Academic Support:

In collaboration with the Academic Liaison or the Principal, LLS programs train instructors to provide an academic hour that supports students' academic needs.

Enrichment/Recreation Classes:

Every student deserves to experience and participate in a wide variety of extracurricular activities. Most families would choose to enroll their children into classes such as sports leagues, ballet, karate, music, art, dance, theater and many others if they had the resources to do so. The main reason for many families not participating in these types of activities is the cost of these types of services. It is the goal of LLS to offer high quality extracurricular activities during afterschool programming.

LLS develops afterschool instructors that offer a variety of quality enrichment and recreation classes. Staff develops unit plans and daily lesson plans for each class. LLS works with each instructor to create these plans that culminate at a student showcase several times a year. LLS also partners with artists, athletes, and other individuals to provide more specialized and focused activities such as karate, chorus, and art.

Policies:

All policies enforced at LLS programs are created to:

- create a safe and positive learning environment
- maintain the integrity of classes offered
- reinforce the value of learning occurring during afterschool hours
- establish and foster the relationship between day school and afterschool programs
- create an understanding that LLS programs are not babysitting services, but rather a space where students continue to learn
