COMMERCIAL GENERAL LIABILITY

b) If a claim is made or "suit" is brought against the additional insured, the additional insured must:

- i. Immediately record the specifics of the claim or "suit" and the date received; and
- ii. Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c) The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.

d) The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of "other insurance" which would cover the additional insured for a loss we cover under this endorsement. However, this condition does not affect whether the insur-

ance provided to the additional insured by this endorsement is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured as described in paragraph 3. above.

5. The following definition is added to SECTION V. - DEFINITIONS:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- a. After the signing and execution of the contract or agreement by you;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **BLANKET ADDITIONAL INSURED (CONTRACTORS OPERATIONS)**

This endorsement modifies insurance provided under the following:

### **COMMERCIAL GENERAL LIABILITY COVERAGE PART**

1. WHO IS AN INSURED – (Section II) is amended to include any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:
  - a) Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
  - b) If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.
2. The insurance provided to the additional insured by this endorsement is limited as follows:
  - a) In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section III – Limits Of Insurance.
  - b) The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
    - i. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
    - ii. Supervisory, inspection, architectural or engineering activities.
- c) The insurance provided to the additional insured does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard".
3. The insurance provided to the additional insured by this endorsement is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover under this endorsement. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But the insurance provided to the additional insured by this endorsement still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under such "other insurance".
4. As a condition of coverage provided to the additional insured by this endorsement:
  - a) The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
    - i. How, when and where the "occurrence" or offense took place;
    - ii. The names and addresses of any injured persons and witnesses; and
    - iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.

DATE 03/12/13**WHY WE ARE USING THE LATEST ACORD 25 CERTIFICATE OF INSURANCE**

In September 2009, ACORD revised the ACORD 25 Certificate of Insurance Form. One of the major changes was the removal of the cancellation notice provision. For the following reasons, we are unable to issue an older edition of this form, modify the current form, or complete a proprietary form you provide:

\*Notice of cancellation is a policy right, not an unregulated service. No insurer shown on this certificate is able to provide the cancellation notice you desire by endorsement. For example, the insured can cancel immediately, so it would be impossible for the insurer to give you the notice you request. State law also grants the insurer the right to cancel for reasons such as nonpayment with less notice than you require.

\*UNDER THE ACORD CORPORATION'S LICENSING AGREEMENT, THE PRIOR EDITIONS OF SUPERSEDED FORMS CAN BE USED FOR ONE YEAR FROM THE TIME THE NEW FORMS ARE INTRODUCED. BEGINNING IN SEPTEMBER 2010, THIS IS ANOTHER REASON WE CANNOT USE AN OLDER EDITION OF THE ACORD 25. DOING SO WOULD VIOLATE ACORD'S LICENSING AGREEMENT AND, AS A COPYRIGHTED DOCUMENT, FEDERAL COPYRIGHT LAW.

Certificates and insurance policies shall include the following:

14.2.1. WHY WE ARE USING THE LATEST ACORD 25 CERTIFICATE OF INSURANCE

In September 2009, ACORD revised the ACORD 25 Certificate of Insurance form. One of the major changes was the removal of the cancellation notice provision. For the following reasons, we are unable to issue an older edition of this form, modify the current form, or complete a proprietary form you provide:

\*Notice of cancellation is a policy right, not an unregulated service. No insurer shown on this certificate is able to provide the cancellation notice you desire by endorsement. For example, the insured can cancel immediately, so it would be impossible for the insurer to give you the notice you request. State law also grants the insurer the right to cancel for reasons such as nonpayment with less notice than you require.

\*UNDER THE ACORD CORPORATION'S LICENSING AGREEMENT, THE PRIOR EDITIONS OF SUPERSEDED FORMS CAN BE USED FOR ONE YEAR FROM THE TIME THE NEW FORMS ARE INTRODUCED. BEGINNING IN SEPTEMBER 2010, THIS IS ANOTHER REASON WE CANNOT USE AN OLDER EDITION OF THE ACORD 25. DOING SO WOULD VIOLATE ACORD'S LICENSING AGREEMENT AND, AS A COPYRIGHTED DOCUMENT, FEDERAL COPYRIGHT LAW.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **BLANKET ADDITIONAL INSURED (CONTRACTORS OPERATIONS)**

This endorsement modifies insurance provided under the following:

### **COMMERCIAL GENERAL LIABILITY COVERAGE PART**

1. WHO IS AN INSURED – (Section II) is amended to include any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:
  - a) Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
  - b) If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.
2. The insurance provided to the additional insured by this endorsement is limited as follows:
  - a) In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section III – Limits Of Insurance.
  - b) The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
    - i. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
    - ii. Supervisory, inspection, architectural or engineering activities.
- c) The insurance provided to the additional insured does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard".
3. The insurance provided to the additional insured by this endorsement is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover under this endorsement. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But the insurance provided to the additional insured by this endorsement still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under such "other insurance".
4. As a condition of coverage provided to the additional insured by this endorsement:
  - a) The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
    - i. How, when and where the "occurrence" or offense took place;
    - ii. The names and addresses of any injured persons and witnesses; and
    - iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.

COMMERCIAL GENERAL LIABILITY

- b) If a claim is made or "suit" is brought against the additional insured, the additional insured must:
  - i. Immediately record the specifics of the claim or "suit" and the date received; and
  - ii. Notify us as soon as practicable.The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.
- c) The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d) The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of "other insurance" which would cover the additional insured for a loss we cover under this endorsement. However, this condition does not affect whether the insur-

ance provided to the additional insured by this endorsement is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured as described in paragraph 3. above.

- 5. The following definition is added to SECTION V. – DEFINITIONS:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- a. After the signing and execution of the contract or agreement by you;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.
