SCHOOL SITE UPDATES

- *Network 1:* Bella Vista students started a student of the month campaign. Students are nominated by the Student Council based on growth in student attendance, academic learning and displaying positivity in the community
- *Network 2:* Students at Korematsu Discovery Academy are learning how to excel their reading the math skills using a computer based program that they interact with daily. The program allows them to track goals in reading the math.
- *Network 3:* Acorn Woodland has a 5th grade leadership class where students meet weekly focusing on school core values. This year the class will focus on how to be a global citizen and why strong character leads to success.

SCHOOL SITE UPDATES

- *Middle School Network:* Westlake students created a Peer conflict mediator group, led by 8th graders. They are resolving in-class and on the yard conflicts by making agreements.
- *High School Network:* As part of their class project, Bunche students visited Berkeley City College to gain strength in the hospitality pathway. All students are also preparing college and career plans
