Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Preston Thomas, Chief Systems and Services Officer
Susan Beltz, Chief Technology Officer

Meeting Date May 14, 2025

Subject Purchase Agreement 2025-2026 and National Data Privacy Agreement - Asset Panda - Technology Services Department

Ask of the Board Ratification by the Board of Education of a Purchase Agreement 2025-2026 by and between the District and Asset Panda, Dallas, TX, for the latter to provide an asset management platform to be used by Technology Services and Risk Management, incorporated herein by reference as though fully set forth, via the Technology Services Department, and Approval of the California - National Data Privacy Agreement version 1.5, for the period of May 15, 2025 through May 15, 2026, in an amount not to exceed \$50,000.00.

Background Risk Management, Buildings & Grounds, and Technology Services have historically had separate asset management systems. Each system comes at a cost, and they are siloed environments that do not allow for integrations with ticketing platforms such as Zendesk. In October 2024, recognizing the limitations of having three distinct platforms, Technology Services and Risk Management began to collectively vet asset management systems based on predefined criteria. The platform had to integrate with AssetWorks, Risk Management's platform for physical inventory inspections, and Zendesk, the district's customer service solution. The platform had to also produce depreciation reports, allow assets to be easily uploaded and tracked by multiple agents, be used to check in and out devices by school site staff and provide reports for lost, stolen, and broken devices by asset and student. Asset Panda was identified as the best solution provided the requirements set forth.

Discussion In 2023-2024, Technology Services learned that the district had been using an outdated version of Zendesk and sought to migrate to IncidentIQ as an alternative solution that was more K-12 focused. IncidentIQ also included an Asset Management Module, which allowed Technology Services to finally track and inventory its assets in one system. However, upon implementation, it was determined that the product oversold its ticketing capabilities and did not meet the needs of the other Departments that had considered migrating as well, including Talent, Warehouse, Transportation and Procurement. After careful

consideration, the departments collectively agreed to find a common customer service solution to streamline productivity through consolidation. After vetting multiple vendors, Zendesk, Inc. provided the most competitive offer when all features were factored in, including the ability to integrate with third-party systems like Asset Panda.

Since the Technology Services will migrate from IncidentIQ to Zendesk in Spring 2025, the asset management system that was included in IncidentIQ will no longer be of service to the district. During the 2024-2025 school year, the district confirmed several advantages of having an asset management system for the district's 175,000 computer and networking assets. Additionally, Risk Management determined that having a single asset management system for fixed assets would allow for greater coordination between departments, including Technology Services and Buildings and Grounds. The implementation of Asset Panda, along with API integrations with AssetWorks and Zendesk, will allow for a more streamlined process not only for reporting purposes but also for work orders.

Fiscal Impact

An annual contract from May 15, 2025 through May 15, 2026 not to exceed \$50,000.00 from 010-0000-0-0000-7700-5846-986-9860-1110-0209-99999.

Access to and use of the Service is subject to the terms and conditions set forth below, and your use of the Service signifies and constitutes your acceptance of this Agreement. If you do not agree to this Agreement, you should not use the Service. Provider may revise this Agreement from time to time. Although Provider may include a notice on the home page of the Service that the Agreement has been modified, such notice may not remain in place for any extended period of time. Accordingly, you should review the Agreement as posted on the Service from time to time. Using the Service after any revised Agreement has been posted will constitute your acceptance of the revised terms.

Your entry into this Agreement shall not affect any written agreements between you and Provider, all of which shall remain in full force and effect according to their terms. With respect to your use of the Service, any written agreement between you and Provider regarding the Service shall govern in the event of any inconsistency between this Agreement and such written agreement.

