The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 through 8484.6.

**Is Vendor a local Oakland business?** Yes  No

**Why was this Vendor selected?**

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

**Summarize the services this Vendor will be providing.**

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

**Was this contract competitively bid?** Yes  No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

Memorandum of Understanding 2017-2018  
Between Oakland Unified School District and  
Safe Passages**

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Safe Passages ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 149/Community United Elementary School under the following grants:
  - After School Education and Safety Program ("ASESP")
  - California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
  - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21<sup>st</sup> CCLC funds.
  - Private grants
  
2. **Term of MOU.** The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services include providing summer educational programs. The term may be extended by written agreement of both parties.
  
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
  - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
  - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
  
4. **Compensation.** The ASEP and 21<sup>st</sup> CCLC grant award amount for Safe Passages is \$89,169.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2017-2018")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$89,169.00 in accordance with Exhibit B. Exhibit B ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2017-2018").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- 4.7. **Program Fees.** The intent of the ASESP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.
5. **Scope of Work.** AGENCY will serve as lead agency at 149/Community United Elementary School, will be responsible for operations and management of the ASESP, 21<sup>st</sup> CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2017-2018. In alignment with the spirit of the OUSD Strategic Plan, the Safe Passages Afterschool Program partnership with the school community is a "true, authentic collaboration" that supports the goals of a thriving student community. Among other goals, Safe Passages Afterschool program supports the school's Full Service Community School Quality Indicator 1 goal – to provide quality learning experiences for students by ensuring that students are provided a quality extended day program. The program also furthers the efforts to support broader enrichment goals beyond academic intervention with youth leadership opportunities, sports, creative opportunities for artistic expression, such as art, music, and dance. In addition, the program supports the goal of balanced literacy and targeted intervention by providing targeted intervention to students through the COST process and in the one hour of academic programming each day. **SECTION 4. SCHOOL PRIORITIES AND GOALS IN SPSA**

In collaboration with school leadership, review the school's priorities and goals listed in its 2017-18 SPSA school improvement plan. All after school programs are expected to support the school's goals for: 1) Culture and Climate and 2) Family and Student Engagement

Additionally, identify at least 1 other priority area from the list below that your afterschool program will intentionally support. For each of the priority area marked below, fill in the specific priority and multi-year goal from the school's SPSA plan.

Select at least 1 additional area	Priority Area	Specific Priority (as written in SPSA)	Multi-Year Goal (as written in SPSA)

**SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / ACTIVATION**  
 Please list any additional enrichment activities your program will offer, that are not already listed in Sections 4, 5, and 6 above.  
 Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities can provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, SEL, and behavior and student engagement.

**SECTION 9: PROGRAM SCHEDULE**

- a) Submit your program schedule as an attachment, using the standard [program schedule template](#). The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.
- b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.
- c) Make sure program schedule clearly shows when the following elementary program requirements will take place:

- One hour/week of literacy instruction for students in grades K-5
- One hour/week of math instruction for students in grades K-5

d) Submit a copy of the school bell schedule for the 2017-18 school year.

**Important Notes:** The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

**SECTION 10: SUSTAINING SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN**

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the 'grey zone' between 90%-95% are considered at risk of chronic absenteeism.

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc. In addition to providing meaningful after-school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day. In order to promote positive attendance and support students and families who are struggling with attendance, select at least two of the following strategies below, and identify specific action steps that your program will implement for each strategy.

**Strategies to Support Attendance**

**Action Steps**

a) Recruit and address the needs of students who are at risk of chronic absenteeism.

By analyzing previous school-day attendance data at the start of the school year, the ASP coordinator, in collaboration with the site

	<p>leadership team and COST, will identify students' at risk of chronic absenteeism whose families they will invite to enroll their students in afterschool at the school wide registration session.</p>
<p>b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.</p>	<p>The importance of program attendance will be discussed with families in all correspondence. The ASP Coordinator or other program staff will work with school administration to cross-check school day attendance with ASP attendance and contact ASP students' families to support students and their families at risk of chronic absenteeism.</p>
<p>c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.</p>	<p>The ASP Coordinator, in collaboration with site leadership, will utilize and participate in the Coordination of Services Team meetings to intervene for increased attendance.</p>
<p>d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.</p>	<p>The Afterschool Program will highlight students with perfect attendance, work with the school staff to convene assemblies to honor students with positive attendance while acknowledging those who have made significant progress with certificates at the end of each semester.</p>
<p><b>SECTION 11: TRANSFORMING SCHOOL CULTURE AND CLIMATE</b>          After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.</p> <p>The following are strategies that OUSD schools are taking to create positive school culture and climate:</p> <ul style="list-style-type: none"> <li>• Positive Behavioral Intervention and Supports (PBIS)</li> <li>• Restorative Justice/Restorative Practices (RJ)</li> <li>• Social and Emotional Learning (SEL)</li> </ul>	

<p>After school and school day partners can collaborate and intentionally align their efforts around these strategies in order to create seamless positive culture and climate from 8am - 6pm for students.</p> <p>a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting <b>at least one strategy</b> that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may include any of the following action steps for alignment:</p> <ul style="list-style-type: none"> <li>• Participate in site-level professional development (PD) together with school day staff</li> <li>• Participate in district-sponsored PD, including PD offered by the Expanded Learning Office</li> <li>• Participate in relevant school committees (e.g. Culture and Climate Committee, COST, J.T., etc.)</li> <li>• Align with school day curriculum and practices</li> <li>• Align with school day routines and structures</li> <li>• Observe school day classrooms to align expectations and practices</li> <li>• Other ways to align (please specify)</li> </ul>	<p><b>What will the after school program do to align with school day efforts in this area?</b></p>
<p><b>Select at least 1 strategy</b></p>	<p>The Safe Passages After School coordinator participates in CUES PBIS meetings and integrates PBIS in after school programming. Efforts are made to have consistent behavioral norms and consequences across After School and regular day school programming.</p>
<p><b>x</b></p>	<p>SEL strategies are infused in all aspects of ASP. These strategies become part of our program and employee evaluations in order to hold staff accountable. Staff has opportunities to model for each other, sharing ideas or alternate ways of implementing these strategies. As staff learn to develop their own SEL skills, they use the same reflective practices to help their students actively develop social emotional skills. Staff implement strategies and model what they are learning in professional development trainings provided by Safe Passages throughout the year.</p> <p>In addition, the CUES After School program implements gender leadership groups with</p>

	<p>emphasis on self-awareness, social awareness, relationship skills, self esteem and responsible decision making – with a ratio of 1 enrichment instructor to 10 students at least two hours/week with an emphasis on SEL skill building. In addition the program will align its practices with school day efforts by stating and ending with PBIS.</p>
<p><i>2). Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts you or your school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school of file. Manifest Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.</i></p>	
<p>The Safe Passages Afterschool Program supports these OUSD efforts to ensure equity in behavioral practices, maximize every students' school engagement, social-emotional well-being, and academic success by: (1) using culturally competent instructional strategies, (2) incorporating critical pedagogy and youth participatory action research (YPAR) as curricular foundations for resiliency, transformation, and student engagement, (3) training staff and students in cultural asset instruction, cultural asset mapping, and related counter-narrative resiliency strategies, and by (4) building upon a strong youth development framework with sufficient alternatives to exclusionary discipline practices. In order to ensure uniformity in training, these strategies will be implemented across all of Safe Passages After School programs and tailored to meet the needs of CUES after school program, specifically. For example the CUES After School Coordinator will work with the CUES principal and collaborative partners to ensure continuous improvement and feedback and to inform both the after school and regular school practices</p>	
<p><b>SECTION 12. Coordination with Other Serving Providers</b>  <i>in the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.</i></p> <p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p> <ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> COST team (Coordination of Services Team)</li> <li><input checked="" type="checkbox"/> SST (Student Study Team)</li> <li><input type="checkbox"/> SSC (School Site Council)</li> <li><input type="checkbox"/> ILT (Instructional Leadership Team)</li> <li><input type="checkbox"/> PTA</li> <li><input checked="" type="checkbox"/> Attendance Team/Workgroup</li> </ul>

<p>Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>Students, parents, school staff, Principal, OUSD AS Program Office and Student, family and Community Office, and other CBO and public partners implementing afterschool programming, Alameda County Food Bank, COST team, school nurse, psychologist, special ed teachers, and the schools bilingual community relations assistant I, Special Education, EBAC, Librarian, School Safety Officer and Food Services.</p>

Section 13: 2017-18 After School Enrollment Policy for CUES School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

**Priority Enrollment and Transitions Support for High Need Populations of Students**

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: *The law states that program fees cannot be charged to homeless and foster youth participating in the program.*

**Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified

above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

**13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:**

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

**13b) MODIFICATIONS FOR HIGH NEED TRANSITIONAL STUDENTS:**

How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?

The program will tailor enrollment and attendance policies to the needs of foster, homeless, and newcomer students who transition into the school mid-year. Available after school program slots will be offered to these target groups of students. 5 program slots will be reserved for transitional students who enroll in the school mid-year. Appropriate attendance waivers will be completed to address the mobility of these students. Program staff will work with a wide range of caregivers to engage the adults charged with the appropriate parent, family member, foster parent, and/or guardian as needed towards creating a seamless partnership between the school/afterschool program and "home." transitional students who enroll at CUES throughout the year).

**13c) ENROLLMENT PROCESS AND TIMELINE:**

**13d) School Support for Program Recruitment**

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

CUES staff will work with ASP Coordinator to place Recruitment Posters throughout the school; and will highlight the ASP in the school newsletter; refer students through COST meetings; and refer students that participate in school attendance meetings consisting of teachers, counselors and the principal. The ASP is also highlighted in the school's brochure, which is widely distributed to school families. In addition through Talking Point, an on-line texting system, parents and families are informed of the school offerings including ASP. Further CUES has a face book account and the ASP staff will utilize this to outreach and recruit families and students into the program.

 \_\_\_\_\_ Section 15: After School Quality Support Coach

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's Assess - Plan - Improve continuous quality improvement processes by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, curriculum, instructional strategies, data, and strategies to ensure positive school culture and climate.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards.
- Provide on-site coaching to after school staff implementing literacy and math curriculum.

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The required budget allocation for this position is \$2,500 for the year, equivalent to 72 hrs/year at a Paid-In-Service contract rate of \$34.67/hour. (Note this pay rate may change if there are district pay raises next year.)

Quality Support Coaching Plan

a) Please identify who will fulfill the Quality Support Coach role for 2017-18:

- A credentialed teacher on staff who has effective skills and experiences in coaching and/or adult learning
- A qualified professional who is part of the school staff
- An OUSD coach connected to the school (i.e. LCI Literacy or Math coach, BTSA coach, etc.)
- Other individual (please specify in detail): \_\_\_\_\_

If known, please specify the name of the person who will fill the Quality Support Coach role, and identify his/her role in the school:

**Teachers on extended contracts providing direct service**

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

**Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract. Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.**

### Section 16: After School Safety and Emergency Planning for 2017-18

#### After School Safety and Emergency Planning

A) The Comprehensive School Site Safety Plan includes the [After School Emergency Plan](#). The Site Administrator and After School Program (ASP) Site Coordinator will update the After School Emergency Plan annually by discussing and aligning plans and procedures for after school and school day safety, including emergency preparedness and crisis response.

Indicate all actions that will occur to ensure after school safety and alignment with school day procedures for emergency preparedness and emergency response:

- Site Administrator and ASP Site Coordinator will meet at beginning of school year to update After School Emergency Plan collaboratively.
- Site will share Comprehensive School Site Safety Plan with after school partner.
- School day and after school programs will coordinate emergency drill schedules & procedures (i.e. earthquake, fire, and lockdown drills).
- After School staff will participate in site-level faculty safety trainings.
- School will provide after school staff with access to disaster supplies and other resources in case there is an emergency after school.
- Site Administrator and ASP Site Coordinator will meet regularly to review after school incidences and update safety plans as needed.

☐ Other. Specify:

B) Describe the training and resources the school will provide after school staff on safety procedures, including lockdown procedures and communication protocols for crisis response.

The After School Coordinator will work with the School Administration to ensure that the site safety procedures, including lockdown procedures and communication for crisis responses are followed. The principal will include the After School Coordinator in all meetings and site trainings as they relate to these processes and procedures. The After School Coordinator will ensure that the After School program staff are informed on and that they follow site-based emergency protocols. In addition Safe Passages requires all ASP coordinators to submit site safety plans and devotes training for CPR.

C) Principal and Site Coordinator have reviewed the [OUSD After School Emergency/Crisis 1st Level Response Notification Protocol](#) and understand expectations regarding communication and [incident reporting](#) when an issue involving after school safety occurs.

Yes ☐ No

**Facility**  
 It is critical that the After School Site Coordinator has access to facility keys in order to ensure safety after school should a lockdown or lockout be needed. Will the After School Program have access to facility keys for all areas where after school programming occurs?  
 Yes    No

If no, indicate how the school campus will be secured if crisis should occur during after school hours and if lockdown is necessary:

- Site will utilize after school and/or school day funds to pay Extra time/Over time (ET/OT) for an after school SSO.
- Site does not need an SSO
- Site does not have the resources to fund an after school SSO.

### Section 17: Professional Development and Staff Wellness

#### Professional Development Expectation

After school staff will receive adequate professional development, including coaching, support and trainings. In order to grow and improve their practice, programs will utilize data, including NCA/SP/EA program quality data, to determine the areas of focus for professional development. Providing after school staff with meaningful professional development is a shared opportunity & responsibility for both the lead agency and host school site.

Additionally, the OUSD Expanded Learning Office will provide extensive professional development throughout the year including mandatory After School August Institute (week of July 31 - Aug. 4), mandatory monthly site coordinator meetings (2 hrs/monthly), site-specific quality improvement (COI) trainings in monthly agency director meetings, various professional learning communities (time commitment varies), local conferences (e.g. annual Science, the Bay conferences), and other relevant district trainings (e.g. safety, PPS, etc.).

a) What professional development, coaching, and training supports will be provided by the lead agency partner?

1. Individualized coaching is provided directly by the SP FSCS Program Manager to the After School Coordinator on an ongoing basis throughout the program year.

2. All After School Coordinators attend the SP annual management retreat and the After School Coordinators Operational Intensive. In addition, all After School Coordinators attend monthly Safe Passages Managers' Meetings to participate in management training, cross site learning, agency wide program improvement efforts, and alignment/integration of programs and services.

3. After school teams meet together across all SP AS programs to participate in professional development and peer learning.

4.. SP central managers will work with the SP Evaluation Director to organize additional observations of the program and provide real time feedback, using the data from site visits and internal observations to tailor site based professional development offered during our monthly staff meeting.

b) What professional development opportunities will be provided by the school site?

The Site Administrator will identify at least two trainings per year inclusive of ASP staff to review strategies, check-in about specific students,

and to discuss ways to increase parent involvement.

Safe Passages and school partners firmly believe that professional development is critical to ensuring program quality. The after school program is committed to providing and mandating professional development opportunities for after school staff, based on needs identified by program data. My program will adequately budget for staff time to participate in professional development over the course of the year (for key line staff, recommended at least 20 hours of PD/year).  Yes  No

Staff Wellness

Please describe ways your program will work to support staff wellness over the course of the year.

Staff wellness is covered in PD sessions and during individual coaching. Staff is encouraged to establish healthy boundaries to prevent burn out. Professional development trainings will focus on self-care topics including stress management and wellness techniques. Additional health and wellness benefits are accessible for full-time Safe Passages staff as part of their benefits package.

Throughout the year, Safe Passages will provide staff with opportunities to reflect on their work and spend time bonding with each other. Weekly coaching sessions with Safe Passages management staff will provide after school staff with effective ways to voice concerns and receive feedback from a trusted ally.

Social and Emotional Learning (SEL)

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making. Describe how you will work intentionally to develop SEL skills in program staff so that they can model SEL skills to students.

SEL strategies will continue to be embedded into our model of creating peaceful, effective, and professional learning environments. Staff will practice and model self-management, self-awareness, social awareness, relationship skill and responsible decision-making. In addition, staff will be trained on and practice cultural competency in program management and all service delivery in the after school program services. These strategies are discussed in Safe Passages professional development sessions and employee coaching. Staff has opportunities to model for each other, sharing ideas and innovative new ways of implementing these strategies. On a daily basis, staff will utilize their SEL skills to model for

students and support SEL skill development for students.

**Continuous Quality Improvement (CQI)**

Engaging in continuous quality improvement processes is an OUSD expectation for all schools and after school programs and is a condition for ongoing after school grant funding from the CA Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based **Assess-Plan-Improve** CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- beginning of year self-assessment using YPOA's WQQA tool
- planning with data (using self assessment and external assessment POA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- year end self-assessment and QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school parents, parents, other community partners).

**Review and mark all commitments:**

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
- Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes.
- Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- Site coordinator will share CQI data with Site Administrator and school staff.
- Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

**WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT**

**Waiver and Release of Liability.** In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

**Assumption of Risk.** I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

**Indemnity Agreement.** In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

**Severability.** I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

**Minor Participants.** If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

**I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.**

## Safe Passages' Agency History and Qualifications

*Safe Passages disrupts the cycle of poverty by engaging youth and families to build and drive a continuum of services that supports student success and community development.*

### **Who We Are:**

Safe Passages is a minority women led nonprofit that advocates for, researches, evaluates, develops and incubates culturally appropriate, cross-agency strategies designed to improve the lives of vulnerable populations, including youth at risk of dropping out of school, at risk or involved in gangs or the Juvenile Justice system, and likely to be involved in other risky behaviors. For 20 years, SP has worked with public and private partners to strengthen the safety net for poor people within and across systems by maximizing and leveraging resources to implement proven strategies.

### **Where We Work:**

We work with disadvantaged communities in Alameda County where up to 80% of children live in poverty, in neighborhoods with the highest levels of health disparities including the highest rates of hospitalization for asthma, teen birth rates, and hospitalization for assaults among youth; where students score far below proficiency and have high rates of school suspension, drop-outs and truancy. 98% of the populations served are students and families of color.

### **What We Do:**

Programs and services are woven together to serve the entire age continuum of children and youth, from birth to college/career, including economic development strategies to fuel economic self-sufficiency for youth and families.

**Early Childhood Initiative** – Promotes collaboration between multiple public systems and non-profit providers to create a citywide safety net for children (0-5), who are exposed to violence. Services include Baby Learning Playgroups and workshops, case management, mental health services and mental health consultations at pre-school sites.

**School Linked Services** – Aims to integrate education and social services at school sites in order to make school communities catalysts for social change within the larger neighborhood context. Through multiple funding streams, Safe Passages has led the effective development and sustainability of full service community schools (FSCS) across the Oakland flatlands. Initially, this work began as the Safe Passages Middle School Strategy, a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. From the beginning, afterschool programming was a major prong of the strategy. The initial seven highest need middle schools were selected as partners in 2000 to implement the strategy: Frick, Havenscourt (CCPA) and Calvin Simmons (UFSA) were all part of the first cohort of implementation schools and 16 years later continue in sustained partnership to work towards improved outcomes for students and families.

The partnership survived many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated across the school district. Several of the Safe Passages schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's FSCS Initiative.

**Juvenile Justice Initiative** – Brings courts, school districts, police departments, probation officers, and service providers together to reduce disproportionate minority contact with law enforcement, and lower recidivism among juvenile offenders.

**Career Development** – Work closely with government, universities and private entities to develop new job opportunities for youth during and after school hours, and in the summer time. Students are provided opportunities to learn about diverse career tracks including careers in the arts, teaching, law enforcement, legal services, social work and in the health profession.

### **Successes:**

- 91% of students in the academic support programs experienced academic success.
- Implemented the Elev8 Oakland Initiative, a \$40 Million full service community school model at five high need middle schools in Oakland.
- Elev8 school based health centers reach 3,000 students plus their families annually.
- Quality after school programs serve over 1,000 students annually.
- 172 Safe Passages AmeriCorps members have served over 1170 high need students through intensive academic supports.
- Placed hundreds of young people in career pathways jobs through Mayor's Summer Jobs Program and AmeriCorps Programs since 2011.

Safe Passages partnerships with the school communities that are the focus of the contracts currently before the OUSD Board embody 16 years of partnership.
