- ☐ Balanced Literacy and Literacy Across the Curriculum
- ☐ Science, Technology, Engineering, and Mathematics (STEM)
- ☐ Transitions and Pathways Pre-K to 12

State 3 – 4 primary goals of the After School Program and intended impacts for participating students.

1. Students develop a love for learning.

Impact: Students have opportunities to acquire new skills, engage in creative learning, share their talents, and leave a positive mark in their school-communities. There is an increase in student attendance during the school day as a result of students feeling more motivated. There is an increase in the number of students accessing higher learning opportunities (career or vocational pathways) beyond high school.

2. Students are guided and supported in their efforts of realizing their goals, hopes and aspirations.

Impact: Student engagement in the AS is at 100%; every student participant, regardless of their academic, behavioral or environmental risk factors has a place in AS. Parents are valued for their knowledge and life experiences and there is parent participation every day in the AS environment.

3. Students participating in AS have access to individualized academic support and academic mentoring.

Impact: Students have ownership of their education, and are successful in their academic development and academic achievement. School faculty supports AS academic alignment, credit recovery/ credit accumulation opportunities, career exploration and college.

4. Students make healthy choices, understand their cultural history and honor and respect each other's diverse backgrounds and identities.

Impact: The AS program is a positive environment where students can safely engage in their emotional and socio-cultural development. Students gain cross-cultural understanding and are equipped with skills to successfully navigate our diverse society.

SECTION 7: CAREER-RELATED ACADEMIC ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Career-related enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to develop 21st Century Skills, explore career-related fields, and apply learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support Career Pathways, school goals for health and wellness, positive school climate, arts learning, and student engagement.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services, and increase their ability to support their student's learning and development. All high school programs will fund a Parent Liaison position to support family literacy programming.

<p>PARENT LIAISON: <i>Describe the anticipated duties of the Parent Liaison in your program. Also identify what supports your school site will provide the Parent Liaison, including training and materials.</i></p>				

1. Parent Liaison will outreach, and coordinate **three parent/guardian and student orientations** during the academic cycle. Rudsdale continuation is on a trimester system (12 week cycle). At the conclusion of each cycle we will have a mandatory student and parents/guardian orientations.
2. Parent Liaison will put together **one school-wide Life After High School Fair** that will specifically focus on Seniors. Parent Liaison will connect to parents/guardians regarding college, career and job readiness opportunities for their graduating students. This fair will take place in October and the effort will receive school-wide support, as it will be planned in collaboration with school staff.

4. Parent Liaison will link up with the office of Family and Community Engagement, Raquel Jimenez to access curriculum and support for carrying out workshops for parents throughout the year. The workshops will be selected depending on the needs and interests of parents. Judging from past experiences, parents tend to favor workshops on the following topics: parent/student communication; financial literacy; gangs, and street drugs; economic development opportunities.
5. Parent Liaison will be in constant communication with the parents/guardians of the students participating in the ASP's internship program. All student interns will need to bring their parent/guardians to an initial orientation; by partnering with parents/guardians we will increase student retention and completion rates of internships.
6. Parent Liaison will connect families with resources. These include but are not limited to: EARN's Children's Education Accounts; Workforce Re-entry programs, Food Bank, Housing, and Health services.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	We will hold students and parent's accountability by utilizing student and parent attendance contracts for students who are below 80% attendance.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Parent liaison will outreach and contact guardians to discuss learning loss due to absenteeism.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Case Managers will identify students' barriers to participation and attendance. Case Managers will connect with families and will work to improve or remove barriers to participation.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	There will be 3 student assemblies at the conclusion of each trimester to recognize students with consistent attendance.
SECTION 10: Transforming School Culture and Climate After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.	

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

☐ PBIS (Positive Behavioral Interventions and Support)

☐ Restorative Justice

☐ Social and Emotional Learning

☐ Bullying Prevention

☒ Other: (please specify) The Makings of a Man model and intervention program created at Rudsdale.

