**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2017-2018
Between Oakland Unified School District and
Bay Area Community Resources**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Bay Area Community Resources ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 224/Alliance Academy under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21st CCLC funds.
 - Private grants

2. **Term of MOU.** The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services include providing summer educational programs. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation.** The ASEP and 21st CCLC grant award amount for Bay Area Community Resources is **\$83,719.00**. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2017-2018")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$83,719.00 in accordance with Exhibit B. - 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. SECTION 2: PROGRAM OPERATIONS: Average Daily Attendance, Program Dates, Minimum Days
To be compliant with grant requirements, the after school program must commence immediately upon the conclusion of the regular day, operate a minimum of 3 hours/day, and be open until at least 5pm on every school day for elementary and middle schools. (EC 8483) Programs are required to operate all 180 days of the school year.
*** CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.**

Projected Daily Attendance during School Year 2017-2018	88

Last Day of Program Operations for the 2017-18 school year	June 7, 2018
List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.	8/21/17, 12/21/17, 6/7/18

Minimum Days
When a school holds minimum days, the after school program is required to begin as soon as the school day ends, and run a long day until 6pm. Minimum days have significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the

<p>lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.</p>	
<p>Projected Number of Minimum Days for School Year 2017-2018 <i>*School should provide lead agency with a calendar of minimum days before the 1st day of school.</i></p>	<p>73 days, including Wednesdays</p>
<p>Describe funding plan to operate program on the minimum days indicated above, including additional school resources (if any).</p>	<p>Included in 2017-2018 budget projections.</p>
<p>Please note that the ASES and 21st Century grant from CDE does not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school funds will be utilized to fund these additional hours of program?</p>	<p>No school funds will be used to staff program for minimum days.</p>
<p>SECTION 3: Program Model and Lead Agency Selection</p>	
<p>For 2017-2018, my site will operate the following program model:</p>	
<p><input type="checkbox"/> Traditional After School: <i>voluntary program open to all students, with enrollment priorities targeting certain students</i></p>	
<p><input type="checkbox"/> Extended Day Program: <i>additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)</i></p>	
<p><input checked="" type="checkbox"/> Blended/Hybrid: <i>combination of some extended day and some traditional after school programming</i></p>	
<p>Description and Rationale for Selection of Lead Agency Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.</p>	
<p>The BACR philosophy about after school programs extends far beyond keeping children safe. We believe in providing a nurturing and enjoyable environment where students can improve their academic and life skills. We believe in integrating the principles and practices of youth development into all activities. Just as important, we see the schools, students, and parents as our partners, and we believe it is our responsibility to understand and meet their needs. This approach to after school programs is consistent with the BACR mission of serving youth and families, fostering volunteerism, and building community. As a large diverse community agency, BACR has the organizational capacity and infrastructure to maintain high quality programming while expanding our services.</p>	
<p>SECTION 4: SCHOOL PRIORITIES AND GOALS IN SPSA</p>	

<p>In collaboration with school leadership, review the school's priorities and goals listed in its 2017-18 SPSSA school site plan. All after school programs are expected to support the school's goals for: 1) Conditions for Student Learning and 2) Family and Student Engagement</p>

<p>SECTION 5: OUSD STRATEGIC TARGETS - MIDDLE SCHOOL In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be <i>high school ready</i> by the time they graduate from the 8th grade. <i>High School Readiness:</i> OUSD measures high school readiness by the percentage of 8th graders who meet the following criteria at the end of the 8th grade: a 2.5 or better GPA; no Ds or Fs in Math or English; no suspensions; and at least a 96% attendance rate for their 8th grade year. Preparing for high school and being "high school ready" begins well before the 8th grade year. Starting with 6th graders, middle school after school programs can play an important role, collaboration with the school day, to support students to be <i>high school ready</i>. Examples of activities middle school after school programs can do in partnership with the school day to support high school readiness may include: <ul style="list-style-type: none"> ● Host parent education nights to learn about high school requirements and discuss high school readiness indicators ● Work with students to monitor their grades on AERIES and provide targeted academic mentoring and/or tutoring to students falling behind in their classes ● Help communicate attendance or behavior concerns to parents ● Hold celebrations to acknowledge students' progress on grades, attendance, good behavior, etc. ● Hire teachers on extended contract to provide targeted intervention to students struggling in Math or English </p>				

