Background and Recommendation

On September 20, 2022, vendor and the District entered into a Services Agreement for vendor to help students learn the fundamentals of sports in a fun team environment that facilitates growth, exploration and healthy habit development. Activities include basketball, flag football, and tennis. Vendor was to provide services through integration into after school programs at sites mutually agreed to by vendor and the Community Schools and Student Services Department.

Due to the success and popularity of vendor’s expanded learning programming and an increase in Expanded Learning Opportunities Program funding, the District is seeking to have vendor introduce Saturday sports programming for up to 20 Saturdays at the Oakland Academy of Knowledge campus. Vendor will also add or increase sports services for after school programs at Laurel Elementary School, Manzanita SEED Elementary School, Carl Munck Elementary School, Redwood Heights Elementary School, Greenleaf Elementary School, and Melrose Leadership Academy. This will increase the Agreement amount by \$122,096.00 and extend the Agreement end date to October 31, 2023.

Funding Resource 2600 – Expanded Learning Opportunities Program

Source(s)

Background

As a result of receiving Expanded Learning Opportunities Program (ELOP) funding from the State of California, the District has expanded comprehensive after school programming to include every OUSD elementary, middle, and high school. One required element of after school programming is physical activity for students. Additionally, ELOP funding allows for services on weekends and over the summer.

To take advantage of this opportunity to provide additional services to students, the District issued Request for Proposal (RFP) #21-120ExLO seeking vendors to propose sports-based youth development programs during expanded learning (before school, after school, intersession) time. Vendor successfully completed RFP requirements and was selected as a partner to provide services for TK-6 programs.

5/31/23

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. 2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment and Evaluation.**

4. **Inspection and Approval.** VENDOR agrees that OUSD has the right and agrees to provide OUSD with the opportunity to inspect any and all aspects of the Services performed including, but not limited to, any materials (physical or electronic) produced, created, edited, modified, reviewed, or otherwise used in the preparation, performance, or evaluation of the Services. In accordance with Paragraph 8 (Compensation), the Services performed by VENDOR must meet the approval of OUSD, and OUSD reserves the right to direct VENDOR to redo the Services, in whole or in part, if OUSD, in its sole discretion, determines that the Services were not performed in accordance with this Agreement.
5. **Data and Information Requests.** VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
6. **Confidentiality and Data Privacy.**
 - a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof.  - (ii) If VENDOR is not a software vendor, it agrees to access or receive identifiable student data, other than directory information, only after executing the OUSD Data Sharing Agreement ([available here](#)).
 - (iii) Notwithstanding Paragraph 28 (Indemnification), should VENDOR access or receive identifiable student data, other than directory information, without first executing a separate data sharing agreement, VENDOR shall be solely liable for any and all claims or losses resulting from its access or receipt of such data.
 - c. All confidentiality requirements, including those set forth in the separate data sharing agreement, extend beyond the termination of this Agreement.
7. **Copyright/Trademark/Patent/Ownership.** VENDOR understands and agrees that all matters produced under this Agreement, excluding any intellectual property that existed prior to execution of this Agreement, shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in those works are the property of OUSD. These matters include, without limitation, drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship, or other documents prepared by VENDOR, its employees, or its subcontractors in connection with the Services performed under this Agreement. The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.
- d. Compensation for any Services performed prior to the Start Date or after the End Date shall be at OUSD's sole discretion and in an amount solely determined by OUSD. VENDOR agrees that it shall not expect or demand payment for the performance of such services.

What is an RFP? An RFP (Request for Proposals) is a Proposal-based selection process, in accordance with Public Contracts Code section 20111.5. It is a request by OUSD Dept. of Expanded Learning for organizations to submit their Proposals to be considered as an OUSD sport-based provider for expanded learning programs, after which OUSD will determine which providers are qualified and award contracts based on that determination.

What is a Pre-Bid Conference? A pre-bid conference is conducted to clear up any confusion regarding project details, scope of work and solicitation of documents that outside providers may have. In addition, outside providers will have an opportunity to ask questions.

