# Board Cover Memorandum

**To** Board of Education

**From** Kyla Johnson-Trammell, Superintendent  
Sondra Aguilera, Chief Academic Officer

**Meeting Date** June 23, 2021

**Subject** Memorandum of Understanding 2021-2022 – East Bay Agency for Children - After School Program – Rise Community School

**Ask of the Board** Approval by the Board of Education of Memorandum of Understanding 2021-2022 between the District and East Bay Agency for Children, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Rise Community School’s comprehensive After School Program, for the period of August 1, 2021 through July 31, 2022, in an amount not to exceed \$122,697.00.

**Background** The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

In 2018, the California Assembly enacted AB 1808, which established the After School Kids Code Pilot Program to expand access to coding for students participating in existing ASES Programs. The California Department of Education provided one-time grant funds to eligible ASES programs that focus on computer coding as part of their after school program curriculum. The Kids Code program is key to addressing access issues for students, particularly in STEM-related subjects. The more opportunities a young person has to engage in hands-on STEM learning at a young age, the more likely that student is to develop an interest and identity with STEM subjects. Afterschool and summer learning programs provide a place to foster interest and identity in new subjects, and can be a well-positioned

partner in expanding access to computer coding for students.

**Discussion**

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal has selected this agency from the list of approved lead agency partners.

**Fiscal Impact**

After School Education and Safety (ASES) Grant/Resource 6010 in the amount of \$111,269.00, After School Education and Safety (ASES) Kids Code Grant/Resource 6011 in the amount of \$11,428.00

**After School Template for Elementary and Middle Schools  
Memorandum of Understanding 2021-2022  
Between Oakland Unified School District and  
East Bay Agency for Children**

1. **Intent.** This Memorandum of Understanding (“MOU”) establishes the Oakland Unified School District’s (“OUSD”) intent, contingent upon OUSD’s receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with **East Bay Agency for Children** (“AGENCY”) to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at **192** **Rise Community School** under the following grants:

- After School Education and Safety Program (“ASESP”)
- California Department of Education (“CDE”) 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
- Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth (“OFCY”) After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21<sup>st</sup> CCLC funds.
- Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2021 through July 31, 2022. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD’s cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

**a) No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD’s cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY’s premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

**b) Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for **East Bay Agency for Children** is **\$ 122697.00** . AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:**

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$8.88 a day per student through ASES and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.88 a day for ASESP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2021-2022"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2021-2022 and will not exceed **\$ 122697.00** in accordance with Exhibit B. **Exhibit B** ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2021-2022").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

**Program Fees.** The intent of the ASES and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. Any site receiving 21<sup>st</sup> Century Community Learning Center (CCLC) must report all fees collected (i.e.- registration fees, family fees, application fees, etc.) to OUSD After-School Program Office for CDE reporting.

5. **Scope of Work.** AGENCY will serve as lead agency at **192 Rise Community School**, will be responsible for operations and management of the ASES, 21<sup>st</sup> CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2021-2022. SECTION 2: PROGRAM OPERATIONS	
Average Daily Attendance, Program Dates, Minimum Days & Enrollment	
To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.	
Projected daily attendance for 2021-2022 school year program.	83
Program Operations for the 2021-2022 school year. First Day: August 9, 2021 Last Day: May 26, 2022	
UPDATED ED CODE:	Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. This should be uploaded no later than 5 business days after the closure day.
Identify the three days (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2021).	
1st:	Aug. 9, 2021
2nd:	Aug. 10, 2021
3rd:	5/26/2022
Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.	
Projected Number of Minimum Days for School Year 2021-2022:	50
Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?	
There are no additional school funds to cover the added minimum days. ASES and agency funds will be used to cover the additional costs to programming.