1. Purpose of the Service

The Service provides a number of different features, products, and services to assist you in creating and maintaining an inventory of records, including information regarding individuals, business assets, personal property, insurance policies and warranties. The service is not intended to provide legal, tax or financial advice. NEITHER PROVIDER NOR THE SERVICE IS INTENDED TO PROVIDE LEGAL, TAX OR FINANCIAL ADVICE. PROVIDER IS NOT A FINANCIAL PLANNER, BROKER OR TAX ADVISOR AND DOES NOT OFFER PROOF OF OWNERSHIP OR POSSESSION OF RECORDS. The Service is intended only to assist you in maintaining inventories of records and is broad in scope. Your personal situation is unique, and any information and advice obtained through the Service may not be appropriate for your situation. Accordingly, before making any final decisions or implementing any record management, insurance, or financial strategy, you should consider obtaining advice from your accountant or other financial advisers who are fully aware of your

individual circumstances. You acknowledge that Provider disclaims any responsibility for or liability related to your use of the Service (see “Disclaimer of Warranties” below).

2. Use of the Service

Use of the Service may be available through a compatible Internet browser or mobile device and may require network connections and software. You agree that you are solely responsible for these requirements, including any applicable changes, updates and fees as well as the terms of your agreement with your mobile device and telecommunications provider. Your right to access and use the Service is personal to you and is not transferable by you to any other person or entity. You are only entitled to access and use the Service for lawful purposes. Accurate records enable Provider to provide the Service to you. You must provide true, accurate, current and complete information about your accounts and you may not misrepresent your registration information. In order for the Service to function effectively, you must also keep your registration information up to date and accurate. If you do not do this, the accuracy and effectiveness of the Service to you will be affected. You agree that Provider may use your feedback, suggestions, or ideas in any way, including in future modifications of the Service, other products or services, advertising or marketing materials. You grant Provider a perpetual, worldwide, fully-transferable, sub-licensable, irrevocable, fully paid-up, royalty-free license to use the feedback you provide to Provider in any way. You further agree that you will not: (i) use any robot, spider, scraper, deep link or other similar automated data gathering or extraction tools, program, algorithm or methodology to access, acquire, copy or monitor the Service or any portion of the Service, without Provider’s express written consent, which may be withheld in Provider’s sole discretion; (ii) use or attempt to use any engine, software, tool, agent, or other device or mechanism (including without limitation browsers, spiders, robots, avatars or intelligent agents) to navigate or search the Service, other than the search engines and search agents available through the Service and other than generally available third-party web browsers; (iii) post or transmit any file which contains viruses, worms, Trojan horses or any other contaminating or destructive features, or that otherwise interfere with the proper working of Provider or the Service; or (iv) attempt to decipher, decompile, disassemble, or reverse-engineer any of the software comprising or in any way making up a part of the Service.

3. Lawful Use; Use by Minors

Your access to and use of the Service is subject to all applicable international, federal, state and local laws and regulations. You represent and warrant that you will not use the Service in any manner or for any purposes that are unlawful or prohibited by this Agreement. The Service is not targeted towards, nor intended for use by, anyone under the age of 18. By using the Service, you represent and warrant that you are 18 years of age or older. If you are not at least 18 years of age, do not use, access, or register for the Service. Provider reserves the right to terminate your membership in the event that Provider becomes aware you are under 18.

4. User Accounts

To post information to and otherwise use the Service, you must first register by creating a User Account. User Account registration requires you to submit to Provider certain personal information, such as your name, address, mobile phone number, and other information. If you choose to set up your User Account to electronically pay for certain fee-based Services, you will also be required to provide a valid payment method (either a credit card or accepted payment partner). You grant Provider the right to provide any information you submit to Provider to third parties for purposes of facilitating the completion of any monetary transactions initiated by you or on your behalf. You understand that your continued use of the Services following any trial period may result in charges to you for the Services ("Charges"). Charges will be inclusive of applicable taxes where required by law. Charges are based on Services purchased and not actual usage and fees paid are non-refundable. Provider reserves the right to establish, remove and/or revise the Charges to you for the Services for all or part of the Services at any time in Provider's sole discretion. Provider will use reasonable efforts to inform you of such Charges and You may elect to cancel the Services rather than pay the Charges. You understand that your continued use of the Services following notice from Provider may result in charges to you for the Services and that Provider may terminate or suspend the Services until you have paid the Charges.

