BACKGROUND/DISCUSSION

Two-thirds of the qualified electors of the District (City of Oakland) voting in the November 4, 2014 General Election enacted the proposition known and referred to as the "Oakland Unified School District College and Career Readiness for All Act or as "Measure N", a qualified special tax on each parcel of taxable real-property in the District, in the maximum amount of \$120 per parcel for ten (10) years commencing July 1, 2015, exempting qualified low-income and qualified senior citizen real property taxpayers as specified in the Act, to reduce the drop-out rate and provide Oakland high school students with real-world work and learning opportunities; prepare students for admission to the University of California and other four-year colleges; expand mentoring, tutoring, counseling, support services, and transition to job training programs.

The Act or Measure N delineates accountability provisions, including, that a five member College and Career Readiness Commission (herein after "Measure N Commission") be established with member qualifications and duties as specified.

The Board of Education, by Resolution No. 1415-0119, adopted November 19, 2014, created the Measure N Commission, effective February 1, 2015 and has subsequently made appointment of members thereto as needed.
