Resource 2600 – Expanded Learning Opportunities Program

Background

As a result of receiving Expanded Learning Opportunities Program (ELOP) funding from the State of California, the District has expanded comprehensive after school programming to include every OUSD elementary, middle, and high school. One required element of after school programming is physical activity for students. Additionally, ELOP funding allows for services on weekends and over the summer.

To take advantage of this opportunity to provide additional services to students, the District issued Request for Proposal (RFP) #21-120ExLO seeking vendors to propose sports-based youth development programs during expanded learning (before school, after school, intersession) time. Vendor successfully completed RFP requirements and was selected as a partner to provide services for TK-6 programs.

D. Introduction and Overview

The Oakland Unified School District (OUSD) Department of Expanded Learning (ExLO) and Oakland Athletic League (OAL) invites interested organizations to apply for the sports-based youth development programs serving youth, particularly TK-6th grades, to provide entry point for youth to have the opportunity to participate in middle and high sports activities. Sports-based youth development organizations must support and align with the OUSD's strategic plan to create equitable and joyful schools.

The push for the Expanded Learning Office's to provide sports-based youth development is founded in these local and national data.

- Low-income kids are 6 times more likely to quit sports due to costs (*Source. Project Play*)
- 1 out of 3 girls felt their schools were not offering girls, sports that interested them, and 1 out of 4 had challenges around participating due to family responsibilities or lack of money (*Source. Go Out & Play: Youth Sports in America, WSF, 2008. Coaching Corps*)
- Kids quit most sports by age 11 (*Project Play*)
- Girls, enter sports later, participate in lower numbers and drop out sooner in many settings. Urban and rural girls drop sports at twice the rate of boys. (*Source. Go Out & Play: Youth Sports in America, WSF, 2008. Coaching Corps*)
- High school girls who play sports are less likely to be involved in an unintended pregnancy; more likely to get better grades in school and more likely to graduate than girls who do not play sports. (*Source. Women's Sports Foundations founded by Billie Jean King*)

Therefore, our sports-based youth development program approach primary focus is to increase the menu of sports-based youth development programs to our TK-6th grade students. Secondly, increase access to youth sports programs within our elementary sites across Oakland, which will help increase participation in the middle and high school sports for girls and students who do not usually have access to sports programs. Thirdly, create the condition for "equalable play." The sport-based youth development organizations will be an integral part of our OUSD Full Service Community Schools and make an impactful contribution toward strengthening our district, expanded learning system, and community.

Oakland Unified School District's (OUSD) mission is to build a Full-Service Community District focused on high academic achievement while serving the whole child, eliminating inequity, and providing each child with excellent teachers/coaches every day. Expanded Learning supports this mission while holding our values of equity, joy, and liberation for youth and adults with the express purpose of interrupting inequity, examining biases, creating inclusive, and just conditions for all students to achieve equally high outcomes.

Eligible sports-based youth development organizations will help all students develop strong social-emotional skills, leadership, and foundational knowledge of the sports. In addition foster sportsmanship, teamwork, and an appreciation for an athletes' mindset to further play in middle and high school sports programs.

The two types of sports-based youth development programs that the Expanded Learning Office is hoping to solicit CBOs to apply are (i) the sports-based youth development at the school site, is the **school-based model (SBI)**, and (ii) the **intercession model (IM)** during the 2022-23 school year serving across all of the OUSD elementary schools.

(i) The **School-based Model of Sports-Based Youth Program**. This model provides youth with multiple weeks (ranging from 4 to 8 weeks) of sports program within the context of the after-school hours (Monday-Friday 3-6pm) and working directly with the approved OUSD Expanded Lead Agencies. Interest CBOs must provide 2-days a week, 45-60 minute sessions, of the sports program that meets ASES and 21st CCLC physical activity component; of a warm-up, organize sports activities, and a cool down. Each CBO is required to have a 20:1 ratio (except for TK/K, which is 10:1 ratio). The ratio of students to staff may vary based on the types of the youth-based program (high-risk, high supervision, etc.). The OUSD Expanded Learning Office will approve the students to staff ratio before the contract is agreed upon.

The 51-OUSD elementary schools/programs will select which eligible sports-based programs will be a match for the students/community. *Note: The Expanded Learning Office does not guarantee organization placement to school or the number of school sites that will opt into the sports program.

