## Girls Incorporated® of Alameda County At-a-Glance

### Mission

*Inspiring all girls to be strong, smart, and bold.*

### Vision

*Helping all girls realize their potential and exercise their rights;  
our empowered girls will create an equitable society.*

### About Girls Incorporated of Alameda County

Girls Incorporated of Alameda County® is one of 83 affiliates of the national Girls Incorporated organization, the country's leading voice for girls. Since 1958, Girls Inc. has responded to the unique needs of girls in underserved communities of San Francisco's East Bay through academic achievement programs and counseling services. Programs challenge girls to explore their potential, develop life skills, ensure college and career success, and expand their sense of what is possible. With an innovative educational approach incorporating local needs into research-based curricula, Girls Inc. has established itself as one of the Bay Area's leading providers of after-school programs, reaching over 7,500 girls and their family members each year.

### Programs with Impact

Our combination of counseling and educational programming allows us to best serve the whole girl and is unique among Girls Inc. affiliates nationally. Our programs in literacy, math and science, health and fitness, pregnancy prevention, leadership, and advocacy are delivered on-site and at 45 schools and community sites in Alameda County. Through our on-site Pathways Counseling Center, we offer no-cost or low-cost mental health and case management services to youth and their families.

### Local Expertise, National Recognition

Girls Inc. reaches out to girls, ages 5 to 18, whose needs are greatest. Most of the girls we serve are low-income, with 74% from households earning less than \$40,000 annually and 24% from single-parent families, headed mostly by women. The Girls Inc. constituency is 41% Latina, 25% African American, 19% Asian American, 5% multi-racial, 4% Caucasian, 1% Middle Eastern, and 5% other. Our communities in Alameda County include some of the most underfunded and underperforming public schools in California, presenting a particularly challenging educational setting for the girls we serve. In Oakland, *50% of their peers won't even graduate from high school.*

### Continuum of Programs for Grades K-12

The Department of Education reports that youth who participate in high-quality after-school programs have "better peer relations and emotional adjustment, and lower incidences of drug use, violence, and pregnancy." Further, a girl's future participation in the workforce is directly related to her K-12 academic success. Responding to these critical needs, Girls Inc. encourages girls to continue to learn and grow with us as they move through their school years through a continuum of programs:

Elementary School Programs:

- **GIRLStart** (K-3<sup>rd</sup> grade), increases literacy skills to ensure future academic success
- **WOW!** (Grades 4-5), builds skills in literacy, health, fitness and nutrition

Girls Inc. also provides the State-funded **Teen Pregnancy Prevention** program for middle and high school girls, including support services for families.

#### Pathways Counseling Center and The Community Consultation Services

Girls Inc. is unique among the nationwide Girls Incorporated affiliates due to its comprehensive mental health clinic, Pathways Counseling Center. Established in 1973 to address community demand for child and family mental health treatment needs, the clinic delivers a full spectrum of mental health services for girls, boys, women, and men. Pathways also operates as a clinical training center for graduate students of clinical psychology, providing a structured and comprehensive training program. During the past year, Pathways has delivered consultation services to over 3,600 children, families, and professional service providers.

#### Accomplishments

We continue to grow and evolve each year, constantly increasing our capacity to reach out to at-risk East Bay girls, and we're proud that \$.85 of every dollar raised goes directly to our programs. Over the past year, our advances, achievements and sound fiscal management has been locally and nationally recognized:

- Ranked 5<sup>th</sup> of 178 top national high-impact youth serving nonprofits in 2011 by Philanthropedia, a GuideStar research organization.
- Received the United Nations-USA East Bay's 6<sup>th</sup> Annual Global Citizen Award; the Northern California Community Loan Fund's "Non-Profit Community Impact Award"; and Youth Radio's Community Champion Award.
- Films made by Advocating Community Together (ACT) participants through the Women's Film Institute's Generation HERstory Media Arts Project premiered at the San Francisco International Women's Film Festival in April, 2011.
- Named by the Clinton Global Initiative in 2009 and 2010 as one of 13 programs that "will improve the lives of girls and women around the world."

Perhaps none is more striking than the remarkable number of young women who go on to higher education; more than 80% of our seniors (100% in years 2009 and 2010) enroll in college—many of whom are the first in their families to attend an institute of higher learning.
