Edventure More

The PARTIES hereby agree as follows:

1. **Term.**

- a. This Agreement shall start on the below date (“Start Date”):
6/5/23

If no Start Date is entered, then the Start Date shall be the latest of the dates on which each of the PARTIES signed this Agreement.

- b. The work shall be completed no later than the below date (“End Date”):
7/7/23

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment and Evaluation.**

- a. VENDOR agrees to work and communicate with OUSD staff, both formally and informally, to ensure that the Services are aligned with OUSD’s mission and are meeting the needs of students as determined by OUSD.

- b. OUSD may evaluate VENDOR in any manner which is permissible under the law. OUSD's evaluation may include, without limitation: (i) requesting that OUSD employee(s) evaluate the performance of VENDOR, each of VENDOR's employees, and each of VENDOR's subcontractors, and (ii) announced and unannounced observance of VENDOR, VENDOR's employee(s), and VENDOR's subcontractor(s).
4. **Inspection and Approval.** VENDOR agrees that OUSD has the right and agrees to provide OUSD with the opportunity to inspect any and all aspects of the Services performed including, but not limited to, any materials (physical or electronic) produced, created, edited, modified, reviewed, or otherwise used in the preparation, performance, or evaluation of the Services. In accordance with Paragraph 8 (Compensation), the Services performed by VENDOR must meet the approval of OUSD, and OUSD reserves the right to direct VENDOR to redo the Services, in whole or in part, if OUSD, in its sole discretion, determines that the Services were not performed in accordance with this Agreement.
5. **Data and Information Requests.** VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
6. **Confidentiality and Data Privacy.**
 - a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof. The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

EDMO Statement of Qualifications

Founded in 2004, EDMO (legal name Edventure More) is a 501(c)(3) education non-profit. **Our mission is to provide equitable access to out-of-school learning opportunities designed to help every person cultivate a sense of self, own their impact, and show up in the world with curiosity, courage, and kindness.** Our award-winning camps, classes and tutoring programs engage kids' minds, bodies and hearts. With the integration of STEAM and Social Emotional Learning (SEL) through all elements of our programs, both kids and staff learn about themselves as they learn about the world around them.

To fulfill our mission of creating equitable access, we work with districts, schools, counties, civic agencies and other non-profits to address the challenges of providing high-quality expanded learning programs to students who need it the most. We have worked with over 30 district, school and community partners using a variety of funding sources (including ASES, 21st Century, ESSER and now ELO and ELO-P funding) to bring nearly 6,000 low-income students approximately 30,000 weeks of programming at little to no cost to their families. In the process we have developed a co-design process with our partners that is grounded in inclusive, collaborative and equitable practices.

As an organization, we model the lessons we teach. We collaborate with leaders in the fields of Science, Maker Education and Social Emotional Learning in the design of our curriculum. We practice empathy and problem solving by working with school districts to design programs that meet the needs of their unique communities. We take responsibility for our personal and professional development as humans so that we can lead with authenticity and compassion. At EDMO we celebrate getting messy and making mistakes. As an organization we are committed to learning and growing alongside the children in our programs.

D. Introduction and Overview

***Any approved OUSD Expanded Learning Lead Agency that has a current MOU in place does not need to apply for this RFP. Your current MOU covers summer and intersession programming.**

The Oakland Unified School District (OUSD) Department of Expanded Learning invites interested nonprofit organizations to respond with their qualifications to serve as an Expanded Learning Program Provider in designing, planning, administering, and operating effective, high-quality expanded learning summer programs. This RFP is specifically for organizations willing to provide summer learning and intersession programs (summer, weekends, school breaks).

Eligible providers will be committed to OUSD's strategic plan and shared citywide goals. Lead Agency partners will invest in providing expanded learning supplemental programs that complement the regular school day program and support the OUSD priorities for student achievement, health, and well-being. Oakland Unified School District's (OUSD) mission is to build a Full-Service Community District focused on high academic achievement while serving the whole child, eliminating inequity, and providing each child with excellent teachers daily. Expanded Learning supports this mission while holding our values of equity, joy, and liberation for youth and adults with the express purpose of interrupting inequity, examining biases, and creating inclusive and just conditions for all students to achieve equally high outcomes.

Select Lead Agencies will commit to working in partnership with school sites and the OUSD Expanded Learning Office (ExLO). Through the RFP process, OUSD seeks organizations that demonstrate the capacity to work within the established OUSD model of school and community partnerships and various funding sources' parameters. Organizations must be fiscally sound with the capacity to leverage other resources to provide students with high-quality expanded learning programming: after-school and summer youth development experiences that complement and support school district and city priorities for student success and well-being. Community organizations that serve as a Summer Lead Agency are an integral part of our OUSD Full Service Community Schools and make an impactful contribution toward strengthening our district, expanded learning system, and community.

Goals of Summer Learning Programs:

Rich learning experiences and knowledge development that incorporates:

- Academic intervention to combat summer learning loss.
- Enrichment integration with sports, STEAM and other enrichment activities that allow for acceleration of skills, habits and mindsets.
- Culturally relevant youth development in service of promoting and maintaining joyful schools which builds a culture of affirmation, inclusion and belonging.
- Equity: Programs create opportunity and engagement with our high priority students and their families, including students with disabilities, English language learners, Foster Youth, unhoused youth, and newcomer students.

The Expanded Learning Office supports summer programming is founded in these local, and national data points:

- Under-resourced children often do not have the same opportunities to learn and participate in enriching activities during summer, which increases the opportunity gap.
- Utilization of summer learning programs leads to lower violence, higher physical and mental health, improved social skills, and a heightened sense of self.
- When school ends, some students and families struggle to get their basic needs met; summer programming provides meals for students and a safe space to thrive.
- Students can typically lose up to 2 months of reading progress and 2.6 months of math progress over the summer. High-quality Summer Learning programs can turn that potential for loss into an opportunity to accelerate learning.