In addition to our use of third parties to process monetary transactions (*e.g.* credit card transactions), we also have arrangements with vendors who provide us with certain required hosting and data storage services (*e.g.* Amazon Web Services

("AWS") cloud storage) and who may provide you with certain optional services that you may request for an additional fee. Unless additional terms are presented to you regarding any such services, your use of such services is governed by this Agreement, any optional services you order are non-cancellable, and the applicable fees are non-refundable. If any third party increases the fees it charges Provider for any part of such services, Provider will provide notice to you of any resulting increase to the Charges, which will be effective immediately. Those companies are provided (either by us or directly by you) with your information as part of the service for which they are hired. These companies are authorized to use your information only as necessary to provide these services. We require these companies to maintain the confidentiality of the information they receive, and prohibit them from using the information for any other purpose.

You are responsible for safeguarding the password that you use to access your User Account, and it is recommended that you choose a strong password, i.e., a password of sufficient length and complexity such that third parties will not readily guess your password. You should take measures to maintain and preserve the confidentiality of the username and password associated with your User Account, and you must notify Provider promptly of any unauthorized use or suspected breach of security of your User Account. Provider shall not be liable for any losses that may result from any unauthorized use of your User Account or failure to maintain appropriate confidentiality measures. You agree not to disclose your password to any third party and to take sole responsibility for any activities or actions under your User Account, whether or not you have authorized such activities or actions. Provider owns your User Account credentials and may revoke or change them at any time.

5. User Content

By using the Service, you may choose to submit information, data, passwords, usernames, PINs, other log-in information, as well as information regarding records, photographs, and other materials and content relating thereto (collectively, the "User Content"). You expressly agree that you shall not post any User Content: (i) that infringes or misappropriates any third party's copyright, patent, trademark, trade secret or other proprietary rights or rights of publicity or privacy; (ii) that violates any law, statute, ordinance or regulation (including, but not limited to, those governing export control, consumer protection, unfair competition, anti-

discrimination or false advertising); (iii) that is or may reasonably be considered to be defamatory, libelous, hateful, racially or religiously biased or offensive, unlawfully threatening or unlawfully harassing to any individual, partnership or corporation; pornographic or obscene (iv) that contains individually identifiable health information subject to the HIPAA Privacy Rule; (v) that violates any other agreement you may have entered into with a third party; or (vi) that contains any computer viruses, worms or other potentially damaging computer programs or files.

6. Rights you Grant to Provider

By submitting User Content to Provider through the Service, you are licensing that User Content to Provider solely for the purpose of providing the Service. Included among that User Content is your name and logo, which you hereby authorize Provider to display on its website and customer list and in Provider's marketing materials. Provider may use and store the User Content, but only to provide the Service to you. By submitting this User Content to Provider, you represent that you are entitled to submit it to Provider for use for this purpose, without any obligation by Provider to pay any fees or other limitations.

7. Access to Third Party Accounts

If you choose to use or access third party websites and/or accounts through the Service, such as eBay®, Amazon.com®, Facebook®, and Twitter®, you will be directly connected to the website for the third party you have identified. By using the Service in this manner, you expressly authorize Provider to access your account information maintained by such third parties, on your behalf as your agent. Provider will submit information including usernames and passwords that you provide to log you into the third party site. You hereby authorize and permit Provider to disclose, use and store information submitted by you to the Service (such as account passwords and user names) to accomplish the foregoing and to configure the Service so that it is compatible with the third party sites to which you submit your information. For purposes of this Agreement and solely to provide the account information to you as part of the Service, you grant Provider a limited power of attorney, and appoint Provider as your attorney-in-fact and agent, to access third party sites, retrieve and use your information with the full power and authority to do and perform each thing necessary in connection with such activities,

as you could do in person. YOU ACKNOWLEDGE AND AGREE THAT WHEN PROVIDER IS ACCESSING AND RETRIEVING ACCOUNT INFORMATION FROM THIRD PARTY SITES, PROVIDER IS ACTING AS YOUR AGENT, AND NOT AS THE AGENT OF OR ON BEHALF OF THE THIRD PARTY. You understand and agree that the Service is not sponsored or endorsed by any third parties accessible through the Service.

