Board Meeting Date September 11,2013

Subject Resolution No. 1314-0017 for Adopting 2012-2013 and 2013-2014 Gann Limits

Action Requested Approval by the Board of Education of Resolution No. 1314-0017 for adopting the

revised Gann Limit for the 2012-2013 and 2013-2014 School Year in accordance with

the provisions of Article XIII-B and applicable statutory law.

Background In November 1979, California adopted Proposition 4, known as the Gann Amendment,

adding Article XIII-B to the California Constitution limiting government spending by population growth and inflation. This Article established maximum appropriation

limitations, called Gann Limits, for school districts.

Statutory provisions do not require school districts to reduce spending to meet Gann

Limits. However, Article XIII-B requires school districts to annually calculate both their Gann appropriations limit and their revenues subject to this limit for both the

prior and current year budget years.

**Discussion** No budget adjustments are required for either the current or prior year limit.

**Recommendation** Approval by the Board of Education of Resolution No. 1314-0017 - Adopting the Gann

Limit for the 2012-2013 and 2013-2014 Fiscal Years, in accordance with the

provisions of Article XIII-B of the California Constitution and applicable statutory law.