(ii) The **Intercession Model of Sports-Based Youth Program**. This model provides youth with a weekend or a week-long sports program at a location. The approved organization must “offer a 9-hour of program” for each day of operation. This includes program early admission, registering/checking-in students to signing students out, and programs. The Intercession model is structured like a camp-style format to invite 51-elementary students to register for the “Intercession Model” program.

Organizations can apply both models but must demonstrate the capacity and history of providing the sports-based youth development program.

<p>School-Based Model: Offer multiple weeks of sport-based programming either 2-days of the week serving 20 students per site.</p>	<p>Intercession Model (Offering 9-hours of programming)</p> <ul style="list-style-type: none"> ● Weekends (Saturday, Sunday, or both days) ● Fall Break: week-long offering ● Winter Break: week-long offering ● Spring Break: week-long offering
---	--

Example of School-Based Model:

*4 week program at Jackson Elementary School
(Serving TK-2nd on Tuesday/Thursday for 45 to 60 minutes
and 3rd-5th grade on Monday/Friday)*

*6 week program at El Pena Academy
(Serving TK-1st grade on Tuesday/Thursday for 45 to 60 minutes
and 2nd-3rd grade on Monday/Friday, and 4th/5th on Wednesday)*

Example of Intercession (“9-hours” of Program Offering)

*8:00-9:00 Early Registration and orientation
9:00-11:00 Morning (AM Session) serving TK-2nd grades
11:00 Dismal
11:00-12:00 Break
12:00-1:00 Lunch
1:00 - 3:00 Afternoon (PM Session) serving 3rd-5th grades
3:00-4:00 Free Play and Pick-up*

Term of the List of Qualified Agencies

The Request for Proposals (RFP) for sport-based organizations will result in a list of OUSD vetted sport-based organizations which OUSD will enter into a one-year contract. The selection and scheduling of the sports provider are at the discretion of the Expanded Learning Office, the expanded learning lead agency, and the school site administrator (Principal). School year schedules are created through a partnership between the sport-based organization and the Expanded Learning Office. Once selected to serve as a sport-based provider, the organization will work directly with the Expanded Learning Office to schedule the menu of sports-based youth development programs throughout the year starting in August to May before the contract is agreed upon.

Overview of OUSD Expanded Learning Programs

OUSD Expanded Learning Programs strive to create and sustain "safe haven" environments where Oakland children and youth can access expanded learning opportunities and integrated education, health, cultural, and enrichment programs outside of school hours or the regular school year. OUSD Expanded Learning Programs operate in elementary, middle, and high schools across the city of Oakland.

When programming is conducted in-person, over 9,000 students across 80 schools participate in OUSD expanded learning programs that operate Monday - Friday until 6:00 pm. Students who participate in expanded learning programs every day receive an additional 540 hours of learning by the end of the school year, equivalent to 90 additional days of school. In these valuable after-school hours, students engage in youth development activities that foster their physical health, social-emotional learning/well-being, and support their academic achievement in school. In order to meet these goals, the quality and success of the District's expanded learning programs are critical.

These expanded learning and summer programs are aligned with efforts in Oakland to improve young people's educational outcomes, including Oakland's investment in Kids First! The legislative initiative goal to "Help Children and Youth Succeed in School and Graduate High School" and the Oakland Unified School District's Full-Service Community Schools initiative seeks to provide health, education, and social services to youth, and their families, and the community.

OUSD expanded learning and summer programs offer critical support to schools, students, and their families. In addition to providing children and youth with sanctuary, quality expanded learning programs to support students academically and socially, OUSD expanded learning programs serve a large proportion of youth who typically benefit from additional learning support, including students from low-income households (75%) and English Learners (31%). Additionally, approximately 25% of OUSD after-school participants are African American and 45% are Latino.

OUSD seeks sport-based organizations whose mission and vision closely align and support the District's strategic plan and vision for Full-Service Community Schools.

High-quality sport-based organizations must satisfy the physical activity grant funding requirements— detailed further below and in the MOU—and provide additional opportunities for youth to practice the social skills they need to succeed.

E. Funding

Sports-based youth programs will be funded through the Expanded Learning Opportunity Program (ELO-P). The California Department of Education (CDE). CDE introduced ELO-P funding in 2021 to increase expanded learning opportunities for unduplicated students. The CDE grant required the grantee to record student participation through a database called Aeries, an OUSD's internal attendance tracking system.

