Subject Professional Services Contract - East Oakland Youth Development Center
- 226 / Roots International Academy (site/department)

Action Requested Approval of professional services contract between Oakland Unified School District and East Oakland Youth Development Center. Services to be primarily provided to 226 / Roots International Academy for the period of 1/5/2014 through 6/30/2015.

Background
A one paragraph explanation of why the consultant's services are needed.

These services are needed and align with Roots CSSSP in key ways.

1. Behavioral data indicates that fights, truancy and bullying are most likely to occur during lunch time due to lack of sufficient structure and adult supervision. EOYDC's services will address Roots' needs by providing quality supervision and engagement on the yard from familiar and consistent after school instructors which will reduce the number of violent instances and trancies. This supports Roots' efforts to improve student safety and reduce the number of suspensions.
2. The services provided by EOYDC will also support Roots' efforts as outlined in the CSSSP, to provide high-quality enrichment programming for students in an extended-day model by expanding the number of enrichment offerings available to students.
3. EOYDC's services will support Roots' efforts to increase parental involvement through empowerment, engagement, and education.

Discussion
One paragraph summary of the scope of work.

The East Oakland Youth Development Center (EOYDC) serves as the Lead Agency for Roots International and provides high-quality, daily after school programming for Roots students. With the procurement of these funds, EOYDC will:

1. Enhance school day support by providing six part-time after school instructors to assist with the supervision and active engagement of Roots students during the daily lunch block.
2. Offer support to teachers and office staff in the form of student conflict resolution and mentorship.
3. Provide additional enrichment offerings during the extended day after school program.
4. Support family engagement work by staffing the Family Resource Center and leveraging relationships with families to increase parental participation in school events.
