**Memorandum of Understanding 2013 – 2014
Between Oakland Unified School District and
Oakland Leaf**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Oakland Leaf ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 190/Think College Now under the following grants:
- After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2013 to August 29, 2014 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASESP and 21st CCLC grant award amount for 190/Think College Now is \$84,860.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2013-2014")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's

performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.

4.5. Program Budget. Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2013-2014 and will not exceed \$84,860.00 in accordance with **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2013-14").

4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. Program Fees. The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site

Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

AGENCY may retain a copy of all materials produced under this MOU for its use in its general business activities.

10. Changes

- 10.1. Agency Changes.** AGENCY may, at any time, by written order, make changes consistent with Section 5 Scope of Work of this MOU. If such changes cause an increase or decrease in the budgeted cost of or the time required for performance of the agreed upon work, an equitable adjustment as mutually agreed shall be made in the limit on compensation as set forth in Section 4 or in the time of required performance as set forth in Section 5.4, or both. In the event that AGENCY encounters any unanticipated conditions or contingencies that may affect the scope of work or services and result in an adjustment in the amount of compensation specified herein, AGENCY shall so advise OUSD immediately upon notice of such condition or contingency. The written notice shall explain the circumstances giving rise to the unforeseen condition or contingency and shall set forth the proposed adjustment in compensation. Such notice shall be given to OUSD prior to the time that AGENCY performs work or services related to the proposed adjustment in compensation. Any and all pertinent changes shall be expressed in a written amendment to this MOU and signed by OUSD prior to AGENCY's implementation of such changes.
- 10.2. Changing Legislation.** AGENCY understands that changes in Federal, or state legislation or District policy may impact funding levels, grant requirements, and responsibilities of AGENCY during an academic school year. AGENCY shall not permit its agents to come into contact with students until CDOJ and FBI clearance is ascertained, and AGENCY shall certify in writing to OUSD that none of its agents who may come into contact with pupils have been convicted of a violent or a serious felony. AGENCY shall further certify that it or its subcontracting agencies have received and reviewed fingerprint results for each of its agents, and Agency or its subcontracting agencies shall request and review subsequent arrest records for all agents who may come into contact with OUSD pupils in providing services to the District under this Agreement.

In the event OUSD requests the removal of any AGENCY related persons, employee, representative or agent from OUSD school site and/or property, the OUSD site administrator shall provide to the AGENCY written, supporting rationale for the decision. OUSD After School Program Office, after conferring with Legal and the Executive Officer supporting the site, shall decide, taking all the facts and circumstances into account, if AGENCY may reassign an employee or agent to another OUSD site. Prior to the removal or change of any AGENCY staff member who is a regular part of the after school program, AGENCY shall inform the Site Administrator with as much notice as possible, and will work with the Site Administrator to ensure a smooth transition in staffing.
- 11.4. Conflict of Interest.** AGENCY shall abide by and be subject to all applicable OUSD policies, regulations, statutes or other laws regarding conflict of interest. AGENCY shall not hire any officer or employee of OUSD to perform any service by this Agreement. AGENCY affirms to the best of his/her/its knowledge, there exists no actual or potential conflict of interest between AGENCY's family, business or financial interest and the services provided under this MOU, and in the event of change in either private interest or services under this MOU, any question regarding possible conflict of interest which may arise as a result of such change will be brought to OUSD's attention in writing.
- 11.5. Drug-Free / Smoke Free Policy.** AGENCY understands that OUSD does not permit drugs, alcohol, and/or smoking at any time in any buildings and/or grounds on OUSD property. AGENCY agrees to adhere to this policy for its students, staff, visitors, employees and or subcontractors.

In addition, AGENCY agrees to require like compliance by all its subcontractor(s).
- 12. Indemnification.** AGENCY shall indemnify, hold harmless and defend OUSD and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by OUSD, AGENCY or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this MOU. AGENCY's obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss of liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD. If AGENCY should subcontract all or any portion of the work or activities to be performed under this MOU, AGENCY shall require each subcontractor to indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of the proceeding paragraph.
- 13. SECTION 4: Program Model and Lead Agency Selection

For 2013-2014, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

Oakland Leaf cultivates community transformation through creative education. Leaf programs place a premium on values and high expectations for young people. Leaf's programmatic goal is to cultivate a generation of youth leaders who, through participation in our programs as students, artists, athletes, evaluators and, eventually, educators and community change-makers, will develop the necessary skills and perspectives to take ownership of, and leadership for their community. In regards to Oakland Leaf's after-school services, standards of excellence and achievement are applied to Academic offerings and Enrichment offerings. Oakland Leaf is committed to the students' academic achievement and success, along with broader youth development goals.