Therefore, our expanded learning programs are essential for keeping Oakland youth safe, healthy, and academically sound. The added opportunity for enrichment programs not typically offered during the school days gives students a chance to flourish in multiple skill sets and find a way to engage their whole selves and attend to multiple intelligences. In this way, they are given another opportunity to be 'seen' outside of academics and access programs that are usually cost-prohibitive.

Eligible expanded learning youth development organizations will help all students develop strong social-emotional skills and a sense of agency, give them opportunities to try new things, take risks, and participate in diverse enrichment programming that reflects student interest and promotes joy, skill-building, and hands-on experience. In addition, celebrate youth's interests, passion, and culture while helping youth identify their strengths.

The 3 types of summer/intersession youth development programs that the Expanded Learning Office is hoping to solicit CBOs to apply for are (i) the program at the school site in conjunction with OUSD faculty, called the **collaborative model (CM)**, (ii) the **independent model (IM)** program also housed at an OUSD school site, (iii) and the **off-site community-based model (OCB)** which can be held at an acceptable community space that serves OUSD students.

Organizations can apply for multiple models but must demonstrate the capacity and history of providing the youth development program.

(i) The **Collaborative Model (CM)**. This model provides youth with five weeks of full-day summer programming within the requirement of offering 9 hours (Monday-Friday 8:30 am - 5:30 pm) and working directly with the approved OUSD administrative and teaching staff on their assigned site. Interested CBOs must provide programming 5-days a week with a focus on academic enrichment, physical activity, and other youth development enrichment activities that meets ASES and 21st CCLC activity components. Each CBO is required to

have a 20:1 ratio (except for TK/K, which is a 10:1 ratio).

The OUSD Expanded Learning Office will select which eligible CBOs will be a match for the school hub/students/community. *Note: The Expanded Learning Office does not guarantee organization placement to a school or number of school sites this decision will be based on the acceptance of the school administration and agency capacity.

(ii) The **independent model (IM)**. This model provides youth with up to five weeks of full-day summer programming within the context of the typical summer hours (Monday-Friday 8:30 am - 5:30 pm). The approved organization must offer a 9-hour program for each day of operation and provide appropriate staff to satisfy the 20:1 ratio (except for TK/K, which is 10:1 ratio).

(iii) The **Off-site Community-based model (OCB)**. This model provides youth with off-site full-day summer/intersession programming within the context of the summer hours (Monday-Friday 8:30 am - 5:30 pm). The approved organization must offer a 9-hour program for each day of operation and provide appropriate staff to satisfy the 20:1 ratio (except for TK/K, which is 10:1 ratio).

Collaborative Model:	Independent Model:	Off-site Community Based-Model:
5 weeks of programming	The lead agency fully staffs the program to allow for 9 hours of programming.	Agencies run programming at non-district facilities. This can include wilderness-based camps, city recreation centers, or other venues.
Co-creation of the daily schedule at least 3 lead agency staff members present in the morning for an enrichment block	Lead agency staff should have time to prep and have meal breaks	All staffing ratios, safety protocols, and attendance procedures must be adhered to.
All agency staff paid for an 8 hour day (to include prep and meal break)	District covers the cost of custodial staff, and the use of facilities	Providing breakfast, lunch and a snack that meet with the CDE requirements for nutrition.
OUSD certified teaching staff providing academic support in the morning supervised by an OUSD Administrator	District provides 3 meals to students (Breakfast, Lunch, and Snack)	
Inclusion of SPED Students and SPED Support Staff	If needed, the District provides Culture Keeper to support campus safety.	
Instructional Assistants/Tutors		
Recruitment/Enrollment/Registration led by OUSD		

Intersession-

Meeting the qualifications for this Request For Proposals and being accepted also qualifies your organization to run intersession programs during any break in regular school year calendar.* *Intersession is any period between two academic sessions or*

terms sometimes utilized for brief concentrated courses.

E. Funding

OUSD Expanded Learning Programs are primarily funded through grants from the California Department of Education (CDE). CDE provides funds to school districts that collaborate with community partners to provide safe and educationally enriching alternatives for children and youth during non-school hours. The funds are awarded to specific school sites or agencies through a competitive process. The base grants that CDE awards to OUSD for summer programs represent three funding sources:

Additionally, Lead Agency partners leverage other funding and resources to support high quality programs, including private grant dollars, AmeriCorps grants, volunteers, and other in-kind resources. Leveraging additional resources on behalf of the expanded learning programs is an essential function of the Lead Agency partner because of the reality that state and federal expanded learning grant dollars alone are often inadequate to run a high-quality program. Expanded Learning Opportunity Program (ELO-P) CDE introduced ELO-P funding in 2021 to increase expanded learning opportunities for unduplicated students.

- 21st Century After-School Safety and Enrichment for Teens (ASSETS) grants for high schools are federal funds. 21st Century ASSETS grants are awarded based on a highly competitive application process, and last for five years.
- For summer learning and intersession models agencies will receive a rate of \$30.54/student/day for any program TK-12. This higher rate allows agencies to meet the requirement of a 9 hour day, create staggered staffing schedules, and have additional staff to meet the 10:1 TK/K staffing requirement, as well as to integrate with morning academic programs to add small group pull out and/or enrichment rotation.

F. Summer Learning/Intersession Program Operation:

We know in recent years, the field of education and expanded learning programs had to pivot due to global pandemic, power outage, wildfires, etc. Here in Oakland, approved Lead Agencies must be equipped and have organizational infrastructure to provide remote programs, hybrids, or any other configuration of programs mutually agreed upon in the MOUs.

