Dear Mayor Schaaf,

Thank you for inviting us to participate in last week's launch of your audacious and inspiring campaign to end the digital divide for all public school students in Oakland. Today, I'm pleased to announce that the Warriors Community Foundation, in partnership with Coach Kerr and Hewlett Packard Enterprise, will contribute \$125,000 to OUSD to support this essential mission. We hope this contribution takes you one step closer to your goal of \$2.5M by the middle of this month. We are cheering you on!

With today being Teacher Appreciation Day, our coaches and players made some surprise visits to unsuspecting educators... we hope you'll enjoy the attached screenshot from an OHigh faculty member as much as we did.

Please let us know how else we can help spread the word about the campaign, and inspire the participation of other donors. We're at your service!

Warm regards,
Melanie
