera as shown a decrease in achievement in ELA for our AA males.

### Theory of Action

- Montera students will use their Lexile scores data from SRI testing to guide their learning.
- If all students were assessed on regular basis and individual student data was utilized effectively to determine instruction in small class settings,
- and if a school wide system of interventions were put in place to support all FBB, BB, and Bs, and all teachers adhered to the PLC model of data analysis and intervention,
- then student achievement will increase across all subgroups and performance categories.
-

# School Quality Indicator 1: Quality Learning Experiences for All Students

## Strategic Priority B. Science, Technology, Engineering, Mathematics (STEM)

School: Montera Middle School

Principal: TINA TRANZOR

### From OUSD Strategic Plan:

In the past three years, students exhibited steady achievement gains in science and mathematics. More elementary teachers have scheduled science and math instruction into students' school day and are using the district-adopted materials with integrity. While we celebrate the academic gains in science and mathematics, we also recognize their inadequacy and unevenness when we delve deeper into the results for various student populations (e.g., African-American, Latino, English Language Learners), grade spans (middle and high school students) and schools. We are committed to accelerating science and mathematics gains and supporting robust teaching and learning. We plan not only to dramatically improve science and mathematics learning but also to create a deep understanding of Science, Technology, Engineering and Mathematics (STEM) careers and opportunities for linked learning, both in school and the workforce.

### District-level Goals

1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
2. Move CST FBB students to Basic in one year.
3. Move/maintain CST Proficient and Advanced students
4. Increase by 10% the number of proficient and advanced students in CST science and by 15% English Language Learners and African American Males

### School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- uses instructional strategies that make learning active for students and provide them with different ways to learn
- provides and ensures equitable access to curriculum and courses that prepare all students for college

### CST

**Data Analysis**

- Montera has scored higher in Science as compared to the district growth in the last 2 years. At least 70% of Montera students are Prof/Adv in Science.
- Montera has seen a 10% decline in overall growth in Math CST score. 25% of our students are BB/FBB in Math. 26% of our students are B in Math and 49-48% of our students are Pro/Adv in Math
- Our decline in achievement was most pronounced in the performance of AA and Latino students, with both subgroups showing double-digit declines.

**Theory of Action**

- If all teachers provided rigorous, relevant and standards based instruction,
- and if all teachers used student data to guide and differentiate instruction,
- and if all teachers collaborate to provide a system of interventions,
- then there will be a marked improvement in student performance as measured by common formative assessments, benchmarks and CST scores.