In addition, in the spirit of OUSD's Full Service Community Schools vision, our approved expanded learning organizations partners work closely with schools and their principals

to develop specific programmatic goals to provide holistic support and equitable learning opportunities for students. As school-day teachers focus on providing high quality instruction in the classroom, youth development workers provide high quality expanded learning opportunities to students during the after school and outside of regular school hours when youth are most vulnerable to crime, violence, and risky behavior.

Below is an outline of operational requirements.

Please note that the below list of compliance requirements is not exhaustive. Lead Agencies are expected to know and comply with these and other district and state and federal requirements not listed here, including but not limited to state and federal laws and 12 requirements outlined in applicable OUSD Board policies and the Memorandum of Understanding (“MOU”) with OUSD which all Lead Agencies selected to serve a school site must sign and have approved by OUSD’s Governing Board. A sample MOU is attached as Appendix IV. Please note this MOU is subject to change depending on District needs. Applicants are encouraged to review it for more program requirement specifics.

H. Staffing

Staff working in OUSD Expanded Learning Programs must meet the minimum requirements to be in compliance with the California Dept of Education Codes. Staff members who directly supervise students must meet the district's qualification for an instructional aide or provide documentation that confirms completing 48 college units or the equivalent of an AA college degree.

Programs must operate with a minimum staff to student ratio of 1:20 or 1:15 for TK/K grade students. Unless otherwise advised due to the health and safety of the students. It is highly recommended that each expanded learning program have a Site Coordinator who is full-time and situated at the school site during the day. The California Education Code provides that "selection of the program site [coordinator] shall be subject to the approval of the school year site principal." The Lead Agency must notify school principals of any expanded learning staff changes.

Oakland expanded learning programs share a basic staffing pattern across all sites, though specific staff duties may vary somewhat from site to site. The most common staffing plan includes a full-time Site Coordinator, a Quality Support Coach, and youth development workers. Many programs also work with additional service providers for specific services, and some may rely on regular volunteer assistance as well. At some sites, certificated teachers provide targeted academic assistance and academic enrichment activities for expanded learning participants through extended contracts.

I. Enrollment, Attendance, and Evaluation Documentation

Approved program organizations will need to consider CDE Guidelines, OUSD Expanded Learning Office expectations, and site-level input (e.g. site administrator) when it comes to student enrollment consideration, attendance protocol, and programmatic evaluation.

- a. **Enrollment:** The approved summer organization must work under the umbrella of the OUSD Expanded learning office and track all student participation using Aeries.
- b. **Attendance:** Attendance must be tracked for all camps and must be turned into the Expanded Learning Office.

- c. **Evaluation:** The expanded learning team provides yearly evaluation of programs and works to get feedback from students, community, and partners.

J. Contract and Payments

Summer/Intersession youth program organizations that are approved through the process described in this RFP can enter a 1-year contract with OUSD. This RFP is valid for 3 years and has an extension phase of up to 5 years. Contracts with OUSD are valid on a yearly basis for up to a 5 years span. Please note that a contract can only be yearly or for a 3 year period, with the possibility of 2 more years on a year to year basis. They may not begin operating at a school site unless the District and agency have executed a contract on the District's template. Invoices are processed on a cost-reimbursement basis for actual expenditures incurred.

K. Guidelines for Charging Fees

The intent of ELO-P, ASES, and 21st CCLC grants, which aligns with OUSD values, is to establish local programs that offer academic support and enrichment to students in need of such services regardless of a families inability to pay.

Both the CDE and OUSD discourage charging fees as that could exclude students in need from attending and taking advantage of the expanded learning program. ASES, 21st Century, and ELO-P grants do not prohibit charging fees for expanded learning programs; however, programs which choose to charge fees, will need to collaborate with a Site Administrator to create and submit the program's fee structure for approval in accordance with the terms in the MOU. In addition, all 21st Century, ASSETS, ELO-P grants will be required to report any fees collected (i.e.- registration fees, family fees, application fees, etc.). Fees collected could be deducted from the 21st CCLC grant amount received by the California Department of Education (CDE).

Programs that opt to charge program fees may not prohibit any family from participating due to financial circumstances. All program materials related to outreach and enrollment must state clearly that no child will be denied services due to inability to pay.

L. RFP Process

Any summer/intersession youth program organization applying for the 2023 summer and/or intersession beyond must successfully complete the summer RFP process and earn *highly recommended* or *conditionally recommended* status, detailed below. Therefore, an organization that does not successfully complete the RFP process or does not earn a *highly recommended* or *conditionally recommended* status

will not be contracted with OUSD to serve in the summer or intersession organization role.

Summer/Intersession youth development organizations that submit an RFP by the deadline will be assessed based on their RFP responses. Applications that have the potential to earn the *highly recommended* or *conditionally recommended* status and require additional information may be invited for an interview with the RFP Review Team.

Organizations completing this RFP process will be assessed and scored into one of the following three categories:

- 1) **Highly Recommended:** Organization has adequately demonstrated its capacity to serve in a summer organization role and fulfill *all* summer learning responsibilities outlined by OUSD and listed in Section III of this RFP and required document. This *highly recommended* status will be valid for up to 2023 - 2028 school years, depending on the organization's successful implementation of the agreed-upon scope of work.
- 2) **Conditionally Recommended:** Organization has adequately demonstrated its capacity to serve in this role and to fulfill *most, though not all*, of the responsibilities outlined by OUSD and listed in Section III of this RFP and required document. Organizations receiving this *conditionally recommended* status will be provided with specific feedback from the RFP Review Team on areas of responsibility where the organization has not adequately demonstrated effective capacity. This *conditionally recommended* status will be valid for up to one year. Within that year, the community organization will be asked to provide the OUSD EXLO with additional evidence of its ability to fulfill all youth development-based organization responsibilities, including documentation of the organization's efforts to improve based on feedback from the RFP Review Team. At the end of this first conditional year, the community partner will be re-assessed by the OUSD EXLO team and re-categorized as *highly recommended*, *conditionally recommended*, or *not recommended*.
- 3) **Not Recommended:** Organization has not adequately demonstrated its capacity to serve in the summer/intersession organization role and to fulfill most of the responsibilities outlined by OUSD and listed in Section III of this RFP and required documents. Organizations receiving this *not recommended* status will not be included in the list of qualified organizations that will be shared with Principals and lead agencies. Organizations can appeal by following the instructions in the appeals process described in Appendix V.

