**Ask of the Board** Supplemental Memorandum of Understanding and Interagency Agreement (MOU or Agreement), regarding University Programs—*tuition costs, application and eligibility requirements for Oakland Unified School District employees, and the communications plan concerning those Programs* [as covered in the Master MOU under consideration for the same term for an Intern Partnership Program and

Practica Program—applying to credentials in K-12 Teaching, including Multiple Subjects, Single Subjects, Designated Subjects, and Special Education Categories, including Added or Supplementary Authorizations; including Pupil Personnel Services in Communicative Sciences & Disorders, Mental Health & Wellness, Counseling & Guidance, Educational Therapy, Administration, and other Pupil Personnel Services credentials and certifications, as may be specified; including Fieldwork Experience for Master of Arts or Science and other Graduate-Level Degrees or Certifications with Emphasis in Pupil Personnel Services; including Fieldwork Experience for Pre-Credential Candidate Undergraduate Students]—is entered into by and between OAKLAND UNIFIED SCHOOL DISTRICT (District or OUSD), a public school district in the State of California, County of Alameda, and *ALLIANT INTERNATIONAL UNIVERSTIY, INCORPORATED (University or AIU)*, a private, for-profit California Benefit Corporation—for the term January 1, 2024 through June 30, 2029, at no cost to non-categorical general funds of the District. [See Fiscal Impact]

## Background

In cooperation with institutions of higher education (IHEs), state-approved colleges and universities, the District has traditionally employed Intern Teachers, as teachers-of-record, and placed Student Teachers, for practica, in classrooms in which they can fulfill their credential requirements. In the same vein, college or university students enrolled in other credential programs covered by such MOUs (e.g. administrative services or other pupil personnel services/PPS), or enrolled in MA or MS degree programs requiring Fieldwork Experience in PPS categories, may be placed in practica (Fieldwork Experience) assignments in District departments, school sites, or clinical sites. It is the prerogative of IHEs to award honoraria or other compensation (e.g. continuing education units) to District employees selected as Coaches or Master practitioners (District Supervisors for Internships, Practica, or Fieldwork Experience) for their work with IHE students assigned to Internships, Practica or Fieldwork Experience. If honoraria are awarded, District Supervisors (e.g. Coaches, Master Teachers, Department Supervisors) of IHE interns or practica students receive payments directly from the IHEs.

This Memorandum of Understanding with *Alliant International University* is essentially supplemental to the Master MOU (existing and concurrently under consideration for renewal) between the District and the University, commensurate with and dependent upon that Agreement—also referred to as the Master Agreement or Master MOU—which will remain effective under its terms for five (5) years, July 1, 2024–June 30, 2029. All terms of the Master MOU apply to and remain in effect regarding this supplemental Agreement.

*Articles 2-4 apply: The Preferred Pricing provisions of this supplemental MOU provide for the following:*

*Employees/members of OUSD are eligible for a 15% tuition reduction when newly enrolled to Alliant, in any University Program, as a full-time student, in a California Teaching Credential program or a Master of Arts in Education with a*

*California Teaching Credential program, excluding Clinical Psychology PhD and Clinical Psychology PsyD programs. Current Alliant students are not eligible for Preferred Pricing. Application fee will be waived. Tuition reduction does not lock tuition and is not retroactive.*

*A current fully executed MOU must be on file with Alliant for employees/members of OUSD to receive Preferred Pricing. If the MOU is not renewed, employees/members of OUSD are no longer eligible for the tuition reduction.*

*Articles 6-7 apply: The Communications Plan provisions of this supplemental MOU formalize the District's current practice regarding all internship partnerships with universities and colleges, as follows:*

*The District will communicate the terms of this supplementary agreement to its employees. Communication will include email announcements, postings on the relevant District internet/website pages, and scheduled informational events.*

*Since such communications already comply with District practices, concerning all District university and college partners, no preferential treatment is granted to the University by this supplementary agreement; it is considered that the provisions of the Communications Plan are essentially in effect by virtue of the Master MOU already enacted and the renewal currently in the Board-approval process (see above).*

\* \* \*

*ALLIANT INTERNATIONAL UNIVERSITY expects to place several of its students for internships, practica, or other fieldwork experience in the Oakland Unified School District in the years covered by this Agreement.*

*The District's affiliation with the University supports efforts to recruit qualified teachers in the areas of need in K-12 Teaching: Multiple Subjects, Single Subjects, Designated Subjects, and Education Specialist, including Added or Supplementary Authorizations; and including School Counselor, Clinical School Psychologist, Marriage and Family Therapist, Educational Therapist, and Administrative Services, and other Pupil Personnel Services credentials and certifications, as may be specified in the Master MOU, Covered Categories (Article 1/F); and Fieldwork Experience for Pre-Credential Candidate Undergraduate Students.*

\* \* \*

*Internship programs are alternative certification programs leading to credentials in Multiple Subjects, Single Subjects, Education Specialist (Special Education), and Designated Subjects categories, including Added or Supplementary Authorizations, and to credentials or certifications for Educational Therapist, School Counselor, Clinical School Psychologist, Marriage and Family Therapist, Administrative Services, and other PPS categories as may be specified. These*

programs are offered by university or college departments of teacher education in collaboration with the District, under the guidelines of the California Commission on Teacher Credentialing and the California Department of Education.