- Example of suggested budget when providing a **school-based model**:
 - Ex: 1-Staff/Sports Coach at \$100 per hours x 2 hours x 2 days a week x 4 weeks (# of days) = \$1,600 x 5 sites = \$8,000
 - Ex: 1-Staff/Sports Coach at \$100 per hours x 2 hours x 2 days a week x 5 weeks (# of days) = \$2,000 x 5 sites = \$10,000
 - Ex: 1-Staff/Sports Coach at \$100 per hours x 2 hours x 2 days a week x 6 weeks = \$2,400 x 5 sites (# of days) = \$12,000
 - Example of suggested budget when providing **intercession model** (i.e. Saturday Camp)
 - \$350 per coach per session (Morning Session and afternoon session) = \$700
 - Propose flat rate to host 9-hours
 - Ex: 1-Staff/Sports Coach at \$350 per session x 2 sessions x 1 days = \$700 x 5 coaches (serving 100 youth) x \$700 = \$3,500

F. Sport Based Programs Operation

Approved sports-based youth program organizations must have an organizational infrastructure to provide sports programs throughout the year. Therefore, interested organizations need to review and consider the list of expectations of each program model before applying to be the sport-based program.

[School-based model (labeled as "SBM" and intercession model labeled as "IM")]

- Interested organizations must be able to provide sports-based programs at a minimum of 2-schools when providing a school-based program model. (SBM)

G. Enrollment, Attendance, and Evaluation Documentation

Approved sport-based youth program organizations will need to consider CDE Guidelines, OUSD Expanded Learning Office expectations, and site-level input (e.g. site administrator) when it comes to student enrollment consideration, attendance protocol, and programmatic evaluation.

- a. **Enrollment:** The approved sport-based organization must work under the umbrella of the expanded learning provider and track all student participation.
- b. **Attendance:** Attendance must be tracked for all camps and must be turned into the expanded learning provider.
- c. **Evaluation:** The expanded learning provides yearly evaluation of programs and works to get feedback from students, community, and partners.

H. Contract and Payments

Sport-based youth program organizations that are approved through the process described in this RFP must enter a 1-year contract with OUSD. They may not begin operating at a school site unless the District and agency have executed a contract on the District's template. Invoices are processed on a cost-reimbursement basis for actual expenditures incurred.

I. RFP Process

Any sport-based youth program organization applying for the 2022 - 23 school year and/or beyond must successfully complete the sport-based RFP process and earn *highly recommended* or *conditionally recommended* status, detailed below. Therefore, an organization that does not successfully complete the RFP process or does not earn a *highly recommended* or *conditionally recommended* status will not be contracted with OUSD to serve in the sport-based organization role in the 2022-23 school year.

Sport-based organizations that submit an RFP by the deadline will be assessed based on their RFP responses. Applications that have the potential to earn the *highly recommended* or *conditionally recommended* status and require additional information may be invited for an interview with the RFP Review Team.

Organizations completing this 2022 RFP process will be assessed and scored into one of the following three categories:

- 1) **Highly Recommended:** Organization has adequately demonstrated its capacity to serve in a sport-based role and fulfill *all* sports camp responsibilities outlined by OUSD and listed in Section III of this RFP and required document. This *highly recommended* status will be valid for up to 2022-2023 school years, depending on the organization's successful implementation of the agreed-upon scope of work.
- 2) **Conditionally Recommended:** Organization has adequately demonstrated its capacity to serve in the sport-based organization role and to fulfill *most, though not all*, of the responsibilities outlined by OUSD and listed in Section III of this RFP and required document. Organizations receiving this *conditionally recommended* status will be provided with specific feedback from the RFP Review Team on areas of responsibility where the organization has not adequately demonstrated effective capacity. This *conditionally recommended* status will be valid for up to one year. Within that

year, the community organization will be asked to provide the OUSD EXLO with additional evidence of its ability to fulfill all sport-based organization responsibilities, including documentation of the organization's efforts to improve based on feedback from the RFP Review Team. At the end of this first conditional year, the community partner will be re-assessed by the OUSD EXLO team and re-categorized as *highly recommended*, *conditionally recommended*, or *not recommended*.

- 3) **Not Recommended:** Organization has not adequately demonstrated its capacity to serve in the sport-based organization role and to fulfill most of the responsibilities outlined by OUSD and listed in Section III of this RFP and required documents. Organizations receiving this *not recommended* status will not be included in the list of qualified sport-based organizations that will be shared with Principals and lead agencies. Organizations can appeal by following the instructions in the appeals process described in Appendix V.

