# SCOPE OF WORK

Attitudinal Healing Connection, Inc. will provide a maximum of <u>142.00</u> hours of services at a rate of <u>\$75.00</u> per hour for a total not to exceed <u>\$10,709.00</u>. Services are anticipated to begin on <u>02/06/2012</u> and end on <u>06/29/2012</u>.

1. Description of Services to be Provided: Provide a description of the service(s) the contractor will provide. Be specific about what service(s) OUSD is purchasing and what *this* Contractor will do.

AHC will engage Santa Fe teachers in hands-on visual art professional development, side by side in the classroom with students. The entire teaching staff will receive one two hour visual art professional development workshop for an introduction of the arts integrated curriculum that they will receive throughout the semester. 12 teachers will receive side-by-side visual arts professional development. Teachers will become skilled in visual art concepts, tools, language and techniques, and will gain strategies on how to integrate the arts into their core academic curriculum. 2. Specific Outcomes: What are the expected outcomes from the services of this Contract? Be specific. For example, as a result of the service(s): 1) How many more Oakland children are graduating from high school? 2) How many more Oakland children are attending school 95% or more? 3) How many more students have meaningful internships and/or paying jobs? 4) How many more Oakland children have access to, and use, the health services they need? Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

The AHC (ArtEsteem) instructor will work with classroom teachers to integrate visual arts with core science curriculum to teach the students, while also modeling visual art strategies for the teachers.

Their engagement will assist them in elementary science classes so that they may move on to middle school and eventually high school with those skills and continue to grow them, to reach graduation.

2. A large majority of students will attend school and improve the attendance rate because of the engaging curriculum that will be offered. The curriculum will include meaningful lesson plans so that students are excited about the class, and can connect it to life, encouraging them to attend school and not engage in misbehavior during class.

3. Students will be able to increase their chances of having meaningful internships or paying jobs because of their successful experience in their core classes.

4. Through the arts integrated program, students will also have access to AHC's non-traditional mental health, including healing circles, principles and Restorative Justice circles.