\* \* \*

Fieldwork Experience programs (Article 2/J) refer to Master of Arts or Science (MA/MS) or other Graduate-Level Degrees or Certifications Requiring Fieldwork Experience in a Departmental, Clinical or School-Based Program, with emphasis on Pupil Personnel Services—Specialists in: Communicative Sciences & Disorders [Speech & Language Pathology; Visual Impairment]; Mental Health & Wellness [Clinical School Psychology; Marriage and Family Therapy; Occupational Therapy; Physical Therapy; School Nursing]; Counseling & Guidance [School Counseling; Marriage, Family & Child Counseling; Social Work]; Education Intervention [Educational Therapy]; Administrative Services [School, Department, or Clinical Site Administrator]—refers to activities of University students enrolled in a relevant Graduate-Level Degree or Certification Program at the University—Master of Arts or Master of Science in Psychology (M.Psych); School Psychologist (MAE); Education Specialist in School Psychology (Ed.S); Educational Psychologist (PsyD); Master of School Counseling (MSC); Licensed Professional Clinical Counselor (LPCC); Educational Therapist (ET/P); Marriage and Family Therapist (MFT); Marriage, Family and Child Counselor (MFCC); Master of Social Work (MSW); Licensed Clinical Social Worker, (LCSW); Occupational Therapist (MOT, DOT); Physical Therapist (MPT, DPT); School Nurse (RN, MSN, NP)—who are engaged in District departmental or clinical assignments or placements, which are programmatically neither classroom practica nor employment-based internships, as defined elsewhere in this Agreement, through any other University graduate programs, but rather practica or internships defined by those University programs, which require use of District facilities for practical learning experiences and the provision of services to and for the District in a manner which is mutually beneficial to University students engaged in a graduate-level fieldwork experience program and the District for its strategic talent development in providing services to District students, wherein the affiliated department of the District accepts professional responsibility to assist in the educational experience of the University students enrolled in such programs, and holds interest in providing sites for implementation of the University program, providing for teaching and practical experience of University students, and assisting the University with its relevant curricula. Given the distinction, noted above, regarding the particular programmatic definitions of practica or internship assignments or placements in the District, University students engaged in the Fieldwork Experience Program, whether defined as practica or internships by the University, are not to be considered employees of the District, and for purpose of liability insurance and indemnification shall be specified as such, in the same category as all practica students placed at District sites.

\* \* \*

In cooperation with credential programs within the schools of education at state-approved colleges and universities, the District has maintained the practice of employing and placing university and college students with valid Intern Credentials (or other designated academic degrees-in-progress) as full-time classroom teachers, educational therapists, school counselors, school psychologists, marriage and family therapists, administrators, and practitioners in other PPS positions, as may be specified in Covered Categories, while they pursue course work leading to Preliminary Credentials and academic degrees.

The University and the District expect that under the guidelines of the Commission on Teacher Credentialing (CTC), the District may employ several of the University's students in Internships, in District schools, clinical sites, or departments in the years covered by this Agreement; and the University and the District expect that the District may place several of the University's students in Fieldwork Experience positions (categorized as practica), not as employees of the District, in the years covered by this Agreement.

\* \* \*

The mutual commitment between the District and the Teacher Intern, under guidelines of the CTC, is initially for one year, and, if the Intern Credential is extended for a second year, for two years of employment and service, given satisfactory conditions and professional performance, according to District protocols for evaluation of certificated employees in the covered categories. Upon completion of the term of internship, in most cases at the end of four quarters during which time the Intern completes credential course work and field work, including a supervised (practica) component and issuance of the Preliminary Credential or Certification, continuing employment is generally considered, again given satisfactory conditions and professional performance, according to District protocols for certificated-employee evaluation and the needs of the District. After that time, as with other certificated employees, the District's protocols for evaluation of certificated employees continue to apply.

In addition to supervision under their university or college credential programs, each Intern Teacher may receive support according to guidelines developed by the District Talent Division, the office of Talent Development (TD), and New Teacher Support and Development (NTSD), or otherwise as provided for by District departments in conjunction with the Intern Partnership Program. During the first year of service, each Intern Teacher may be enrolled in an Intern Support Program. During the two subsequent years, following the issuance of a Preliminary Credential, each new teacher (former Intern) will be enrolled in the Oakland BTSA Induction Program (OBIP), as mandated by SB2042, in order to earn the Clear Credential.

In addition to their university or college supervisors, Interns may be served by Support Advisors or Coaches (e.g. teachers, clinicians, or administrators serving as

mentors) at their school sites, and by the Program field support staff, who make regular visits to schools and manage the support network.

The work of on-site advisors, coaches, and field staff is strictly collegial, not in any administrative or evaluative capacity. The intent is to support Interns in their professional development, so that they thrive in the process of learning, work toward their potential, and provide models for others in the profession (e.g. teachers or administrators) in the future. Thereby the Program promotes the general model of whole faculties that are highly developed in their professional capacities and where collaboration is central to the work. This strengthens the ability of schools and the District overall to grow certificated employees (e.g. teachers or administrators) from within, to nurture them, and to attract and retain the finest in the profession.

