R. Adoption of the General Consent Report

Adoption of the General Consent Report (GCR)" means that all items appearing under this topic or Agenda Item are approved in one motion unless a Member of the Board requests that an item be removed and voted on separately or otherwise acted upon. Generally, GCR legislative items are recommendations from the Superintendent of Schools, or otherwise routine in nature, or are proposed actions that are sufficiently supported by prior or present accompanying reference materials and/or information not requiring additional discussion and are acted upon in one motion to conserve time and permit focus on other-than-routine legislative items on the Agenda.
