**Is Vendor a local Oakland business?** Yes  No

**Why was this Vendor selected?**

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

**Summarize the services this Vendor will be providing.**

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

**Was this contract competitively bid?** Yes  No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

# Memorandum of Understanding 2016-2017 Between Oakland Unified School District and

Safe Passages

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Safe Passages ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 131/Laurel Elementary School under the following grants:
  - After School Education and Safety Program ("ASESP")
  - California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
  - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21<sup>st</sup> CCLC funds.
  - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2016 to August 20, 2017 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASESP and 21<sup>st</sup> CCLC grant award amount for Safe Passages is \$ 93,879.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
  - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
  - 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21<sup>st</sup> CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21<sup>st</sup> CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2016-2017")
    - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21<sup>ST</sup> CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any

remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2016-2017 and will not exceed \$93,879.00 in accordance with Exhibit B. **Exhibit B** ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2016-2017").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the ASEP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 131/Laurel Elementary School, will be responsible for operations and management of the ASEP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2016-2017. This shall include the following required activities:

 ASES and 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC) After School Program Plan  
 Elementary & Middle Schools  
 2016 – 2017

**SECTION 1: School Site Information**

School Site: Laurel Elementary	Lead Agency: Safe Passages
Principal Signature: 	Lead Agency Signature: 
After School Site Coordinator Name (if known at this time): Phalina M. Armstrong	Date: June 30, 2016

**SECTION 2: Alignment with Site Plan (SPSA), Major Improvement Priorities**

In collaboration with school leadership, identify the school's Major Improvement Priorities where this after school program is identified for its high leverage practices:

**#1 Instruction: Advance instructional coherence across the school through collaborative development of integrated units of instruction that incorporate Common Core Aligned pedagogical shifts and curriculum.** This year we are attempting to continue our focus on science while implementing Balanced Literacy across all grades. The ASP reinforces the Common Core aligned pedagogical shifts, in particular, increased opportunities for students to experience project based learning working in small groups.

**#2 Culture/Climate: Develop a school culture that is safe, healthy and engages the entire school community - parents, staff, students and community partners - in support of the school vision.** The ASP allows us to extend the school day for over 80 of our students. During this time students have the opportunity to interact with peers and ASP staff in a way that is safe, healthy and engaging. The ASP also reinforces and extends that social-emotional learning that takes place during the regular day.

**#3 Accelerated Learning: Offer a range of tiered interventions that support the social-emotional and academic development of all students while strategically focusing on African American students.** The ASP offers students opportunities for enrichment as well as additional academic support.

**LCAP Strategic Priorities**

In collaboration with school leadership, identify the specific LCAP goal(s) that this afterschool program will intentionally support:

- X College & Career Readiness (LCAP Goal 1)
- X Literacy (Proficiency on Standards, Grade Level Reading, English Learners Reading Fluency-LCAP Goals 2, 3, 4)
- X Mathematics/STEM Proficiency (Proficiency on State Standards— LCAP Goal 2)
- X Student Engagement (LCAP Goal 5)
- X Parent/Family Engagement (LCAP Goal 6)
- X Safe, Healthy & Supportive Schools (LCAP Goal 7)

State 3 – 4 primary goals of the After School Program and intended impacts for participating students.  
 Describe how these after school goals align with the school's Major Improvement Goals and Strategies identified in its SPSA plan.

The Laurel Afterschool Program students will become conscientious leaders and develop life-long learning and social emotional skills to support their academic and social emotional development:

- Provide intervention for students who are not performing at grade level. Support increased academic performance as measured by the district assessment scores based on the California standards, moving students from below basic to approaching and proficient by the end of the school year.
- Provide meaningful student engagement to enhance the learning experience of the students; maintain high attendance rates during the school day for students who attend the after school program.
- Impact the student school day learning with extended educational opportunities, while exposing them to new opportunities to develop critical and creative thinkers.