OUSD will notify the Summer Learning youth development organization of its determination by January 17, 2023 via email. If OUSD determines that an organization is Not Recommended, the organization shall have the opportunity to contest that determination. Additional details regarding this process are contained in Appendix V.

M. Minimum Proposals

OUSD is seeking applications from established community organizations with adequate fiscal reserves to cover at least 1 month of general operating expenses as a Lead Agency partner. Grant funds sub-contracted to Lead Agency partners do not cover the full cost of running a full comprehensive summer learning program in Oakland; thus,

organizations choosing to serve in the Lead Agency role must be financially stable and demonstrate the capacity to leverage other resources in support of youth programming.

OUSD is seeking applications from youth program organizations that have demonstrable experience in providing high quality summer programs. All organizations must provide acceptable documents demonstrating two (2) years of experience in the following areas:

- Providing program services to the students in the service category (ies) being applied for. Specifically, evidence of a positive track record of the capacity to effectively coordinate skill building as well as successful collaboration with the school site administrator, faculty and staff.
- Hiring, retention, and provision of professional development of appropriately qualified staff to provide services to OUSD students in a culturally and linguistically competent and age-appropriate manner with a focus on youth development strategies.
- Maintaining collaborative relationships with school site leadership and expanded learning providers (lead agencies) in the development and implementation of a high-quality programming that supports the district's and the school's goals.
- Agency administrative capacity to comply with compliance and fiscal policies of the OUSD and CDE, including: agency administration manual; fiscal and personnel policies; attendance records; cost allocation plans, etc.
- Capacity to effectively engage a large number of diverse students on an ongoing basis who demonstrate the desire and enthusiasm to participate in the program at a very high and consistent rate. Additionally, the agency can illustrate specific examples and strategies it has developed that actively engage parents and family members throughout the school year.

Summer/intersession youth program organizations that apply for the role must be able to comply with all requirements outlined in the standard OUSD contract (see Appendix IV for a sample of current year). For example, while a copy of the organization's current insurance coverage is required with this application, should the organization be chosen, it will need to attain the level of insurance outlined in the MOU.

APPENDIX V: SAMPLE OF OUSD SERVICES AGREEMENT

SAMPLE OUSD SERVICE CONTRACT (DO NOT ADJUST TO CHANGE) SERVICES AGREEMENT 2023-2024

This Services Agreement (“Agreement”) is a legally binding contract entered into between the Oakland Unified School District (“OUSD”) and the below named entity or individual (“VENDOR,” together with OUSD, “PARTIES”):

The parties hereby agree as follows:

1. Term.

a. This Agreement shall start on the below date (“Start Date”): If no Start Date is entered, then the Start Date shall be the latest of the dates on which each of the Parties signed this Agreement.

b. The work shall be completed no later than the below date (“End Date”): If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. Services.

VENDOR shall provide the services (“Services”) as described in #1A and #1B of Exhibit A, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of Exhibit A whether and how its services would be able to continue.

3. Alignment and Evaluation.

a. VENDOR agrees to work and communicate with OUSD staff, both formally and informally, to ensure that the Services are aligned with OUSD’s mission and are meeting the needs of students as determined by OUSD.

b. OUSD may evaluate VENDOR in any manner which is permissible under the law. OUSD’s evaluation may include, without limitation: (i) requesting that OUSD employee(s) evaluate the performance of VENDOR, each of VENDOR’s employees, and each of VENDOR’s subcontractors, and (ii) announced and unannounced observance of VENDOR, VENDOR’s employee(s), and VENDOR’s subcontractor(s).

4. Inspection and Approval.

VENDOR agrees that OUSD has the right and agrees to provide OUSD with the opportunity to inspect any and all aspects of the Services performed including, but not limited to, any materials (physical or electronic) produced, created, edited, modified, reviewed, or otherwise used in the preparation, performance, or evaluation of the Services. In accordance with Paragraph 8 (Compensation), the Services performed by Vendor must meet the approval of OUSD, and OUSD reserves the right to direct

VENDOR to redo the Services, in whole or in part, if OUSD, in its sole discretion, determines that the Services were not performed in accordance with this Agreement.

5. Data and Information Requests.

VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.

6. Confidentiality and Data Privacy.

a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof. VENDOR and all VENDOR's agents, personnel, employee(s), and/or subcontractor(s) shall maintain the confidentiality of all information received in the course of performing the Services, provided such information is (i) marked or identified as "confidential" or "privileged," or (ii) reasonably understood to be confidential or privileged.

b. VENDOR understands that student data is confidential. If VENDOR will access or receive identifiable student data, other than directory information, in connection with this Agreement, VENDOR agrees to do so only after VENDOR and OUSD execute a separate data sharing agreement.

(i) If VENDOR is a software vendor, it agrees to access or receive identifiable student data, other than directory information, only after executing a California Student Data Privacy Agreement ("CSDPA") or CSDPA Exhibit E (available here).

