No Child Left Behind, Supplemental Educational Services, Title I, Section 1116(e).

It is understood that this Contract does not commit OUSD to pay for Supplemental Educational Services, unless and until the OUSD SES Department approves the provision of Supplemental Educational Services to any particular student by CONTRACTOR.

2. Terms of Contract

The term of this Contract shall begin on December 14, 2011, and end on June 16, 2012 (“Term”).

3. Individual Learning Plan

3.1 Before CONTRACTOR begins Supplemental Educational Services to any particular student, CONTRACTOR shall submit to OUSD an executed Individual Learning Plan (hereinafter referred to as “ILP”) as specified by the OUSD SES Department for said OUSD student. CONTRACTOR shall use OUSD ILP. This form shall acknowledge CONTRACTOR’S intent to provide all services specified in the student’s ILP.

3.2 This Contract shall include an ILP developed for each OUSD student to whom CONTRACTOR is to provide Supplemental Educational Services. The CONTRACTOR will complete, on behalf of OUSD, the ILP for each student the CONTRACTOR serves. An ILP shall only be issued for OUSD students enrolled with the approval of the OUSD SES Department and shall outline specific achievement goals as determined by individual student assessment.

3.3 Any and all changes to an OUSD student’s educational program shall be made solely on the basis of a revision to the OUSD student’s ILP. At any time during the term of this Contract, an OUSD student’s parent, CONTRACTOR, or OUSD may request a review of an OUSD student’s ILP.

4. Scope of Work

4.1 OUSD and CONTRACTOR shall also enter into an Individual Services Agreement (hereinafter referred to as "ISA"), in the form of Exhibit A, which is attached hereto and made a part hereof and generally describes CONTRACTOR'S program.

4.2 Under this Contract, CONTRACTOR shall conduct the following scope of work:

- (f) Provide a copy of each ILP to the parent, Site Administrator and OUSD SES office by January 28, 2012;

Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from the OUSD student's pupil record. Such log need not record access to the OUSD student's pupil records by: (a) the OUSD student's parent; (b) an individual to whom written consent has been executed by the OUSD student's parent; or (c) employees of OUSD or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the pupil record. 8.8 CONTRACTOR shall grant access to pupil records, and comply with all requests for copies of pupil records, as required by state and federal laws and regulations.

8.9 CONTRACTOR'S obligation under this Section 8 shall survive cancellation, termination, or expiration of this Contract.

9. Severability Clause

If any provision of this Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Contract shall be severable and remain in effect.

10. Successors in Interest

This Contract binds CONTRACTOR'S successors and assignees.

11. Venue and Governing Law

All questions concerning the validity, interpretation and performance of this Contract shall be governed by and decided in accordance with the laws of the State of California without regard to choice of law principles. The parties hereby submit and consent to venue and the exclusive jurisdiction of any state or federal courts located within the City of Oakland, California and irrevocably agree that all actions or proceedings relating to this Contract shall be litigated in such courts.

12. Termination for Convenience

12.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time, for the OUSD's convenience and without cause. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process. Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

12.2 If the termination is for the convenience of the OUSD, CONTRACTOR shall submit a final invoice within 60 days of termination, and the OUSD shall pay the CONTRACTOR the sums earned for services actually performed prior to the effective date of termination and other reasonable costs incurred by the CONTRACTOR to implement the termination in accordance with the provisions of this Contract.

12.3 The CONTRACTOR shall not be entitled to anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder.

12.4 Either party may terminate this Agreement with or without cause by providing Thirty (30) days' notice, in writing, to the other party. Upon the expiration of said notice, this Agreement shall become of no further force or effect whatsoever and each of the parties hereto shall be relieved and discharged here from.

12.5 Services to an individual student may be terminated by CONTRACTOR with consent of the OUSD if the student fails to attend 3 or more sessions, per written parental request, the student's dis-enrollment from the District, if this MOU is terminated, or if the student's conduct or behavior threatens the safety or well-being of that student, other students or staff members, or substantially detracts from the learning environment.