**SECTION 4: Program Model and Lead Agency Selection**

For 2016-2017, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended Day Program:** *additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

**Description and Rationale for Selection of Lead Agency**

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

In alignment with the spirit of the OUSD Strategic Plan, the Safe Passages After School Program partnership with the Laurel community will strive to develop a "true, authentic collaboration" that supports the goals of a thriving student community. Among other goals, Safe Passages After School program will support the school's Full Service Community School Quality Indicator 1 goal – to provide quality learning

<p>experiences for students by ensuring that students are provided a quality extended day program. The program also furthers the efforts to support broader enrichment goals beyond academic intervention with youth leadership opportunities, sports, creative opportunities for artistic expression, such as art. In addition, the program supports the goal of balanced literacy and targeted intervention by providing targeted intervention to students through the COST process and in the one hour of academic programming each day. Safe Passages uses the SRI and Benchmark data to personalize instruction during intervention sessions.</p>	
<p><b>SECTION 5: Attendance, Program Dates, Minimum Days, and Program Schedule</b>                  In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm on every regular school day for elementary and middle schools. (EC 8483)                  High school programs are required to operate a minimum of 15 hours per week.</p> <p><i>* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.</i></p>	
<p>Required # of Program Days your program will operate during School Year 2016-2017                  (programs are required to operate between 177 – 180 days of the school year)</p>	<p>179</p>
<p>Projected Daily Attendance during School Year 2016-2017</p>	<p>83</p>
<p>Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please list the three days (if any) your program plans to close this year for PD.</p>	<p>11/18/16 &amp; 6/9/16</p>
<p><b>Minimum Days</b>                  Elementary and middle school after school programs are required to operate from the end of the school day to 6pm. When a school holds minimum days, the after school program must begin early and run a long day until 6pm. Minimum days have significant impact on the after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming when the number of minimum days exceeds the typical OUSD schedule of one minimum day per week for the school year.</p>	
<p>Projected Number of Minimum Days for School Year 2016-2017</p>	<p>Approximately 53 based on the current year:                  37 Wednesdays, 9 days for parent teacher conferences, 2 for end of the marking period/semester, 5 for testing</p>
<p>Describe funding plan to operate program on minimum days, including additional school resources (if any), to support full program implementation on all minimum days:</p>	

The regular day program will make office & program supplies available to the After School Program to help reduce this cost and to free up funds for full program implementation on minimum days.

#### SECTION 6: Program Schedule

1. Submit program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name and the program year.
2. Submit a copy of the school bell schedule for the 2016-17 school year.

**Important Notes:** The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. if the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

Please make sure program schedule clearly shows when the following program requirements will take place:  
Elementary requirements:

- One hour/week of literacy instruction for students in grades K-5
- One hour/week of math instruction for students in grades K-5

Middle School requirements:

- Youth Leadership
- Academic intervention (ELA and math)
- Middle school athletics (recommended)
- College and career readiness programming

#### SECTION 7: Transitions Support for High Need Populations of Students

Schools have students transitioning in and out over the course of the school year. This includes transitional youth such as foster youth and Newcomers who may enter the school year mid-year. It is an LCAP priority in OUSD that we provide services to these high need populations of foster youth and English language learners including Newcomers.

How will your program collaborate with the school day to support high need students who are transitioning into the school? How will your program set aside program slots so that there is some space to serve high priority students transitioning into the school mid-year?

The program will take from referrals teachers and COST team throughout the year to support these students.

### SECTION 8: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted interventions 2) Skill-Building 3) Homework Support 4) Tutoring

*Other possible supports may include computer lab, library exploration, and project-based learning activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program*  
Please include the following requirements:

- **Required Elementary Academic Programming:** Elementary programs are required to provide at least 1 hour of literacy instruction per week for all students and 1 hour of math instruction per week for all students. (Curriculum and PD will be provided by OUSD.)
- **Required for Middle school Academic Programming:** Math and ELA academic intervention should be provided by teachers on extended contract, in order to support students struggling academically.

Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.</p> <p>Please include the following required and recommended Middle School Program Components: Youth leadership, middle school athletics, and college and career readiness programming.</p>

<p><b>SECTION 10: FAMILY ENGAGEMENT / FAMILY LITERACY</b>                  After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent and child-together activities, parent leadership and volunteer opportunities.</p> <p>Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21<sup>st</sup> Century grantees who receive Family Literacy funding: <i>The activities listed below must align to your 21<sup>st</sup> Century Family Literacy budget plan.</i></p>

<p><b>SECTION 11: Chronic Absence Action Plan</b>                  Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.</p>							

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	
b) Inform parents about the importance of attendance and encourage parents to provide peer support to help each other get their students to class.	Targeted parent/student orientation of chronic or at risk for absenteeism with a focus on the attendance policy. Have a signed document that acknowledges the policy so parents and participants will adhere. Send out notices quarterly to families of students that have attendance less than 90%.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Schedule fun activities on the highest absenteeism days to interrupt absenteeism.

