MEMORANDUM

TO: Board of Education

FROM: Nina Senn and Jody London

SUBJECT: 2019 Legislative Priorities

DATE: November 17, 2018

On Monday, November 26, the Board of Education (Board) will meet with our State legislative advocates, School Services of California, to discuss our legislative priorities for 2019. The new Governor, State Superintendent, and changes in the composition of the Legislature mean new opportunities for a range of topics. The three topics that School Services expects will be high priority are career technical education (CTE), facilities, and charter schools.

Attached are several documents that will form the basis of our meeting:

- The most recent iteration of the OUSD State legislative priorities (legislative file 18-0636)
- White papers developed by School Services that outline the issues on which we may wish to take positions in the areas of CTE, facilities, and charter schools.

Our goal for the November 26 meeting will be to update our State legislative priorities so we can be fully engaged in discussions that have begun already.