# School Quality Indicator 1: Quality Learning Experiences for All Students

## Strategic Priority C. Transitions & Pathways PreK-12

School: Montera Middle School

Principal: TINA TRANZOR

### From OUSD Strategic Plan:

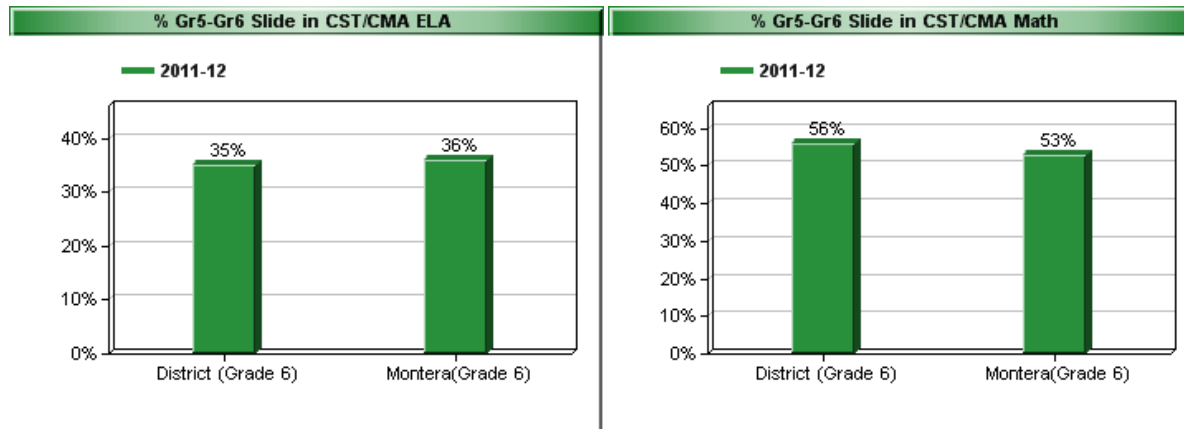

Too many of OUSD's schools work in isolation and focus little attention on where students have been and where they are going. Early childhood programs need to be aligned to the K-5 continuum and expanded to serve more students. Principals at K-5 schools with early childhood programs will supervise the programs and help to integrate them into the school culture. We must develop transitional kindergarten programming to include curriculum and professional development. College and career readiness doesn't begin in high school. In OUSD, the elementary and middle school academic core must be aligned to what students must know, understand, and be able to do to succeed in college-preparatory courses in high school. Elementary and middle school communities in regions will collaborate to share best practices and to develop robust feeder options. Building on existing programs, OUSD will also seek additional funds to develop a comprehensive "Career Pathways" approach to preparing our young people to be successful in college and careers. In order to attract and hold students and families, we will use the FSCS model to create corridors, networking Pre-K through 12 schools in targeted areas in new and innovative ways.

### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- provides and ensures equitable access to curriculum and courses that prepare all students for college

### CST

**School Data**

- There's no conclusive quantitative data indicating the percentage of Montera Middle School students who graduated from high school and/or college.

**Data Analysis**

- Montera's 5th to 6th grade Slide percentages are consistent with the district percentages. This is a prevailing concern that must be determined and considered.
- Students who have successful middle school experiences in the classroom are bound to be equally successful in high school and beyond.
- Conversely, those who earn low grades in middle school are equally likely to fail in high school.

**Theory of Action**

- Montera Middle School must continue to engage in vertical collaboration with all high schools the students attend. We must also engage in collaboration with all our elementary feeder schools to ensure transition support.
- We will provide consistent quality services for our students and families that transition from elementary to 6th grade and from 8th grade to high school.
- Our school counselor in collaboration with our parent organizations must work to provide relevant support information to our transitioning families.

Strategies	Indicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount
School Counselor	State tests (CST/STAR, PFT)	All Students	End of Year	Other	3/30/2013	211SQ11C5118	Counselor to engage in vertical collaboration with elementary feeder schools and high schools	Non-SSC approved			0	\$0.00

# School Quality Indicator 1: Quality Learning Experiences for All Students

## Strategic Priority D. College, Career & Workforce

School: Montera Middle School

Principal: TINA TRANZOR

### From OUSD Strategic Plan:

In order to make sure that more students graduate, and our graduates are ready for college and career, OUSD will make a significant investment in strategies, structures, and resources to implement core elements of the secondary reform. Career pathways will connect strong academics, Career Technical Education (CTE), work-based learning experiences and support services so that students are prepared for college and career success within the context of a specific, high demand industry sector. Building on the number of career pathways that exist in high schools now, we will increase the number of well-developed and effectively-implemented pathways, which include certificates linked to occupations. OUSD's "Career Pathways" approach will lead to a full range of postsecondary and career opportunities and keep all options open after high school.

1. Combined 4- & 5- year graduation rate will increase by 10%- with graduation rate based on 9th grade enrollment (HS only)
2. Increase by 15% the number of African-American Males and Latino Males who pass CAHSEE on the first attempt (HS only)
3. 80% of the ninth graders will complete 60 credits (HS only)

### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- provides and ensures equitable access to curriculum and courses that prepare all students for college

### Survey - High Standards

### Survey - Success

**Plan to go to college after high schools-Very/Pretty Much True**

**School promotes academic success. \_\_% Agree/Strongly Agree**

Strategies	Indicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount
Continue expanding college visuals to decorate school.	Survey data (CHKS, etc.)	All Students	Every Marking Period	Other	3/30/2013	211SQ1D5119	Provide visual reminders for students to connect with college goals.	N/A			0	\$0.00

## School Quality Indicator 1: Quality Learning Experiences for All Students

### Strategic Priority E. Accelerating Students through Targeted Approaches\* (Collaborative Teacher Inquiry/African American Male Achievement/Academic Language & Literacy/Focal 15/English Learners/Students with Disabilities/GATE)

School: Montera Middle School

Principal: TINA TRANZOR

#### From OUSD Strategic Plan:

We need to close the achievement gap through targeted approaches, focusing on literacy development, African American Male Achievement, targeted inquiry, English Language Learners, Students with Disabilities, and Programs for Exceptional Children. The patterns of academic performance we see in our district, schools, and classrooms are evidence of a system that is horribly inadequate. We need to differentiate supports and strategies in order to accelerate achievement and address the disparities in educational and social outcomes for populations of students.