D. Introduction and Overview

The Oakland Unified School District (OUSD) Department of Expanded Learning (ExLO) and Oakland Athletic League (OAL) invites interested organizations to apply for the sports-based youth development programs serving youth, particularly TK-6th grades, to provide entry point for youth to have the opportunity to participate in middle and high sports activities. Sports-based youth development organizations must support and align with the OUSD's strategic plan to create equitable and joyful schools.

The push for the Expanded Learning Office's to provide sports-based youth development is founded in these local and national data.

- Low-income kids are 6 times more likely to quit sports due to costs (*Source. Project Play*)
- 1 out of 3 girls felt their schools were not offering girls, sports that interested them, and 1 out of 4 had challenges around participating due to family responsibilities or lack of money (*Source. Go Out & Play: Youth Sports in America, WSF, 2008. Coaching Corps*)
- Kids quit most sports by age 11 (*Project Play*)
- Girls, enter sports later, participate in lower numbers and drop out sooner in many settings. Urban and rural girls drop sports at twice the rate of boys. (*Source. Go Out & Play: Youth Sports in America, WSF, 2008. Coaching Corps*)
- High school girls who play sports are less likely to be involved in an unintended pregnancy; more likely to get better grades in school and more likely to graduate than girls who do not play sports. (*Source. Women's Sports Foundations founded by Billie Jean King*)

Therefore, our sports-based youth development program approach primary focus is to increase the menu of sports-based youth development programs to our TK-6th grade students. Secondly, increase access to youth sports programs within our elementary sites across Oakland, which will help increase participation in the middle and high school sports for girls and students who do not usually have access to sports programs. Thirdly, create the condition for "equalable play." The sport-based youth development organizations will be an integral part of our OUSD Full Service Community Schools and make an impactful contribution toward strengthening our district, expanded learning system, and community.

Oakland Unified School District's (OUSD) mission is to build a Full-Service Community District focused on high academic achievement while serving the whole child, eliminating inequity, and providing each child with excellent teachers/coaches every day. Expanded Learning supports this mission while holding our values of equity, joy, and liberation for youth and adults with the express purpose of interrupting inequity, examining biases, creating inclusive, and just conditions for all students to achieve equally high outcomes.

Eligible sports-based youth development organizations will help all students develop strong social-emotional skills, leadership, and foundational knowledge of the sports. In addition foster sportsmanship, teamwork, and an appreciation for an athletes' mindset to further play in middle and high school sports programs.

The two types of sports-based youth development programs that the Expanded Learning Office is hoping to solicit CBOs to apply are (i) the sports-based youth development at the school site, is the **school-based model (SBI)**, and (ii) the **intercession model (IM)** during the 2022-23 school year serving across all of the OUSD elementary schools.

(i) The **School-based Model of Sports-Based Youth Program**. This model provides youth with multiple weeks (ranging from 4 to 8 weeks) of sports program within the context of the after-school hours (Monday-Friday 3-6pm) and working directly with the approved OUSD Expanded Lead Agencies. Interest CBOs must provide 2-days a week, 45-60 minute sessions, of the sports program that meets ASES and 21st CCLC physical activity component; of a warm-up, organize sports activities, and a cool down. Each CBO is required to have a 20:1 ratio (except for TK/K, which is 10:1 ratio). The ratio of students to staff may vary based on the types of the youth-based program (high-risk, high supervision, etc.). The OUSD Expanded Learning Office will approve the students to staff ratio before the contract is agreed upon.

The 51-OUSD elementary schools/programs will select which eligible sports-based programs will be a match for the students/community. *Note: The Expanded Learning Office does not guarantee organization placement to school or the number of school sites that will opt into the sports program.

(ii) The **Intercession Model of Sports-Based Youth Program**. This model provides youth with a weekend or a week-long sports program at a location. The approved organization must “offer a 9-hour of program” for each day of operation. This includes program early admission, registering/checking-in students to signing students out, and programs. The Intercession model is structured like a camp-style format to invite 51-elementary students to register for the “Intercession Model” program.