13. Termination for Default

13.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time because of the failure of the CONTRACTOR to fulfill its contractual obligations and the District may, in its sole discretion, provide CONTRACTOR with a reasonable period within which to cure the default. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process (unless the notice directs otherwise). Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

13.2 If the termination is due to the failure of the CONTRACTOR to fulfill its contractual obligations, the CONTRACTOR shall be liable to the District for any reasonable costs or

damages occasioned to the District thereby. The expense of completing the Services, or any other costs or damages otherwise resulting from the failure of the CONTRACTOR to fulfill its obligations, will be charged to the CONTRACTOR and will be deducted by the District out of such payments as may be due or may at any time thereafter become due to the CONTRACTOR. If such costs and expenses are in excess of the sum which otherwise would have been payable to the CONTRACTOR, then the CONTRACTOR shall promptly pay the amount of such excess to the OUSD upon notice of the excess so due.

13.3 If, after the notice of termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR has not so failed, the termination shall be deemed to have been effected for the convenience of the OUSD subject to Section 12.

13.4 The CONTRACTOR shall not be entitled to any anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder. The rights and remedies of the OUSD provided in this section are in addition to any other rights and remedies provided by law or under this Contract.

14. Termination for Change of Control

In the event that CONTRACTOR undergoes a change in control where voting or other control of CONTRACTOR is acquired, directly or indirectly, in a single transaction or series of related transactions, or all or substantially all of CONTRACTOR'S assets are acquired, by any entity (other than an Affiliate), or CONTRACTOR is merged with or into another entity (other than an Affiliate) to form a new entity, then, at any time within nine (9) months after the last to occur of these events, OUSD may terminate this Agreement by (a) giving CONTRACTOR ninety (90) calendar days' prior written notice and (b) designating a date upon which the termination(s) will be effective.

15. Termination for Insolvency

OUSD may terminate this Agreement in its entirety if CONTRACTOR (a) becomes insolvent or is unable to meet its debts as they mature, (b) files a voluntary petition in bankruptcy or seeks reorganization or to effect a plan or other arrangement with creditors, (c) files an answer or other pleading admitting, or fails to deny or contest, the material allegations of an involuntary petition filed against it pursuant to any applicable statute relating to bankruptcy, arrangement or reorganization, (d) is adjudicated a bankrupt or makes an assignment for the benefit of its creditors generally, (e) applies for, consents to or acquiesces in the appointment of any receiver or trustee for all or a substantial part of its property, or (f) any such receiver or trustee is appointed and not discharged within thirty (30) calendar days after the date of such appointment.

16. Insurance

16.1 CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR'S fulfillment of any of its

obligations under this Contract or either party's use of the Work or any component or part thereof:

- (a) COMMERCIAL GENERAL LIABILITY insurance which shall include contractual, products and completed operations, corporal punishment and sexual misconduct and harassment coverage, and bodily injury and property damage liability insurance with combined single limits of not less than \$1,000,000 per occurrence.
- (b) WORKERS COMPENSATION insurance, as required by the California Labor Code, with not less than the statutory limits.

16.2 CONTRACTOR, no later than the date that this Contract is signed, and periodically thereafter upon request, shall furnish the District with certificates of insurance evidencing such coverage. Satisfactory evidence of insurance shall include standard insurance company Certificate of Liability Insurance form ACORD 25-S or the Marsh, Inc. insurance certificate form. The certificate of insurance shall include a thirty (30) day non-renewal notice provision. The policies of insurance providing the coverages referred to above shall name the Oakland Unified School District as an additional insured with respect to any potential tort liability, irrespective of whether such potential liability might be predicated on theories of negligence, strict liability or products liability. Premiums on all insurance policies shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR'S obligations under this contract at no additional charge. Failure to maintain the above mentioned insurance coverage shall be cause for termination of this Contract.

16.3 If at any time said policies of insurance lapse or become canceled, this Contract shall become void. The acceptance by OUSD of the above-required insurance does not serve to limit the liability or responsibility of the insurer or CONTRACTOR to OUSD.

16.4 If OUSD determines that change in insurance coverage obligations under this section is necessary, OUSD may reopen negotiations to modify the insurance obligations.

Exhibit B - Insurance Certificates

17. Indemnification and Hold Harmless

17.1 CONTRACTOR shall indemnify, hold harmless and defend the Oakland Unified School District and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs or damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by the District, CONTRACTOR or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Agreement.

17.2 CONTRACTOR'S obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss or liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD.

17.3 If CONTRACTOR should subcontract all or any portion of the work or activities to be performed under this agreement, CONTRACTOR shall require each subcontractor to

indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of paragraphs 17.1 and 17.2.