<p>● Begin high school readiness discussions early with 6th and 7th graders</p> <p>● etc.</p> <p>Discuss with your Site Administrator possible ways your after school program can support high school readiness. Complete the following matrix to indicate how your after school program will work in partnership with your school to support students to meet any of the indicators above that relate to the high school readiness target.</p>

<p>SECTION 3: FAMILY ENGAGEMENT / FAMILY LITERACY Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.</p>					

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: *The activities listed below must align to your 21st Century Family Literacy budget plan.*

Type of Activity and Frequency	SPSA goal(s) or school need supported by activity	Describe how this activity is connected to student achievement	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources

<p>SECTION 9: PROGRAM SCHEDULE</p>				
<p>a) Submit your program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.</p> <p>b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.</p> <p>c) Make sure program schedule clearly shows when the following middle school program requirements will take place:</p> <ul style="list-style-type: none"> ● MESA programming one hour/week (sites will receive support with MESA implementation) ● STEM programming one hour/week (coding and/or other STEM curriculum and professional development will be provided) ● Career exploration programming <p>d) Submit a copy of the school bell schedule for the 2017-18 school year.</p> <p>Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)</p> <p>Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)</p>				
<p>SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN</p> <p>Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.</p> <p><i>In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.</i></p>				

<p>Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select at least two of the following strategies below, and identify specific action steps that your program will implement for each strategy.</p>	<p>Strategies to Support Attendance</p>	<p>Action Steps</p>
<p>a) Recruit and address the needs of students who are at risk of chronic absenteeism.</p>	<p>Target chronically absent students for ASP preregistration. Chronic absenteeism data will be collected from school day. ASP will also target same students during after school.</p>	<p>Target students for enrollment at the beginning, middle and end of the year.</p>
<p>b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.</p>	<p>Keep these students on the waitlist and ASP will make calls home to remind parents about ASP and school day participation and attendance.</p>	<p>Students that show good attendance will be acknowledged and rewarded on a monthly basis.</p>
<p>c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.</p>	<p>Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.</p>	<p>SECTION 11: TRANSFORMING SCHOOL CULTURE AND CLIMATE After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.</p>
<p>The following are strategies that OUSD schools are taking to create positive school culture and climate:</p> <ul style="list-style-type: none"> • Positive Behavioral Intervention and Supports (PBIS) • Restorative Justice/Restorative Practices (RJ) • Social and Emotional Learning (SEL) 	<p>After school and school day partners can collaborate and intentionally align their efforts around these strategies, in order to create seamless, positive culture and climate from 8am - 6pm for students.</p>	<p>a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting at least one strategy that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may include any of the following action steps for alignment:</p> <ul style="list-style-type: none"> • Participate in site-level professional development (PD) together with school day staff

<ul style="list-style-type: none"> ● Participate in district-sponsored PD, including PD offered by the Expanded Learning Office ● Participate in relevant school committees (ie. Culture and Climate Committee, COST, ILI, etc.) ● Align with school day curriculum and practices ● Align with school day routines and structures ● Observe school day classrooms to align expectations and practices ● Other ways to align (please specify) 		
Select at least 1 strategy:	Strategy	What will the after school program do to align with school day efforts in this area?
X	Positive Behavioral Intervention and Supports (PBIS)	After School Program will align with school day PBIS systems and structures. Program Coordinator will attend specific site level meetings focusing on PBIS and ensure program implements systems and structures.
X	Restorative Justice/Restorative Practices (RJ)	Program Coordinator will meet with vice principal twice a month. Among the issues discussed will be utilizing restorative justice coordinator support when resolving student conflicts during after school hours.
X	Social and Emotional Learning (SEL)	After School Program Staff are trained the Youth Program Quality Assessment (YPQA) which focuses on establishing a safe physical and emotional environment for our students. During the first two weeks of program, staff will focus on creating a safe space using Building Intentional Communities curriculum.
<p>b) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.).</p> <p>After school program will align with African American Male Achievement (AAMA) practices:</p> <p>King and Queen of the Month Afterschool program instructors will nominate 2 student of the month to those who demonstrate Royal behavior.</p> <p>Student Shout-Out bulletin board Instructors will post comments to students who deserve special recognition</p>