Organizations can apply both models but must demonstrate the capacity and history of providing the sports-based youth development program.

<p>School-Based Model: Offer multiple weeks of sport-based programming either 2-days of the week serving 20 students per site.</p>	<p>Intercession Model (Offering 9-hours of programming)</p> <ul style="list-style-type: none"> ● Weekends (Saturday, Sunday, or both days) ● Fall Break: week-long offering ● Winter Break: week-long offering ● Spring Break: week-long offering

Example of School-Based Model:

*4 week program at Jackson Elementary School
(Serving TK-2nd on Tuesday/Thursday for 45 to 60 minutes
and 3rd-5th grade on Monday/Friday)*

*6 week program at El Pena Academy
(Serving TK-1st grade on Tuesday/Thursday for 45 to 60 minutes
and 2nd-3rd grade on Monday/Friday, and 4th/5th on Wednesday)*

Example of Intercession (“9-hours” of Program Offering)

11:00 Dismal

12:00-1:00 Lunch
1:00 - 3:00 Afternoon (PM Session) serving 3rd-5th grades
3:00-4:00 Free Play and Pick-up*

Term of the List of Qualified Agencies

The Request for Proposals (RFP) for sport-based organizations will result in a list of OUSD vetted sport-based organizations which OUSD will enter into a one-year contract. The selection and scheduling of the sports provider are at the discretion of the Expanded Learning Office, the expanded learning lead agency, and the school site administrator (Principal). School year schedules are created through a partnership between the sport-based organization and the Expanded Learning Office. Once selected to serve as a sport-based provider, the organization will work directly with the Expanded Learning Office to schedule the menu of sports-based youth development programs throughout the year starting in August to May before the contract is agreed upon.

Overview of OUSD Expanded Learning Programs

OUSD Expanded Learning Programs strive to create and sustain "safe haven" environments where Oakland children and youth can access expanded learning opportunities and integrated education, health, cultural, and enrichment programs outside of school hours or the regular school year. OUSD Expanded Learning Programs operate in elementary, middle, and high schools across the city of Oakland.

When programming is conducted in-person, over 9,000 students across 80 schools participate in OUSD expanded learning programs that operate Monday - Friday until 6:00 pm. Students who participate in expanded learning programs every day receive an additional 540 hours of learning by the end of the school year, equivalent to 90 additional days of school. In these valuable after-school hours, students engage in youth development activities that foster their physical health, social-emotional learning/well-being, and support their academic achievement in school. In order to meet these goals, the quality and success of the District's expanded learning programs are critical.

These expanded learning and summer programs are aligned with efforts in Oakland to improve young people's educational outcomes, including Oakland's investment in Kids First! The legislative initiative goal to "Help Children and Youth Succeed in School and Graduate High School" and the Oakland Unified School District's Full-Service Community Schools initiative seeks to provide health, education, and social services to youth, and their families, and the community.

OUSD expanded learning and summer programs offer critical support to schools, students, and their families. In addition to providing children and youth with sanctuary, quality expanded learning programs to support students academically and socially, OUSD expanded learning programs serve a large proportion of youth who typically benefit from additional learning support, including students from low-income households (75%) and English Learners (31%). Additionally, approximately 25% of OUSD after-school participants are African American and 45% are Latino.

OUSD seeks sport-based organizations whose mission and vision closely align and support the District's strategic plan and vision for Full-Service Community Schools.

High-quality sport-based organizations must satisfy the physical activity grant funding requirements— detailed further below and in the MOU—and provide additional opportunities for youth to practice the social skills they need to succeed.

E. Funding

Sports-based youth programs will be funded through the Expanded Learning Opportunity Program (ELO-P). The California Department of Education (CDE). CDE introduced ELO-P funding in 2021 to increase expanded learning opportunities for unduplicated students. The CDE grant required the grantee to record student participation through a database called Aeries, an OUSD's internal attendance tracking system.