18. Independent Contractor and Conflict of Interest

18.1 CONTRACTOR shall provide all services under this Contract as an independent CONTRACTOR, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the OUSD and any individual assigned by CONTRACTOR to perform any services for the OUSD. If the OUSD is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR or any person performing services on CONTRACTOR'S behalf, CONTRACTOR shall defend, indemnify and hold harmless the OUSD from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the OUSD as a result of that holding.

18.2 CONTRACTOR shall abide by and be subject to all applicable OUSD policies, regulations, statutes or other laws regarding conflict of interest. CONTRACTOR shall not hire any officer or employee of OUSD to perform any service by this Agreement, with the exception of OUSD teachers hired to tutor students in the SES program. CONTRACTOR affirms to the best of his/her/its knowledge, there exists no actual or potential conflict of interest between CONTRACTOR'S family, business or financial interest and the services provided under this Agreement, and in the event of change in either private interest or services under this Agreement, any question regarding possible conflict of interest which may arise as a result of such change will be brought to OUSD'S attention in writing. Through its execution of this Agreement, CONTRACTOR acknowledges that it is familiar with the provisions of section 1090 et seq. and Section 87100 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provisions. In the event CONTRACTOR receives any information subsequent to execution of this Agreement, which might constitute a violation of said provisions, CONTRACTOR agrees it shall notify OUSD of this information.

19. Subcontracting

19.1 CONTRACTOR shall provide written notification to OUSD before subcontracting for Supplemental Educational Services pursuant to this Contract. CONTRACTOR shall subcontract only with Supplemental Educational Service providers that have received state certification or approval or independent contractors paid under IRS 1099 rules and only after receiving OUSD'S prior written consent. CONTRACTOR shall incorporate all of the provisions of this Contract in all subcontracts, to the fullest extent reasonably possible. PROVIDER SERVICES

- How will the provider ensure that content and instruction are consistent with the content used by and instruction provided by the OUSD and aligned with California state standards?

We employ an Assessor Administrator who is assigned the responsibility of ensuring that our instructional design and content are aligned with applicable state-adopted academic content standards used by and provided in the OUSD and aligned with California state standards, curriculum framework, and is consistent with the State Board of Education's curriculum adoptions process. We use software that has been populated with the content instruction, state standards, and instructional material to automatically recommend consistent application based on the student's test scores. Regional Managers are responsible for reviewing the Student Learning Plans and academic delivery to ensure compliance.

- How do you ensure that the ILP is individually tailored to each student's needs?

We customize each ILP specifically to meet the student's individual need based on a variety of factors. Our management system is automated to account for many individual factors based on academic evaluation. Our Assessor administrators incorporate the electronic data into information captured from parents, students, school instructors, and other documentation and information considering ELL, persons with disabilities, and or students substantially below grade level.

- In what content areas are providers prepared and qualified to provide support services to students as per the proposal approved by the state of California?

Reading, English Language Arts, Math, and Science.

- What are the qualifications of the employees used to provide SES services to students?

College graduates with education credentials make up the majority of our staff. Greater than fifty percent of our instructors are certified and all employees must have some college education. All employees are certified to instruct students in accordance with the curriculum as well as all standards, healthy and safety, emergency action, program management and operations. Employees must attend required training and successfully pass all courses. Employees must demonstrate an ability to work with students who are diverse, English language learners, and or disabled.

- What training, guidelines, and support do employees providing service receive? (Describe completely the content of the training received by employees providing service.)

Employees receive training that is supported by written guidelines and an on-line operational reference system. Employees attend at least three comprehensive training sessions specifically connected to instructional delivery, electronic data management, and specialized services. In addition, employees must attend a two hour orientation. Successful employees must pass a written exam prior to employment. Employees may participate in weekly online training updates and are required to attend mandatory training related to program development and services delivery. Employees submit documents monthly and receive a review of instructional material, instruction, student lesson notes, goals and objectives. Employees receive certification in key courses, such as student assessments, learning plans (goals and objectives), program accountability, instruction/curriculum, educational activities and manipulatives, services for English Learner students, how to apply IEP standards, parent communication, and reporting. Employees must pass exams related to administrative/operations, child abuse and neglect, student rights and policies, and uniform complaint procedures.

Employees are provided consistent and current program information through ongoing professional development, program intake, and data posted on an electronic intranet. In addition, the Instructor's Handbook is regularly updated.