(ii) If VENDOR is not a software vendor, it agrees to access or receive identifiable student data, other than directory information, only after executing the OUSD Data Sharing Agreement (available here).

(iii) Notwithstanding Paragraph 28 (Indemnification), should VENDOR access or receive identifiable student data, other than directory information, without first executing a separate data sharing agreement, VENDOR shall be solely liable for any and all claims or losses resulting from its access or receipt of such data.

c. All confidentiality requirements, including those set forth in the separate data sharing agreement, extend beyond the termination of this Agreement.

7. Copyright/Trademark/Patent/Ownership.

VENDOR understands and agrees that all matters produced under this Agreement, excluding any intellectual property that existed prior to execution of this Agreement, shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in those works are the property of OUSD. These matters include, without limitation, drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship, or other documents prepared by VENDOR, its employees, or its subcontractors in connection with the Services performed under this Agreement. VENDOR cannot use, reproduce, distribute,

publicly display, perform, alter, remix, or build upon matters produced under this Agreement without OUSD's express written permission. OUSD shall have all right, title and interest in said matters, including the right to register the copyright, trademark, and/or patent of said matter in the name of OUSD. OUSD may, with VENDOR's prior written consent, use VENDOR's name in conjunction with the sale, use, performance and distribution of the matters, for any purpose and in any medium.

8. Compensation.

OUSD agrees to pay VENDOR for satisfactorily performing Services in accordance with this Paragraph, Paragraph 10 (Invoicing), and #1C in Exhibit A.

a. The compensation under this Agreement shall not exceed:

This sum shall be for full performance of this Agreement and includes all fees, costs, and expenses incurred by VENDOR including, but not limited to, labor, materials, taxes, profit, overhead, travel, insurance, permitted subcontractor costs, and other costs.

b. OUSD shall not pay and shall not be liable to VENDOR for any costs or expenses paid or incurred by VENDOR not described in Exhibit A.

c. Payment for Services shall be made for all undisputed amounts no more frequently than in monthly installment payments within sixty (60) days after VENDOR submits an invoice to OUSD, in accordance with Paragraph 10 (Invoicing), for Services actually performed and after OUSD's written approval that Services were actually performed. The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

d. Compensation for any Services performed prior to the Start Date or after the End Date shall be at OUSD's sole discretion and in an amount solely determined by OUSD. VENDOR agrees that it shall not expect or demand payment for the performance of such services.

e. VENDOR acknowledges and agrees not to expect or demand payment for any Services performed prior to the Parties, particularly OUSD, validly and properly executing this Agreement until this Agreement is validly and properly executed and shall not rely on verbal or written communication from any individual, other than the President of the OUSD Governing Board, the OUSD Superintendent, or the OUSD General Counsel, stating that OUSD has validly and properly executed this Agreement.

9. Equipment and Materials. VENDOR shall provide all equipment, materials, and supplies necessary for the performance of this Agreement.

10. Invoicing. Invoices furnished by VENDOR under this Agreement must be in a form acceptable to OUSD.

b. If OUSD, at its sole discretion, determines an invoice fails to include the required elements, OUSD will not pay the invoice and will inform VENDOR of the missing items; VENDOR shall resubmit an invoice that includes the required elements before OUSD will pay the invoice.

c. Invoices must be submitted monthly, and within 30 days of the conclusion of the applicable billing period, unless otherwise agreed. OUSD reserves the right to refuse to pay untimely invoices.

d. OUSD reserves the right to add or change invoicing requirements. If OUSD does add or change invoicing requirements, it shall notify VENDOR in writing and the new or modified requirements shall be mandatory upon receipt by VENDOR of such notice.

e. To the extent that VENDOR has described how the Services may be provided both in-person and not in-person, VENDOR's invoices shall—in addition to any invoice requirement added or changed under subparagraph (c)—indicate whether the Services are provided in-person or not.

f. All invoices furnished by VENDOR under this Agreement shall be delivered to OUSD via email unless OUSD requests, in writing, a different method of delivery.

11. Termination.

a. For Convenience by OUSD. OUSD may at any time terminate this Agreement upon thirty (30) days prior written notice to VENDOR. OUSD shall compensate VENDOR for Services satisfactorily provided through the date of termination. b. Due to COVID-19. Notwithstanding Paragraph 19 (Coronavirus/ COVID-19) or any other language of this Agreement, if a shelter-in-place (or similar) order due to COVID-19 is issued or is in effect during the term of this Agreement that would prohibit or limit, at the sole discretion of OUSD, the ability of VENDOR to perform the Services, OUSD may terminate this Agreement upon seven (7) days prior written notice to VENDOR. Upon approval by OUSD legal counsel, the OUSD Superintendent or an OUSD Chief or Deputy may issue the termination notice without approval by the OUSD Governing Board, in which case this Agreement would terminate upon ratification of the termination by the OUSD Governing Board or seven (7) days after the notice was provided, whichever is later.

c. For Cause. Either Party may terminate this Agreement by giving written notice of its intention to terminate for cause to the other Party. Written notice shall contain the reasons for such intention to terminate. Cause shall include (i) material violation of this Agreement or (ii) if either Party is adjudged bankrupt, makes a general assignment for the benefit of creditors, or a receiver is appointed on account of its insolvency. Upon approval by OUSD legal counsel, the OUSD Superintendent or an OUSD Chief or Deputy may issue the termination notice without approval by the OUSD Governing Board, in which case this Agreement would terminate upon ratification of the termination by the OUSD Governing Board or three (3) days after the notice was

We had great success with the collaborative model last year at REACH Academy. The staff, kids, and principal found the model to be engaging and a very supportive environment. This upcoming summer, we would like to expand this model to two locations within OUSD.