Next, click on the drag or browse window and upload the Enrollment Timeline file. Please name your file in this format: SchoolName\_EnrollmentTimeline

Please check the box below after completing the above instructions

- Enrollment Timeline has been uploaded to Program Plan folder

*Important dates to include in your timeline*

**April - June:** Spring enrollment for 2021-2022 programs.  
 Families will be notified of 2021-2022 after school enrollment before the **last day of school, May 27, 2021.**  
 After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.  
**August - September:** new school year enrollment of families for remaining program slots.  
 Remaining program slots will be filled by **September 30, 2021**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year  
 All programs must maintain **waitlists** after program slots are filled.  
 CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Make sure to include a description of 1-3 enrollment priorities that will be made public and why.

**\*\*This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to your schedule and recruitment process. Describe how your school will identify and recruit students beginning of Spring 2021. Indicate how families will be notified of 2021-2022 enrollment before the last day of school.**

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a Golden Ticket. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal **McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)**, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. **Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)**
  - Establishes the definition of homeless used by schools
  - Ensures that children and youth experiencing homelessness have immediate and equal access to public education
  - Provides for educational access, stability, and support to promote school success
  - Needed to address the unique barriers faced by many homeless students

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2020-2021 school year? 0

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?

Our program will accept any students who have a "Golden Ticket". These students will be given priority into the program and space will be made for them.

SECTION 4: PROGRAM COMPONENTS	
<p>CDE requires that programs must provide a safe environment and include an educational component that provides tutoring and/or homework assistance; and an educational enrichment component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for physical activity. (EC Section 8483.3(c)(7))</p>	
<p>Educational and Literacy Component that includes tutoring/</p>	<p>Describe how the after-school program will provide the educational &amp; literacy component.</p>

**Respond Below:**

Students at RISE have a designated academic time every day. Program staff focuses on homework support and reading and ensures that all students have started their homework and reading logs. Staff provides at least one hour/week of literacy and math to all students. Students are broken up by grade level for academic time and stay with the same grade level teacher every day. Due to this format, students develop close relationships with their academic teachers. Afterschool staff is able to get to know students and their academic abilities and can work individually with students on areas of need. Afterschool staff also work closely with school day teachers to ensure that they are supporting their students. Many of the ASP staff at RISE also work during the school day doing academic intervention. This helps connect our students with the school and our staff are better equipped to support struggling students.

**Homework assistance in the core subjects (language arts, math, history /social science, etc.)**

How are students building academic skills? How are social-emotional academic development being integrated? *(Include specific strategies for creating a safe & supporting environment through encouragement and active engaged learning.)*

**Respond Below:**

Our Afterschool staff support students with their homework during our academic periods. Since each grade level has a designated teacher this helps with being able to do small group skill lessons when needed. Every Wednesday, instructors use Academic Center time to help students who are struggling with particular academic skills. Instructors teach mini lessons geared towards a particular skill. They also play academic games like "Around the World", spelling test (using school day words), and offer individualized academic supports.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? (Include specific strategies designed to foster skill-building, youth voice and leadership and diversity, access and equity.)

**Respond Below:**

Students are given the opportunity to provide input on both program enrichment classes being offered as well the specific lesson plans within the offerings. RISE afterschool offers a variety of enrichment offerings from art, music, sports, science, etc. Students also get "Kids Choice" which allows students the opportunity once a week to choose the class they want to participate in. Afterschool staff is trained to relate activities to youth experiences, encouraging students to take on leadership roles and ensure that classes are accessible to all students and learners. All EBAC afterschool staff is trained on the SAPQA, SEL practices, Youth Development practices, asset based language, Mindfulness and Trauma Informed Care.

Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)

*CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not "free play" or recess. (We understand Middle and High will vary based on sports programs and scheduling. Please explain how the after-school program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).*

- Plan and evaluate (review fitness test results, track minutes, etc.)
- Include a variety of activities throughout the year

Describe how the after-school program will provide structured physical activity for all participants. (Include specific strategies to promote healthy choices and behaviors.)

**Respond Below:**

All afterschool staff regardless of what they teach are trained by Playworks in "Group Management" and "The Power of Play". The afterschool program offers a variety of physical activities such as recreation, fitness, sports, mindfulness, cooking/nutrition, team building along with recess. Staff also model positive healthy behaviors and activities including what they eat in front of the students.