Special courses are provided in theoretical/research based in second-language acquisition, and in the technical aspects of teaching second

language learners to read, write, compute math, and learn science. Employees learn standards related to English as a second language and the expectations of proficiency performance in all content standards.

- How does the provider guarantee that all provider employees are aware of child abuse reporting procedures?

All employees must attend two training segments covering child abuse and neglect. The segments include how to identify child abuse, mandated requirements associated with instructors, state law, how to report – including completing the reporting form. The reporting form is a part of the instructor’s manual and the internal management Portal.

- What is the delivery mode for the service and what is the maximum tutor student ratio (i.e.: 1 to 1 tutoring, small group instruction, computer-based lessons with or without a live tutor, etc.)?

The mode of service is “in-person/live tutor”. Tutoring is 1 to 1 and small group instruction not to exceed 5:1.

- Describe the general program of instruction to be provided to students including the materials to be used with the students as per the proposal approved by the state of California.

The program offers a diverse collection of scientific and evidence-based instructional methods in Reading, English language arts, Math and Science. Our instruction is organized to match the state-adopted academic content standards supported by the California K-12 curriculum frameworks, which helps to define the approach on how to assess, when to introduce learning strands and how to sustain skills leading all students to mastery. Students are evaluated by a scientifically based pre-assessment test to determine their current academic skills and project levels of mastery necessary to reach or exceed proficiency.

Our instructional system includes core instruction and skill books, academic support material, board games, puzzles, interactive wall and board games, literature, concrete math products, science equipment, and other interactive learning tools that support our scientific-based reading, English-language arts, math, and science curriculum. Healthy Families’ instructional materials are adaptive to the special needs of English language learners, historically underserved students and those with special needs including students with disabilities.

We have developed an innovative system of learning driven by a repository of diverse material known as Pathways Learning. Pathways Learning was developed to present a broad array of instructional material, guidance, research, activities, and other support to customized learning for each student – and to create individual pathways to learning. We provide a unique blend of manipulatives, workbooks, and instructional books created by leading publishers from across the country, and others developed outside of the country. We also implement elements of learning from other countries, i.e., Singapore Math. Material include products by Pathways Learning, Carson-Dellosa Publishing, Buckle Down Learning, Glencoe/McGraw Hill, Center for Afterschool Education Foundation, Rainbow Bridge Publishing, Learning Plus - Standards Plus, School Zone, Harcourt, Hampton-Brown, and Read Naturally.

- For Special Education students, how will the provider ensure that supplemental services provided for the student are consistent with the student's Individualized Education Plan (IEP), there is disability access and that any accommodations necessary are made?

Students with Disabilities (SWD) have full access to Healthy Families' instructional programs as described above. We are familiar with Federal Civil Right statues that protect students with disabilities in the educational context. The Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, and the American with Disabilities Act of 1990 (ADA) all prohibit schools and related programs from denying educational access to students with disabilities. In addition to full access, we provide reasonable accommodations and auxiliary aids and services to ensure equal access. These aids include spell-checkers in certain settings for dyslexic, large print for visually impaired, laptops for students with writing disabilities, and scribes when necessary. We comply with and incorporate objective of IEPs and Section 504. English-Language arts , math, and science instructions are designed to enhance the cognitive functions necessary for academic learning and achievement and is considerate of challenges that learning disabled students might have with spelling, punctuation and grammar. Healthy Families' instruction provides appropriate instructions using media, appropriate materials, customized instructional methods, and appropriate assessment to meet the needs of disabled students.

- For English Learner students, how will the provider ensure that there is primary language support provided for the student?

We incorporate every element of the state-adopted ELA, mathematics, and science standards into our goals, while at the same time include goals to help student with the CELDT, (a required state test for English language proficiency that must be given to students whose primary language is other than English). We provide learning strands to help EL students achieve fluency in English according to state-adopted English Language Development standards. We have a specific objectives to ensure access by: 1) providing anchor instructional material for vocabulary development; 2) developing instructor awareness and supporting resources to allow strategic use of visual aids in instruction to reinforce learning and retention; 3) using one-to-one and small-group cooperative learning and peer tutoring to enhance learning; and 4) developing the skills of bilingual instructors to strategically use students' native language to reinforce academic content learning. Our instructors are trained in the theoretical and research base in second-language acquisition, and in the technical aspects of teaching second language learners to read, write, compute math, and learn science. Instructors are knowledgeable about the normal learning curve of English language development among English learners so that they can set realistic expectations and monitor students progress through appropriate assessment. The instructional materials are consistent with California Content Standards related to English as a second language and the expectations of proficiency performance in all content standards. English Learners tutors are specifically trained in native language support and engagement. We are mindful of the variation of instructional delivery that is necessary to benefit our students and do not teach in isolated parts of language.