OUSD will notify the sports-based youth development organization of its determination by June 12, 2022 via email. If OUSD determines that an organization is Not Recommended, the organization shall have the opportunity to contest that determination. Additional details regarding this process are contained in Section L.

Appendix II: Application Question Responses

1. Organizational Capacity (2 paragraphs)

Elevo is very well positioned to partner with the OUSD Expanded Learning Office. For the past 14 years, Elevo has created and implemented structured programs that integrate concepts of Social-Emotional Learning (SEL) and inclusive physical activity. Our mission is aligned with OUSD in that we believe all students should have access to positive mentorship. Our purpose is to elevate the emotional and physical well being of K-8 students by introducing them to physical activities that are fun and engaging (and designed for each grade level!) but also incorporate a social emotional competency. Our approach is to encourage students to participate by not focusing on being the strongest or fastest but by having a growth mindset and feeling supported to try new things. Elevo takes a community approach to hiring by recruiting college students from local colleges and universities to serve as mentors to students. We have a 25 person full time recruiting team who actively recruit qualified coaches, many of whom are studying Kinesiology or Early Education. It is not uncommon for Elevo coaches assigned to a school district to be alums. We work hard to retain our coaching staff by offering a competitive salary, scholarships, & paid professional development. Elevo recently attended the OUSD Expanded Learning job fair to recruit some young students to act as mentors in training while earning money over the Summer. We are committed to contributing to the growth of the critical educator and administrator pipeline in the state of California.

Elevo coaches are onsite at roughly 800 K-8 public school campuses in California. While we have not yet provided support at OUSD, we are mentoring students at Berkeley Unified, San Leandro

Unified, & San Lorenzo USD. A high percentage of the school districts we support have a UPP higher than 70% which is indicative of the communities we serve. It is not uncommon for our partner districts to have a mix of Title I schools and middle-to-high income schools and it is our job to listen to the individual sites and be able to adapt to the varied needs. Elevo collaborates with non profit and community based organizations to fulfill the staffing and programming needs of school districts **(see attached recommendation letters)**. Our solution is flexible and we are able to provide intramural sports events, small group SEL based PE movement games & activities, and introductions to different sports. Elevo would like to provide school-based support and intercession support of the ELO programming for OUSD. We have the recruiting resources and existing coach employees to be able to provide support at all 51 Elementary school sites beginning in August/September 2022.

2. Fiscal Management & Resource Development *(1 paragraph)*

Elevo uses Bill.com to manage our invoicing process. We can meet all requirements such as attaching PO#s to invoices. As our standard operating procedure, all coaches are equipped with a sports bag of flat cones and soccer balls. All of our 100+ SEL based games only require soccer balls and/or cones and can be played on a field, blacktop, or indoor gymnasium/multi room. We have also purchased equipment for use at school sites such as volleyballs and nets, badminton, softball, cricket, etc. Our coaches are responsible for setting up and cleaning up all equipment and if district owned equipment, they can secure it upon leaving each day and Elevo can return all items to the district office at the end of the program or school year. Elevo's 2022-23 hourly coaching rate of \$100 includes the cost to purchase soccer balls, cones, & equipment bags. **(See attached hourly rate breakdown and budget for more detail)**

3. Agency Infrastructure (1 page)

Elevo's coach to student ratio are directly aligned with the CDE's ELOP ratio requirements of 20:1 for 1st through 6th grade and 10:1 for TK/K. If needed our Regional Managers will collect attendance data and supply it to OUSD to then be recorded in Aeries.

Elevo has approximately 70 full time staff and over 1,000 part time coaches (see Organizational Chart). Coaches are supervised by Regional Managers who regularly visit on site to assist with training, ensure quality programs and good communication between school and Elevo staff. The Regional Managers are supervised by Operations Managers who report to our VP of Operations and ultimately to our Chief Operating Officer. The Alameda County Operations team and associated roles is as follows:

Christina St. Clair, Director of District Partnerships - Main point of contact for program creation, pricing, & contracting. Business contact for partner organizations that might also be supporting OUSD such as YMCA, Edmo, Boys & Girls Club.

Spencer Kai - Operations Manager - Spencer oversees the day to day coaching operations of our Alameda County School District partnerships. Spencer works with Christina on district communication. He is also the management representative who collaborates with the site Principals, site leads, & community partners to ensure we are meeting the needs of each school site. Spencer facilitates the quarterly site surveys we conduct to ensure that the program is meeting the needs of the site leads and the goals set forth by the Expanded Learning Office.

