 Services For: Sequoia Elementary School

Action Requested and Recommendation Approval by the Board of Education of Memorandum of Understanding between the District and East Bay Agency for Children, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Sequoia Elementary School's comprehensive After School Program, for the period of August 1, 2019 through July 31, 2020, in an amount not to exceed \$103,167.00.

Background
(Why do we need these services? Why have you selected this vendor?)

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

Memorandum of Understanding 2019-2020
Between Oakland Unified School District and
East Bay Agency for Children**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with East Bay Agency for Children ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 151/Sequoia Elementary School under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) No Premature Termination by AGENCY AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) Advance Notice by AGENCY for Coming School Year. AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for East Bay Agency for Children is \$ 103,167.00.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASESP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASESP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2019-2020")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 103,167.00 in accordance with Exhibit B. **Exhibit B** ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2019-2020").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

SECTION 2: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

Program Operations for the 2019-2020 school year.
First Day: **August 12, 2019** Last Day: **May 28, 2020**

CDE allows programs to close for a **maximum of 3 days** during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.

-------------------------	-------------------------	-------------------------

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2019-2020:
**School should provide lead agency with a calendar of minimum days for the 1st day of school.*
 School-day bell schedule attached

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?

There are no additional school funds to cover the added minimum days. ASES and Parent Fees will be used to cover the additional costs to programming.

SECTION 3a: PROGRAM MODEL.

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

How does your program support students and their families who submit a “Golden Ticket?”

Our program will accept any students who have a “Golden Ticket”. These students will be given priority into the program and space will be made for them.

How will you modify your enrollment and attendance policies to ensure compliance with the “Golden Ticket” policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?

If students with a “Golden Ticket” transfer to the school mid-year, we will prioritize them and make space for them in the program.

SECTION 4: PROGRAM COMPONENTS

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

List 2-3 program goals which will support meeting these CDE program requirements.

1. Enhance student’s learning experiences by providing safe, engaging enrichment/academic activities & allowing students to explore and excel in areas of interest.
2. To provide safe spaces that cultivate resilience and learning in youth and families by nurturing life skills, social emotional learning skills and assets.
3. _____

Educational and literacy Component that includes tutoring/ homework assistance in the core subjects (language arts, math, history /social science, etc.)

Describe how your after-school program will provide the educational & literacy component. How are students building academic skills? How are you integrating social-emotional academic development? (Include specific strategies for creating a Safe & supporting environment through encouragement and Active engaged learning.)
 Students at Sequoia have a designated academic time. The school is a “no homework” school and therefore the program does not do homework completion during the afterschool program. Program staff focuses on reading and ensures that all students have completed their reading logs. Staff provides at least one hour/week of literacy and math to all students. Students are broken up by grade level for academic time and stay with the same grade level teacher every day. Due to this format, students develop close relationships with their academic teachers. Academic staff is able to get to know students and their academic abilities and can work individually with students on areas of need. Academic programming is at the end of the day so that staff can also communicate and connect with families around academic progress and behavior.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

Describe how your after-school program will offer educational enrichment activities. (Include specific strategies designed to foster skill - building; youth voice and leadership and diversity, access and equity.)
 Students are given the opportunity to provide input on both program enrichment classes being offered as well the specific lesson plans within the offerings. Sequoia Afterschool program offers a variety of enrichment classes spanning from the arts, sports, science, music, gardening etc. Afterschool staff is trained to relate activities to youth experiences, encouraging students to take on leadership roles and ensure that classes are accessible to all students and learners. All EBAC afterschool staff is trained on the SAPQA, SEL practices, Youth Development practices, and Trauma Informed Care.