- What is your organization's student behavior policy and what behavior intervention strategies does your organization use?

Our student behavior policy is to ensure healthy, safe, and secure services for all participants who attend Healthy Families SES activities. Students receive Behavior Guidelines, which are also shared with their parents. Staff will redirect students to more appropriate behavior and will be reminded of the behavior guidelines and session rules, and a discussion will take place. Persistent behavior problems are reported to parents and always noted on incident reports. Staff must document poor behavior and all communication. The written documentation will include what the behavior problem is, what provoked the problem, and the corrective action taken. We use a committee approach to set standards and boundaries for good behavior with students. Parent conferences are a part of our strategy for good behavior and in some cases if appropriate behavior is reported to the district. If a student's behavior at any time threatens the immediate safety of that student, other

students or staff, the parent may be notified and expected to pick up student immediately. The program reserves the right to suspend a student from the program.

ASSESSMENT AND ACCOUNTABILITY

- What instrument does the provider currently use as a pretest and as a posttest and to monitor and assess student progress during services?

The instrument used as a pretest and as a posttest and to regularly monitor and assess student progress during services is the Wide Range Achievement Test-4 (WRAT) 4 and related sub-tests.

- To what degree do current assessment measures used by the provider reflect California state content standards?

The current assessment measures the content of the California state standards. The assessment is the latest offering in a test series first published in 1946. WRAT4 includes four subtests that measure all of the standards of English Language, Reading Comprehension and math. The test is perfectly suited for evaluating the state's content and standards as well as meeting the guidelines outlined in the *Standards for Educational and Psychological Testing* (American Educational Research Association).t. It is also a useful for evaluating outcomes that are reported under Title I programs due to the nature of its data collection and compatibility when comparing classroom performance and report card grades.

- Local education agencies are required to develop contracts that provide for the termination of agreements with supplemental service providers if the provider is unable to meet the goals or timelines of the agreement. How will the provider ensure that timelines are being met and that students are making sufficient progress toward learning goals? What does the provider currently include as a "guarantee" to consumers of the effectiveness of their service?

We have established a Quality Assurance Division to include site monitors responsible for overseeing program delivery and student success. The Quality Assurance group is responsible for evaluating daily reports generated from the electronic management system. The group is charged with daily monitoring of goals and timelines as well as student progress. We are prepared this year to guarantee to all consumers and partners the most effective program and services.

COMMUNICATION

- In addition to the required Attendance/Progress Reports after each 15 hours of service, how will the provider regularly evaluate student progress and report student progress to the parent?

Student attendance and Progress is reported to parents each month. Our electronic management system records attendance at each session as well as session activities and progress. The management system integrates the information monthly to produce a monthly attendance and progress reports to include beyond attendance and progress the student's efforts and attitude. Pre-interim and post test scores are also included. Parents have 24/7 access to a live bilingual employee to answer any question including progress and absence.

- How does the provider monitor and report student attendance? What is the planned parent outreach if students fail to attend or participate in services? What procedures will be in place to notify parents, the school, and the OUSD SES Office if students fail to attend?

Student attendance is monitored at each session electronically and through missed session reports. Employees report all misses sessions and record monitoring and outreach. Each absence is reported to a dedicated biligual Program Advocate who is responsible for parent relations and reporting/tracking absences. Employees report each student's weekly attendance electronically each Saturday afternoon. The attendance is reviewed and compared to reports of misses sessions. The outreach plan is to phone the parent, send a note home through the school, follow with written notice, visit the home and other contacts (emergency contact from student intake form, classroom instructor, gentle inquiry from students in program, etc.)

- How will provider communicate the required complaint procedures to parents? (Copies of these procedures as well as Child Abuse and Missing Children Reporting Procedures were to be submitted to OUSD during contract process.)

A copy of the complaint procedures are provided in the parent packet and presented to each parent at assessment. Parent Advocates also remind parents of the procedures as appropriate from contact through the parent resource line.
