

A young child with curly hair, wearing a blue polo shirt with the KIPP Academy logo, has their right hand raised. The child is looking towards the camera with a slight smile. In the background, other children in similar blue shirts are seated, and a woman with braids is partially visible. The setting appears to be a classroom or a school event.

Specialized Teaching Program (STP): Assessment

School team reviews IEP

Eligibility Considerations

Is student eligible for IEP because of...

- Autism
- Intellectual Disability
- Traumatic Brain Injury
- Speech/Language Impairment
- Other Health Impairment?

If yes...

Level of Cognitive and Adaptive Need

Does student display overall cognitive and adaptive abilities within the Below Average or Well Below Average range as evidenced by historical psychoeducational assessment?

If yes...

GE Curriculum Access

Is student unable to access general ed curriculum even with significant modifications?

If yes...