1. Increase the number of African American Male students on the honor roll by 15%

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides academic intervention and broader enrichment supports before, during, and after school

#### School Data

- Our African American students make up 39% of the student population and is the largest lowest performing group sub-group at Montera.
- Our English Language Learners is a subgroup that is also one of our lowest performing sub-groups.

#### Data Analysis

- Our African American students' scores in both Math and ELA need to be placed within a context:
- Lack of on-going, targeted and structured intervention programs undermine student progress.
- Equally detrimental is the distance of the school from where the students live, rendering it challenging for most to take part in various tutorial opportunities.
- Parents do not have easy access to the school in order to discuss student progress and/or participate in school governance.

#### Theory of Action

- If Montera Middle School established a system of interventions and if all teachers analyzed African American students' and ELL students' Math and ELA performances in the CST, and benchmarks on consistent basis,
- and if identified students received targeted interventions and if teachers communicated student progress to parents by using all available means including, Jupiter Grades, telephone, email and direct conferences,
- Then all lowest performing subgroup students will engage actively in the classroom and greatly improve their performance.
- If our ELL families were provided additional support in how to engage in our academic process, then our students would improve their performance.
-

## School Quality Indicator 1: Quality Learning Experiences for All Students

### Strategic Priority F. Extending Learning Time

School: Montera Middle School

Principal: TINA TRANZOR

**From OUSD Strategic Plan:**

We want each student to attend a school that offers a comprehensive and integrated approach to education in which the school acts as a hub of partnerships that organizes the resources within the community. We need to build extended learning opportunities whereby the school and community work together to break down barriers to learning and foster true, authentic collaborations in service of thriving students. We envision a system in which schools extend beyond the traditional school day ? offering students and families learning opportunities before and after school, on weekends, and during the summer.

**School Quality Standards relevant to this Strategic Priority**

A quality school...

- provides academic intervention and broader enrichment supports before, during, and after school

Strategies	Indicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount

## School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

### Strategic Priority A. School Culture (including Meaningful Student Engagement)

School: Montera Middle School

Principal: TINA TRANZOR

#### From OUSD Strategic Plan:

Full Service Community Schools create a safe and supportive environment where students can thrive academically, socially, and emotionally. Schools offer a comprehensive and integrated approach to education that is founded on caring relationships and high expectations. Healthy school cultures include preventative, early intervention, and intensive services and supports accessible to all students. School-wide positive behavioral and academic supports are augmented by Tier 2 targeted intervention and Tier 3 individualized supports, which are monitored and coordinated through COST and SST. Schools create professional learning structures to support adults to learn the science and practice of teaching Social Emotional Learning (SEL) skills to increase the capacities of students to manage emotions, develop empathy and concern for others, establish positive relationships, make responsible decisions, and handle challenging situations effectively. A thriving school culture also encourages student leadership and motivational programs, such as expanded celebrations of student achievements.

#### District-level Goals

- Reduce Disciplinary Hearing Process referrals by 20%

#### School Safety Plan Goals

Goal 1: To prepare staff and students for a variety of emergencies and respond appropriately to all emergencies. Staff will communicate to parents/guardians/ procedures should a disaster occur.

- Strategy 1.1: Annual review/revise Montera Middle School Disaster Preparedness, Emergency Plan Procedures, replenish emergency supplies.
- Strategy 1.2: Practice plan changes with student drill procedures

Goal 2: To reduce incidents of bullying and increase student awareness of community to promote a safe learning environment for all students.

- Strategy 2.1: Ensure that all students attend the showing of "The Bully Project", as well as support the teachings of movie in advisory classes utilizing restorative justice circles; Increase usage of restorative justice circles in cases of bullying and harassment; Ensure that all administrative staff, various teachers, and selected students are trained on the implementation of restorative justice practices.
- Strategy 2.2: Creation of staff/student facilitated Social Action Committee which is a place where our school community can enrich 8th grade students to become leaders promoting tolerance and understanding among all students to create a safer school environment. These students will work on various outreach projects including: "Spread The Word to Ban the Word", and the National day of Silence.

