Subject Budget Modification Form
Services for: Fremont High School

Action Requested and Recommendation Adoption by Board of Education, upon recommendation of the Measure N Commission, of a 2021-2022 budget modification request from Fremont High School transferring \$51,975.00 from Teacher Salaries Stipends and \$7,025.00 from Classified Support Salaries (no impact – the district was able to fund a full time position for those services) to Consultant Contract, for a new total amount of \$59,000.00, as stated in the justification section of the New or Revised Strategic Action Section of the Budget Modification Form.

Background

(Why do we need these services? Why have you selected this vendor?)

Fremont High School would like to modify their Measure N Educational Improvement Plan to decrease the approved strategic actions, Teacher Salaries Stipends, by \$51,975.00, and Classified Support Salaries, by \$7,025.00, and use that money to create a new strategic action, Consultant Contract.

Pathway(s): <small>(required for multiple use of programs)</small>	Media/Architecture	Requested By:	Rosemary Rivera

Step 1:

a. Enter the Original Approved Strategic Action from the Measure N EIP:

Directions: Copy & paste the original strategic action below. The original strategic action is where you plan to take money from and use it for a new purpose.

**You can enter up to 3 different actions below, as long as the New or Revised Strategic Action in Step 2 is the same!*

Measure N Plan & Pathway	Budget Action - Line Item #	Original Amount Approved	Measure N Budget Original Strategic Action <i>(proper & full justification)</i>	Total Amount Transferred
Whole School	83	\$51,975.00	Teacher Salaries Stipends: Extended Contract for 5 Teachers to support students in career mentoring (finding, securing, and keeping employment). One teacher from each small learning community (Media, Architecture, Newcomers, and 9th) as well as SpEd will work together as a team to support students in completing work permits, finding jobs, applying for and interviewing for jobs, and to help them keep those jobs.	\$51,975.00
Whole School	82	\$50,000.00	Classified Support Salaries Overtime: Extra Time/Overtime to compensate 2 Attendance Specialists and 2 Case Managers who will be performing home visits throughout the year as part of our intervention plan to decrease chronic absenteeism. In addition, home visits will be made when families can't come to us for student-led conferences. Because Classified Employee hourly rates vary, we are unable to include a more specific dollar amount for the services to be provided by Attendance Specialists and Case Managers. However, it is expected that these employees will conduct home visits outside of their contractual hours for 4-6 hours per week.	\$7,025.00
The total amount being transferred from the 2 different actions above is \$ \$59,000.00.				

b. What will be the impact on your Measure N plan, pathway development, and students for not doing your original strategic action? *(*Do not insert links or use Acronyms. *If taking from multiple actions - provide a response for each or the overall impact)*

No impact. Originally the funds were going to be used to provide students with an adult that would support them with work based learning supports such as job seeking, resume building, and interview preparedness. Due to the fact that our district was able to fund a full time position for those services.

c. Enter the Account String for the Original Approved Strategic Action:
