- After school program will provide services that help students understand how to utilize the resources they have around them and practice the skills they are learning in the school day.
- After school participants will feel physically and emotionally safe as a result of participating in the after school program, therefore, their connection with the school day will be notable through increased school day attendance.

SECTION 3: OUSD Strategic Questions
 Complete the matrix for *at least two* of the following four OUSD Strategic questions.

Strategic Questions/Desired Outcomes <i>As a result of our ASP efforts...</i>	Strategic Activities: <i>What after school strategic activities will support the desired outcomes?</i>	Outcomes of Strategic Activities: <i>What short-term outcomes will you expect from your efforts by the end of the school year?</i>	Data used to assess the strategic activities: <i>What data will be collected to measure these outcomes?</i>
High School Graduation: How many more Oakland children are graduating from high school?	The ASP program supports HS Graduation by helping monitor academic success, helping students reflect on their behavior and plan for the future. We do this through: <ul style="list-style-type: none"> • The Academic Liaison, Coordinator and additional staff will create smaller ratios to help students in small groups. • Offering all participants structured guided practice during home 	<ul style="list-style-type: none"> • Increased alignment with CA state standards • Increased alignment with school day • The majority of youth will understand, complete and turn in all homework 	<ul style="list-style-type: none"> • District benchmark testing • School data sharing on academic and behavior progress • OFCY/USD surveys • SAYPQA Evaluation results

	<p>work time on a daily basis</p> <ul style="list-style-type: none"> • Close communication with teachers on tracking homework completion. 		
<p>Satisfactory School Day Attendance: How many more Oakland children are attending school 95% or more?</p>	<p>Our program will promote increased attendance by:</p> <ul style="list-style-type: none"> • By creating opportunities that foster strong relationships between peers as well as students with adults. Many of our students at BOA struggle with social-emotional needs; building their social skills is a top priority. • We will monitor school day attendance data for all after school participants on a weekly basis. meaningful internships and/or paying jobs?			
Health and Well-being: How many more Oakland children have access to, and use, the health services they need? Participants will indicate that they had opportunities to engage in physical fitness activities	School day counselors (Seneca Center) will report to after school staff regarding students' progress with social-emotional needs.

SECTION 4: Program Model and Lead Agency Selection

For 2012-2013, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
 Extended School Day: *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
 Blended/Hybrid: *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development. Note: If school is managing program, site is considered to be the Lead Agency. In this case, describe how the hired After School Site Coordinator will support school plans for FSCS development.)

The BACR philosophy about after school programs extends far beyond keeping children safe. We believe in providing a nurturing and enjoyable environment where students can improve their academic and life skills. We believe in integrating the principles and practices of youth development into all activities. Just as important, we see the schools, students, and parents as our customers. We believe it is our responsibility to understand and meet their needs.

This approach to after school programs is consistent with the BACR mission of serving youth and families, fostering volunteerism, and building community. As a large diverse community agency, BACR has the organizational capacity and infrastructure to maintain high quality while expanding our services.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2012-2013: **180 days required***

Projected Daily Attendance during School Year 2012-2013:	40
Program Schedule Submit program schedule as an attachment, using the standard program schedule template.	

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development.*

SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

	Target Population	Academic Support (choose one)	CSSSP goal(s) or school need supported by activity	Measurable Outcomes	Description of program/activity	Instructional Strategies
1	All Program Participants	<input checked="" type="checkbox"/> Homework Support <input checked="" type="checkbox"/> Tutoring <input type="checkbox"/> Skill Building <input type="checkbox"/> Academic Intervntn <input type="checkbox"/> Other	The after school program will focus on all area subjects, specifically English and Math and support each student to meet their readmission goals, in service to their future success. Homework reports will also be provided by the after school staff to communicate student progress to teachers and parents.	After School staff will assist students in completing their homework.	Structured guided practice Follow homework process set by the school day Enforce all homework procedures

SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer

opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services, and increase their ability to support their student's learning and development.

Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Program Orientation	Parent involvement/engagement	Orientation prior to the beginning of the ASP program, explaining rules/regulations, disseminate schedules	Have at least 50% of parents/families attend. For those that do not attend reach out via phone or a one-on-one meeting.	Get support from site administration and teachers to increase recruitment efforts.
End of Year Celebration	Awards ceremony and demonstrations what was accomplished for the year.	Recognize the students work and contributions for the year. Recognize great attendance. Opportunity for students to showcase what they learned for the year.	Have at least 75% of families attend.	Teachers and/or site administration will be present at showcases to support ASP and student activities.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
----------------------------------	--------------

a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Review attendance data and work with teachers/staff on obtaining referrals and recommendations.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Inform parents during orientation of attendance expectations, distribute registration form that outlines importance of attendance, notify parents when students are chronically absent, and place students with excessive absences on contract.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Monitor attendance (work w/ attendance clerk to gather names of chronically absent students from school day, and compare day attendance with afterschool). Talk with students about the importance of regular attendance.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Celebrate consistent attendance on a monthly basis. ASP staff will publically acknowledge good attendance with certificates and recognition at the end of the year event. They informally, on a daily basis, will acknowledge students for consistently being in attendance.
SECTION 10: Coordination with Other Service Providers	
In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.	
The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?	<input type="checkbox"/> COST team (Coordination of Services Team) <input type="checkbox"/> SST (Student Study Team) <input checked="" type="checkbox"/> SSC (School Site Council) <input type="checkbox"/> ELT (Educational Leadership Team) <input type="checkbox"/> PTA <input type="checkbox"/> Attendance Team/Workgroup <input type="checkbox"/> CSSSP (Community School Strategic Site Planning) team <input checked="" type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify)
List key community partners whom you will actively collaborate with to accomplish the goals of your program.	Seneca Center and Bay Area Community Resources
Identify other service providers and support personnel at your school (i.e. school psychologist, School Based Health Center staff, counselor, mental health therapist, school	Teachers, Administration, SSO, Janitorial Staff, School Based Mental Health Team, Attendance Clerk, School Nurse,

nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.

2012-13 After School Enrollment Policy for Bret Harte Middle School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support	CST scores and end of year benchmarks. School staff, mental health therapist, and administration referrals.	
Students with social, emotional, or behavioral concerns	School staff, mental health therapist, and administration referrals.	
English Language Learners	School staff, mental health therapist, and administration referrals.	
Students who are Chronically Absent	Through attendance records, receive reports from attendance clerk.	

Grade levels prioritized for programming: 6th – 8th

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.

- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2012. Indicate how families will be notified of 2012-13 enrollments before the last day of school, June 16, 2012.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
August (first week of school)	Distribute Registration Forms to all School Day parents	Program Manager
	Program Coordinator will request referrals and recommendations from AL and teachers.	Program Manager and Program Coordinator
	Before school starts the ASP will have a parent orientation to go over policies, rules and structure and/or any comments/concerns and /or suggestions	Site Coordinator and Program Assistant
	ASP will begin on first day of school 2012 at a minimum of 75% of total enrollment goal and ASP will continue to register students during the first and second week of school 2012 in order to reach 100% enrollment.	Site Coordinator and Program Assistant

Important dates to include in your timeline:

- April – June: Spring enrollment for 2012-13 programs. ***Schools that are receiving students from School Closures must also outreach to these new families in the Spring, so that they also have a fair chance to participate in the After School program at their new school.***
- Families will be notified of 2012-13 after school enrollment before the last day of school, June 15, 2012.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2012.
- All programs must maintain waitlists after program slots are filled.

OAKLAND UNIFIED
SCHOOL DISTRICT

Community Schools. Thriving Students.

OAKLAND UNIFIED SCHOOL DISTRICT
Office of the Board of Education
June 27, 2012

TO: Board of Education

FROM: Dr. Anthony Smith, Ph.D., Superintendent

SUBJECT: Master Memorandum of Understanding between OUSD and Bay Area Community Resources

ACTION REQUESTED

Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with Bay Area Community Resources, on behalf of the District to provide services to students. This establishes a one year relationship with Bay Area Community Resources, and a Not-To-Exceed amount of \$2,974,784.00. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

BACKGROUND

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement will be submitted to the board for ratification. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

DISCUSSION

Vendor: Bay Area Community Resources

Overview of Services: Bay Area Community Resources contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities family literacy and targeted Equitable Access services to students that are high risk to meet grant compliance of ASES and 21st Century grants.

Not-To-Exceed Amount: \$2,974,784.00

Determination of Not-to-Exceed Amount: Based on historical data and projections for the coming school year, it is anticipated that Bay Area Community Resources will provide services to 26 school sites.

The District contracts with agencies to provide various activities and after-school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with Bay Area Community Resources, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, known changes in sites to be served, as well as expected grant funding.

In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

FISCAL IMPACT

There is no funding associated with the Master Memorandum of Understanding. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with Bay Area Community Resources. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the RBB Budget, and a review of State and Federal compliance funding when applicable.

RECOMMENDATION

Approval of Master MOU between the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute a Master Memorandum of Understanding and Individual Service Agreement(s) with Bay Area Community Resources in an amount Not-To-Exceed \$2,974,784.00.
