Sonia Kreit-Spindt Oakland Ca (contractor, City State)
Peralta School (site/department)

Action Requested Ratification of a professional services contract between Oakland Unified School District and Sonia Kreit-Spindt. Services to be primarily provided to Peralta School for the period of 09/06/2011 through 05/24/2012.

Background
A one paragraph explanation of why the consultant's services are needed.

Services are needed to enhance the use of the library by both determining the resources needed to support all aspects of student library use and linking the resources more effectively with classroom based inquiries and studies. There is an inequitable disconnect between different populations and the use of outside library resources that support student learning. These services will begin to bridge that disconnect by developing library resources, aligning resources with learning needs across all grades and modeling library usage for parents as well as students. Consultant will more effectively link the library use with classroom inquires, to provide enhanced research opportunities for all students and support a more equitable access for families.

Discussion
One paragraph summary of the scope of work.

A contract for services between OUSD and Sonia Kreit-Spindt, from Oakland, California, for the latter to identify and model more effective linking strategies between the library and classroom based instructional inquiries and more equitable library use for students and families. Consultant will establish a base of library resources needed to more effectively link the library use with classroom inquires, to provide enhanced research opportunities for all students and to enrichen the use of the library on a school wide level including families and students. The contract covers 540 hours and extends from 9/6/11 through 5/24/12 not exceeding the amount of \$16,200.
