Addendum on Staff Time Allocation: Hours for direct work with students, prep time, and professional development

All sites must submit a budget addendum indicating how direct service staff time is divided between hours of direct work with students, prep time, and Professional Development. In order for line staff to deliver high quality after school services, it is our expectation that Lead Agencies allocate appropriately for line staff weekly Prep time and monthly Professional Development, in addition to actual hours working directly with students. The After School Programs Office recommends the following hours for Prep and Professional Development for each line staff: minimum of 1 hour of prep time per week; minimum of 9 hours of professional development per year. Ideally, lead staff receive 2 hours of PD per month, totally 18 hours of PD/year.

SECTION 4: Program Model and Lead Agency Selection

For 2014-2015, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

The East Bay Asian Youth Center is a youth development organization based in Oakland's historic Chinatown and San Antonio neighborhood districts. EBAYC's mission is to inspire young people to be life-long builders of a just and compassionate multicultural society. EBAYC serves a racially and ethnically diverse membership of 1,500 children, youth and young adults.

Our goals are to help young people be safe, smart and socially responsible. Our theory of change is that if EBAYC engages residents to lead the organization to achieve results, provides children, youth and young adults a seamless continuum of support services, and catalyzes policy and system changes that help create better schools, safer neighborhood, and greater economic opportunities for families, then young people will safe, smart and socially responsible.

EBAYC Service Strategies

Juvenile Justice

EBAYC works with juvenile probationers move toward a healthy and productive life pathway to keep them safe, get off court probation and earn their high school diploma . We provide young people intensive mentoring, case management, and transitional employment services. Recidivism among young people is reduced by over 50% when they participate in EBAYC.

High Quality Schools

EBAYC partners with ten Oakland schools to provide summer and after school education, work-based learning, attendance case management, and medical and mental health services. We help parents collaborate with their child's teachers, and to be leader in school governance. We support high school students to graduate and enter higher education. EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Community Development

EBAYC works with residents and merchants to increase public safety, reduce street level prostitution, improve physical environment, and expand job opportunities along the International Boulevard corridor.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2014-2015:	180 days required*
Projected Daily Attendance during School Year 2014-2015:	105

Program Schedule

Submit program schedule as an attachment, using the standard program schedule template.

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

SECTION 6: Academics

Your site should plan to offer a range of academic supports and **MUST** include:

1) CAHSEE Prep 2) Credit Recovery 3) Tutoring

Other possible supports may include computer lab, STEM Programs, Academic Intervention, and project-based learning.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school.

Activities should be based on sound instructional strategies aligned with the regular school day program.

SECTION 7: CAREER-RELATED ACADEMIC ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Career-related enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to develop 21st Century Skills, explore career-related fields, and apply learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support Career Pathways, school goals for health and wellness, positive school climate, arts learning, and student engagement.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. All high school programs will fund a Parent Liaison position to support family literacy programming. ***The activities listed below must align to your 21st Century Family Literacy budget plan.***

Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Home Visit	School Quality Indicator 4: Meaningful Student, Family, and Community Engagement/Partnership. Strategic Priority A: Family and Community Engagement	Teachers/advisors interview parents and students regarding interest, goals, skills and deficits in order to help plan appropriate individualized curriculum	There will be 80-100 home visits conducted during the school year	Home visits are conducted by core & Literacy instructors

PARENT LIAISON:

Describe the anticipated duties of the Parent Liaison in your program. Also identify what supports your school site will provide the Parent Liaison, including training and materials.

We don't have a parent liaison working in the after school program.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Parents are informed of the importance of school attendance through the teachers' home visits.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Students with poor program attendance will be identified, After School Program staff will call home and to internship site mentors to speak with student(s) to figure out how to re-engage them.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	

SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

PBIS (Positive Behavioral Interventions and Support)

Restorative Justice

Social and Emotional Learning

Bullying Prevention

Other: (please specify) _____

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate?

After School Program Director will participate in monthly faculty meetings and information will be brought back to the after school program staff to ensure we are aligning our efforts.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

MetWest implements the following activities to address the issue mentioned above:

- Ethnic study curriculum
- Internship programs include African American professional as mentors
- Having more African American after school staff
- Student led town hall assemblies utilizing African American students as emcees and assembly planners
- Restorative Practice coordinator facilitates conflict resolutions and follows up on agreements to reduce severity of conflicts before they erupt into suspension level offenses.

SECTION 11: Coordination with Other Service Providers	
In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.	
The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?	<input checked="" type="checkbox"/> COST team (Coordination of Services Team) <input checked="" type="checkbox"/> SST (Student Study Team) <input checked="" type="checkbox"/> SSC (School Site Council) <input checked="" type="checkbox"/> ELT (Educational Leadership Team) <input type="checkbox"/> PTA <input type="checkbox"/> Attendance Team/Workgroup <input type="checkbox"/> CSSSP (Community School Strategic Site Planning) team <input type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify)
List key community partners whom you will actively collaborate with to accomplish the goals of your program.	School Based Health Center
List all subcontractors who will be paid to deliver after school services.	East Side Art Alliance, Rock Paper Scissors
Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.	Community School Program Manager

Section 12: Equitable Access:

The intent of Equitable Access funding is to provide targeted supports for special populations of students who may face challenges and barriers to program participation. Examples of allowable use of Equitable Access funds include:

- additional academic interventions/supports to struggling students (ie. English Language Learners, students with special needs, etc.)
- mental health support services that enable students to fully participate in the after school program
- translation services, bus tickets, and other supports that make it possible for students to participate in program

How will your 21st Century program support equitable access in your program? Which population(s) of students in your program will receive extra support through the Equitable Access supplemental grant? Please describe your planned use of Equitable Access funds. ***Your plans must align with your Equitable Access budget.***

We will use our equitable access funds to provide youth stipend for our students in the internship program. This will allow students to have the some financial means to support life's needs (i.e. transportation cost to internship sites, transportation home, etc.)