Our programs derive their strength and beauty from the interweaving of five initiatives: Literacy, Health and Wellness, Empowerment and Leadership and STEM (Science, Technology, Engineering, Math). Oakland Leaf programs include: Oakland Peace Camp, a summer program serving 90 youth annually; six comprehensive after-school programs ASCEND Sunset Warriors, Think College Now, International Community School, EnCompass Academy, Bret Harte Middle School, and Learning Without Limits Full Circle; Youth Roots, a year-round leadership and action program for 25-30 high school youth; and the All-Oakland Talent Show, an annual youth performance exhibition/fundraiser, and Love Cultivating School Yards, providing a gardening apprenticeship program for high school students.

Oakland Leaf and Think College Now Elementary School are dedicated to educating children to achieve excellence in developing an active, reflective, and disciplined mind; a healthy and physically-fit body; a centered spirit; and just, caring, and courageous self-conduct.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Submit program schedule as an attachment, using the standard program schedule template.

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

At least 30 families will attend the workshop.	Think College Now has a strong college-going culture and seeks to educate students and parents about college and ensure that it is an option for all students.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Each instructor monitors attendance and instructors notify program leadership when there are attendance issues in the ASP. Phone calls are made and families are informed of the importance of school attendances
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Each instructor monitors attendance and instructors notify program leadership when there are attendance issues in the ASP. Phone calls are made and families are informed of the importance of school attendances
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	

SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

PBIS (Positive Behavioral Interventions and Support)

Restorative Justice

Social and Emotional Learning: **Second Step, and Roots of Empathy**

Bullying Prevention: **No Bully program in some classrooms and sometimes led by an administrator**

Other: (please specify): **We have always used Morning Meeting, Conflict Resolution circles, Panther Paw incentive system, and Panther Points classroom incentive system, and other strategies to support culture and climate.**

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate?

ASP staff will receive relevant trainings.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

Provide inclusive and equitable programming for all students. Exclusively hire and maintain staff who are culturally competent, staff that employ positive and reflection-based behavioral management strategies and staff that can effectively facilitate and design culturally relevant lessons.

SECTION 11: Coordination with Other Service Providers

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<p>X COST team (Coordination of Services Team) X SST (Student Study Team) X SSC (School Site Council) <input type="checkbox"/> ELT (Educational Leadership Team) <input type="checkbox"/> PTA x Attendance Team/Workgroup X CSSSP (Community School Strategic Site Planning) team <input type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify)</p>

2013-14 After School Enrollment Policy for Think College Now School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Low achieving/reading K/1/2 Boys and Girls	Teacher referral DRA data	
3/4/5 FBB/BB/B Boys and Girls	Teacher referral CST Data DRA data	
4/5 Girls who need social-emotional support	Teacher referral Counselor referral	

Grade levels prioritized for programming: Kindergarten through 5th grade students

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2013. Indicate how families will be notified of 2013-14 enrollment before the last day of school, June 13, 2013.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
April	Notify all TCN students about the 12-13 registration through the TCN Home/School folder announcements (include description of options, registration packet, and due date)	Site Coordinator
April	Identify target students based on student data (ALS, Dibels, DRA) and teacher referral. Additionally, will prioritize students who are impacted by the school closures	Site Coordinator & teachers with support from administration
April	Ask teachers for support in targeting individual families for ASP	Site Coordinator
May	Collect Registration form from Home-school folder and in the office	Site Coordinator
May	Enter student preferences in spreadsheet	Site Coordinator
June	Enroll students based on priority and then lottery	Site Coordinator
August	Inform families about their placement in the program. Give letters and ask them to confirm their registration.	Site Coordinator

Important dates to include in your timeline:

- April – June: Spring enrollment for 2013-14 programs.
- Families will be notified of 2013-14 after school enrollment before the last day of school, June 13, 2013.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2013.
- All programs must maintain waitlists after program slots are filled.

Statement of Qualifications

INSERT HERE

ounded in 2002 and serving over 1,000 students and their families annually, Oakland Leaf helps East Oakland students achieve academic success and develop into thoughtful, creative citizens. Working with partners such as Oakland Unified School District (OUSD), we provide a series of free school-based programs and community services that give students and families with limited financial resources access to the tools they need—not just to succeed but to excel.

We believe that society benefits when youth are inspired and challenged to reach their potential.

Oakland, although a vibrant community on the upswing, still sees less than two-thirds of its students graduate from high school. High school dropouts risk uncertain futures with high rates of poverty, crime, and poor health. Oakland Leaf is helping to close this opportunity gap. We provide programs that enable K-12 schools in East Oakland to serve as year-round resource centers for students, offering a safe, loving environment and a series of enriching programs that seamlessly complement traditional learning. Our programs are primarily based in the Fruitvale District, an area known as a cultural landmark for the city's Latino population and home to a thriving artist community.

