Good morning,

I hope you all are well. Unfortunately, due to unforeseen obligations, I will be unavailable to serve as a D6 School Board Member in the Fall and therefore must remove myself from the list of candidates that will be deliberated on tomorrow. I apologize for any inconvenience this may cause. I wish you the best in your discussion to appoint a qualified and committed candidate to this position and concur with community members that it should be someone who has lived in D6 for at least 5 years.

Thank you for your time and consideration.

In community,

Julie Mendoza (*she/her/hers*)