Physical Activity

Describe how your after-school program will provide structured physical activity for

<p>other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in program.)</p>	<p>all participants. (Include specific strategies to promote <u>Healthy Choice and Behaviors.</u>) <i>CDE asks programs to offer 30-60 minutes of developmentally appropriate, <u>daily</u> physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not 'free play' or recess.</i> <i>· Plan and evaluate (review fitness test results, track minutes, etc.)</i> <i>· Include a variety of activities throughout the year</i></p> <p>The afterschool program offers a variety of physical activities such as recreation, dance, sports, nutrition and cooking, gardening, team building along with recess. Staff also model positive healthy behaviors and activities including what they eat in front of the students.</p>

Academic Alignment with School Day and District Priorities

Please provide a short narrative that identifies how you will support school goals aligned with district priorities.

- EBAC will collaborate with Sequoia administrator and consult the School Site Plan to ensure our program is aligned with the school day.
- **SEL:** EBAC programs have built in the SEL 3 signature practices into their lesson plans and programs. Our programs use various curriculum such as Building Intentional Communities and the Toolbox to support SEL work both with students and staff. SEL is very important to the work that EBAC does and we believe that adults and youth need to work on their social emotional skills.
- **School Culture:** Afterschool Program staff utilizes the PBIS practices and strategies implemented by the school in all of our classes in order to be aligned with the school day practices. Staff are trained in school PBIS and Toolbox. Our staff are trained on asset based language and trauma informed practices. We meet students where they are and recognize that all students are individuals who have different learning styles and experiences. We have shared values and behavior expectations from school day to afterschool.

Elementary OUSD Strategic Strategies

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to make sure **students are reading at or above grade level and English learners are reaching English fluency.***

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

During academic time, students will focus on completing their school day reading logs with afterschool staff supervision. (Sequoia is a no homework school.) Quality Support Coach will train afterschool staff on how to effectively support student silent reading and how to properly facilitate interactive read-alouds and questioning strategies. Students have access to Raz Kids which is a literacy program used during the school. They also have access to a full library of leveled books that they can choose from.

MIDDLE_ OUSD Strategic Targets

In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be high school ready by the time they graduate from the 8th grade.

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

High School OUSD Strategic Strategies

Academic activities should be aligned with school goals. Your after-school program should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.

Please include the following OUSD High School After-School requirements:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th–12th grade students taking credit recovery

For Alternative Ed, high schools:

- College and career readiness activities

SECTION 5a: CONTINUOUS QUALITY ASSESSMENT (Alignment with CDE and OUSD)

An effective program improvement process is ongoing and involves a continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California After School Network (CAN) Quality Committee.

Name 2-3 Quality Action Plan (QAP) practices that will be implemented in 2019-2020

1. Staff will consistently interact with children in positive ways by discussing and explaining rules and limits and modeling positive affect.
2. Staff will initiate structured opportunities for children to give feedback on the activities.
3. Staff will have children make connections between current activities and children's prior knowledge or experience.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis. (This process is in review and tools will be updated throughout the year.)

2019-2020 PROGRAM FEES

SHS offers a sliding scale for program fees. Our fee structure is designed to operate a safe, quality program at an affordable cost. Program fees allow us the ability to maintain a high level of quality despite significant reductions in grants that have traditionally supported our program. We thank all of our families for supporting our program and allowing us to maintain a high level of program quality. **We do not turn any families away due to the inability to pay.**

We charge 10 equal payments, starting in August with the last payment due in May. Our program fees are based on an average of school days in each billing period rather than by the exact number of days in a particular month. While some months have less school days, other months have more school days and/or minimum days. Program will be open on school days from when the bell rings until 6 pm. Our fees include all additional minimum days throughout the school year.

Program fees are based on a sliding scale according to families' GROSS (before taxes) monthly household income. We do not ask for proof of income, but expect all families to be honest and fair. By requesting a sliding scale discount and indicating your family income below you are making a financial declaration that the income stated is completely true. However, we reserve the right to request that you provide proof of family income via copies of your most recent 1040 tax forms and/or any other reasonable forms of proof that SHS may request.