Our programs are designed to engage the entire family.

Oakland Leaf programs include elementary and middle school after-school programs, family resource centers, a youth and young adult fellowship program, community gardens, a summer camp, and an annual citywide youth talent show. Our programs empower students and their families to become agents of positive change in their community. We offer guidance and support to parents as they engage in developmental activities with their children that will help the children thrive. Students who regularly attend our after-school programs see their academic achievement dramatically improve. They have higher school attendance, are suspended less, and see improved scores on both the California Standards Test and the California English Language Development Test.

We sustain long-term participation by students, from kindergarten to adulthood.

Whether we're teaching a fourth grader about biology and nutrition while his hands are in the soil tending a community garden he planted with his peers, or helping a high school senior hone her computer skills as she learns to edit a documentary she made about a social issue that matters to her—our programs cultivate a sense of wonderment and an ongoing interest in learning that keeps students engaged through even the most challenging stages of adolescence. Our older students often go on to work as mentors in our after-school programs and summer camp.

Oakland Leaf Programs Focus on Five Core Initiatives:

Each initiative correlates to challenges prevalent in East Oakland. Rather than focusing solely on one aspect of enrichment, such as improving academic scores, we take a holistic approach—offering participants a broad range of activities that foster curiosity and insight about themselves and their community. We provide the opportunities, but we challenge students and their families to strive for what they want to achieve for themselves while creating the change they want to see in the community.

1 STEM (Science, Technology, Engineering, Math)

The U.S. Department of Labor expects job market growth for STEM professions to outpace all other occupations, yet a majority of Oakland students are below proficient in science and math. Oakland Leaf ensures that students and their families are digitally literate and have access to modern technology. We engage students from an early age in hands-on activities involving math, science, and computer programming. Through projects for design competitions and science fairs, we encourage students to have confidence in pursuing their interests in the sciences.

“Seeing how people see me, a Mexican woman living in a marginalized community, motivated me to overcome limiting stereotypes and to decide for myself who I am and who I want to be.”

Lina, UC Berkeley Student and Oakland Leaf youth leadership intern

2 Literacy

Basic early literacy skills are the best predictor of a student's likelihood of graduating from high school and of his or her lifetime earning potential. Oakland Leaf supports parents in developing the literacy of their children from the earliest days of kindergarten. Mainly serving English Language Learners from homes where Spanish is the primary language spoken, we provide English language classes and literacy programs for the entire family.

5 CORE INITIATIVES

- STEM (Science, Technology, Engineering, Math)
- Literacy
- Art & Culture
- Health & Wellness
- Empowerment & Leadership

3

Art and Culture

Multiple independent studies show increased years of enrollment in arts courses are positively correlated with higher SAT verbal and math scores, yet school enrichment programs in the arts are being reduced or eliminated because of cuts to education funding. Oakland Leaf was born out of our annual citywide talent show, created in 2000 to celebrate the talents of Oakland's youth. Today we continue this tradition, providing students with opportunities to tell their stories and express their dreams for the future through performing arts, digital arts, and music production.

From 2010 to 2012,
all of the seniors in
Oakland Leaf's youth
leadership internship
program graduated;
91% of them
were accepted
to four-year
colleges.

4

Health and Wellness

Healthy communities begin with healthy individuals. At 31%, the childhood obesity rate for Oakland is nearly double that of the national rate. Oakland Leaf is working to improve the health and vitality of East Oakland with community gardening and wellness activities, focused on ecology, nutrition, and fitness. We also partner with the Alameda County Community Food Bank to ensure families have year-round access to healthy food.

5

Empowerment and Leadership

Strong communities need strong leaders. We help our students find their voice and develop inner strength and self-discipline. The young men and women in our programs are taught to respect each other, their parents, and their elders. We provide positive male and female role models with a variety of backgrounds and allow students the chance to become role models themselves. We provide leadership training for all ages and internship opportunities for high school students and recent high school graduates.

Oakland Leaf's after-school programs scored an average of

4.6 out of 5,

on the Youth Program Quality Assessment scale.

The national average is 3.39*

Our programs have received national recognition.

Our after-school program at an OUSD middle school was one of only five in the nation to receive the 2011 MetLife Foundation and Afterschool Alliance Afterschool Innovators Award, for excellence in aligning the regular day and after-school program. It also drew attention from U.S. Secretary of Education, Arne Duncan, who in his 2011 speech, "The New Consensus on Middle Grades Reform," commended our program for the impact its enrichment activities have had, noting that test scores and graduation rates at the school are up, while suspensions and office referrals are down.

*Assessments were conducted in 2011 by the City of Oakland and OUSD with the research-validated observation tool used in youth development programs around the country.