In the box below, please briefly explain your rationale for this number of sites? Types of space the organization needs to run the program (Example: Need access to a garden to fulfill our organization's mission, ie.Need a stage etc). Types of equipment required to run the program.

Last summer, we ran two locations in OUSD with great success. This upcoming summer, we would like to add an additional collaborative model to our offerings in OUSD to have the ability to serve more kids in the community. For our programs, we need access to classrooms and outdoor spaces as well as wifi.

APPENDIX II: Application Questions

1. ORGANIZATIONAL CAPACITY (2 pages double-spaced)

EDMO is a nonprofit organization with a mission of providing equitable access to out-of-school learning experiences for kids by creating paradigm shifts to dismantle systemic inequities and oppressive structure. Through our partnership programs, we create supportive, inclusive environments where kids explore awarding-winning STEAM and SEL focused curriculum specially designed to address school and district specific needs and requirements. Through our partnerships, we empower kids to cultivate a sense of self, own their impact and show up in the world with curiosity, courage and kindness. Furthermore, we are experienced in ELO-P funding requirements, program design and compliance to ensure our partners meet state audit requirements.

EDMO has been providing summer programming in the Oakland community for the past nine summers. Our summer 2022 partnership with OUSD was a prime example of our collaborative approach, as we worked with OUSD to launch their first Integrated Model pilot program consisting of a partnership with Springboard Collaborative to run a full-day summer program at Reach Academy. Partners collaborated in weekly meetings leading up to the summer and checked in consistently throughout the summer to ensure open and timely communication. Each day, the staff from EDMO and Springboard Collaborative took turns supporting each other during their respective literacy and STEAM / SEL focused periods before lunch. For the remainder of the day, EDMO staff engaged kids with additional STEAM, SEL and outdoor activities.

In planning for summer 2023, EDMO will utilize feedback received from surveying staff

and families on their experience from last year. Additionally, EDMO will continue to prioritize hiring staff from the communities in which we work to help strengthen community connections within the summer program. Supporting our initiative to collaborate with our partners, EDMO staff will participate in relevant, site-specific meetings centered around kids throughout the OUSD community. Our staffing practices emphasize hiring bilingual members of the community and bringing year-round jobs and training to local high-achieving youth and young professionals. Our Recruitment Team is trained by our DEIB Manager (diversity, equality, inclusivity and belonging) to ensure our hiring practices are inclusive and aligned with our DEIB initiatives. Furthermore, we provide extensive training in youth development, classroom instruction and behavior management.

To ensure our programs are grounded in research-based practices, we partner with Social-Emotional Learning (SEL) and STEAM professionals from top institutions and museums in the design and development of our programming. Program training is led by our experienced team of Region Managers, Site Coordinators (Site Directors), our Curriculum Director and Curriculum Writers.

At EDMO, we cultivate a sense of belonging with our staff and maintain employee retention by integrating SEL practices in our internal development initiatives, offering wages that are aligned with industry standards and creating an environment rooted in support, recognition and rewards. Please see section 4 for additional information on training hours and development.

2. FISCAL MANAGEMENT AND RESOURCE DEVELOPMENT (2 pages)

The OUSD Summer Sample Budget includes all positions and supplies that directly support a program of 150 kids for 23 days at two sites. Each site will have a full-time Site

Director and a full-time Site Assistant with an additional 120 hours of training and prep for Site Directors as well as 80 hours of training and prep for Site Assistants. We have budgeted for Instructors and Counselors to work 40 hours per week during the summer with 60 hours of additional time prior to the start of camp for training and program prep.

Each day kids will rotate through enrichment, social-emotional learning activities, outdoor recreation, rallies and academic support activities. Our budget is currently set at a ratio of 1:10 staff to kids for the TK/K groups and a ratio of 1:15 staff to kids for grades 1 - 5. We feel that this is the ideal ratio of kids to staff for maintaining a quality program throughout the summer but will consider a ratio of 1:20 for grades 1 - 5 if necessary. The staffing costs in the budget include direct costs associated with planning and operating a program, including curriculum, marketing, IT support, customer relations, program management, staff recruiting and supplies. The budget currently outlines all of the positions we plan to hire for summer with a portion of salaries being in-kind from matching funding sources. We may consider a reduction in roles and a ratio of 1:20 staff to kids if needed to meet funding availability. We've also built in a budget for staff appreciation, professional development, self care and wellness so that we can model with staff what we practice with kids while working to attract and retain high-quality team members. We have attributed 4% of the overall budget to administrative costs.

To obtain additional funding for the summer program, EDMO has secured a \$35,000 grant from the California Foundation for Stronger Communities. We are also currently working with the Springboard Collaborative to secure an additional \$125,000 in funding for the collaborative program model at two sites through a joint proposal to the Koshland Foundation. The proposal will be reviewed at their board meeting in January 2023. To further support the cost

of the program, EDMO will continue to connect with other foundations and funders who are interested in supporting expanded learning programs.

We are currently in the process of shifting away from a third-party for our finance and accounting functions (currently CFO Rick, Inc.) and moving toward an in-house Director of Finance and Administration to oversee all of our financial records, perform regular bank reconciliations, run financial reports, advise the budget process and maintain accurate payroll reports by January 2023. Payroll processing will also be handled by our Director of Finance and Administration with a support staff.. An annual audit is performed from Sept. - Dec. and the most recent audit is currently being performed on the 2021 financial statements. The 2022 audit is scheduled for Sept. - Dec. 2023.

