SCOPE OF WORK

Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). **NOT THE GOALS OF THE SITE OR DEPARTMENT.**

Per the Surgeon General's Report in 2000, a minimum of 20% of all school children will need mental health services during their K-12 years. Untreated mental and behavioral health issues are associated with a variety of barriers to learning including inattention, apathy, hyperactivity, poor self-regulation, aggression, school avoidance, disassociation, lack of concentration, bullying and fighting. Outcomes associated with the FSCP "Early Behavioral Health Initiative" include improvements in behavior, attendance and achievement, which can be correlated with higher graduation rates and other health related outcomes in adolescence. MH interns provide a valuable resource for schools in OUSD which lack other available counseling supports. Other impacts include increased school safety resulting from reduced bullying and fighting, and increased parent engagement as a result of participating in family counseling services.

3. Alignment with District Strategic Plan: Indicate the goals and visions supported by the services of this contract: (Check all that apply.)
