This scope is based upon Design Development Plans provided by Urban Design Consulting Engineers.

Our proposal is based on Sandis performing staking calculations up to 4 weeks in advance of the required field work. Any plan changes or staking layout changes within the 4 weeks prior to the field work will require extra time and fee for those adjustments and recalculations.

It is the client's/contractor's responsibility to notify Sandis of any plan changes that affect our work. Timely notification of changes can help reduce recalculation impacts.

Plan changes after contract award may affect Sandis' layout fee and schedule. These include plan changes that affect the calculation complexity, field productivity, increased mobilizations or overall quantity of work to be performed regardless of the overall material quantity changed or increased.

It shall be the responsibility of the client/contractor to provide two complete and current sets of plans, specifications, design changes, and RFI clarifications for our use whether or not engineering plans were prepared by Sandis.

Client/Contractor acknowledges and agrees to indemnify and hold harmless, Sandis for any, and all costs arising out of staking performed based upon incomplete or outdated information.

If re-staking of survey points is required due to disturbance, removal, contractor activities, subcontractor activities, or other means, they shall be re-staked at an additional fee.

Contractor shall sign an extra staking tag at the time re-staking is done. Requested additional services will be pre-approved by the Contractor and an extra services tag shall be signed at the time additional staking is performed.

The scope of work included in this proposal is limited to the specific scope outlined above only. Any exclusions listed are for clarity only and do not represent a complete list of exclusions to the scope. Any additional scope requested or performed other than those listed in this proposal shall be provided as an additional service.

The above services will be provided under the assumption that boundary corners or other suitable horizontal control has been established for this project and is available for our use.

The Contractor shall strive to order all construction staking forty-eight (48) hours prior to the need in the field.

All staking requests shall be submitted in writing and shall clearly define points or items to be staked, in both narrative and graphic formats with the desired offsets indicated.

This estimate assumes that our limits of liability and general comprehensive insurance in the amount of \$1,000,000 with a \$100,000 deductible and is adequate and that additional coverage will not be required.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**BLANKET ADDITIONAL INSURED  
(ARCHITECTS, ENGINEERS AND SURVEYORS)**

This endorsement modifies insurance provided under the following:  
COMMERCIAL GENERAL LIABILITY COVERAGE PART

**A. The following is added to WHO IS AN INSURED (Section II):**

Any person or organization that you agree in a "contract or agreement requiring insurance" to include as an additional insured on this Coverage Part, but only with respect to liability for "bodily injury", "property damage" or "personal injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with "your work" and included within the "products-completed operations hazard".

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- d. This insurance does not apply on any basis to any person or organization for which coverage as an additional insured specifically is added by another endorsement to this Coverage Part.
- e. This insurance does not apply to the rendering of or failure to render any "professional services".
- f. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that "contract or agreement requiring insurance" to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the **LIMITS OF**

**INSURANCE (Section III)** for this Coverage Part.

**B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

However, if you specifically agree in a "contract or agreement requiring insurance" that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance". But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the insured when the insured is an additional insured under any other insurance.

**C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that person or organization. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with such person or organization entered into by you before, and in effect when, the "bodily

## COMMERCIAL GENERAL LIABILITY

injury" or "property damage" occurs, or the "personal injury" offense is committed.

**D. The following definition is added to DEFINITIONS (Section V):**

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include a person or organization as an additional insured on this Cov-

erage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.
