Aspire College Academy: Charter Renewal Term 2026-2031

ASPIRE BAY AREA

Aspire Public Schools (Aspire) was founded in 1998 and opened its first Bay Area school, **Monarch Academy**, in 2000.

Aspire College Academy (ACA), opened in 2011.

ASPIRE COLLEGE ACADEMY'S VISION

Aspire's Vision: Scholars are prepared and empowered to build a fulfilling and liberated future for themselves and their communities.

- 46% English Learners
- 18% Students w/ Disabilities

● Black or African American ● Latinx ● Multi
● Native Hawaiian or Pacific Islander ● Not Disclosed

**As of 8/25/25*

CORE SCHOOL DESIGN ELEMENTS

We approach every facet of education through an equity lens and prioritize our efforts through three main focus areas.

INCLUSION MODEL FOR ALL LEARNERS

We ensure all scholars are meaningfully engaged in an inclusive model. Students with IEPs (special education) are integrated authentically in mainstream classrooms

SOCIAL EMOTIONAL WELLNESS AND STRONG RELATIONSHIPS

We cultivate communities that foster inclusive and joyful learning environments. All students have at least 1 adult on campus who is an advocate and support (advisory model supports this school design element)

HIGH ACADEMIC EXPECTATIONS

We commit to academic excellence, ensuring that every student engages in rigorous, standards-based instruction that prepares them for future success. Through high expectations, data-driven practices, and a culture of continuous learning, we empower students to achieve at their fullest potential.

SPECIAL EDUCATION SERVES 18% OF OUR STUDENTS

- 18% of Scholars have an IEP
- One-third of our students receive more than 450 service minutes weekly

Inclusion Model:

- Accept and support all students
- Emphasis on sense of belonging
- Tailored Education Plan
- Gen Ed and Ed Specialist collaboration to design lessons that meet the needs of diverse learners
- Emphasize push in services over pull out services.

ACA FAMILIES ARE SATISFIED

Oakland families that choose ACA believe the school is an ideal fit for their children. Our families are surveyed twice a year on a variety of topics such as school safety, school fit, sense of belonging, etc., and the results are benchmarked **nationally** via Panorama Education.

ACA	80th Percentile

**Winter 2025 Survey*

WE DEVELOP AND RETAIN 90% OF TEACHERS

ACA is proud of its high teacher retention rate with consistent retention of over 90% for the last four years.

- Professional development
- Intentional building of staff culture
- Opportunities to grow through tiered coaching for educators