3. AGENCY INFRASTRUCTURE (2 Pages) **Please see Org Chart in Supporting Docs

To support and grow the program, we have specially designed a multi-tiered organizational structure consisting of a Director of Partnerships, Region Manager, Partner Relations Manager and Site Coordinator (referred to as the Site Director), along with on-site Site Assistants, Instructors, and Counselors, with additional support from EDMO's Curriculum Director and Curriculum Writers, Human Resources, Marketing and Communications Department, Customer Relations Department, and IT Systems. The responsibilities and collaborative efforts for each element of this team are outlined below.

The Director of Partnerships will oversee the program from the top level, ensuring that all aspects of grant funding are being met.

The Region Manager will oversee the logistical details of the program. They will be responsible for hiring, training and managing all site personnel and will also be the main point of contact for the Site Director and the district.

The Partner Relations Manager will support the Region Manager with program set up and partner communications.

The Site Director will be solely dedicated to the program and will manage all aspects of the summer camp program at each location. They will be the main point of contact for the school site and will attend all meetings at the school and district level. The Site Director will also be responsible for the day-to-day operations of the program, managing all family communications, building strong relationships with district partners through clear and timely communication, and collaborating with school site leadership as well as any community partners and stakeholders in order to provide high-quality programming. They will also act as the liaison for nutrition services.

The Site Director's role will also include at least one monthly meeting with the school principal, attending training and meetings relevant to their position and supporting the alignment of school practices with that of the summer programs. The EDMO Site Director and Region Manager will collaborate on weekly meetings with partners leading up to and throughout the summer to ensure program and operational alignment. Additionally, the Site Director will monitor weekly family surveys, gather feedback and will engage with families daily to address any issues related to the program and partners operating at the site.

The Region Manager will meet with the Site Director weekly to review all aspects of the program and provide support where needed. The Site Director and Region Manager will collaborate on providing continued professional development and ongoing training for staff.

Additionally, the Region Manager will coordinate with the Site Director to administer all program quality assessments and develop a plan to implement quality improvements as needed.

For attendance, the Site Director will be responsible for maintaining all attendance records and connecting with any families who are in violation of the attendance policies outlined in the enrollment process. The Region Manager and Director of Partnerships will perform audits of all attendance records throughout the summer to ensure complete records.

Regarding curriculum, EDMO's Curriculum Director and Curriculum Writers will lead curriculum training for staff and provide in-program support for all curriculum related issues.

Through the hiring process, all applicants will be screened to ensure they meet the minimum requirements. Once hired, all staff will be subject to a background check, LiveScan fingerprinting and TB Testing. Sufficient staff will be hired to maintain a maximum of 1:10 staff to kids ratio for TK/K and an ideal ratio of 1:15 staff to kids for grades 1 - 5 but will consider a ratio of 1:20 if it becomes necessary.

4. YOUTH DEVELOPMENT EXPERTISE, PROGRAM QUALITY ASSESSMENT PROCESS, AND SCHOOL DISTRICT ALIGNMENT

Our mission is rooted in our belief that ALL kids should have access to our programs to prepare them to be the innovators, educators, researchers and leaders of tomorrow, regardless of their family's ability to pay. Central to achieving our mission is our emphasis on learning and practicing Social Emotional Learning (SEL) skills.

Our mission aligns strongly with OUSD's vision of kids reaching their full potential by building skills that will help them become caring, competent, fully informed, critical thinkers who are prepared for college, career and community success. Since 2014, we have run summer programs at REACH Academy, Korematsu/Esperanza, Allendale, Brookfield and ACORN

Elementary. Through our experience, we have learned that in order to have a successful program in Oakland, we need to hire staff from the community, have a strong, collaborative relationship with the school, provide healing-centered engagement and trauma-informed professional development for staff, and create opportunities for kids to be creative and express themselves.

In summer 2022, our Integrated Model pilot program took place at REACH Academy in East Oakland for 136 kids in grades K - 4. Of those kids, 49% identified as Latino and 45% identified as African American. Springboard Collaborative trained OUSD teachers in their literacy curriculum and family engagement methods while EDMO hired out-of-school time professionals, college students and graduates, and provided training on hands-on, project-based learning. The two agencies then integrated the STEAM and literacy sections and staff during the camp day. As a result, 95% of kids increased their reading proficiency through the program with 71% of kids reaching average daily attendance goals. Through surveys, staff reported higher levels of job satisfaction and learning something new from their peers.

In addition to these community examples, EDMO also employs a full-time team that includes three Curriculum Designers and a DEIB Manager, as mentioned before. While our curriculum team creates content that is intentionally diverse, equitable and inclusive in a way that all kids can relate and participate, our DEIB Manager also reviews all EDMO materials through a lens of DEIB and community relevance. We are also working with a DEIB consulting firm to update our SEL Framework, also known as The EDMO Method, to incorporate transformative SEL principles. The rollout of our updated framework is in process and elements of it will appear in our summer 2023 programming.

As a whole, EDMO has an organizational and program structure that supports and addresses many of the CDE's Quality Standards, but as with any program, this is always room for growth and improvement in certain areas and we are dedicated to continuously evaluating our programs to ensure we are adjusting and improving in real-time.

Strengths:

Safe and Supportive Environment - We hire and train staff who create a community of support and safety for all kids. From "Team Love" to "Team Time," our programs include ample time focused on building community, creating relationships within their group and connecting with others. This dedicated time for intentional self reflection and social interaction in a facilitated space helps kids feel comfortable with their peers and leaders, so they feel supported in any situation they may face.

Active and Engaged Learning - Our curriculum is created in a manner that engages kids in learning using inquiry-based practices to solve problems and create projects in a hands-on, interactive way.

Skill Building - Our programs support kids in developing a STEAM identity through skill building in STEAM topics. In addition, all curriculum and outdoor games in all of our programs promote building skills in SEL through intentional activities.

