Memo	
То	Board of Education
From	Tony Smith, Ph.D., Superintendent By: Maria Santos, Deputy Superintendent, Instruction, Leadership & Equity-in-Action Vernon Hal, Deputy Superintendent, Business & Operations
Board Meeting Date (To be completed by Procurement)	
Subject	Individual Service Agreement Amendment - 1 <u>SFBAC/Learning For Life San Leandro</u> <u>CA</u> (Contractor, City/State) - <u>Manzanita SEED Elementary School</u> (site/department)
Action Requested	Approval by the Governing Board of the amendment to the Individual Service Agreement between the District and <u>SFBAC/Learning For Life</u> Services to be primarily provided to <u>Manzanita SEED Elementary School</u> for the period of through, in an amount not to exceed \$4,000.00
Background A one paragraph explanation of why an amendment is needed.	An amendment to the original ISA between Manzanita SEED Elementary School and Learning for Life is needed to address student social-emotional needs that adversely effects student academic achievement. Target students at Manzanita SEED consist of Title I, Latino, and African American. This Learning for Life consultant will provide direct services to targeted populations at Manzanita SEED. This service will result in a 5% decrease in office referrals and suspensions, improved school climate scores on CHKS Surveys and narrow the achievement gap for Title I students, Latinos and African Americans. that will support for structured play, mentoring and enrichment activities during recess period.
Discussion One paragraph summary of the amended scope of work.	Learning for life will provide one consultant to lead team building activities, cooperative student lead conflict resolution support, mentoring and structured play during recess period. The work will begin on April 15th 2013 and end on June 30th 2013. Learning for Life will provide all training for this contracted support position.
Recommendation	Approval by the Governing Board of the amendment to the Individual Service Agreement between the District and <u>SFBAC/Learning For Life</u> Services to be primarily provided to <u>Manzanita SEED Elementary School</u> for the period of through, in an amount not to exceed \$4,000.00
Fiscal Impact	Funding resource name (please spell out)

Units of Service for Lead Agency: ____Learning for Life_

Option A: Lead Agency Unit of Service – Ases/21st Century After School Program After School Services include:

After school program set up at school site and coordination of comprehensive services to ensure ASES and 21st Century grant compliance, alignment with school day, program quality, fiscal oversight, and compliance with district policies, including contracting processes, fiscal timelines, and Legal requirements.

Delivery of high quality after school programming consisting of academic, enrichment, and recreational/physical activity components to meet grant compliance. Services will be delivered by qualified, trained individuals and community providers with subject matter expertise and youth development experience.

After School program will serve up to 90 students. Services will be offered daily, Monday through Friday, for the entire school year. Program will begin immediately at the end of the regular school day and will stay open until 6pm daily.

Program activities will be provided by qualified staff. Student to staff ration will not exceed 20:1.

Lead agency will provide on-going training and program support for program staff. Lead agency will recruit and coordinate community support including volunteers, resources and funding. Lead agency will organize school community events including family literacy night and cultural celebrations.

Cost for Elementary School lead agency package: \$95,000

Factors that may reduce or increase the school charge for above lead agency unit for ASES/21st Century After School Program:

- **1a.** School opting to utilize own teachers to provide academic services, reducing the academic programming charges to the cost above.
- **1b.** School opting to directly contract with a different service provider for enrichment, reducing some of the enrichment charges to the cost above.
- **1c.** School opting to provide supplies in support of after school programming, reducing supply costs from the total above.
- 1d. School opting to fund School Safety Officer, reducing above costs to provide safe and secure after school environment.
- 1e. Other specialty services from this menu have been selected to augment some of the basic lead agency services included in package above.
- **1f.** School utilizing other funds to increase level of services and/or number of students served beyond the above base unit.

Option B: Lead Agency Unit of Service – OFCY After School Enrichment After School Services include:

After school program set up at school site and coordination of comprehensive services to ensure OFCY grant compliance, alignment with school day, program quality, fiscal oversight, and compliance with district policies, including contracting processes, fiscal timelines, and Legal requirements.

Delivery of high quality after school programming consisting of enrichment and components to meet grant compliance. Services will be delivered by qualified, trained individuals and community providers with subject matter expertise and youth development experience.

After School program will serve up to 90 students. Services will be offered daily, Monday through Friday, for the entire school year. Program will begin immediately at the end of the regular school day and will stay open until 6pm daily.

Program activities will be provided by qualified staff. Student to staff ratio will not exceed 15:1.

Lead agency will provide on-going training and program support for program staff. Lead agency will recruit and coordinate community support including volunteers, resources and funding. Lead agency will organize school community events including family literacy night and cultural celebrations.

Cost for Elementary school lead agency package: \$89,000

Factors that may reduce or increase the school charge for above lead agency unit for OFCY After School Enrichment:

- **2a.** School opting to provide own enrichment instructors or contract with a different service provider for specialized enrichment services, reducing the academic programming charges to the cost above.
- **2b.** School opting to directly contract with a different service provider for enrichment, reducing some of the enrichment charges to the cost above.
- **2c.** School opting to provide supplies in support of after school programming, reducing supply costs from the total above.
- 2d. Other specialty services from this menu have been selected to augment some of the basic lead agency services included in package above.
- **2e.** School utilizing other funds to increase level of services and/or number of students served beyond the above base unit.

Other Specialized Services

Specialized Services Option A: In-school Academic Assistance

Academic reading assistance provided by trained tutors throughout entire school year.

Cost: \$23,000 for daily sessions throughout the school year; service for up to 20 youth per tutor.

Specialized Services Option B: After-school Academic Assistance

Academic assistance including reading, math, skill building and/or homework help provided by trained tutors and mentors throughout entire school year.

Cost: \$20,000 for daily sessions throughout the school year; service for up to 20 youth per tutor/mentor.

Specialized Services Option C: Enrichment Services

Enrichment classes provided by trained providers including art, drama, computers, fitness, gardening or music.

Cost: \$20,000 for daily sessions from throughout the school year; service for up to 20 youth per enrichment provider.

Specialized Services Option D: Operational and Programmatic Support

Additional year-long administrative and program support to ensure seamless delivery of services and strong program operations.

Cost: \$21,000 for daily assistance from throughout the school year.

Factors that may reduce or increase the school charge for above specialized services:

- **3a.** School opting to utilize own teachers to provide academic services, reducing the academic programming charges to the cost above.
- **3b.** School opting to provide supplies in support of after school programming, reducing supply costs from the total above.
- 3c. Variation in hours of service.
- 3d. Variation in number of students served.