University students are expected to be employed and placed as Intern Teachers in the Oakland Unified School District. In previous Partnership years, the District has employed as Intern Teachers approximately two hundred (200) teaching credential candidates (Multiple Subjects, Single Subjects, Education Specialist, Designated Subjects, and Bilingual Teachers) from university and college credential programs. This Memorandum of Understanding does not specify the number of University Interns, in any covered category, to be employed by OUSD. Employment will be based upon the needs of the District and the qualifications of University students.

University students placed for Fieldwork Experience, as noted above, will be supervised by professional District personnel in the relevant departments, and at clinical sites or school sites, according to District protocols for such placements, and by University personnel, according to operational guidelines and protocols of the University programs in which they are enrolled.

\* \* \*

Overall, it should be noted that the District's partnerships with colleges and universities support District efforts to recruit qualified teachers and administrators or other certificated educators or service providers in pupil personnel services. The existence of CCTC-approved internship programs in credential categories, in particular, provides viable alternatives for qualified graduate students requiring full-time employment — those either already enrolled in credential programs, seeking enrollment in credential programs, or considering teaching or pupil personnel services as a profession.

The Talent Division and office of Talent Development, with New Teacher Support and Development, projects that in the school year 2024-25, and each year continuing through the term of this Agreement, the District will employ approximately 200 Teacher Interns under all its Partnership Programs with state-approved colleges and universities.

District departments making assignments of University students for Fieldwork Experience in PPS categories expect that in the school year 2024-25, and each year continuing through the term of this Agreement, the District will place several advanced-degree candidates from the University in clinical or school-site settings to provide services to District students and families. In any case, the number of such placements will depend upon the needs of the District and the qualifications of University students seeking those placements.

**Discussion**

Approval of Supplemental Memorandum of Understanding and Interagency Agreement (MOU or Agreement), regarding University Programs—*tuition costs, application and eligibility requirements for Oakland Unified School District employees, and the communications plan concerning those Programs* [as covered in the Master MOU under consideration for the same term for an Intern Partnership Program and Practica Program—applying to credentials in K-12 Teaching, including Multiple Subjects, Single Subjects, Designated Subjects, and Special Education Categories, including Added or Supplementary Authorizations; including Pupil Personnel Services in Communicative Sciences & Disorders, Mental Health & Wellness, Counseling & Guidance, Educational Therapy, Administration, and other Pupil Personnel Services credentials and certifications, as may be specified; including Fieldwork Experience for Master of Arts or Science and other Graduate-Level Degrees or Certifications with Emphasis in Pupil Personnel Services; including Fieldwork Experience for Pre-Credential Candidate Undergraduate Students]—is entered into by and between OAKLAND UNIFIED SCHOOL DISTRICT (District or OUSD), a public school district in the State of California, County of Alameda, and *ALLIANT INTERNATIONAL UNIVERSTIY, INCORPORATED (University or AIU)*, a private, for-profit California Benefit Corporation—for the term January 1, 2024 through June 30, 2029, at no cost to non-categorical general funds of the District. [See Fiscal Impact]

**Fiscal Impact**

The Teacher Intern Partnership Program, in general, as a program for the recruitment and employment of teachers, will carry no fiscal impact on the District—that is, funding of the University program is not covered as a guarantee under this Agreement, as noted below—except insofar as Teacher Interns are employees of the District, and thereby the District allocates funds associated with their employment.

Funding by the District of the University Intern Program, derived from any categorical or non-categorical grants of the California Department of Education (CDE) or Commission on Teacher Credentialing (CTC), or from any District divisions or departments, that do not regard scholarships or stipends awarded to District employees for teacher education, as in the Oakland Teacher Residency Program, is not guaranteed under this Agreement. There will be no fiscal oversight, unless funding is determined available by the District, serving as Fiscal Agent. If District funds are determined available, by the Fiscal Agent, for the purpose of Intern Partnership Program support at the University, the District may provide the University with Program funding from a reallocation of categorical grant funds or other categorical District funds. [Article 13, Program Sponsorship].

If an honorarium is to be paid by the University to a District Supervisor for the assignment of a University student to Practica or Field Experience in a Covered Category, an honorarium form and a vendor form will be sent directly to the District Supervisor to be completed, signed, and returned to the *University*. The *University* will process the honorarium form at the end of the semester in which the *University* student was supervised. Any honoraria of payment provided in the Agreement will be transmitted by the *University* directly to Supervisors.

It should be noted that regarding the Fieldwork Experience program (Article 2/J), *University* students placed for Fieldwork or Practica Learning as non-teaching interns (Article 6/#6), who are not employees of the District, may be allocated stipends drawn from non-profit organizational grants to the District (e.g. Ed Fund), administered by departments of the District—PPS categories, e.g. Clinical School Psychologist, or Social Worker, under operations of the department of Special Education or associated departments—through which *University* students are placed.