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- is a safe and healthy center of the community, open to community use before, during, and after the school day
- offers a coordinated and integrated system of academic and learning support services, provided by adults and youth
- identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future

- creates an inclusive, welcoming and caring community, fostering communication that values individual/cultural differences

DHP

Survey - Engagement

Survey - Relationships

**Nearly All/Most Adults at this school pay attention to students.**

**% High Level of Caring Relationships with Adults at School**

**Survey - Safety**

**This school is a safe place for students. % Agree/Strongly Agree**

**Bullied for more than once on school property.**

**% Feeling Safe/Very Safe at School**

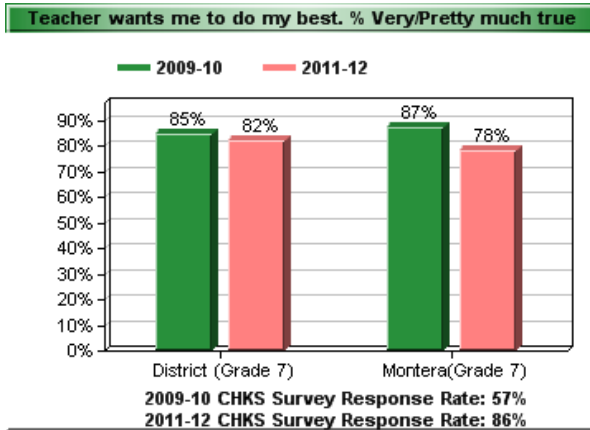

**Survey - Welcoming**

**School is a supportive and inviting place. Agree/Strongly Agree**

**Survey - Beliefs**

### Suspensions

### Data Analysis

- Montera has reduced the number of suspensions and DHP's over the years and our percentage is lower than the district average. Overall students feel that Montera is a safe school and that teachers want students to do their best.
- We must create more opportunities for students to feel connected to adults and school activities

### Theory of Action

- By planning and implementing our PBIS system at Montera we should be able to create a safer school culture and provide for clear expectations of behavior.
- We will celebrate the positive and create a spirit of enthusiams and community at Montera. By having a designated parent liason to reach our ELL families, we will reach many of our families that have not felt part of our community.

## School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

### Strategic Priority B. Health & Wellness

School: Montera Middle School

Principal: TINA TRANZOR

#### From OUSD Strategic Plan:

A Full Service Community School serves the needs of the whole child, providing a range of Health & Wellness programs and services along a continuum from prevention to intervention. OUSD's Wellness Policy provides a framework for creating a physically healthy school environment where students have access to nutritious food, free drinking water, opportunities to be physically active and good indoor air quality. Quality physical education is provided for the required amount of time to all students. In addition, students' health and mental health needs are met on-site or through a robust referral system that connects students and families to community providers. A FSCS also provides health education (e.g., nutrition, gardening, reproductive health) and social-emotional learning (SEL) that is aligned with and supports the core curriculum. Families are engaged around supporting their children's health as well as their own. Staff wellness is seen as integral and is actively fostered.

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- offers a coordinated and integrated system of academic and learning support services, provided by adults and youth

#### Breakfast

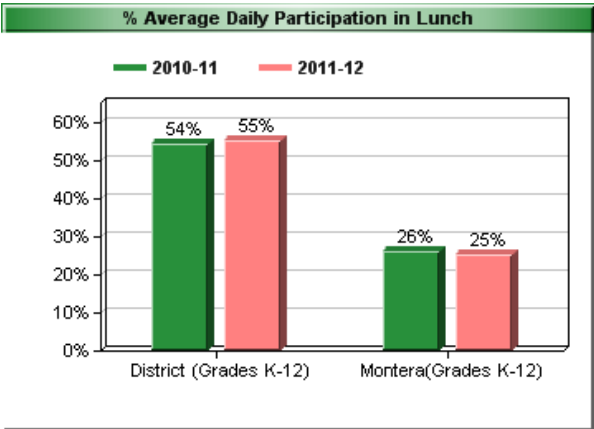

#### Fitness

**Health Access**

**Lunch**

**Socio Economics**

**Survey - Drugs / Alcohol**

**Survey - Mental Health**

**Data Analysis**

- Montera has a very low percentage of students that eat breakfast or lunch. Not all students that are eligible for free or reduced lunch eat the nutritious meal provided by the school.
- About half of our students are physically fit. Drug use seems to be limited at Montera. There is some alcohol use at Montera.
- About 1/4 of our student population is feeling sad or hopeless during the school year.