8. Intellectual Property Rights

Unless otherwise noted, all text, images, graphics, photographs, video clips, designs, icons, sounds, information, data, and other materials appearing on the Service which are not User Content (the "Provider Content") and all methods, methodologies, procedures, processes, know-how, software, algorithms, techniques, and other technology (the "Technology") displayed, used, or incorporated on the Service by Provider are copyrights, trademarks, service marks, trade secrets, or other intellectual property or proprietary content owned or licensed by Provider. You may use the available Provider Content and Technology only for your own personal use and internal business purposes, but you may not reverse-engineer or decompile any of the Technology. You may print a copy of available Provider Content solely for such purposes, but you may not remove any copyright, trademark or other notice displayed on the corresponding webpage or print-out. You may not use the available Provider Content and Technology on behalf of any third party or as part of a managed service. You may not distribute, publish, transmit, modify, create derivative works from, or in any way exploit, any of the available Provider Content and Technology, in whole or in part, for any purpose without the express written permission of Provider or the respective owner. Nothing in this Agreement shall be construed as granting any permission (except as set forth in this paragraph), right, or license in any of the Provider Content or Technology. All intellectual property rights are fully reserved by Provider and any third party owners of those rights.

Copyright/Trademark/Patent/Ownership. Except for any intellectual property owned by Provider that existed prior to execution of this AGREEMENT, Provider understands and agrees that all other matters produced under this AGREEMENT shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in those works are the property of OUSD. These matters include, without limitation, drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, artwork, copy, posters,

billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship, or other documents prepared by Provider in connection with the SERVICES performed under this AGREEMENT. Provider cannot use, reproduce, distribute, publicly display, perform, alter, remix, or build upon matters produced under this AGREEMENT without OUSD's express written permission. OUSD shall have all right, title and interest in said matters, including the right to register the copyright, trademark, and/or patent of said matter in the name of OUSD. OUSD may, with Provider's prior written consent, use Provider's name in conjunction with the sale, use, performance and distribution of the matters, for any purpose and in any medium.

9. Links to and from Other Websites

Portions of the Service may include links to third-party websites. In addition, you may have entered the Service via links on other third-party websites. Such links are provided or permitted to exist as a convenience measure, and Provider is not responsible for the information, advertising, products, services, content, or other material of any third-party website, regardless of whether such third-party website links to the Service or is accessible by a link from the Service. The inclusion and use of links does not imply sponsorship or endorsement by Provider of any third-party website. Provider may provide experiences on social media platforms such as Facebook® and Twitter® that enable online sharing and collaboration among users who have registered to use them. Any content you access or post through such platforms, e.g., pictures, information, opinions, or any personal information that you make available to other participants on these social platforms, is subject to the terms of use and privacy policies of those platforms. Please refer to those social media platforms to better understand your rights and obligations with regard to such content.

10. Use of “Cookies” and Similar Tools

You understand and agree that Provider may store information on your computer in the form of a “cookie” or similar tool for purposes of improving the functionality of the Service.