**SECTION 12: Transforming School Culture and Climate**  
*After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.*

a) The following are strategies that OUSD schools are taking to change discipline and transform school culture and climate. Which of the following school strategies will your after school program work to intentionally align with, in order to support positive school culture and climate?

PBIS (Positive Behavioral Interventions and Support)  
 Restorative Justice  
 Social and Emotional Learning  
 Bullying Prevention: including online safety and creating climate of safety for all youth including foster youth, homeless, LGBTQ, disabilities, etc  
 Other: (please specify) \_\_\_\_\_

b) How will the school and lead agency partner work together to ensure that the after school program is aligned with these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

The first three to four weeks of program are dedicated community building and peacemaking; based on the Peaceful Classroom curriculum. Staff model and support students in facilitating the process of creating community agreements, conflict resolution strategies, and role-play. The foundations of the strategies are supported throughout the school year every Wednesday, as well as using real classroom situations/conflicts to utilize the peace table and other strategies to resolve conflict.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

The after school program works to support all at-risk students. The program supports a youth led process of developing a safe community space with the following elements:

- 1) All students feel welcome;
- 2) Clear boundaries and behavioral expectations;
- 3) Provide platforms for students to use their voice and inform decision making, taking on leadership roles;
- 4) Provide opportunities for developing positive experiences and relationships with peers and adults;

This strategy will provide youth with a reason for staying in school. In addition, this strategy will build student capacity to make better healthier decisions when it comes to behavior and setting goals for school and life.

d) Please mark other strategies your after school program and school site are using to support all students and address disproportionality:

- Using Restorative practice to address disproportionality related to discipline
- Trauma informed practices
- Using PBIS to address discipline

**SECTION 13: Social and Emotional Learning (SEL)**

Developing SEL skills in students and in the adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

Describe how you will work intentionally to develop SEL skills in program staff:

SEL strategies will continue to be incorporated into our model of creating peaceful and professional learning environment training for staff; these strategies become part of our program and employee evaluations in order to hold staff accountable. Staff has opportunities to model for each other, sharing ideas or alternate ways of implementing these strategies.

Describe how you will work intentionally to

As staff learn to develop their own SEL skills, they will use the same reflective practices to help

<p>develop SEL skills in students:</p>	<p>their students actively develop their social emotional skills. Staff implement strategies and models what they learning in professional development with their students and encourage them to model and embrace these practices in their everyday life.</p>
<p><b>SECTION 14: Coordination with Other Service Providers</b>          In the Full-Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.</p>	
<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<p>X COST team (Coordination of Services Team)  <input type="checkbox"/> SST (Student Study Team)  <input type="checkbox"/> SSC (School Site Council)  <input type="checkbox"/> ELT (Educational Leadership Team)  <input type="checkbox"/> PTA  <input type="checkbox"/> Attendance Team/Workgroup  <input type="checkbox"/> SPSA Site Planning team          X School Culture/Climate Committee  <input checked="" type="checkbox"/> Other (specify) monthly collaborative meetings</p>

<p>List all subcontractors who will be paid to deliver after school services.</p>	<p>Prescott Circus Theater</p>
<p>Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>Custodial, cafeteria, school day office and teaching staff</p>

**2016-17 After School Enrollment Policy for Laurel Elementary School**

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
<p>All students at risk, those who score BB, FBB, and B on the SRI &amp; SWT, are targeted for admittance to the program. Priority is given to those who are in the Below Basic group. Second graders do not have SRI &amp; SWT data, Dibels and district standards based assessments are used to determine students who are below benchmark.</p>	<p>-Students who are scoring in the BB, FBB, and B range based upon their yearly state assessments (SRI &amp; SWT), or district assessments.                      -Students who are scoring two years behind in school and need intense intervention support.                      -Targeted intervention will begin 30 days after school has started in order to properly assess student needs through additional reading/math partner assessments.</p>	

**Which grade levels will you serve in this program? 2<sup>nd</sup> through 5<sup>th</sup> grade**

*Note: The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)*

**Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.

- In alignment with OUSD’s strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

**Enrollment Process and Timeline:** (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2016. Indicate how families will be notified of 2016-17 enrollment before the last day of school, June 9, 2016.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible

**Important dates to include in your timeline:**

- April – June: Spring enrollment for 2016-17 programs.
- Families will be notified of 2016-17 after school enrollment before the last day of school, June 9, 2016.
- After school programs begin on 1<sup>st</sup> Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2016, except for slots reserved for transitional students (ie. Foster youth, Newcomers) entering the school mid-year.
- All programs must maintain waitlists after program slots are filled.