#### Theory of Action

- Montera must ensure that all students eat a nutritious breakfast and lunch to fuel their bodies and minds for academic excellence.
- We must continue to offer exercise and fitness classes and education to promote healthy living and physical fitness for our students.
- Students must supported emotionally at school in order to feel safe to learn.

Strategies	Indicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount
School Psychologist	Survey data (CHKS, etc.)	All Students	Weekly	Principal	4/3/2013	211SQI2B5246	Provide additional emotional support to our students through our School Psychologist. This support will be offered to General Education students	Non-SSC approved			0	\$0.00

## School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

### Strategic Priority C. Interrupting Chronic Absence (Attendance)

School: Montera Middle School

Principal: TINA TRANZOR

#### From OUSD Strategic Plan:

Full Service Community Schools support attendance improvements as part of transforming educational outcomes for students. Chronic absence, defined as missing 10% or more school days for any reason, is a key indicator and area of focus in Full Service Community Schools. Chronic absence, which impacts one in seven Oakland students, is correlated with lowered reading outcomes and graduation rates. If our system begins addressing chronic absence at the Pre-K and K levels, we would see marked differences in student learning by 3rd grade.

1. Reduce Chronic Absence (students missing 10% or more of the school year) to 5% or less
2. Increase Satisfactory Attendance (percentage of students attending 95% or more of school days) to 85%
3. Interrupt patterns of chronic absences and suspensions to reach a 98% attendance rate (ADA)

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- offers a coordinated and integrated system of academic and learning support services, provided by adults and youth
- identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future

### Data Analysis

- Montera Middle School has a lower rate of chronic absences compared to the district. Montera has less than 5% chronic absence rate for last year.
- We need to improve the number of students that attend 95% of their school days. Although we reach the district goal at 87% there is room for improvement.
- However, due to the location of the school from where most of the students reside, it is difficult for many students to get to school.
- Reliable public transportation services or parents/guardians to transport students when necessary undermines regular student attendance.

### Theory of Action

- If we consistently utilize the ABI attendance system to monitor student attendance,
- and if we put in place an Attendance Committee including the COST coordinator, attendance clerk, counselor and the principal,
- and if we met on biweekly basis to review student attendance data and strategized on individualized intervention, including home visits and parent conferences,
- then students will feel motivated and inspired to come to a school that has reached out to them due to high expectations and caring.

Strategies	Indicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount
C.O.S.T Team	Attendance	All Students	Every Other Week	Attendance Team	4/3/2013	211SQI2C5250	Continue use of the Montera C.O.S.T. team to support students in attendance concerns	Non-SSC approved			0	\$0.00
SART/SARB Team	Attendance	All Students	Weekly	Attendance Team	4/3/2013	211SQI2C5253	Use our Attendance Team to maintain our SART/SARB process for the families/students that need this level of support	Non-SSC approved			0	\$0.00

## School Quality Indicator 3: Learning Communities Focused on Continuous Improvement

### Strategic Priority A. Building Capacity & Leadership (Professional Development/Learning Communities/Coaching/Staff Induction)

School: Montera Middle School

Principal: TINA TRANZOR

#### From OUSD Strategic Plan:

We want to recruit, retain, and reward high-quality teachers, principals, and other leaders to ensure that all students learn to the best of their abilities. OUSD must become a highly-sought-after place of employment where educational leaders know they will be challenged and supported by colleagues, supervisors, and community members with high expectations. We need to develop aggressive strategies to recruit and retain the best and brightest talent in OUSD. Building on our developing frameworks for effective teaching and school leadership, and furthering the development and capacity of our teachers and principals through various forms of professional development will allow us to sustain effective teachers and leaders committed to Oakland's children.

1. Improve the conditions in schools to retain 80% of effective teachers

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- makes sure that teachers work together in professional learning communities focused on student progress
- ensures that staff regularly analyze multiple kinds of data about student performance and their experience of learning
- provides professional development that models effective practices, promotes teacher leadership, and supports teachers to continuously improve their classroom practice
- provides learning opportunities that build capacity of all stakeholders to give input, participate in, or lead key decisions.

#### Survey - Professional Learning

**Data Analysis**

- Montera Middle School redesigned the master schedule last year to allow for teacher collaboration.
- On weekly basis, teachers met by partner, department and grade level basis.
- While the structure provided opportunities for teacher collaboration, the time was not used effectively and consistently enough to review data, analyze student work, compare notes, or exchange best teaching practices.

