Units of Service for Lead Agency: Learning for Life

Option A: Lead Agency Unit of Service – ASES/21st Century After School Program

After School Services include:

After school program set up at school site and coordination of comprehensive services to ensure ASES and 21st Century grant compliance, alignment with school day, program quality, fiscal oversight, and compliance with district policies, including contracting processes, fiscal timelines, and Legal requirements.

Delivery of high quality after school programming consisting of academic, enrichment, and recreational/physical activity components to meet grant compliance. Services will be delivered by qualified, trained individuals and community providers with subject matter expertise and youth development experience.

After School program will serve up to 90 students. Services will be offered daily, Monday through Friday, for the entire school year. Program will begin immediately at the end of the regular school day and will stay open until 6pm daily.

Program activities will be provided by qualified staff. Student to staff ratio will not exceed 20:1.

Lead agency will provide on-going training and program support for program staff. Lead agency will recruit and coordinate community support including volunteers, resources and funding. Lead agency will organize school community events including family literacy night and cultural celebrations.

Cost for Elementary School lead agency package: \$95,000

Factors that may reduce or increase the school charge for above lead agency unit for ASES/21st Century After School Program:

- 1a. School opting to utilize own teachers to provide academic services, reducing the academic programming charges to the cost above.
- 1b. School opting to directly contract with a different service provider for enrichment, reducing some of the enrichment charges to the cost above.
- 1c. School opting to provide supplies in support of after school programming, reducing supply costs from the total above.
- 1d. School opting to fund School Safety Officer, reducing above costs to provide safe and secure after school environment.
- 1e. Other specialty services from this menu have been selected to augment some of the basic lead agency services included in package above.
- 1f. School utilizing other funds to increase level of services and/or number of students served beyond the above base unit.

Option B: Lead Agency Unit of Service – OFCY After School Enrichment

After School Services include:

After school program set up at school site and coordination of comprehensive services to ensure OFCY grant compliance, alignment with school day, program quality, fiscal oversight, and compliance with district policies, including contracting processes, fiscal timelines, and Legal requirements.

Delivery of high quality after school programming consisting of enrichment and components to meet grant compliance. Services will be delivered by qualified, trained individuals and community providers with subject matter expertise and youth development experience.

After School program will serve up to 90 students. Services will be offered daily, Monday through Friday, for the entire school year. Program will begin immediately at the end of the regular school day and will stay open until 6pm daily.

Program activities will be provided by qualified staff. Student to staff ratio will not exceed 15:1.

Lead agency will provide on-going training and program support for program staff. Lead agency will recruit and coordinate community support including volunteers, resources and funding. Lead agency will organize school community events including family literacy night and cultural celebrations.

Cost for Elementary School lead agency package: \$89,000

Factors that may reduce or increase the school charge for above lead agency unit for OFCY After School Enrichment:

- 2a.** School opting to provide own enrichment instructors or contract with a different service provider for specialized enrichment services, reducing the academic programming charges to the cost above.
- 2b.** School opting to directly contract with a different service provider for enrichment, reducing some of the enrichment charges to the cost above.