11. Disclaimer of Warranties

Provider does not warrant that the Service will be available. Your access and use of the Service may be interrupted from time to time for any of several reasons, including, without limitation, the malfunction of equipment, periodic updating, maintenance or repair of the Service or other actions that Provider, in its sole discretion, may elect to take. Provider does not warrant that User Content, Provider Content, or Technology, regardless of its source, is accurate, complete, reliable or current. The Service is provided for informational purposes only and does not constitute an endorsement by Provider of any product, service or merchant. WITHOUT LIMITING THE FOREGOING, PROVIDER DOES NOT WARRANT OR REPRESENT THAT THE SERVICE WILL OPERATE ERROR-FREE OR UNINTERRUPTED, THAT DEFECTS WILL BE CORRECTED, OR THAT THE SERVICE AND ITS SERVERS WILL BE FREE OF VIRUSES AND OTHER HARMFUL COMPONENTS. TO THE FULLEST EXTENT PERMISSIBLE PURSUANT TO APPLICABLE LAW, PROVIDER DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF (I) MERCHANTABILITY OR SATISFACTORY QUALITY, (II) FITNESS FOR A PARTICULAR PURPOSE, (III) TITLE, AND (IV) NON-INFRINGEMENT OF THE RIGHTS OF THIRD PARTIES. PROVIDER FURTHER MAKES NO WARRANTIES OR REPRESENTATIONS OF ANY KIND, EXPRESS, STATUTORY OR IMPLIED AS TO: (I) THE AVAILABILITY OF TELECOMMUNICATION SERVICES AND ACCESS TO THE SERVICE AT ANY TIME OR FROM ANY LOCATION; (II) ANY LOSS, DAMAGE, OR OTHER SECURITY INTRUSION OF YOUR TELECOMMUNICATION SERVICES; AND (III) ANY DISCLOSURE OF INFORMATION TO THIRD PARTIES OR FAILURE TO TRANSMIT ANY DATA, COMMUNICATIONS OR SETTINGS CONNECTED WITH THE SERVICE.

12. Limitations on Liability

In no event shall Provider, its agents, licensors, or service providers, or any other person or entity involved in creating, promoting, maintaining, hosting, or otherwise making available any User Content, Provider Content, Technology, or other aspect

of the Service, be liable to you or any other person or entity for any direct, indirect, incidental, special, consequential, punitive, or other such damages, including but not limited to any damages associated with: (i) loss of goodwill, profits, business interruption, or data, or other such losses; (ii) your inability to use the Service, any unauthorized use of the Service, or any function of the Service or failure of the Service to function; (iii) the provision of or failure to provide any service through the Service; (iv) errors or inaccuracies in the User Content, Provider Content, Technology, or any advertising or other information, software, products, services, and related graphics used, viewed, or obtained through the Service; or (v) any property loss including damage to your computer or computer system caused by viruses or other harmful components encountered during or on account of access to or use of this Service or any third-party website linked to this Service. These limitations of liability shall apply regardless of the form of action, whether based in contract, negligence, strict liability, other tort, or otherwise, and even if Provider has been advised of the possibility of any particular damages. To the extent you allege or assert any damages associated with the Service which are not excluded by the foregoing, then Provider's liability (and that of its agents, licensors, or service providers) for such damages shall not exceed one hundred dollars (\$100.00 USD).

13. Indemnification

You agree to indemnify, defend, and hold harmless Provider, its agents, licensors, and service providers, and their respective past and present officers, directors, employees, and representatives, from and against any and all claims, actions, demands, liabilities, costs, and expenses, including, without limitation, reasonable attorneys' fees, resulting from your breach of any provision of this Agreement, including any warranty you provide herein, or otherwise resulting in any way from your use of the Service.

To the furthest extent permitted by California law, Provider shall indemnify, defend and hold harmless OUSD, its Governing Board, agents, representatives, officers, consultants, employees, trustees, and volunteers ("OUSD Indemnified Parties") from any and all claims or losses accruing or resulting from injury, damage, or death of any person or entity arising out of Provider's performance of this AGREEMENT. Provider also agrees to hold harmless, indemnify, and defend OUSD Indemnified Parties from any and all claims or losses incurred by any supplier or subcontractor furnishing work, services, or materials to Provider arising out of the performance of

this AGREEMENT. Provider shall, to the fullest extent permitted by California law, defend OUSD Indemnified Parties at Provider own expense, including attorneys' fees and costs, and OUSD shall have the right to accept or reject any legal representation that Provider proposes to defend OUSD Indemnified Parties.

- identification or description of where the material that you claim is infringing is located on the Service, with enough detail that we may find it on the Service;
- your address, telephone number, and email address;
- a statement by you that you have a good faith belief that the use of the material complained of is not authorized by the copyright or intellectual property owner, its agent, or the law; and
- a statement by you, made under penalty of perjury, that the information in your notice is accurate and that you are the copyright or intellectual property owner or authorized to act on the copyright or intellectual property owner's behalf.