Family Literacy Component that includes literacy activities and other educational services that engage adult family members of students.

Describe how the after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?

**Respond Below:**

RISE Afterschool Program supports the school day literacy events. RISE afterschool also hosts family events such as showcases, special events, and movie nights where families participate with their children in various activities. During virtual school, our team worked with the school day putting together once a month presentations for the students. We hope to continue these next school year.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? (Include specific strategies designed to foster skill-building, youth voice and leadership and diversity, access and equity.)

**Respond Below:**

See above

1. Complete the program schedule from or upload your program schedule.

a. Make sure your program schedule includes:

- i. Class/Activity title i.e. African Dance not just enrichment
- ii. Day and time offered

b. Complete this form to design program component attached template to describe program components then link them into this document. Program component description link: linked to the spreadsheet create a drop-box option (a) CDE--academic, enrichment, physical activity "use the same title".

Academic Alignment with School Day and District Priorities

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

OUSD Student Learning Goals:

- 1- All students build relationships to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in English Language Arts
- 3- All students continuously grow towards meeting or exceeding standards in Math
- 4- English Learner students continuously develop their language, reaching English Fluency in 6 years or less
- 5- All students grow a year or more in Reading each year
- 6- All Students graduate college-, career-, and community-ready

How will the after-school program further these OUSD Learning Goals?(Choose 2-3 to focus on for the 2021-22 School Year)

**Respond Below:**

- **SEL:** EBAC programs have built in the SEL 3 signature practices into their lesson plans and programs. Our programs use various curriculum such as Building Intentional Communities to support SEL work both with students and staff. SEL is very important to the work that EBAC does and we believe that adults and youth need to work on their social emotional skills.
- **School Culture:** Afterschool Program staff will utilize the PBIS practices and strategies implemented by the school in all of our classes in order to be aligned with the school day practices. Staff are trained in school PBIS expectations. Our staff are trained on asset based language and trauma informed practices. We meet students where they are and recognize that all students are individuals who have different learning styles and experiences. We have shared values and behavior expectations from school day to afterschool. We are working closely with the school as well as New Highland Academy to help support the student, family and staff transition when the school merge the following school year.
- **Math and Literacy - Academic Centers:** Every Wednesday, instructors use Academic Center time to help students who are struggling with particular academic skills. Instructors teach mini lessons geared towards a particular skill.

They also play academic games like "Around the World", spelling test (using school day words), and offer individualized academic supports.

**SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)**

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation

**TRUTH**

*What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.*

**Respond Below:**

EBAC has been working with RISE Community for the past 4 years. We have solid relationships with the school, students and families. This past year, we took over the New Highland program and were supposed to run both sites. The plan was to use this year to begin to support the upcoming merger by integrating both programs but due to the shelter in place it did not happen.

**HOPE**

*What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?*

**Respond Below:**

Our hope is that this upcoming year, we can integrate our afterschool programs at both sites to support the upcoming merger (scheduled the following school year). This year we hope to utilize our strong program practices and relationships at RISE to support a fully integrated program and school and family.

**CHANGE**

*What steps will be taken to make the shifts needed to realize the HOPE identified above?*

**Respond Below:**

We will change our program to intentionally create opportunities for students/families to engage with one another from both schools (ex. school wide assemblies, family engagement nights, etc). We will also work with the school teachers at both sites and integrate spaces so that students become familiar with being on both campuses.

**CURIOSITY**  
*What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.*

**Respond Below:**

How will students/families feel about the merger? What major role will afterschool play and will our role of intentionally integrating program help with the merger?

		<p>Our program will <b>communicate</b> in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to the inability to pay.</p> <p>Per CDE, our programs will communicate in writing and publically to parents/guardians program fee expectations in language parents can understand. This should be included in your enrollment applications, posted in your school (publicly accessible), parent handbooks and any marketing materials. <i>Ensure that all documentation is accessible to families. This means they should be translated into the major languages used by the families in your school.</i></p>
		<p>Our program will publicize the <b>program fee structure</b> in written program materials for school leaders, parents/guardians, and/or community members (i.e. communication letter, meetings agenda, etc.).</p>
		<p>Our program shall not charge a fee to a family for a child if the program once notified that the child is a <b>homeless youth</b>, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 1143.a), or for a child who the program knows is in <b>foster care</b>.</p>
		<p>Our program will provide <b>receipts</b> to parents/guardians for each payment made.</p>
		<p>The lead agency will <b>manage funds</b> raised by program fees according to standard accounting practices and will provide quarterly Income Statements to the Principal and OUSD Expanded Learning Office detailing amount collected from program fees and expenditures. 		<p><b>The Use of Fees:</b> Any fees collected by programs shall be used for program activities, services for students, and program administrative costs. CDE guidance calls for all programs to "keep accurate records of fees collected, and fees should be tracked separately from the grant funds received." Keep documents in the event of an annual financial audit and/or Federal Program Monitoring (FPM). Families who receive free and reduced lunch should be prioritized for no cost program admission.</p>

## 2021-2022 Modification Program Plan

ELEMENTARY/MIDDLE & HIGH SCHOOLS

ASES and 21st Century Community Learning Center (21st CCLC)

**Modification Program Plan:** Given the uncertainty of the school reopening model, this document will:

→ Develop a clear work plan that supports students' learning in partnership with the school site to prepare for any model for reopening in the 21-22 school year.

→ Support collaboration with schools and Lead agencies to determine their reopening plans.

### Non-Negotiable Compliance Considerations Expanded Learning Guidelines

When designing the Expanded Learning program model, please consider all of the following factors.

- ASES, 21st CCLC, and ASSETS funding will not increase based on the program model.
- Sites will be required to run 180 days of programming.
- Sub-contractors partnerships and how they will fit into this program model
- No supplanting (Programs are required to provide supplementing/enrichment programs and can not provide any instructional minutes)

### Expanded Learning Program Models

Given the constant uncertainty due to COVID-19, the Expanded Learning Office is asking all Expanded Learning Partners and Site Leadership Teams to design programming for multiple reopening models to ensure we can meet our communities' needs in the fall.

**Possible modified program models:**

- Distance Learning Support
- In-person with modifications based on State and County Safety guidelines.
  - If the sites are in any type of hybrid programming where some are on and some students are off-campus. Expanded Learning funds are to be prioritized for in-person programming.
  - This modification occurs when students come back part-time or not all students come back in person. I.E. small pod instruction with only 12-14 students present in each class.

#### GUIDING QUESTIONS - Staffing

Please answer the following questions to help guide program contingency planning. Staffing is the key ingredient to making these decisions for each site.

How many full-time employees does the expanded learning program employ? (i.e., site coordinators)

How many part-time employees?

How many hours do the part-time employees work?

Hrs

Does the program have subcontractors that provide service?

**MODIFIED SCOPE OF WORK**

Please Indicate below how the Expanded Learning Program will support each possible modification. Check all that apply. (Keep in mind that Expanded Learning funds should be used to support enrichment for students. If staff is supporting school day make sure to set aside dedicated for them to provide this service.)

**Distance Learning :**

- Expanded Learning staff will be generally present (via Zoom) from \_\_\_am/pm to \_\_\_am/pm
- Expanded Learning staff will virtually support 1:1 with a student(s) \_\_\_ groups of students \_\_\_
- Expanded Learning staff will virtually support teachers directly.
- Expanded Learning staff will lead and facilitate programming independently of the school day
- Expanded Learning staff will assist with specific subjects.

List subjects below:

Please briefly describe how the program will support distance learning:

Our staff will continue to host virtual classes for students, provide virtual recess and game breaks as well as provide small group virtual supports. If needed our staff can help with individual teacher supports as well. Our team at RISE has also been helping with in school recess breaks and student transitions on and off campus through the hybrid programming.

**In-person Modified by State and County Health Guidelines:**

- Expanded Learning staff are in person with a small cohort, based on county POD guidelines
- Expanded Learning staff will provide programming for 3 hours after the school day ends.
- Expanded Learning staff will provide distance learning support for student or 1:1 tutoring Expanded Learning staff will support in-person students daily
- Expanded Learning staff will virtually support students on days when all students are virtual

Please briefly describe how the program will support distance learning:

Depending on what the needs are at the school, our team can adapt. Ideally, we will be able to provide afterschool services 5 days a week for students to support families and provide students with the much needed recreation and SEL that they have missed out on this past school year. At RISE, we have been employing our staff to support the hybrid programming for the 20-21 school year by supporting safe student transitions on and off campus and providing outdoor recess/snack supervision.

**SECTION 3: PARTNERSHIP & COMMUNICATION ASSURANCE**

How will the site operationalize communication between the lead agency staff and school faculty? Are there existing spaces that the coordinator or instructors should be invited into to improve alignment between the school faculty and expanded learning staff?

- PBIS
- Staff Meetings
- Grade level Collaboration
- COST

**If a shift happens how do you collaboratively transition from fully remote learning to in-person learning modified? (i.e. Keep in mind impact, staff readiness, budget, space, and county/state guidelines.) What are the steps/considerations for the transition?**

The coordinator is present in all school related meetings. The coordinator will work closely with the school administration to ensure that our program is supporting and aligning appropriately with the student and school needs. Our team has worked this past school year supporting hybrid programming and are well prepared to support work remotely.

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Middle School Sports Release of Liability and Assumption of Risk

**OAKLAND UNIFIED SCHOOL DISTRICT AND \_\_\_\_\_**  
**20\_\_-20\_\_ MIDDLE SCHOOL SPORTS LEAGUE ACTIVITIES**

**RELEASE OF LIABILITY AND ASSUMPTION OF RISK**

In exchange for being permitted to participate or have my child/ward participate in activities and use equipment and facilities, I agree to release, indemnify and discharge Oakland Unified School District ("OUSD"), \_\_\_\_\_, and their respective agents, directors and employees on behalf of myself, my spouse/domestic partner, children, heirs, assigns, and estate as described below.

1. I am familiar with the Middle School Sports League Activities and facility rules and agree that I and my child will follow them. I understand that the recreational activities or use of the facilities or equipment carries inherent risks which cannot be eliminated regardless of the presence of coaches or other care taken to avoid injury. I understand that, in the event that a Middle School Sports League school site is closed for any emergency reason (including but not limited to reasons related to COVID-19), the Middle School Sports League shall provide physical programming remotely, rather than in-person at the school site, and that this remote physical activity likewise carries inherent risks. I understand that OUSD and \_\_\_\_\_ are not responsible for loss, damage, illness, or injury, or death, to person or property as a result of use of the facilities or equipment or participation in the Middle School Sports League activities (including remote physical activity) offered after school and on designated weekend days as scheduled.
2. As parent/guardian, I certify that my child is physically fit and medically able to participate in the Middle School Sports League activities and that parent/guardians have not been advised otherwise by a qualified medical person. I authorize OUSD, \_\_\_\_\_, or Middle School Sports League staff to furnish and/or obtain emergency medical treatment which may be necessary for me or my child during Middle School Sports League activities. Participant and/or parent/guardian agree to pay all costs associated with medical care and transportation for the participant as provided by law.
3. As parent/guardian, I have reviewed the schedule(s) for Middle School Sports League activities and understand that weather permitting the Middle School Sports League activities generally run after school and on designated weekend days of each month as scheduled. Parent/Guardians understand that they are responsible for transporting their child/children and picking up their children promptly at the end of the program and that there is no OUSD or \_\_\_\_\_ supervision for children after the Middle School Sports League program ends.
4. I agree as an adult participant, or the Parent/Guardian of a minor participant, to grant the right and permission to photograph and/or record me or my child/ward in connection with Middle School Sports League and to use the photograph and/or recording for all purposes.