Youth Voice and Leadership - Kids in program have a myriad of options for driving their own learning and diving deeper into passion projects. Projects are designed in a way so that the outcomes reflect the uniqueness of the individual kids who created them. Additionally, kids have agency over things like their group names, group cheers, rally games, skits and other camp culture aspects which gives kids a sense of pride and representation in the program.

Quality Staff - We focus on hiring staff from the local community who are passionate about education. Staff receive 60+ hours of training and participate in continuous coaching and feedback cycles for their own personal and professional development.

Program Management - Our organizational structure is multi-tiered with a management structure and curriculum team to support the program. The program management systems we use have been refined over 19 years of running high-quality, award-winning summer programs.

Growth Areas:

Healthy Choices & Behaviors - EDMO intends to incorporate more curriculum around healthy choices and movement activities. We are working with our Curriculum Team to include more opportunities for highlighting healthy choices and behaviors in our curriculum models.

Diversity, Equity and Inclusion - EDMO has identified that DEIB integration in all aspects of the organization is imperative. We have hired a full-time, internal DEIB Manager to facilitate this org-wide. Simultaneously, our Curriculum Team is integrating more projects and activities to be culturally responsive.

The training for EDMO programs are performed in-house by Region Managers, our Curriculum Department, DEIB Manager and Site Directors. Our training team consists of educators and youth development experts. We also partner with outside organizations such as the Global Kindness Initiative and Be The Change Consulting to provide additional training on topics to support staff development, build skills in trauma informed practices and integrate culturally responsive behavior. For late hires, we provide video training in addition to on-site training and position shadowing for their first few days on the site. Training hours by on-site

staff: Camp Directors: 120 hours of training, Site Assistants: 80- hours of training, Instructors and Counselors: 60 hours of training.

EDMO uses a multi-faceted assessment approach across all of its programs including program quality assessments, student assessments and family assessments via surveys and observational data. We are currently working with an organization who specializes in assessment, Public Profit, to expand the tools for program assessment for all programs. Moving forward, we will use the SEL PQA and SA PQA assessment for overall program assessment and Public Profit will recommend a list of additional SEL-specific assessments to incorporate into our programs.

Student assessments will be performed once during the summer at the midway point to gauge engagement. Weekly family surveys will be sent to ensure that families enjoy the program and see if they have any feedback. These results will be used to make real-time program adjustments to better meet the expectations and needs of the community.

Notable indicators our work in Oakland:

- We have served 800+ kids in some of the most disadvantaged neighborhoods in Oakland.
- We have increased the Average Daily Attendance (ADA) for summer school from 65% to 107% of the goal on OUSD campuses where we provided programming.
- Over 90% of families report they would enroll their child in our program.
- Over 70% reported an increase in at least 1 SEL skill.
- Over 85% of kids reported there was a caring adult in the program and felt safe.
- We received an overall score of 4.26 on a scale of 5 from an independent evaluator using the School-Aged Program Quality Assessment (SAPQA) and the Quick Comprehensive Assessment for Summer Programs (CASP).

To Whom it May Concern:

As the Executive Director and Co-Founder of Edventure More (EDMO®), I, Eduardo A. Caballero, attest that our agency is willing and able to perform the commitments contained in this application in order to run two high-quality, collaborative model summer programs for Oakland Unified School District students.

Thank you for your consideration,

Eduardo A. Caballero
Executive Director
Edventure More (EDMO®)

Date: December 6, 2022

Dear Expanded Learning Programs Team, Oakland Unified School District,

I am writing in support of EDMO's request for qualifications to serve as a Lead Agency for Oakland Unified School District's Expanded Learning Program. For the past three years EDMO has been the Lead Agency running the ASES-funded after school program at Ruby Bridges Elementary School in Alameda. The program is a wonderful blend of academic support, hands-on projects, social emotional learning activities, and outdoor recreation and playtime for students. I have had the pleasure of witnessing the program first hand and seeing the positive impact that it has had on our students and the entire school community. Most recently, the team launched our ELOP funded Transitional Kindergarten Program, and the EDMO team immediately picked up the program with a dynamic, age/grade appropriate curriculum, and the professionalism needed to work with new families to the school community.

The entire EDMO staff from Helena to the Instructors are professional, collaborative and a pleasure to work with.

If I can provide any additional information or details for your consideration, please feel free to contact me at

Sincerely,

Claudia Medina

EDMO Statement of Qualifications

Founded in 2004, EDMO (legal name Edventure More) is a 501(c)(3) education non-profit. **Our mission is to provide equitable access to out-of-school learning opportunities designed to help every person cultivate a sense of self, own their impact, and show up in the world with curiosity, courage, and kindness.** Our award-winning camps, classes and tutoring programs engage kids' minds, bodies and hearts. With the integration of STEAM and Social Emotional Learning (SEL) through all elements of our programs, both kids and staff learn about themselves as they learn about the world around them.

To fulfill our mission of creating equitable access, we work with districts, schools, counties, civic agencies and other non-profits to address the challenges of providing high-quality expanded learning programs to students who need it the most. We have worked with over 30 district, school and community partners using a variety of funding sources (including ASES, 21st Century, ESSER and now ELO and ELO-P funding) to bring nearly 6,000 low-income students approximately 30,000 weeks of programming at little to no cost to their families. In the process we have developed a co-design process with our partners that is grounded in inclusive, collaborative and equitable practices.

As an organization, we model the lessons we teach. We collaborate with leaders in the fields of Science, Maker Education and Social Emotional Learning in the design of our curriculum. We practice empathy and problem solving by working with school districts to design programs that meet the needs of their unique communities. We take responsibility for our personal and professional development as humans so that we can lead with authenticity and compassion. At EDMO we celebrate getting messy and making mistakes. As an organization we are committed to learning and growing alongside the children in our programs.