- Example of suggested budget when providing a **school-based model**:
 - Ex: 1-Staff/Sports Coach at \$100 per hours x 2 hours x 2 days a week x 4 weeks (# of days) = \$1,600 x 5 sites = \$8,000
 - Ex: 1-Staff/Sports Coach at \$100 per hours x 2 hours x 2 days a week x 5 weeks (# of days) = \$2,000 x 5 sites = \$10,000
 - Ex: 1-Staff/Sports Coach at \$100 per hours x 2 hours x 2 days a week x 6 weeks = \$2,400 x 5 sites (# of days) = \$12,000
 - Example of suggested budget when providing **intercession model** (i.e. Saturday Camp)
 - \$350 per coach per session (Morning Session and afternoon session) = \$700
 - Propose flat rate to host 9-hours
 - Ex: 1-Staff/Sports Coach at \$350 per session x 2 sessions x 1 days = \$700 x 5 coaches (serving 100 youth) x \$700 = \$3,500

F. Sport Based Programs Operation

Approved sports-based youth program organizations must have an organizational infrastructure to provide sports programs throughout the year. Therefore, interested organizations need to review and consider the list of expectations of each program model before applying to be the sport-based program.

[School-based model (labeled as "SBM" and intercession model labeled as "IM")]

- Interested organizations must be able to provide sports-based programs at a minimum of 2-schools when providing a school-based program model. (SBM)
- Interested organizations must uphold the grant, district compliance, and program quality standards (e.g. attendance, safety training, participation in sports-based learning provided by the district, Positive Coaching Alliance, etc). (SBM & IM)
- Interested organizations implement sign in/out procedure
- Interested organizations, when providing district snacks will comply with district protocol and federal requirements
- Interested organizations must incorporate ASES and 21st CCLC physical activity component of a warm-up, organize sports activities, and a cool down
- Interested organizations must serve a 20:1 ratio (students: staff). (SBM)
 - Will collaborate with the ExLO Office to identify the maximum number of students participating during school-based model or intercession model. (IM)
- Approved sports-based organizations provide school-based or intercession models and work with the ExLO Office to offer high-quality sports programs and meet district safety requirements or grant compliance to ensure continual funding. (SBM & IM)

G. Enrollment, Attendance, and Evaluation Documentation

Approved sport-based youth program organizations will need to consider CDE Guidelines, OUSD Expanded Learning Office expectations, and site-level input (e.g. site administrator) when it comes to student enrollment consideration, attendance protocol, and programmatic evaluation.

- a. **Enrollment:** The approved sport-based organization must work under the umbrella of the expanded learning provider and track all student participation.
- b. **Attendance:** Attendance must be tracked for all camps and must be turned into the expanded learning provider.
- c. **Evaluation:** The expanded learning provides yearly evaluation of programs and works to get feedback from students, community, and partners.

H. Contract and Payments

Sport-based youth program organizations that are approved through the process described in this RFP must enter a 1-year contract with OUSD. They may not begin operating at a school site unless the District and agency have executed a contract on the District's template. Invoices are processed on a cost-reimbursement basis for actual expenditures incurred.

I. RFP Process

Any sport-based youth program organization applying for the 2022 - 23 school year and/or beyond must successfully complete the sport-based RFP process and earn *highly recommended* or *conditionally recommended* status, detailed below. Therefore, an organization that does not successfully complete the RFP process or does not earn a *highly recommended* or *conditionally recommended* status will not be contracted with OUSD to serve in the sport-based organization role in the 2022-23 school year.

Sport-based organizations that submit an RFP by the deadline will be assessed based on their RFP responses. Applications that have the potential to earn the *highly recommended* or *conditionally recommended* status and require additional information may be invited for an interview with the RFP Review Team.