Section 13: 2017-18 After School Enrollment Policy for Alliance Academy Middle School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Priority Enrollment and Transitions

Priority Enrollment and Transitions Support for High Need Populations of Students

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: *The law states that program fees cannot be charged to homeless and foster youth participating in the program.*

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

Which grade levels will you serve in this program? 6th - 8th Grades

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies
----------------------	---	---------------------------------

Homeless youth	Identified by school administration	A list of students will be generated by school administration. Program Coordinator will communicate with Principal and COST Team to ensure students are represented in ASP.
Foster youth	Identified by school administration	A list of students will be generated by school administration. Program Coordinator will communicate with Principal and COST Team to ensure students are represented in ASP.
English language learners and/or Newcomers	Identified by Teachers, principal and Administration	A list of students will be generated by school administrator and teachers. Program coordinator will reach out to families with efforts to recruit ELL students for our light sail program and enhances students' capacity to integrate skills, attitudes, and behaviors through SEL practices.

13b) MODIFICATIONS FOR HIGH NEED TRANSITIONAL STUDENTS:

How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?

Program Coordinator will meet with principal in August to get list of incoming high need students. After school program will hold slots in grade levels for these students. Program Coordinator and principal will discuss throughout the year.

13c) ENROLLMENT PROCESS AND TIMELINE:

Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2017. Indicate how families will be notified of 2017-18 enrollment before the last day of school, June 9, 2017.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible

June 2017	Send Acceptance and Denial Letters for 2017-2018 year	Site Coordinator & Administrative Assistant
August 2017	Host Orientation for Accepted Students & Parents	Site Coordinator & ASP Program Staff

Important dates to include in your timeline:

- April – June: Spring enrollment for 2017-18 programs.
- Families will be notified of 2017-18 after school enrollment before the last day of school, June 9, 2017.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2017, except for slots reserved for transitional students (ie. Foster and Homeless youth; Newcomers) entering the school mid-year.
- All programs must maintain waitlists after program slots are filled.

13d) School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

BACR schools have always supported program recruitment efforts. It begins with basic referrals from principals, teachers and counselors. Referrals are always based on family need, student academic needs and social needs. School staff also ensure that they inform parents during registration and orientations that there is an after school program that they can register for and how to go about doing so. School staff have applications and informational fliers at their disposal at all times.

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's Assess – Plan – Improve continuous quality improvement processes by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, curriculum, instructional strategies, data, and strate

a) Please identify who will fulfill the Quality Support Coach role for 2017-18:

- A credentialed teacher on staff who has effective skills and experiences in coaching and/or adult learning
- A qualified professional who is part of the school staff
- An OUSD coach connected to the school (i.e. LCI Literacy or Math coach, BTSA coach, etc.)
- Other individual (please specify in detail): _____

If known, please specify the name of the person who will fill the Quality Support Coach role, and identify his/her role in the school:

Teachers on Extended Contract for Direct Services

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract. Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). Section 17: Professional Development and Staff Wellness

Professional Development Expectation

After school staff will receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs will utilize data, including YPOA/SAPQA program quality data, to determine the areas of focus for professional development. Providing after school staff with meaningful professional development is a shared opportunity & responsibility for both the lead agency and host school site.

Additionally, the OUSD Expanded Learning Office will provide extensive professional development throughout the year including: mandatory After School August Institute (week of July 31 - Aug. 4); mandatory monthly site coordinator meetings (2 hrs/month); continuous quality improvement (CQI) trainings; monthly agency director meetings; various professional learning communities (time commitment varies); local conferences (ie. annual Bridging the Bay conference), and other relevant district trainings (ie. safety, PBIS, etc.).

a) What professional development, coaching, and training supports will be provided by the lead agency partner?

Coordinator Summer Institute - All Site Coordinators will participate in 3 days of training that will expand their knowledge on Youth Development, Curriculum Development, Grant Compliance, Policy and Procedures, Self-Care, and Program Quality (SA-YPQA). During Summer Institute Coordinators will have the opportunity to review their program schedule and program plan, create their year plan, plan for parent events, and learn from a variety of experts in the after school field.