**School Support for Program Recruitment**

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

**The ASP works closely with the Regular Day Program to set the academic criteria (All students in grades 2-5 can apply but an equal number of seats are reserved for students performing at different levels) and to identify who gets invited to participate in the ASP. Information on the application process is communicated to all families through the school newsletter and at our Open House event in May of the year prior. Teachers are also encouraged to reach out to students and their families if they think that the students would benefit.**

- A credentialed teacher on staff who has effective skills and experiences in coaching and/or adult learning
- A qualified professional who is part of the school staff
- An OUSD coach connected to the school (i.e. LCI Literacy or Math coach, BTSA coach, etc.)
- Other individual (please specify in detail): \_\_\_\_\_

If known, please specify the name of the person who will fill the Quality Support Coach role, and identify his/her role in the school:

Lena Why, Second Grade Teacher

**Teachers on Extended Contract for Direct Service**

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

**Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract. Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After School Safety and Emergency Planning for 2016-17

After School Safety and Emergency Planning

A) The Comprehensive School Site Safety Plan will incorporate the After School Program. The Principal and Site Coordinator will discuss plans and procedures for after school safety, and the Site Coordinator will have access to the Comprehensive School Site Safety Plan.
 Yes  No

If no, explain after school plans to ensure student and staff safety should an incident of violence or other crisis/emergency occur on or near the school campus during after school hours:

B) Describe the training that site will provide after school staff on safety procedures, including lockdown procedures and communication protocols for crisis response.

This training takes place during the initial orientation and training week in August 2015. Staffs are taken on a tour of the school to become familiar with the campus. Staff also has a day or two to connect with the classroom teachers to create a positive relationship/partnership, which is a crucial element when it comes to securing our campus and students. Staff is familiarized with the emergency kits with which each classroom is equipped. Staff has at all times a basic first aid kit on hand. All program staff familiarizes the students with what to do in case of an emergency and participate in practice drills. Staff is CPR, first aid, and AED certified.

C) Principal and Site Coordinator have reviewed the OUSD After School Emergency/Crisis 1st Level Response Notification Protocol.

Facility Keys

Will the After School Program have access to facility keys for all areas where after school programming occurs?

Yes  No

If no, indicate how the school campus will be secured if crisis should occur during after school hours and if lockdown is necessary:

SSO Staffing: (check one)

Site has a school day SSO who can accommodate after school related work as part of their regular salary.

### Professional Development and Staff Wellness

**Professional Development:** After school staff should receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs should utilize data from the YPQA/SAPQA youth program quality assessment tool to determine the areas of focus for professional development.

a) What professional development, coaching, and training supports will be provided by the lead agency partner?

During the initial orientation week and training the site coordinator and academic liaison offer 9 hours of professional development in the following areas: classroom management, academic content standards, instructional strategies, lesson planning. Throughout the school year the SC and AL review student data with the staff to create individualized lesson plans for the targeted students receiving academic intervention services in the program. The SC and AL also conduct classroom observations several times per year, while offering specific coaching to support the staff in the classroom setting. The SC and AL use the data from site visits and internal observations to make determine large group professional developments that may be needed throughout the school year; at that time our monthly staff meeting is utilized as a professional development.

b) What professional development opportunities will be provided by the school site?

The Site Administrator will allow one hour twice per year for ASP and school day teachers to meet, review strategies, check-in about specific students, etc.

c) ASPO professional development will consist of the mandatory August Institute (week of Aug. 3-6), mandatory monthly site coordinator meetings (2 hrs/month), the annual Bridging the Bay after school conference, and various professional learning communities (time commitment varies). Please mark:

I understand that professional development helps ensure program quality. My program is committed to providing/accessing professional development opportunities for after school staff, based on needs identified by program data. These strategies, along a continuum of services from birth through college and career include: Early Childhood, School-Linked Services, Juvenile Justice and College to Career.

A significant portion of the Safe Passages continuum of support is dedicated to the development and implementation of high quality extended learning programs that support youth development, health and academic achievement of all students with a strong emphasis on disadvantaged students of color. For the past several years, this work has been part of Safe Passages effort to implement school-based Afterschool programming for elementary and middle school under its School-Linked Services strategies.

Safe Passages currently serves as the lead After School Agency in Oakland for four middle schools, one elementary school and one high school, funded by Oakland Children and Youth and ASES, and in several schools under 21<sup>st</sup> CCLC funding administered by Oakland Unified School District.