Organizations completing this 2022 RFP process will be assessed and scored into one of the following three categories:

- 1) **Highly Recommended:** Organization has adequately demonstrated its capacity to serve in a sport-based role and fulfill *all* sports camp responsibilities outlined by OUSD and listed in Section III of this RFP and required document. This *highly recommended* status will be valid for up to 2022-2023 school years, depending on the organization's successful implementation of the agreed-upon scope of work.
- 2) **Conditionally Recommended:** Organization has adequately demonstrated its capacity to serve in the sport-based organization role and to fulfill *most, though not all*, of the responsibilities outlined by OUSD and listed in Section III of this RFP and required document. Organizations receiving this *conditionally recommended* status will be provided with specific feedback from the RFP Review Team on areas of responsibility where the organization has not adequately demonstrated effective capacity. This *conditionally recommended* status will be valid for up to one year. Within that

year, the community organization will be asked to provide the OUSD EXLO with additional evidence of its ability to fulfill all sport-based organization responsibilities, including documentation of the organization's efforts to improve based on feedback from the RFP Review Team. At the end of this first conditional year, the community partner will be re-assessed by the OUSD EXLO team and re-categorized as *highly recommended*, *conditionally recommended*, or *not recommended*.

- 3) **Not Recommended:** Organization has not adequately demonstrated its capacity to serve in the sport-based organization role and to fulfill most of the responsibilities outlined by OUSD and listed in Section III of this RFP and required documents. Organizations receiving this *not recommended* status will not be included in the list of qualified sport-based organizations that will be shared with Principals and lead agencies. Organizations can appeal by following the instructions in the appeals process described in Appendix V.

OUSD will notify the sports-based youth development organization of its determination by June 12, 2022 via email. If OUSD determines that an organization is Not Recommended, the organization shall have the opportunity to contest that determination. Additional details regarding this process are contained in Section L.

J. Minimum Proposals

OUSD is seeking applications from established Sport-based youth program organizations that have demonstrable experience in operating skill building coaching in a camp setting for elementary school students. All organizations must provide acceptable documents demonstrating two (2) years of experience in the following areas:

- Maintaining collaborative relationships with school site leadership and expanded learning providers (lead agencies) in the development and implementation of a high-quality sports focus program that supports the district's and the school's goals.

Sport-based youth program organizations that apply for the role must be able to comply with all requirements outlined in the standard OUSD contract (see Appendix IV for a sample of current year). For example, while a copy of the organization's current insurance coverage is required with this application, should the organization be chosen, it will need to attain the level of insurance outlined in the MOU.

- 2) **Letter of Agreement** (no more than one (1) page): A one-page letter signed by the person authorized to obligate the proposing agency to perform the commitments contained in the application. The letter should state that the proposing agency is willing and able to perform the commitments contained in the application.
- 3) **Written Responses to Application Questions** (no more than 5 double-spaced pages in response to the four (4) titled sections that appear in Appendix II Application Questions), signed under penalty of perjury,

All submissions must answer all four (4) titled sections below in no more than 5 pages total. Organizations may elaborate on specific documents provided in the Required Supporting Documentation (Appendix III)

M. Evaluation and Selection

For all applications, the completion of the application will be assessed first; applications that do not submit complete documentation demonstrating the capacity to meet the minimum requirements will not have the application reviewed.

Applications demonstrating the capacity to meet minimum requirements will have their Proposals evaluated and scored by an RFP Review Team made up of individuals with expertise in the relevant subject matter for which the application is submitted.

ANTs is proposing offering a diverse set of sports enrichment classes for two ages groups: K-2nd and 3rd-6th. Sports may include tennis, basketball, soccer, flag football, yoga, track & field, and more. We have current capacity to work at up to 3-5 sites, dependent on the agreements reached with regards to day and exact schedule. We can run 2 intercession camps simultaneously.

In the box below, please briefly explain your rationale for this number of sites? Types of space the organization needs to run the sports-based program (Example: Need access to knee-high water tanks to run a water basket weaving program). Types of equips required to run the sports-based program.

The number of sites we commit to is contingent on the contract arrangement for exact days, sport, and season length. We also run programs in other districts and have limited staff. We will need to create new staff positions for more sites for this project. To run our sports programs we'll need access to school grass fields and school blacktop areas, and sports equipment provided by OUSD which may include balls, rackets, field cones, first aid kits, nets, etc.