**Theory of Action**

- If teachers meet on weekly basis by partner, department and grade level basis consistent with best PLC practices,
- and if teachers took part in all available site and off-site professional development opportunities,
- and if teachers utilized timely data to analyze student work for rigor and adherence to content standards,
- and if teachers took part in peer observation and reflected with colleagues on regular basis,
- then classrooms will be an engaging experience for all students and thus improve their performance.

Strategies	Indicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount
Teacher Professional Development to build teacher capacity in the classroom - Peer Observations	Local assessments (benchmarks, PWA)	All Students	Monthly	Principal	4/3/2013	211SQI3A2346	To provide professional development in order to develop teacher capacity in the classroom. ## School Quality Indicator 4: Meaningful Student, Family, and Community Engagement/Partnerships

### Strategic Priority A. Family & Community Engagement

School: Montera Middle School

Principal: TINA TRANZOR

#### From OUSD Strategic Plan:

A quality Full Service Community School (FSCS) involves students, families, and the community in the decision-making process as a way to develop collaborative partnerships. A FSCS works with families as partners to understand how the student is progressing and participating in school. Additionally, a Full Service Community School establishes and aligns partnerships with community-based organizations, civic and business partners to strengthen the academic, social-emotional and health outcomes for students and families.

1. 75% or more of parents and guardians are regularly offered trainings and opportunities to actively participate in the academic and social development of their student(s).

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- shares decision-making with its students, their families, and the community, as part of working together in partnership
- provides opportunities for families to understand what their child is learning; why they're learning it; what it looks like to perform well
- builds effective partnerships by using principles of student and family/community engagement

engagement

# School Quality Indicator 5: Effective School Leadership & Resource Management

## Strategic Priority A. Strategic Operational Practices

School: Montera Middle School

Principal: TINA TRANZOR

### From OUSD Strategic Plan:

We need Full Service Community Leaders for OUSD classrooms, schools, regions and the central office. These leaders have to juggle many tasks: they need to manage operations effectively, they need to become highly effective instructional leaders, and they need to build relationships and strategic collaborations with parents and community members. Leaders will need to assess their own levels of expertise with leadership practices, operations, instruction and community engagement and work together to share tools, knowledge and strategies in these areas to accelerate everyone's capacity to deliver on the promise of high quality effective instruction and Full Service Community Schools.

### School Quality Standards relevant to this Strategic Priority

A quality school...

- creates and sustains equitable conditions for learning and advocates for interrupting patterns of inequities.
- guides and supports the development of quality instruction across the school
- collaboratively develops outcomes, monitors progress, and fosters a culture of accountability.
- is distributed, through professional learning communities, collaborative planning teams, and select individuals

### Budget

### Sub Fill Rate

### Substitute Fill Rate

;

## State & Federal Preliminary and Final Budget

### Programs Included in this Plan

The School Site Council intends for this school to participate in the following programs:

State Program	Projected Budget	Final Budget
 <b>Economic Impact Aid/State Compensatory Education</b> Purpose: Help educationally disadvantaged students succeed in the regular program ...EIA-SCE RESOURCE #7090	\$146,470.21	
 <b>Economic Impact Aid/English Learner Program</b> Purpose: Develop fluency in English and academic proficiency of English learners ...EIA-LEP RESOURCE #7091	\$12,428.59	
<b>Total Amount of Preliminary Projected State Categorical Funds Allocated to this School</b>	<b>\$158,898.80</b>	

Federal Program	Projected Budget	Final Budget
 <b>Title I, Part A: Parent Engagement Activities</b> Purpose: Targets educationally disadvantaged students in eligible schools to help achieve grade level proficiency ...TITLE I Resource #3010	\$2,268.83	
 <b>Title I, Part A: Targeted Assistance Program</b> Purpose: Targets educationally disadvantaged students in eligible schools to help achieve grade level proficiency ...TITLE I Resource #3010	\$95,529.48	
<b>Total Amount of Preliminary Projected Federal Categorical Funds Allocated to this School</b>	<b>\$97,798.31</b>	

## **Appendices**

- Engagement Timeline
- Parent Involvement Policy
- School-Parent Compact
- SSC Membership Roster

# **MONTERA MIDDLE SCHOOL**

## **Parental Involvement Policy 2013-2014**

### **Involvement of Parents School Program**

Montera agrees to implement the following statutory requirements:

Offer a flexible number of meetings for parents. Parents are invited to participate in our Montera Parent-Teacher Organization and School Site Council monthly meetings. Parent participation and collaboration plays a critical role in their child's education. These referenced committees provide parents with decision making opportunities in the school's programs.