2014-15 After School Enrollment Policy for MetWest High School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Free/reduced lunch application	optional	Free/reduced lunch application
Query report from administration	optional	Query report from administration
Query report from administration/ counselors.	optional	Query report from administration/ counselors.

Grade levels prioritized for programming: 9-12

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students.

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD’s strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: Summarize your enrollment timeline below. Describe ongoing program outreach and recruitment efforts, beginning in Spring 2013.

EAST BAY ASIAN YOUTH CENTER

The East Bay Asian Youth Center's mission is to inspire young people to be life-long builders of a just and compassionate multicultural society. EBAYC serves a racially and ethnically diverse membership of 1,000 children, youth, and their families who live in Oakland's San Antonio neighborhood. We believe that if a neighborhood is a place that fosters the healthy development of children, youth and families, young people will grow to be safe, smart, and socially responsible. We work to make our neighborhood a great place for families to raise their children by providing young people a seamless continuum of support services and engaging their families to make positive change in their community.

EBAYC Service Strategies

Violence Prevention

EBAYC helps young people who are on probation, parole, or are gang-involved move toward a healthy and productive life pathway. We provide young people intensive mentoring, case management, and transitional employment services. Recidivism among young people is reduced by over 50% when they participate in EBAYC.

High Quality Schools

EBAYC partners with eight neighborhood schools to provide summer and after school education, work-based learning, attendance case management, and medical and mental health services. We help parents collaborate with their child's teachers, and to be leader in school governance. We support high school students to graduate and enter higher education. EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Economic Opportunities

EBAYC is the founding member of the Oak-to-Ninth Community Benefits Coalition that successfully established a partnership with Oakland Harbor Partners and the City of Oakland to build 465 new affordable family housing units, and to create new construction apprenticeships opportunities for 300 residents. In partnership with the Oakland Unified School District – Nutrition Services Department, EBAYC created "Oakland Fresh", a network of produce market and wrap-around nutrition education services at 25 schools.

SUBJECT: Master Memorandum of Understanding between OUSD and East Bay Asian Youth Center

ACTION REQUESTED

Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with East Bay Asian Youth Center, on behalf of the District to provide services to students. This establishes a one year relationship with East Bay Asian Youth Center, and a Not-To-Exceed amount of \$3,064,240.00. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

BACKGROUND

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement is submitted to the board for approval. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

DISCUSSION

Vendor: East Bay Asian Youth Center

Overview of Services: East Bay Asian Youth Center contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities, family literacy and targeted Equitable Access services to students that are high risk.

Not-To-Exceed Amount: \$3,064,240.00

Determination of the Not-to-Exceed Amount is based on historical data and projections for the coming school year, it is anticipated that East Bay Asian Youth Center will provide services to 12 school sites.

The District contracts with agencies to provide various activities and after school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with East Bay Asian Youth Center, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, and known changes in sites to be served, as well as expected grant funding.

In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

FISCAL IMPACT

There is no funding associated with the Master Memorandum of Understanding or the Amendment to the Master Memorandum of Understanding herewith. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with East Bay Asian Youth Center. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the BDT budget process, and a review of State and Federal compliance funding when applicable.

RECOMMENDATION

The Secretary of the Governing Board shall place said Individual Service Agreements on the Consent Calendar for Approval.

EAST BAY ASIAN YOUTH CENTER

Statement of Qualification

The East Bay Asian Youth Center is a youth development organization based in Oakland's historic Chinatown and San Antonio neighborhood districts. EBAYC's mission is to inspire young people to be life-long builders of a just and compassionate multicultural society. EBAYC serves a diverse membership of 1,500 children, youth and young adults.

EBAYC was created in Berkeley in 1976 by Asian American Youth who wanted a place to help each other and their community. EBAYC expanded to Oakland in 1988 to help reduce and prevent gang violence among Southeast Asian immigrant youth. In 1996, EBAYC co-creates the 1996 Kids First Initiative, the successful ballot initiative that requires the City of Oakland to protect and expand funding for children and youth services. EBAYC opens the Roosevelt Village Center at Roosevelt Middle School in 1988 and became a place based organization.

Our goals are to help young people be safe, smart and socially responsible. Our theory of change is that if EBAYC engages residents to lead the organization to achieve results, provides children, youth and young adults a seamless continuum of support services, and catalyzes policy and system changes that help create better schools, safer neighborhood, and greater economic opportunities for families, then young people will be safe, smart and socially responsible.

EBAYC Service Strategies

Juvenile Justice

EBAYC works with juvenile probationers move toward a healthy and productive life pathway to keep them safe, get off court probation and earn their high school diploma . We provide young people intensive mentoring, case management, and transitional employment services. Recidivism among young people is reduced by over 50% when they participate in EBAYC.

High Quality Schools

EBAYC partners with ten Oakland schools to provide summer and after school education, work-based learning, attendance case management, and medical and mental health services. We help parents collaborate with their child's teachers, and to be leader in school governance. We support high school students to graduate and enter higher education. EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Community Development

EBAYC works with residents and merchants to increase public safety, reduce street level prostitution, improve physical environment, and expand job opportunities along the International Boulevard corridor.