Provider's agent designated to receive claims of copyright or other intellectual property infringement may be contacted by email at the following address: admin@assetpanda.com. Provider has adopted and implements a policy that provides for the termination in appropriate circumstances of the accounts of users who repeatedly infringe copyrights or other intellectual property rights of Provider and/or others. For more details on the information required for valid DMCA notification, see 17 U.S.C. 512(c)(3). You should be aware that, under the DMCA, claimants who make misrepresentations concerning copyright infringement may be liable for damages incurred as a result of the removal or blocking of the material, court costs, and attorneys fees.

15. Governing Law; Disputes; Enforceability

This AGREEMENT shall be deemed to be performed in Oakland, California and is governed by the laws of the State of California, but without resort to California's principles and laws regarding conflict of laws. The Alameda County Superior Court shall have jurisdiction over any litigation initiated to enforce or interpret this AGREEMENT.

Suspension. If OUSD, at its sole discretion, develops health and safety concerns related to Provider's performance under this AGREEMENT, then the OUSD Superintendent or an OUSD Chief may, upon approval by OUSD legal counsel, issue a notice to Provider to suspend this AGREEMENT, in which case Provider shall cease using, reviewing, or otherwise accessing OUSD Data under this AGREEMENT until further notice from OUSD

16. Assignability

Provider may assign this Agreement and its rights and obligations hereunder to an affiliated company or, in the event of a merger or acquisition of Provider or the sale of substantially all of Provider's assets related to the services being provided to you, to the surviving or successor entity with reasonable notice to you. You may not assign this Agreement or the rights and obligations hereunder without the prior written consent of Provider.

17. Term Termination

The term of this Agreement shall commence upon your first use of the Service, and shall continue (i) as long as you or any persons given access by you retain access rights to the Service, or (ii) until Provider ceases to operate the Service or closes your User Account. Provider shall not have any ongoing obligation to provide the Service; thus, Provider may cease to operate the Service at any time and for any reason. Without limiting the foregoing, Provider may cease to provide your User Account in the event of: (i) any dispute or termination of Provider's relationship with you; (ii) any dispute concerning ownership or control of your User Account; or (iii) use of your User Account in a manner that Provider, in its sole discretion, considers improper or unacceptable. Provider reserves the right to limit the period of time during which Provider may make any User Content pertaining to you available on the Service. The Service should not be viewed as your backup, archival or storage service with respect to any User Content.

Conflict of Interest.

Provider and all Provider personnel shall abide by and be subject to all applicable, regulations, statutes, or other laws regarding conflict of interest. Provider shall not hire, contract with, or employ any officer or employee of OUSD during the TERM without the prior approval of OUSD Legal Counsel.

Provider affirms, to the best of Provider's knowledge, that there exists no actual or potential conflict of interest between Provider's family, business, or financial interest and the PURPOSE under this AGREEMENT. In the event of any change in a private interest, any question regarding a possible conflict of interest which may arise as a result of such change will be immediately brought to OUSD's attention in writing.

Through its execution of this AGREEMENT, Provider acknowledges that it is familiar with the provisions of Section 1090 et seq. and Section 87100 et seq. of the Government Code, and certifies that it does not know of any facts which constitute a violation of said provisions. In the event Provider receives any information subsequent to execution of this AGREEMENT which might constitute a violation of said provisions, Provider agrees it shall immediately notify OUSD in writing.

18. Privacy Policy

Any data that you provide to Provider using this Service is subject to the Privacy Policy that is posted on the Service and in effect at the time such data is provided. Provider may update its Privacy Policy from time to time, so you should be sure to review the Privacy Policy posted on the Service prior to providing any information to Provider using the Service. This Agreement and Provider's Privacy Policy (which is incorporated herein by reference) constitute the entire Agreement and supersede any other agreements or understandings (oral or written) between you and Provider with respect to their subject matters.