On behalf of ANTs Sports (Agency), I, Adam Ziegler (name)
Owner (Position), declare under penalty of perjury under the laws
of the State of California that the foregoing is true and correct.

Appendix II: Application questions for ANTS Sports

ANTS is uniquely positioned to partner with OUSD because we have over a decade of experience partnering with Bay Area public schools to offer excellent sports experiences to thousands of K-5th youth through our enrichment classes and summer camps. Our mission is to develop “America’s Next Talented Stars.” Our K-5th youth sports classes teach the fundamentals of sports in a fun team environment that facilitates growth, exploration, and healthy habit development. Our goal is for our participants to love sports for a lifetime.

Simply put, ANTS classes are different. Kids notice it right away and they often tell us “that was the most fun I’ve ever had playing tennis!” (or any other sport). The reason for this is that we’ve developed deep expertise in lesson planning that is game-based while teaching the fundamental and age-appropriate skills necessary to enjoy positive and inclusive play. We select coaches who are passionate and empathetic, and take them through rigorous high-touch training. Our age-appropriate curriculum and equipment is designed to let kids *explore* sports, while developing the capacity to respect teammates and coaches. In our class kids learn necessary components of athletics such as warm-ups and cool-downs, agility, balance, control, rules of the game, and sportsmanship.

ANTS is unique in our multi-sport approach. We do not teach just one sport. We have amazing non-competitive programming in tennis, flag football, soccer, basketball, yoga, and more. We work with each school to offer the right sports for that community. Our ability to mix & match sports is what inspired us to offer our “Sports Explorers” summer camp option to K-5th youth which runs at Redwood Heights Elementary. Kids at this age deserve to explore all sports rather than lock into any particular sport. Because of our experience running both specific sports enrichment classes and day-long summer camps, ANTS is a good fit for both the school-based model and interseccion model.

We have worked in the OUSD district as a valued partner of multiple OUSD schools since 2014. We're deeply familiar with the demographics of Oakland. Our coaches, many from Oakland, span races and gender and reflect the diversity of the city. Traditionally we've partnered with elementary schools in higher income areas, and it's been a business necessity to maintain continuity in those locations since new ownership took over in 2019. We've made great strides in making our programs more financially accessible to everyone through scholarship programs. None of our classes are offered without at least one scholarship spot, and we commonly offer additional scholarship spots to parents in need. Our general philosophy as an organization is to always learn and grow. We listen to our community, survey them, and always strive to meet them where their needs are. We hope that this partnership will allow our proven coaching methods to reach more children in different Oakland communities.

As an organization, we place great emphasis on communication. Starting at the top with the owner, transparent communication is one of our key values. Our customer service is timely, flexible, and personalized. On May 18th, 2022 we received this comment from an Oakland parent signing up for our Sports Explorers camp: *"This is (one of the reasons) why I love ANTS! Fast, personalized customer service--amazing, you guys really stand out."* Our communication values apply when working with stakeholders. For our after school programs to function we engage with school staff, PTA leads, and OUSD administration. This has never been truer than during the pandemic when the constant shifting of rules, policies, and processes challenged us to be responsive and careful. We are collaborative, responsive, and honest in our communication. These are values we hold dear. Please see the attached letter of recommendation from Ms. Snyder, an administrator at Thornhill Elementary who is deeply familiar with the ANTS organization. Year after year Ms. Snyder has invited ANTS to return back

to Thornhill because of our commitment to exceeding the school's expectations through timely and responsive communication.