- The amount you contribute will remain confidential.
- *You may qualify to claim childcare credit on your income taxes.* EBAC Tax ID #: **94-1358309**
- Please let us know if you have financial difficulties so we can work with you to make the program accessible. **Again, we do not turn any families away due to the inability to pay.**

We accept cash, cashier's check, check, money order or bill pay (MADE OUT TO: East Bay Agency for Children (EBAC), 3730 Lincoln Ave, Oakland CA 94602). Please write your child's name on the memo line. Program fees are due on the 7th of each month and should be given directly to the coordinator. Late invoices will be sent at the end of the month.

Please indicate your monthly household income using the chart below:

Please state the number of people in your household: _____

Please state the total GROSS monthly income for your household: _____

Please state the number of students enrolled in the SHS Program: _____

Directions: Using the scale below, look at the top row and find the number that corresponds to the number of people living in your household. Trauma and social disparities inhibit, impede, and sometime preclude well-being in children, youth and families. Children can't learn when distracted by emotional or behavioral challenges they are ill-equipped to handle. Nor can families thrive when they struggle to secure food, shelter and medical care.

East Bay Agency for Children focuses on interrupting the cycles that perpetuate adverse childhood experiences.

Children have a strong ability to overcome exposure to adversity if they and their families are given guidance and tools to build resilience and aid in recovery.

At East Bay Agency for Children, we work every day so children and families impacted by trauma can ultimately reach their full potential.

"I finally feel like someone understands what I am going through and is willing to help me help my son."

Agency Overview

Reducing the Impact of Trauma and Social Inequities

BEGUN IN 1952, EAST BAY AGENCY FOR CHILDREN CONTINUES TO BE A BAY AREA LEADER IN STRENGTHENING CHILDREN'S SOCIAL-EMOTIONAL HEALTH. TODAY, OUR COMPREHENSIVE CONTINUUM OF SERVICES POSITIVELY IMPACT THOUSANDS OF CHILDREN AND FAMILIES ANNUALLY.

School-based Therapeutic Intervention

Children can act out or become withdrawn as a result of emotional triggers they don't understand and can't control. Often these behaviors result from adverse childhood experiences such as abuse or neglect; separation from a love one by death, incarceration or deportation; or the stress of living in poverty or in neighborhoods or homes impacted by violence.

Every year, East Bay Agency for Children delivers school-based treatment to support healing and building resilience in over 1,000 Alameda County children impacted by trauma.

Trauma Transformed

Trauma Transformed is the only regional center and clearinghouse serving the entire Bay Area to promote trauma-informed systems.

Trauma Transformed provides trainings and policy guidance to systems of care professionals and organizations, building awareness and knowledge of trauma to reduce the re-traumatization of youth and families and the professionals who serve them. TraumaTransformed.org

Family and Community Wellness

A strong and stable family is critical to a child's long-term wellness. East Bay Agency for Children delivers services that foster family engagement and strengthen over 10,000 families and children annually. Our services:

- **Enhance** student achievement through quality afterschool and parent-child school readiness programs
- **Connect** vulnerable children and families to health insurance, dental care, food programs and other safety net and social services
- **Train** children and adults how to protect against child assault, abuse and neglect
- **Strengthen** the well-being of children, families, and school communities experiencing loss, grief, life threatening illness, trauma, and violence

Service Strategies

Our programs and services incorporate one or more of these three key strategies

- **Build Resilience**
- **Aid Recovery**
- **Prevent exposure to trauma**

Mission

East Bay Agency for Children's mission is to improve the well-being of children, youth and families by reducing the impact of trauma and social inequities.

We support children and families who are disproportionately impacted by poverty, violence, marginalization, loss of loved ones, or other forms of trauma.

To best serve our client's needs, our comprehensive services are trauma-informed, culturally relevant, linguistically appropriate, and primarily located on school campuses where children and families already congregate.

Outcomes

East Bay Agency for Children's staff work diligently to produce these desired and life changing results:

- Children face less emotional and physical risk
- Children and families in all neighborhoods are healthier because they have affordable health insurance, food assistance and other public benefits they need