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate?

Site Coordinator and Administration will pair afterschool educators with school day teachers to support, share, and empower facilitators across the board, while providing a seamless program between school day and after school.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

We have created our Intervention/life skills group targeting the male population. The program is built based on the social emotional learning model. The focus of this program is to prepare students, help them communicate, and teach students how to be citizens. These are the target goals in which 100% of participants will accomplish. Students are paired with a case manager to develop a relationship, mentor, and walk with through their duration till graduation.

SECTION 11: Coordination with Other Service Providers

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

- ☐ COST team (Coordination of Services Team)
- ☒ SST (Student Study Team)
- ☒ SSC (School Site Council)

2013-14 After School Enrollment Policy for Rudsdale Continuation**School**

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in danger of dropping out	Students who are transferred from Betty McGee : these students will automatically enroll in ASP	Mandatory
Support students who are on track for graduation	Through transcript literacy ASP staff in coordination with school day staff will be able to identify students who are not on track to graduate and will identify need for referrals in: Credit recovery , CAHSEE Prep and academic acceleration	Mandatory
At Risk Youth	Work Readiness/Internship coordinator will work with these students one-on-one to support their social-emotional and academic development.	Optional

Grade levels prioritized for programming: 10-12

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students.

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.

- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: Summarize your enrollment timeline below. Describe ongoing program outreach and recruitment efforts, beginning in Spring 2013.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
Every six weeks	Orientation and registration process offered to all incoming students and parents in attendance.	Site Coordinator/Academic Liaison
Summer 2013	Provide credit recovery, transcript literacy, Leadership, Job Placements, Life Skills	Site Coordinator+ 1 AS Staff member.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.

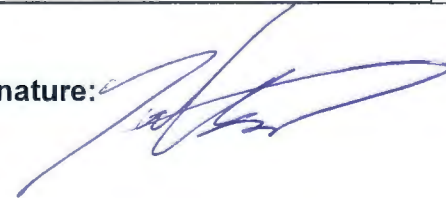

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). OAKLAND UNIFIED SCHOOL DISTRICT
Office of the Board of Education
June 26, 2013

TO: Board of Education

FROM: Dr. Anthony Smith, Ph.D., Superintendent *Maria Santos for Tony Smith*

SUBJECT: Master Memorandum of Understanding between OUSD and Bay Area Community Resources

ACTION REQUESTED

Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with Bay Area Community Resources, on behalf of the District to provide services to students. This establishes a one year relationship with Bay Area Community Resources, and a Not-To-Exceed amount of \$4,271,386.00. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

BACKGROUND

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement is submitted to the board for approval. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

DISCUSSION

Vendor: Bay Area Community Resources

Overview of Services: Bay Area Community Resources contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities, family literacy and targeted Equitable Access services to students that are high risk.

Not-To-Exceed Amount: \$4,271,386.00

Determination of the Not-to-Exceed Amount is based on historical data and projections for the coming school year, it is anticipated that Bay Area Community Resources will provide services to 26 school sites.

The District contracts with agencies to provide various activities and after school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with Bay Area Community Resources, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, and known changes in sites to be served, as well as expected grant funding.

In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

FISCAL IMPACT

There is no funding associated with the Master Memorandum of Understanding or the Amendment to the Master Memorandum of Understanding herewith. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with Bay Area Community Resources. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the BDT budget process, and a review of State and Federal compliance funding when applicable.

RECOMMENDATION

Approval of the Amendment to the Master MOU between Bay Area Community Resources and the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute an Amendment to the Master Memorandum of Understanding and Individual Service Agreement(s) with Bay Area Community Resources in an amount Not-To-Exceed \$4,271,386.00.

The Secretary of the Governing Board shall place said Individual Service Agreements on the Consent Calendar for Approval.

2. BACR is the fiscal sponsor— managing human resources, payroll and fringe benefits