Our strategy with hiring is to recruit via channels including but not limited to: Indeed, Craigslist, word-of-mouth, and university groups. We also do on-the-ground recruiting at local parks and tennis courts. We select staff who have demonstrated experience and reliability to work with kids, and then they must pass our 1:1 interviews. From there we take candidates through compliance (live scan, TB testing), and train them through 1:1 in person sessions. They have opportunities to shadow existing coaches to get a feel for our program. Given that the maximum coaching hours with after school sports programs is 10-15 hours a week, this part-time job for coaches means that there's a fair amount of staff turnover between seasons, and so we are hiring year-round. ANTS is currently a very small team, made up of 1 full-time employee (also the owner of ANTS) and 15-20 part-time W2 employee coaches. Hiring documents linked here and will be included in application: [Public job posting](#) | [Candidate Application](#).

ANTS uses Quickbooks for all accounting and invoicing needs. Student safety starts with staff selection and compliance. From there we progress to high-touch training to familiarize coaches with policies & procedures for every contingency. We make every effort to pair new coaches with an experienced coach (we prefer to have two coaches at every program to hedge against any unexpected absences). We provide first-aid kits to all coaches and escalation paths to coaches including class rosters with emergency phone numbers. We typically provide all sports equipment for classes including balls, nets, rackets, etc. If OUSD provides this, we would need ample equipment for each child as well as a place to store the equipment between classes. Example supplies are: youth tennis balls, youth tennis rackets, youth tennis nets (portable), soccer balls, basketballs, yoga mats, footballs, flags, etc. ANTS is a fiscally responsible organization and we always plan ahead for costs to maintain excellent programs.

This is why we've survived for over a decade and during the pandemic. Please see "sample budget" document attached for more details.

ANTS Sports always has, and will continue to, put in place systems that allow for us to operate in compliance with our OUSD MOU. This includes compliance procedures for staff relating to training, live scanning, TBD testing, COVID-19 vaccine requirements, and more. Our program has always maintained a 1:6 coach/child ratio (with 2 staff in a class of 12 kids). The jump to 1:20 will be manageable but will require us to change our training procedures and expectations of current coaches. It will naturally be less individual instruction and more group games. It is the full time job of Adam Ziegler, owner of ANTS Sports, to maintain the integrity of our programs, staff, and partnerships. He will be coordinating directly with OUSD staff throughout this project. His contact information is: adam@antssports.com | 510-775-5289.

We've successfully led 20+ enrichment seasons over the last 10 years at SFUSD, OUSD, and WCUSD schools. During that time we've had zero season-long cancellations, negligible amounts of class cancellations due to sickness or absence, and *only* positive reviews from parents, colleagues, and school staff (google "ANTS Sports" to see 20+ recent reviews). The key reason we're able to maintain reliable programs is our emphasis on staffing multiple coaches per program, and training them thoughtfully in our unique sports curriculums with a multi-step approach. First we take them through a 1:1 training that goes deep on the principles and philosophies in our youth sports program. We conceptually build lessons together in training and then they get the chance to build their own lesson plan. Finally, they shadow an experienced coach at an active program to put all the pieces together. The final result is a readiness to coach that is unparalleled in other youth sports organizations. Most organizations scale training over video or other medium which is efficient but ultimately not as effective.

Of particular pride to ANTS is how our team navigated the COVID-19 pandemic when children were out of school and most organizations and leagues had shut down. Before the

pandemic, we provided enrichment at dozens of schools across SFUSD, OUSD, and more. When schools were locked down, our entire business model was in jeopardy. So we switched models. During the pandemic, we [safely](#) led over 100 small group programs for nearly 1000 kids at neighborhood parks, tennis courts, and even backyards. We started in “pods” in backyards or cul-de-sacs, and gradually expanded to parks where more and more children started to join with masks. We couldn’t meet all of the demand and enthusiasm for our classes. We’re super proud of navigating this period and offering sports enrichment when kids needed it most.

Social-emotional learning is a key element of ANTS classes. First and foremost, we emphasize that our classes are non-competitive. Many of our students (of kinder age) have never played sports. So our job is to teach any sport in a way that is fun, age-appropriate, inclusive, and positive. Our coaches work only through positive reinforcement, and we never discipline kids for not wanting to participate. Our strategy is to make sports so fun that kids choose to join rather than disengage. When kids are having fun, they typically try their best and see natural improvement in their skills. Our emphasis on partner work allows for new relationships to build. At the end of each class we celebrate our efforts & wins and congratulate one another. All of these aspects help children form a positive association with sports.

Inclusion is a natural part of our program. We include everyone in our sports lessons regardless of race, gender, sexuality, religion, etc. If we notice any bullying or behavior that goes against this, we use it as a teaching moment for all of the children and take appropriate action to fix the behavior. Our staff is racially diverse and is made up of students, adults, and even retirees. Many coaches have stayed with us for years reflecting our values in employee development, employee recognition, and generous pay.

LETTER OR RECOMMENDATION for

ANTS (America's Next Tennis Stars) PROGRAM FOR KIDS IN OAKLAND UNIFIED SCHOOL DISTRICT (OUSD)

Dear OUSD Official,

I am writing to tell you about ANTS from the perspective of an Oakland parent and physician. My daughter attended Montclair Elementary and started playing tennis with ANTS while a 3rd grader at Montclair. She participated in ANTS continuously from 2018 through 2021. My daughter continues to play tennis as a middle schooler.

The name of ANTS is a misnomer. ANTS is not developing tennis stars, but is developing happier & healthier kids in the setting of teaching them to play tennis. Kids who exercise, develop skills, and are supported by responsible adults are happier, healthier, and become better citizens.

ANTS staff temporarily customize tennis courts, making mini-courts, to optimize kids' learning & having fun. This enables kids, even kids with zero previous tennis experience, to learn skills & gain confidence. This is especially important for equity, to support kids who have never played tennis before. Also, the coaches pick up the kids from school or afterschool program to escort them to the courts, which assures kids' safety & confidence that a responsible adult is looking out for them.

During COVID sheltering in place, an ANTS coach even offered virtual tennis sessions where the kids were exercising with a coach via zoom or were hearing a kid-friendly presentation on zoom about a professional tennis player, with emphasis on traits (practice, persistence, etc) for kids to admire or emulate. When it was deemed to be safe to do so during COVID, my daughter also participated in an ANTS tennis pod. The kids in this pod looked forward to their time on the courts together every week. The weekly tennis pod was critical for their overall wellness.

The coaches that my daughter had were communicative, ethical, responsible, organized, and committed to our kids being safe, having fun, becoming better citizens, and learning to play tennis.

I hope that ANTS can be offered through more OUSD schools, to support more kids & strengthen our Oakland community.

To Whom It May Concern,

I am Teresa Contreras-Chavez, the after-school coordinator for Thornhill Elementary. America's Next Talented Stars (ANTS) is an amazing organization. I have had the pleasure of working with them for the past seven years, and they collaborated with Thornhill for many years before my arrival.

The instructors are very knowledgeable about their sport and make it fun for all ages. Parents have reached out to tell me how much fun their child has in class and how much they are learning. The instructors are out playing the sports with the students and not just watching. The coaches do an excellent job of working with students at Thornhill.

It is always a pleasure to work with ANTS. They take great responsibility for their students and families. If they ever have to cancel a class, they make-up the class for students on another day. They also not only contact me to let me know a class is canceled, they also contact families when this happens. This shows me how much they care for the students and their families in their classes.

ANTS is truly a respectable organization that knows what to do to keep students engaged and learning. They care deeply about their students and families and creating a positive relationship with them. ANTS is an organization that I will continue to partner with year after year.

Sincerely,

Teresa Contreras-Chavez

Sample class structure (school-based model)

*Note that our lesson plan is the same whether we are applying it for tennis, soccer, basketball, flag football, floor hockey, or any other sport. The only difference is that the rules are different and the fundamental skills and games apply to that sport. We always have a component of: rules, individual fundamentals necessary for that game, partner work, and team game. The curriculum can be applied at any school site for any age group. For age groups K-2nd, the focus is more on the ABC's (agility/balance/control) and fun games. For 2nd-5th, the focus is on putting athletic skills into the context of real gameplay and strategies, always emphasizing fun.