Nancy Robles - Regional Manager - Nancy is onsite at all schools on a regular rotation and as needed. Nancy is the day to day contact for the other onsite partners, Principals, & site leads. She ensures that coaches are delivering a top notch program and meeting the needs of our partner districts and school sites. Nancy will communicate observations to Spencer and work

with him to fine tune programming. Nancy also conducts onsite coaching evaluations and will disseminate site requests and feedback directly to our coaches.

Danya Reed - Coach Trainer/Site Lead - Danya is assigned to a small number of schools and serves as the direct manager of coaches assigned to those school sites. She is the one conducting initial field training to roll out the curriculum, schedule, & goals of the program as well as ongoing virtual and in-person training.

(See attached NorCal org chart)

4. Youth development expertise, program quality assessment process, & school district alignment (2 pages)

Social Emotional Learning is at the foundation of what we do at Elevo. Our curriculum mirrors the CASEL wheel and the 5 competencies of Social Emotional Learning. Elevo is a member of the CASEL Advisory Council. Our curriculum is aligned with the National Physical Education and Health Standards. We have a dedicated Board of Advisors that has helped shape and develop our curriculum. For example, Chris Corliss, who recently retired from the Orange County Office of Education, headed the team that designed the physical education activities for our curriculum. Each week our trained coaches will incorporate an SEL sub topic into the Elevo program. The SEL Competency sub-topic will be introduced as the theme of the week for all Elevo programs. See example below:

Sample Schedule - 1st 4 Weeks -SEL Competency - Self Awareness:

Week 1: Identifying one's emotions

Week 2: Demonstrating honesty and integrity

Week 3: Having a growth mindset

Week 4: Linking feelings, values, and thoughts

(Please see attached example from our coach playbook of an SEL soccer activity focusing on Self Awareness)

To ensure alignment with district partners and to assess the programs we follow a couple of important processes:

We send out quarterly assessment questionnaires to site leaders, students, & teachers. Often these are in collaboration with the other providers and always per the discretion of our district leads.

The students questions include:

Q1. Playing Elevo games & activities are fun ways to learn new social emotional learning skills.

Q2. I look forward to coming to school on the days when Elevo is here.

Q3. I look forward to seeing my Elevo coach.

The teachers questions include:

Q1. Elevo improves student engagement.

Q2. Elevo has a positive effect on our school climate.

Q3. Having Elevo on-site allows me more time to plan and collaborate with my colleagues.

Recent results of the impact our programs had is demonstrated on the 'Impact and Satisfaction data' regarding climate and culture, which shows:

- 96% of students look forward to coming to schools with the Elevo program
- 81% of students feel happier after learning with Elevo
- 97% of administrators would recommend Elevo's program to another administrator
- 98% of administrators say the program had a positive effect on child's SEL wellness
- 91% of administrators say the students are more engaged after the program

(Please see attached evaluation from our customer of 6 years, Moreno Valley USD that was provided to LA Unified.)

To Whom It May Concern:

This letter is provided as a reference for Elevo who has provided Lynwood Unified School district with staffing support and implementing their program. I am the Deputy Superintendent of Educational Services and worked with the Elevo team in setting up the program and sharing our specific district needs.

Elevo provided services to our Early Education program and our Elementary schools. These services included check-in of students, small group instruction, supervision, along with their social emotional learning and physical activity enrichment programs. This vendor worked with Lynwood Unified for six months in the 2020-21 school year and has rejoined us to support our summer school program and the after school enrichment for TK-6 grades.

Lynwood USD , parents, and the rest of the Lynwood community were extremely impressed with Elevo's ability to go above and beyond in supporting the district. The well-qualified staff consistently provided great care and physical activities for students in small groups, all catered to each age group and skill level. Our ECE program consisted of students ages three to five, and within those age groups were students of various abilities. Because of this variation, we ended up requiring Elevo employees to have additional certification to work with our early childhood program and the team obliged without hesitation.

Elevo's services were seamlessly implemented, as they communicated with on-site staff on a daily basis and updated the District Office staff weekly. They were able to facilitate more frequent communication as needed, especially as we chose to expand the number of schools that participated. Elevo has been open and responsive to our needs for our school community.