By signing this document (Release of Liability and Assumption of Risk), I understand that if anyone is hurt or property damaged in connection with Middle School Sports League activities (including remote physical activity), I may be found to have waived my or my child/ward's right to maintain a lawsuit against OUSD, \_\_\_\_\_, or their respective agents, directors, and employees and I am voluntarily choosing to participate.

Statement of Qualifications

Trauma and social disparities inhibit, impede, and sometime preclude well-being in children, youth and families. Children can't learn when distracted by emotional or behavioral challenges they are ill-equipped to handle. Nor can families thrive when they struggle to secure food, shelter and medical care.

East Bay Agency for Children focuses on interrupting the cycles that perpetuate adverse childhood experiences.

Children have a strong ability to overcome exposure to adversity if they and their families are given guidance and tools to build resilience and aid in recovery.

At East Bay Agency for Children, we work every day so children and families impacted by trauma can ultimately reach their full potential.

*"I finally feel like someone understands what I am going through and is willing to help me help my son."*

Agency Overview

## Reducing the Impact of Trauma and Social Inequities

BEGUN IN 1952, EAST BAY AGENCY FOR CHILDREN CONTINUES TO BE A BAY AREA LEADER IN STRENGTHENING CHILDREN'S SOCIAL-EMOTIONAL HEALTH. TODAY, OUR COMPREHENSIVE CONTINUUM OF SERVICES POSITIVELY IMPACT THOUSANDS OF CHILDREN AND FAMILIES ANNUALLY.

### School-based Therapeutic Intervention

Children can act out or become withdrawn as a result of emotional triggers they don't understand and can't control. Often these behaviors result from adverse childhood experiences such as abuse or neglect; separation from a loved one by death, incarceration or deportation; or the stress of living in poverty or in neighborhoods or homes impacted by violence.

Every year, East Bay Agency for Children delivers school-based treatment to support healing and building resilience in over 1,000 Alameda County children impacted by trauma.

### Trauma Transformed

Trauma Transformed is the only regional center and clearinghouse serving the entire Bay Area to promote trauma-informed systems.

Trauma Transformed provides trainings and policy guidance to systems of care professionals and organizations, building awareness and knowledge of trauma to reduce the re-traumatization of youth and families and the professionals who serve them. [TraumaTransformed.org](http://TraumaTransformed.org)

### Family and Community Wellness

A strong and stable family is critical to a child's long-term wellness. East Bay Agency for Children delivers services that foster family engagement and strengthen over 10,000 families and children annually. Our services:

- **Enhance** student achievement through quality afterschool and parent-child school readiness programs
- **Connect** vulnerable children and families to health insurance, dental care, food programs and other safety net and social services
- **Train** children and adults how to protect against child assault, abuse and neglect
- **Strengthen** the well-being of children, families, and school communities experiencing loss, grief, life threatening illness, trauma, and violence

### Service Strategies

Our programs and services incorporate one or more of these three key strategies:

- **Build Resilience**
- **Aid Recovery**
- **Prevent exposure to trauma**

### Mission

East Bay Agency for Children's mission is to improve the well-being of children, youth and families by reducing the impact of trauma and social inequities.

We support children and families who are disproportionately impacted by poverty, violence, marginalization, loss of loved ones, or other forms of trauma.

To best serve our client's needs, our comprehensive services are trauma-informed, culturally relevant, linguistically appropriate, and primarily located on school campuses where children and families already congregate.

### Outcomes

East Bay Agency for Children's staff work diligently to produce these desired and life changing results:

- Children face less emotional and physical risk
- Children and families in all neighborhoods from diverse racial and ethnic backgrounds are healthier because they have affordable health insurance, food assistance and other public benefits they need
- Children exposed to trauma can heal, and they are better able to withstand exposure to future adversity