19. Google Maps Specific Terms

Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. 8. **Authority.** Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.

Part 99); and the Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. §6501-6506 (16 C.F.R. Part 312), applicable laws, and

WHEREAS, the Provider and LEA agree that additional and modified sections are required to address the use of Artificial Intelligence ("AI") as part of the services or product provided; and

WHEREAS, the Provider and LEA desire to enter into this DPA for the purpose of establishing their respective obligations and duties in order to comply with applicable laws and regulations.

NOW THEREFORE, for good and valuable consideration, LEA and Provider agree to the following:

1. **Term**. Unless otherwise terminated by the Parties, this Amendment shall remain effective for the duration of the attached DPA.
2. **Amendment to ARTICLE II, § 2**. of the DPA (Parent, Legal Guardian and Student Access) is amended as follows:

In accordance with California Education Code § 49073.1(b)(2), should the Provider store or maintain Student-Generated Content, the Provider shall, upon request from the LEA, provide a mechanism for students to retain ownership of the content they create, which shall include text or images generated by Artificial Intelligence, to be defined below. Furthermore, this NDPA does not impede the ability of students to download, export, or otherwise save or maintain their own Student Generated Content directly from Provider or for Provider to provide a mechanism for such download, export, transfer or saving to students, or the student's parent or legal guardian. Nor does it impede the ability of Providers to offer LEAs features to allow such ability.

3. **Amendment to ARTICLE I, to include the addition(s) of § 4 & 4.1 & 4.2:**
 4. **Use of Artificial Intelligence**. If the Services described in Exhibit "A" require Provider to use AI, ownership of Student Data shall remain with the District or Student. The Provider is prohibited from using or reproducing Student Data for AI training or content generation without prior written consent from the District. Furthermore, sub-licensing Student Data for these purposes is strictly prohibited without explicit written permission from the parents or eligible pupils. Access to District-provided Student Data is limited to authorized users unless granted in writing by the LEA or otherwise permitted under this DPA.
 - 4.1 **Hallucinations**. Provider will provide notice in the event that any feature of the services it provides is modified to include AI functions. Provider further represents that it will monitor the Hallucination rate of the service and take industry standard methods to reduce Hallucination rates.
 - 4.2 **Collection of Student Data and AI Use**. The Provider must complete the attached AI Schedule of Data.

4. **Amendment to Article IV, to add a new Section 8**

8. **Algorithmic Biases.** The Provider certifies that any AI technologies used in facilitating the Services are regularly audited for biases and fairness and, if necessary, Provider shall implement strategies to identify and mitigate any discriminatory effects or biases in AI decision-making. Upon request by the LEA, the Provider shall provide the LEA an abstract or summary of findings of that portion of the audit pertaining to algorithmic bias.

Furthermore, Student Data, as defined elsewhere in the DPA, shall not be used for training purposes or to develop synthetic and/or inferred data. All other provisions of the DPA shall remain in effect.

5. **Amendment to Exhibit C: Definitions shall be amended to include the following terms:**

Algorithmic Bias: Where an algorithm produces systematically prejudiced outcomes favoring certain groups or disadvantaging others based on characteristics like gender, race, age, ethnicity or other protected attributes.

Artificial Intelligence (AI): Refers to systems that display intelligent behavior by analyzing their environment and taking action, with some degree of autonomy, to achieve specific goals.

Hallucination: A response by an artificial intelligence to a user request or query that is incorrect, nonsensical or misleading that may appear to be factually correct.

Describe how Student Data is Used:

Any other information related to Provider's use of AI:

The Provider certifies that any AI technologies used in facilitating the Services are regularly audited for biases and fairness and, if necessary, Provider shall implement strategies to identify and mitigate any discriminatory effects or biases in AI decision-making. Furthermore, Student Data, as defined elsewhere in the DPA, shall not be used for training purposes or to develop synthetic and/or inferred data. All other provisions of the DPA shall remain in effect.

IN WITNESS WHEREOF, LEA and Provider execute this DPA as of the Effective Date.