### **School-Parent Compact**

Montera has jointly developed with and distributed to parents a School-Parent Compact that outlines how parents, the school staff, and students will share the responsibility for improved student academic achievement. It also describes how the school and parents will develop a partnership to help children reach proficiency on the California content standards.

### **Building Parent Capacity for Involvement**

Montera engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, and build capacity for parent involvement, it does the following:

- ✓ Assists all parents in understanding academic content standards, assessments, and how to monitor and improve the achievement of their children.
  - The State of California's academic common core content standards
  - The State of California's student academic achievement standards
  - The State of California's and OUSD's academic assessments, including alternate assessments
  - Academic proficiency levels students are expected to achieve
  - How to monitor their child's progress
    - Six-week Progress Reports are sent home for progress monitoring
    - Teacher informal conference times by appointment are available year-round.
- ✓ Distributes to all parents, in a timely fashion, program information related to school and parent programs, meetings, and other activities in a form and language that the parents understand.
  - Several Communication Systems are in place to ensure proper notification of all school related events.
    - [www.monteramiddleschool.org](http://www.monteramiddleschool.org)
    - [www.montermiddleschool.net](http://www.montermiddleschool.net) (currently)
    - Montera Monitor
    - Weekly e-Bulletin
    - Montera Yahoo Group
    - Jupiter Grades
    - All Call-*Robo calls*

### **Accessibility**

- Provide opportunities for all parents to participate, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. This includes providing information and school reports in a form and language parents understand.

### **Adoption**

- This policy was adopted by the Montera Middle School Site Council on May 1, 2012 and will continue to be in effect through the school year 2013-2014. The school will distribute this policy to all parents of participating in Montera Middle School. It will be made available to the local community. The Montera Middle School notification to parents of this policy will be in a comprehensible uniform format. Translations into other languages will also be provided.

# **MONTERA MIDDLE SCHOOL COMPACT**

**2013-2014**

It is important that families and schools work together to help students achieve high academic standards. Through a process that includes teachers, families, students and community representatives, the following are agreed upon roles and responsibilities that we as partners will carry out to support student success in school and life.

## Staff Pledge

I agree to carry out the following responsibilities to the best of my ability:

- Provide high-quality curriculum and instruction.
- Endeavor to motivate my students to learn.
- Have high expectations and help every child to develop a love of learning.
- Communicate regularly with families about student progress through conferences, parent-teacher meetings, progress reports, and other available means.
- Provide reasonable opportunities for parents to volunteer and participate in their child's class, and to observe classroom activities.
- Provide a warm, safe, and caring learning environment.
- Provide meaningful, daily homework assignments to reinforce and extend learning 60 minutes for grades 6-8.
- Participate in professional development opportunities that improve teaching and learning and support the formation of partnerships with families and the community.
- Actively participate in collaborative decision making and consistently work with families and my school colleagues to make Montera accessible and welcoming for families to facilitate each student achieving high academic standards.
- Respect Montera, students, staff and families.

## Student Pledge

I agree to carry out the following responsibilities to the best of my ability:

- Come to school on time, ready to learn and work hard.
- Bring the necessary materials to complete assignments and homework.
- Know and follow all school and class rules.
- Ask for help when I need it.
- Communicate regularly with my parents and teachers about school experiences so that they can help me to be successful in school.
- Limit my TV watching and choose to study or read every day after school.
- Respect the school, classmates, staff and families.

## Family/Parent Pledge

I agree to carry out the following responsibilities to the best of my ability:

- Provide a quiet time and place for homework and monitor TV viewing.
- Read to my child and encourage my child to read every day 30 minutes for grades 6-8.

- Communicate with teachers, counselors, or administrators when I have a concern.
- Ensure that my child attends school every day, gets adequate sleep, regular medical attention and proper nutrition.
- Regularly monitor my child's progress in school.
- Participate in school activities such as decision making, volunteering and/or attending parent-teacher conferences.
- Communicate the importance of education and learning to my child.
- Respect the school, staff, students, and families.