Trainings over Time - In addition to Summer Institute, coordinators will have the opportunity to participate in BACR led and outside trainings throughout the school year. These training opportunities may include Accounting/Fiscal, HR Performance, Coaching, Eval, Safety, Leadership/Supervision, Relationship Building, Policy and Procedures, Communications

CPR/First Aid trainings, Bridging the Bay, and Region IV trainings. We have also purchased an online training series called "Safe Schools" where coordinators and line staff may access up to 30 modules related to after school safety and instruction techniques.

Team Cluster Meetings - All Site Coordinators will participate in Team Cluster Meetings led by their Program Manager monthly. During these meetings, the Program Manager will communicate updates from the district, the agency, as well as provide the team with professional development surrounding leadership, program development and youth development. Furthermore, the Program Manager will provide space for the Site Coordinators to receive feedback and workshop site based concerns and program quality.

Coordinator Supervisions - All site coordinators will meet at least two times a month to discuss site progress, individual coordinator goals, staff development and other site based subjects with their supervisor. This is opportunity for 1 on 1 support.

Line Staff Summer Institute - All Group Leaders will participate in a 2-day day institute that will expand their knowledge on youth development, classroom/behavior management strategies, project based lesson plans, cooperative games, emergency procedures, mandated reporting, and policies and procedures.

Site Specific Staff Meetings - All Site Coordinators will have the opportunity to plan and lead their own staff meetings with their line staff. At these meetings, Site Coordinators will provide their line staff with lesson planning time, review site safety plans, plan events for students and parents, and review important site information.

Line Staff Supervision - There will be time for line staff to consult with their coordinator, academic liaison and/or assigned grade teacher for consultation on student progress and lesson plan development. Staff will also be evaluated 2 times a year and undergo peer observation opportunities within site teams.

b) What professional development opportunities will be provided by the school site?

Culture Strategies and approval for in-class observations for line staff. Coordinators should also be able to attend any school-based meetings that may pertain to after school programming. Also, any additional trainings needed for students with specific requirements that are in the after school program.

ASPO professional development will consist of the mandatory August Institute (week of Aug. 3-6), mandatory monthly site coordinator meetings (2 hrs/month), the annual Bridging the Bay after school conference, and various professional learning communities (time commitment varies).

Please review and sign off on the following:

My lead agency and school partner understand that professional development helps ensure program quality. My program is committed to providing/accessing professional development opportunities for after school staff, based on needs identified by program data. My program will adequately budget for staff time to participate in professional development over the course of the year (for key line staff, recommended at least 20 hours of PD/year). Yes No

Staff Wellness

Please describe ways your program will work to support staff wellness over the course of the year:

As an agency will believe that the wellness of our staff is directly related to the overall health of our programs. This year, BACR has launched our wellness initiative "Find Your Balance". The goal of this program is to improve the overall wellness of BACR staff so you have a balanced life and provide outstanding services. Our HR department has rolled out a variety of programs in support of this goal in the past few months/year and will continue to implement more. At the same time, each cluster of sites/districts is embarking on their own team wellness goals. For example,

<p>some are integrating in their team meetings at least 5 minutes of a Wellness Exercise, whether it is a reflection, meditation, or other mindfulness activities.</p>
<p>Social and Emotional Learning (SEL) Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making. Describe how you will work intentionally to develop SEL skills in program staff, so that they can model SEL skills to students:</p>
<p>After School Instructors will participate in staff training before the school year begins focused on school wide student behavior management expectations. Among the topics covered will be school wide PBIS systems and incorporating those strategies into after school program classroom management structures. In addition to initial training, staff will participate in monthly meetings where SEL strategies will be covered.</p>
<p>Continuous Quality Improvement (CQI) Engaging in continuous quality improvement processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the CA Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based <i>Assess-Plan-Improve CQI</i> process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:</p> <ul style="list-style-type: none"> - beginning of year self-assessment using YPQA/SAPQA tool - planning with data (using self assessment and external assessment PCA data, and other program data as available) - development of quality action plan (QAP) with SMART goals for program improvement - year-end self-assessment and QAP progress check <p>The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).</p>
<p>Review and mark all commitments:</p> <p>Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process. <input checked="" type="checkbox"/> Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes. <input checked="" type="checkbox"/> Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables. <input checked="" type="checkbox"/> Site coordinator will share CQI data with Site Administrator and school staff.

Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students in OUSD.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

Marisa Ramirez
Program Director
