Waiver Topic: Quality Education Investment Act
Ed Code Title: Class Size Reduction Targets Temporarily Increased
Ed Code Section: 33050
Ed Code Authority: State Board of Education

Ed Code or CCR to Waive: 33050

For each funded school, the county superintendent of schools for the county in which the school is located shall annually review the school and its data to determine if the school has met all of the following program requirements by the school by the end of the third full year of funding:

(1) Meet all of the following class size requirements:

(A) For kindergarten and grades 1 to 3, inclusive, no more than 20.44 pupils per class, as set forth in the Class Size Reduction Program Chapter 6.10 (commencing with Section 52120)).

(B) For self-contained classrooms in grades 4 to 8, inclusive, an average classroom size that is the lesser of clause (i) or (ii), as follows:

(i) At least five pupils fewer per classroom than was the average in 2006-07.

(ii) An average of 25 pupils per classroom.

(iii) For purposes of this subparagraph, average classroom size shall be calculated at the grade level based on the number of self-contained classrooms in that grade at the school site. If the self-contained classrooms at the school averaged fewer than 25 pupils per classroom during the 2005-06 school year, that lower average shall be used as the "average in 2006-07" for purposes of this subparagraph. A school that receives funding

under this article shall not have a self-contained classroom in grades 4 to 8, inclusive, with more than 27 pupils regardless of its average classroom size.

Outcome Rationale:

Urban Promise Academy Middle School made a good-faith effort to stay within QEIA CSR targets in 2012–13, but more students enrolled in the site than expected for different reasons. For grade six, the school attempted to accommodate students that enrolled during the course of the year for whom assignment to an alternate placement would have been a hardship based on transportation. For grades seven and eight, the percentage of students that was estimated to attrition, based on prior year trends was less than expected.

This Waiver is requesting that the Class Size Reduction Targets established for Urban Promise Academy Middle School in these grade levels for the 2012-2013 school year:
> 16.0 for 6th grade increased to 20 students;
> 16.35 for 7th grade increased to 22 students;
> 16.94 for 8th grade increased to 22 students

Urban Promise Academy Middle School provides a strong academic program that reflects of the spirit of the QEIA program, and is continuing to make academic gains for its students.

Student Population:
