Consequently, an entity may be acting in the dual capacity of contractor and subcontractor for one or more CDSS contractors – each having one or more CDSS contracts. In some cases, a subcontractor may not directly contract with the CDSS.

6. The use allowance for equipment is computed at an annual rate not to exceed six and two-thirds percent (6 2/3%) of acquisition costs.
7. To be reimbursable, interest paid on private sector debt for the purchase, lease-purchase, repair or renovation of child care and development facilities owned or leased by contractors providing center-based care must be actual interest paid, not to exceed a fair market rate of interest.