We found the outcome of the program to be priceless; students were able to be

engaged in learning, physical activity, and social emotional activities during school closures. Additionally, our district has several partnerships with outside agencies and Elevo was able to work seamlessly with them during. I would rate their overall performance as a 10+/10 and highly recommend their services.

Please feel free to contact me if you have any questions.

Sincerely,

To Whom It May Concern:

This letter of recommendation is provided for Elevo Learning who has been supporting the Lompoc Unified School district with staffing and programs. I am the Education Services Coordinator in charge of Special Projects and have worked closely with the Elevo team in arranging the programs to be launched at our schools.

Elevo has serviced us by implementing their Lunch Recess, After school, PLC/teacher release, and summer school programs. We began these services in the 2020-2021 school year and have continued to work with them since. We have been highly satisfied with their student based services and would rate them a 10 out of 10. Elevo coaches have been well trained to provide our students with an engaging SEL and physical activity curriculum and program. Each program is unique to the students at the various school sites which is what makes Elevo stand out. Students make meaningful connections with their coaches and we've seen improvements in student class participation and engagement. Elevo's coaches get to know their students, leading to improved behavior across all campuses.

In addition to the benefits of Elevo's curriculum, the program implementation was incredibly seamless. Their partnership and field operations teams' transparency and flexibility made the whole process very easy for our district; all team members have been communicative and a pleasure to work with. The responsiveness and customer service of this company is top notch. Without hesitation, I recommend Elevo.

Should you have any questions, please feel free to contact me.

Sincerely,

Sample Elevo SEL Soccer Field Game - The Number Game
SEL Competency: Self Awareness

<h1 style="text-align: center;">The Number Game</h1>		
SEL Competency & Skill	✓ Self Awareness	✓ Self-Confidence
Game Overview	The idea of this game is for students to understand that their self-confidence can have a positive or negative impact on their ability to be successful in life.	
Game Objective	By the end of the game, the students will understand that having high levels of self-confidence will help them succeed in certain situations or accomplish a task.	
Mindset Reset <i>To focus and engage students</i>  3 - 5 mins.	Ask the students to either 1) run around the edge of the grid, 2) run within the grid or 3) run in place next to their assigned cone until the coach shouts out, "Freeze!" Students follow the coach's lead of exercises related to the sport of Football (fast feet burpees, stand in place sprints, side to side shuffles). Coach and students count 10 reps of each exercise out loud. After a few rounds, coach calls on three volunteers for a "Your Choice" exercise round.	
Material needed <ul style="list-style-type: none"> ♦ Cones ♦ Soccer ball 		

<p>Conversation Starter</p> <p><i>To introduce the SEL competency and skill</i></p> <p>🕒 2 - 4 mins.</p>	<p>Coach introduction to topic (coach can personalize): "Yesterday I felt unconfident and told myself I wasn't very good at (singing).</p> <p>Coach question for one boy and one girl: "Can you share a time when you were feeling unconfident and told yourself that you weren't good at something?"</p>
<p>Game</p> <p><i>To provide students with an active way to understand and practice the SEL skill</i></p> <p>🕒 10 mins.</p>	<p>Coach Introduction to game: "We are going to play a game that will help us realize how important it is to have self-confidence. During the game I want you to do your best to observe what kind of thoughts pop into your head about yourself and how this affects your ability to do well."</p> <p>Game: Split the students into two even groups. Within each group, assign the students their own number. The Coach will call out a number at random and the corresponding students will run around a cone on the other end of the field. The coach will then throw a ball out and both students will compete for the ball and try to score a goal. Continue to play until all numbers have been called.</p> <p>Note: During the first half of the game, the coach explains that the game will be played in silence and during the second half of the game the coach will tell the students to cheer on their teammates with positivity and energy.</p> <p>Game adaptations: (1) Call more than one number at a time (i.e. 2's and 4's!), (2) play without a soccer ball and just have students race</p> <p>Play again if time allows.</p>
<p>Reflect and Express</p> <p><i>To give an opportunity to connect the SEL skill to the game</i></p> <p>🕒 3 - 5 mins.</p>	<p>Coach Observation: "Did you notice that it was hard to feel confident when we had to stay quiet during the game?"</p> <p>Coach question for one boy and one girl: "Was it easier to play the game and score a goal when you were being cheered on or when your team was quiet?"</p> <p>Takeaway: "Think of something that your teacher is good at and tell them this. It will increase their confidence and build a positive mindset."</p> <p>Level-down (TK-2) Takeaway chant: "If I believe it, I can achieve it!"</p>
